

IMPRESSIVE OBSERVANCE OF
ARMISTICE DAY IN TIMMINS

(Continued from Page One)

casion. Again the "Last Post" and "Reveille" were sounded with effective result by the Legion buglers, while sharp at 11 a.m. there was the two minutes of reverent silence in honour of the great dead. An address by A. E. Mortimer, secretary of the Canadian Legion here, was of special interest and impressiveness. He touched on the meaning of Armistice Day, speaking especially to the young people. A prayer by Rev. R. S. Cushing was followed by a stirring address by President A. Neame. Then came the placing of wreaths and poppies by the Legion members.

The Legion buglers, who proved so effective a feature of the services, included:—Comrades F. J. Hornby, A. Pearce, McCann, Phillips, S. Hancock and P. Cherry.

The wreaths placed on the cenotaph included tributes from:—Timmins Citizens' Band, Royal Arch Masons, Golden Beaver Lodge, A. F. & A. M., the Town Council, Algonquin Rifles, L.O. B.A., L.O.L., Schumacher Orange Lodges, Moose, St. John Ambulance Brigade, Timmins Fire Department, Daughters of England, Sons of England, Junior Moose, Kiwanis, Hadassah Chapter, Jewish Ladies, Ladies Auxiliary Canadian Legion, the Canadian Legion, I.O.O.F., Rebekahs, Eastern Star, Boy Scouts, Girl Guides, I.O.D.E., Masonic Brothers and many individuals.

SUCCESSFUL AND PLEASING
BAZAAR IN PROGRESS HERE

The grand old-time bazaar under the auspices of the ladies of the Church of the Nativity is in progress this week, starting on Tuesday and to conclude this evening. The event is being very largely attended and its many features deserve the largest possible attendance. The event will conclude this evening, and further reference will be made to the occasion next week.

Parents Have to Pay for
Damage by Youngsters

Last week a number of youngsters were found guilty in juvenile court of damaging an automobile on Halloween by running it down Sixth avenue and smashing it in the creek at Vimy Road. The parents of the children were ordered to pay the damage incurred, this damage totalling some ninety-two dollars.

Two boys charged in juvenile court this week with damaging the equipment at the community playgrounds were found guilty and the parents were ordered in this case also to pay the damage done, there being two damage claims of \$5.00 each asked. The case against another boy was dismissed.

The imposition of these costs upon the parents should teach fathers and mothers generally to keep proper track of their youngsters and see that they do not get into any mischief that will cause loss and damage.

Mr. and Mrs. Barry, of Haileybury, motored here during the week-end to visit their daughter, Mrs. P. Carson, 14 Sixth avenue.

SUCCESSORS TO BALDWIN NOT EASILY FOUND

Rt. hon. Stanley Baldwin feels that no useful purpose would be served by calling a full party meeting to discuss the causes of the Conservative party's defeat in the recent elections in Britain, and he is expected to continue as party leader for at least the time being. Mr. Neville Chamberlain (left) has been suggested as his logical successor, but he is said to be too aloof toward private members. Col. Amery (centre) is said to aspire to the leadership, but has a very small following. Winston Churchill's (right) claims have been urged, but it is feared that his elevation might cause a split in the party.

The official figures for Temiskaming riding in the recent provincial election give A. J. Kennedy a majority of 1379 over C. A. Byam.

AN OLD LADY'S CONCERN

(Nottingham News)

Two sentries were marching up and down their separate beats. For some time the old lady watched them in silence. But at last she could keep silent no longer and grabbed one of the men by the arm.

"Can't you two silly lads make it up and be friends?" she asked reproachfully.

A DAMPENER

(Blairmore Enterprise)

The teacher was reading an account of the battle of Bannockburn. "And when the English saw the new army on the hill behind, their spirits dampened," he read. "Now, what is meant by dampened their spirits?" he asked one bright lad.

"Pittin' water in their Whusky," came the prompt reply.

DARK HORSE WON CRIBBAGE
BONSPIEL AT SCHUMACHER

Fred Dwyer the Winner of Big Event in Which a Hundred Expert Crib Players Took Part Recently at Schumacher.

Schumacher, Nov. 13th. Special to The Advance.

After seven solid rounds of heavy pegging the Schumacher cribbage bonspiel reached the final on Saturday evening and as predicted last week a "dark horse" was crowned "Champion of the North." Fred Dwyer, our local liveryman, piloted home his model T. O well that he copped off the turkey. Unfortunately, owing to scarcity of time of going to press, R. C. McDonald goes for second and 4 lbs. of chocolates for third have not been decided at the time of going to press. R. C. McDonald and Chas. Arnott are the fortunate members who have the privilege of playing for these prizes. They are to play off for second and third prizes.

The results of the 5th round are as follows:—C. Arnott 3, D. Sutherland 1; F. Dwyer 3, Jos. McNeil 0; Dr. Weston 3, W. White 2; R. C. McDonald 3, C. Booker 2. Booker, bye.

Results of the sixth round:—F. Dwyer 3, Dr. Weston 2; Arnott 3, McNeil 2; McDonald 3, C. Booker 1.

Final:—McDonald 3, Arnott 0; Dwyer 3, McDonald 1.

The triple knockout bonspiel is just about to start. All entries must be made at C. Arnott's store not later than Thursday, Nov. 14th, at 7 p.m. Over fifty have signified their intention to start. Anyone who thinks he knows the art of pegging is welcome. Get in, boys, and enjoy the game before it is too late.

PACIFIC CABLE RATES

Japan's new agreement, as announced by General J. G. Harbord of the Radio Corporation of America, to reduce press cable rates across the Pacific from 18 cents a word to 9 cents a word is a progressive step worthy of progressive Japan. But neither North America nor Japan must forget that the cheapest commercial cable rate across the Pacific is still 38 cents, and that before trans-Pacific trade can appreciably develop, that commercial rate must be reduced in proportion to the present reduction in press rates.

PENSIONS TO EMIGRANTS

(Glasgow Herald)

The only provision of the bill which cannot be regarded as an amendment following from administrative experience of new social services is the proposal to continue pension rights to insured persons who emigrate to the dominions. This is an important new departure in social legislation. It is unobjectionable, and may be a useful aid to the free movements of people within the empire.
