## DEATH OF MRS. BROUGH ON FRIDAY LAST AT TIMMINS

One of the Most Esteemed of the Family Residents of the Town Passes Away at the Age of 74 Years.

Timmins lost one of its most esteemed residents last week when Mrs. Brough passed away at her home on First avenue after an illness of only a few weeks. At the time of death Mrs. Brough was 74 years of age and had been a resident of Timmins for over thirteen years. The family were well known in the North and there was constant and anxious enquiry in recent weeks when it was known that Mrs. Brough was seriously ill. Her son, James Brough, of Timmins, was almost constantly at his mother's side during recent weeks, and two other sons, Mr. Alex Brough, of Shawville, and Mr. John Brough, of Halleybury, as well as Mrs. John Brough, came here last week on news of Mrs. Brough's illness. On Thursday she seemed to be much improved and Messrs Alex and John Brough left for their homes. The following day, however, despite all that care and attention could do Mrs. Brough passed away. Death was due to heart trouble.

The late Mrs. Brough was prominent in church and other circles here and was highly esteemed by all who knew her. Her death will be very deeply regretted by wide circles. The funeral took place on Sunday, Rev. Mr. Marsh, who had the services at the United Church for the past two weeks, conducting the services. The funeral was very largely attended, thus evidencing the high regard in which the late Mrs. Brough was held and the sincere sympathy felt for the family in their loss. The body was taken on the 11.40 train to Birdsalls, Peterborough County, Mrs. Brough's old home, for interment.

## WM. BOYCHUK DIES ON THE TRAIN NEAR TEMAGAMI

A despatch last night from North Bay said:—"While on his way to the sanitarium at Weston, Ont., William Boychuk, Roumanian miner, of Timmins, died Monday night on train No. 47 en route to Toronto. The death occurred near Temagami station. The dead man was taken on to North Bay and the body conveyed to Martyn's undertaking parlours there, later to be shipped back to Timmins for burial. A sister of the late Mr. Boychuk, Mrs. Minnie Kachuk, of Montreal, was on the train with him when he died."

## DEATH OF HERMADOSE PITRE ON FRIDAY OF LAST WEEK

The death occurred on Friday of last week of Hermadose Pitre, a respected citizen of Timmins for some seven years past. Death was due to bowel trouble from which he had suffered for some time. The late Mr. Pitre was a baker by trade and was well known and highly regarded by all who knew him. To the widow, who is ill at present in the hospital, and to the other near relatives and friends the deepest sympathy of all will go out. The late Mr. Pitre was 34 years of age. The funeral on Sunday was largely attended.

## A SAILOR PRINCE

"London Day by Day" in the Daily Telegraph.  
The Crown Prince Humbert of Italy has one predominant passion—the sea. Although he is a lieutenant-colonel of infantry at his official appearances, his heart has from the earliest childhood been given to the Italian navy. During the year 1918, when the Italians were fighting upon the Piave, the Prince of Piedmont, although only 14 years old, was frequently brought up to the chateau some twenty miles behind the line, where the King of Italy mostly resided at that time. On several occasions the young Prince succeeded in evading the officers of his suite, and he was always located by the agitated officials at Venice, hobnobbing with the young Italian destroyer captains. Although the main British naval forces in Italian waters were stationed at Taranto, certain of His Majesty's ships, notably the old light cruiser Diamond, frequently used Venice, and the Crown Prince was a popular figure on board, though his generally unofficial visits were something of a responsibility. His English is perfect, since virtually the entire responsibility for the upbringing and education of this delicate child devolved upon an English lady, Miss Brown, who was for many years a most important figure behind the throne in Italy, and whose advice was sought and taken by the Royal Family on the most diverse matters.

## MONEY IN OIL FOR THE POOR, FRIENDLESS AND OPPRESSED

(Manitoba Free Press)  
Ontario has no more sturdy champion of the poor, the friendless and the oppressed than Miss Agnes MacPhail, M.P., who on more than one occasion has denounced the Money Power and its grip over the humble masses of the people. Imagine, then, the surprise of the poor, the friendless and the oppressed when they learned that their champion was a director (or should it be directress?) of the Fuego Oil Company, which drilled a well north of Medicine Hat. To the surprise of the public, the well has begun to spout forth gas, while spurts of oil now and again give promise of interesting developments. What will Miss MacPhail do with the profits which everyone hopes she will make? The poor, the friendless and the oppressed will surely get a share.

## Hotel Employee's Wife Ill

Mrs. Dee was a happy little wife and mother who went about her housework singing and taking care of her little two-year-old girl. Soon for some reason, she began to droop and lose weight. Such a deep cough came that it pained her lungs continually. Her husband was anxious about her, but as he had to work long hours in a big hotel, he could not nurse her or help very much. The doctor said she needed the greatest care, and she soon went home to a very happy little family. But no—there was help at hand. She was admitted to the kindly care and skillful medical attention of the Toronto Hospital for Consumptives at Weston. In three months' time she increased in weight from 95 pounds to 122 pounds, which was a splendid gain indeed, and she soon went home to a very happy little family. Funds are needed by this hospital for such work, and your subscription will be gratefully received by W. A. Charlton and A. E. Ames, at 223 College Street, Toronto 2.

## POPULAR SCHUMACHER YOUNG LADY WELDED THIS WEEK

A quiet but pretty wedding took place at St. Matthew's rectory on Tuesday morning of this week, when Miss Dora K. Joyner, ("Dolly"), daughter of Mr. and Mrs. A. L. Joyner, of Schumacher, and Mr. George Sinclair Jarrett, mining inspector, Sudbury, formerly of the Hollinger staff, Timmins, were united in marriage by Rev. R. S.

## Farmers Not Immune

Working outdoors in the fresh air, as they do, you would hardly expect to see a farmer in the condition of Fred! However, farmers overwork themselves, too, especially when they are young and ambitious and have families to support. Fred got the flu, not only once but several times; couldn't shake it off, and finally the trouble settled in his lungs. "It was a lucky day for me," said Fred, "when the doctor got me into the Muskoka Hospital for Consumptives, for I was going down hill fast!" So he was, but now with expert medical care, rest and proper food, he is fighting his way back to health and home. Thus does the Muskoka Hospital bring relief and hope to the victims of consumption, but handicapped by lack of means—it must appeal to you for aid. Will you please send a contribution to W. A. Charlton and A. E. Ames, 223 College Street, Toronto 2.

Cushing, rector of St. Matthew's Anglican church. The marriage took place at 9 a.m., and after the ceremony there was a reception at the home of the bride's parents, a large number of

friends being present for this pleasing event. Mr. and Mrs. Jarrett left on the 11.40 train for Toronto and other points south. After the wedding tour they will take up residence in Sudbury.
