Many Interesting Contests and Novelties at Jamboree Under Auspices of the Excelsior Club, Schumacher. Other Schumacher News Items.

Schumacher, Dec. 4th, 1929. Special to The Advance.

The United Church basement was filled to its capacity on Wednesday the second day of the "Great Jamboree" put on by the Excelsior Club everyone being anxious to know who won the beautiful radio. We certainly congratulate Mrs. Frank Corry on her luck in winning such a dandy machine.

A very interesting feature of the evening was a doll dressed by three young men of Schumacher, which brought lots of laughter.

During the evening the rifle shooting contest was brought to a close and the final shooting Mr. McFarlane and Mr. Noble had a hard battle. Mr. McFarlane proved one too many for the big ball player, thus receiving first prize and Mr. Noble second prize. The shooting match between the ladies was eliminated to Mrs. Kennedy and Miss I. Cotcher, and in the final shooting Miss Cotcher was awarded first prize and Mrs. Kennedy second prize. M. N. McAlpine was the winner of a beautiful picture of the McIntyre mine taken at midnight.

The Excelsior Club wishes to thank everyone who helped to make this "Jamboree" such a great success.

Mrs. Greer, of Ottawa, is visiting her relatives in town and renewing acquaintances in the camp.

Mr. Noyse, of the police department left last week on a two weeks' vacation to Scranton, Pennsylvania, U.S.A. where he will join his mother who is across from South Wales on a visit to her sisters and brothers.

Henry Ostrowsky Wins South Cochrane Riding

In the voting on Saturday for the representatives in the Boys' Parliament to be held in Toronto during the week between Christmas and New Year's, Henry Ostrowsky was the choice for the riding of South Porcupine. Mr. Arch. Gillies was the chief returning officer for this provincial election and Wm. Paice, the member for last year, was his deputy. There were 61 names on the voters' lists for the riding, and of this number there were 53 who voted. This is a much better showing than the adults usually make in voting in elections. Usually only between a third and a half of the voters turn out to vote in the case of elections among adults. The boys showed a vote of 87 p.c. of the possible which is even better than Iroquois Falls did this year in its municipal election.

In the election on Saturday Henry Ostrowsky received 27 votes, which gave him a clear majority of one over the combined vote of his opponents, Leonard McFadden and Bert Halversen.

The voting for a representative for South Cochrane riding was done by the boys of the Tuxis and Trail Rangers. The election was carried through in very creditable way and adults might well take pattern in many cases from the fine sporting attitude of the boys.

The Boys' Parliament is an annual event held in the Christmas week at Toronto. The province is divided into districts the same as in provincial elections and each riding has a representative. At the Boys' Parliament, which is held in the regular parliament buildings, the boys consider and discuss all sorts of subjects of interest and importance to boys. Usually some distinguished public men, like the Lieut.-Governor or the Premier, or some member of the Cabinet takes part in the formal opening of the Boys' Parliament. This year as a result of the vote last Saturday Henry Ostrowsky will be the member for South Cochrane, and all the boys agree that he will be a first-class representative.

On another page of this issue is an open letter from Ralph Dipaolo which mentions a meeting of the Northern Prospectors' and Claim Owners' Association. The letter gives the date of the meeting as Tuesday, but it should be Monday, Dec. 9th, at 7:30 p.m. in the town hall. It was impossible to secure the hall for Tuesday, so the date is changed to Monday.
