Says Druggist

"Joint - Ease" is selling like hot cakes in my store, because it is a wonderful and speedy remedy for all joint troubles.

"But why not impress on tens of thousands of suffering people some of the things that dozens of my customers tell me almost daily.

"Some say that it knocks out lumbago overnight—others that it cures sore throat. It has no equal, while many insist that there is nothing they ever tried that is so efficient for neuralgia, neuritis and even head colds and vile nasal catarrh."

Answering the above letter, the makers of Joint-Ease, know that what this thriving Ottawa druggist says is true, but we still maintain that Joint-Ease is prepared for stiff, inflamed, painful swollen joints, whether in ankle, knee, hip, elbow, shoulder, fingers or spine.

You'll like to use stainless Joint-Ease, for with just one minute's rubbing, it soaks in through the flesh direct to the ailing bones, joints and ligaments—that's why it succeeds—for when Joint-Ease gets in joint agony gets out—and without any waste of time all swelling and congestion disappears. Made in Canada—costs only 6c a tube. All Druggists sell lots of it.

Annual Meeting of District of Cochrane Children's Aid

Report of Superintendent A. G. Carson Shows Large Amount of Useful Work Being Done by Children's Aid Society in District. Excellent Report of Good Work by Iroquois Falls and Ansonville Branch C. A. S. Officers for District Society Elected for the Ensuing Year.

The sixth annual meeting of the District of Cochrane Children's Aid Society was held at the Shelter on Saturday afternoon, with the president, G. A. Macdonald, in the chair, and representatives present from Iroquois Falls and Ansonville, Cochrane and Timmins. Those present included:—P. E. Miller, president of the Iroquois Falls and Ansonville Children's Aid Society; Mrs. Arthur Stevens, Cochrane; Rev. Fr. J. O'Gorman, E. L. Longmore, Capt. Ford, S.A., Mrs. H. W. Darling, Mrs. K. Eyre, Miss Farr, Miss Roy, Mrs. Abrams, Mrs. E. M. Condie and others.

The minutes of the previous meeting being read and adopted the secretary, A. G. Carson, read the financial statement of the Iroquois Falls and Ansonville Society, which showed a most successful and useful year. On motion of E. L. Longmore and Rev. Fr. O'Gorman the Iroquois Falls and Ansonville Society report was received and a hearty vote of thanks and appreciation tendered the officers and members of the branch for the excellent work done during the year.

The local superintendent, A. G. Carson, submitted his report of the work for the year, together with the auditor's financial report for the year.

After comment on the good work done by the local superintendent, these reports on motion of Rev. Fr. O'Gorman, seconded by Mr. Miller, were accepted and approved.

The report of the local superintendent was as follows:—
Report of the Local Superintendent of the work of Cochrane District Children's Aid Society for the year ending October 31st, 1929.

Mr. President, Ladies and Gentlemen:—In submitting this, the sixth annual report of Cochrane District Children's Aid Society, it brings us a general survey of the work accomplished during the past year ending October 31st, 1929.

By earnest effort and co-operation with other organizations the society has been able to make a very worthwhile contribution to the social conditions of the community. There has been little difference in the type of cases dealt with, except that the number has increased over previous years.

It is always our aim to save the home and children are never removed where poverty is the only cause to be found for complaint, and in such cases we assist the parents to care for the children in their own homes, that they may grow up to be useful citizens.

Immorality, neglect, and desertion are the most common causes for action being taken by the society. The majority of the children that are brought to the Shelter are sadly lacking in training of any kind, but after a short stay with our excellent matron, Mrs. Condie, a decided difference is noted in their manner and general bearing. Under her loving and watch-

ful care they are taught self respect and other qualities which enables them to find a sure place in the homes that are offered them.

A brief summary of the work for the year is as follows:—
Complaints received 231
Investigations made 269
Children involved 661
Court attendance 56
Office interviews 451
Mailed received (average daily) 4
Mail sent out (average daily) 5
Children made wards of the society 29
Children returned to parents 13
Wards placed in foster homes 28
Wards returned to the Shelter 8
Wards visited 50
Parents prosecuted for neglect 4
Mileage travelled 12453
Meetings addressed 5
Application for children for adoption 22
Official warnings 15
Children given hospital treatment 14
Children in Shelter (average monthly) 28
Children boarding out (average monthly) 4
Cases under the Unmarried Parents' Act 23

Of the 661 children involved during the year; 59 were charged with delinquency; 10 were dismissed; 21 placed on parole to report each week to the superintendent; 6 made restitution; 4 were sent to the Industrial School; 29 made wards of the Society; 28 placed in foster homes; 13 returned to parents; 14 given hospital treatment; 27 given relief; 2 died. In the case of the remaining 448 there was slight cause for complaint and conditions were adjusted in the homes without recourse of court action.

The total number of days maintenance was 9893 for the year, and the cost of operating the Shelter was \$9,731.76. The cost of each child per day was 63 cents.

The administration of the Unmarried Parents' Act involves much disagreeable work and interviewing, but is

a valuable help to the community and those concerned. There were 23 cases dealt with, some were settled by agreement or by the parties being married, and some had to be taken to court. A few cases came to our attention where no action could be taken owing to lack of corroborative evidence.

Under the very capable direction of Mrs. H. W. Darling, as convener, assisted by Mrs. K. Eyre, Miss Farr, Mrs. H. Aubrey, and the Ladies of the Church of the Nativity, the Eastern Star, the Ladies of the United Church, the Kiwanees, the Mooseheart Legion, and others, a campaign to raise funds for the Society, was carried out which resulted in the fine amount of \$2,671.75 being raised. Personally and on behalf of the society, I wish to thank all those who took part in the campaign, also those who contributed so generously.

On behalf of the children in the Shelter, we extend our appreciation and thanks to the many organizations, societies, and individuals, who entertained the children during the year, to Dr. Porter, and Dr. Harrison, and all the medical men of the town, to Dr. Honey, and all the dentists, of the town and district, who gave their services free when required.

During the year the society lost the services of one of its finest workers, Rev. J. D. Parks, who has moved to North Bay. I would suggest that this society make him an honorary life member as a mark of the appreciation that must be felt.

As you will readily understand the work in which the society is engaged could not be carried on by itself, and acknowledgement must be made to the valuable services rendered by Magistrates Tucker and Atkinson, in dealing with the juvenile cases that come before them; to the provincial police and the local police of the district, who have given freely of their time when children were concerned; to the Iroquois Falls and Ansonville Society, for their generous support; to the town of Timmins, for the use of an office in the

town hall. The press throughout the district has also shown a sympathetic helpfulness on all occasions.

In conclusion I wish to extend my sincere appreciation to Mr. G. A. Macdonald, our president, who has been untiring in his efforts to further the interest of the work, and in helping your superintendent in solving the many perplexing problems that have arisen during the year.

All of which is respectfully submitted,
A. G. CARSON,
Local Superintendent.

The following is a summary of the financial report of the auditor, W. D. Cuthbertson:—

Financial Statement for Year ending Oct. 31st, 1929
Balance on hand Oct. 31st, 1928, \$449.99.

Receipts:—donations, Iroquois Falls and Ansonville branch, \$577.96; Dome Mines, \$200.00; town of Timmins, grant, \$500.00; township of Tisdale, \$250.00; Vipond Mine, \$50.00; amount received from campaign Nov. 12th to 19th, 1928, \$2,671.75; sundry contributions, \$50.50. Total, \$4,300.21.

Receipts for maintenance of wards chargeable:—town of Timmins, \$1,728.50; provincial government, \$2,502.00; town of Cochrane, \$547.50; general sundry for maintenance, \$864.22. Total, \$5,642.22.

Disbursements:—travelling expenses, \$528.05; general office expenses, \$160.87; provisions for Shelter, \$1,668.73; for maintenance of infant children outside Shelter, \$960.75; light and power, \$172.58; insurance on Shelter, \$150.00; 1927 hospital account for wards, \$65.25; 1928 clothing account for wards, \$118.33; general maintenance, including repairs, plumbing, hardware, supplies, telephone, etc., \$921.54; fuel, \$390.00; hospital and medicine, \$162.15; clothing, \$443.90; salaries (including part paid by province), \$3,833.20; general sundry, \$266.49; note under discount paid, \$1,536.42. Total, \$11,378.27.

Balance on hand, \$211.75.
There was general approval of the suggestion in the superintendent's report that an honorary membership be given to Rev. J. D. Parks in view of the long and helpful services he had given here to the children's cause. Accordingly on motion of Rev. Fr. O'Gorman, seconded by Mr. Miller, Rev. J. D. Parks was duly made an honorary member of the District of Cochrane Children's Aid Society.

On motion of E. L. Longmore, seconded by Capt. Ford a vote of appreciation was passed to Mrs. Stevens for her interest and helpfulness in securing the co-operation of the school pupils at Cochrane, and she was asked to kindly pass on the appreciation felt by the Society to the school pupils in the matter. Mrs. Stevens had brought down to the Shelter three bags of potatoes, a quantity of butter and eggs, and 80c. in cash, contributed by the pupils of the Cochrane schools.

In the president's address reference was made to the loss sustained by the Society in the removal from the district of Rev. J. D. Parks, who had given such time, talent and interest to the work for the betterment of children. Mention was made of the efficiency, ability and untiring interest of the local superintendent, A. G. Carson, who was responsible for the decided success of the work here during the past year. Some idea of the large amount of work involved could be gathered from the figures in the report,—661 children helped; 452 office interviews; frequent attendance at court, cases throughout the district; 1500 letters written; 12,450 miles travelled; etc.

The capability of Mrs. Condie, the matron, and the wonderful work accomplished by her at the Shelter were also stressed. Thanks and appreciation were extended to the town nurses, the doctors, dentists and others for valuable assistance given. Special mention was also made to the good work of the ladies, headed by Mrs. Darling, Mrs. K. Eyre, Miss Farr and Mrs. Aubrey in the campaign last year for funds. The good work, not only in financial help, but in actual handling of cases in very effective way by the Iroquois Falls and Ansonville Society was another special matter dealt with particular praise being given to President F. E. Miller of that society for his able and earnest efforts.

Rev. Fr. O'Gorman and Capt. Ford suggested that officers for 1929 be re-elected for 1930, and this being agreed to by the meeting the officers were re-elected by acclamation as follows:—
President—G. A. Macdonald, Timmins.
First vice-president—F. E. Miller, Ansonville.
Second vice-president—Mrs. Arthur Stevens, Cochrane.
Third vice-president—E. L. Longmore, Timmins.
Secretary-treasurer—A. G. Carson, Timmins.
Auditor—W. D. Cuthbertson, Timmins.

OSTROSSER LEAGUE AWAY TO AN EXCELLENT START

League Opened with Six Teams Instead of the Four Expected. Interest at High Point, and Everything Going Along Fine.

With the Ostrosser League opening last Wednesday with six teams instead of the four as had been arranged previously, there being more players than anticipated, and all anxious to take part, the league is away to a fine start. Judging from the attendance and enthusiasm shown at the opening matches, it will be a big season for the Ostrosser League as the executive were able to pick six strong and evenly-matched teams. There should be some strong rivalry between these teams this season. All fans, as well as bowlers, are invited to attend these matches.

Five men are in the honour roll:—R. S. Webb, 666; L. Torchia, 644; C. Brown, 638; E. Martin, 609, and L. Cohen, 602.

The following are the scores for Wednesday, Dec. 4th:—

Notice of Particular Importance to Blind

Mr. P. E. Layton, president of the Canadian Federation of the Blind, is desirous of obtaining information about all blind persons in the Dominion who are in need of pensions. In sending in name and address the reason why the pension is required should be mentioned, with full particulars as to number of people dependent, present salary, and any other information that may appear valuable. It will greatly help to obtain the pension if reasons are given why blind people should receive this aid from the Government.

The Canadian Federation of the Blind has been working hard for a long time to obtain pensions, and to this end is endeavouring to have a bill introduced at the next session of the Dominion Parliament.

All blind persons and those interested in this movement are requested to write to their local member of parliament asking him to give such a bill his full support.

As there will be a meeting of the Board of Directors of the Federation in Ottawa, early in January, full information should be sent at once to the headquarters, Canadian Federation of the Blind, 6980 Sherbrooke street West, Montreal.

The Cochrane Northland Post last week says:—"Doug Pickering suffered a major accident last Sunday evening while out skating on Lake Commando, breaking both bones in his right forearm. This makes the second time that Doug has had this happen, having a break at the same place on the same arm during the past summer."
