The Canadian Legion in the Porcupine

By the Secretary-Treasurer.

In starting the new year I would like to draw the comrades' attention to the fine list of officers and committee selected for 1930. In President Neame we have a man who is heart and soul with the Legion, a man who never loses interest, and a man who is always ready with advice and a helping hand, for the benefit of the Timmins Post and the Canadian Legion.

Comrade A. G. Bellamy, though one of our new members, has shown that he has the Legion at heart, and with such good officers and crew manning the good Legion "Ship 88," the secretary-treasurer has no fears for 1930, and I cannot see any reason why the Timmins Post 88 will not rank as an outstanding feature of the Canadian Legion.

I would also like to draw the comrades attention that although we have Comrades H. C. Garner and W. O. Langdon, missing from the executive this year owing to other work, we are assured of their hearty support and sound advice at all times for the good of Timmins Post 88, Canadian Legion.

I have great pleasure in stating that we have the following gentlemen with us as honorary members for 1930:—Mr. H. P. DePencier, Mr. E. L. Longmore and Mr. Robt. E. Dye. We are proud indeed to have these gentlemen associated with us, and their generous donations to our funds are greatly appreciated. We also have the Hon. Chas. McCrea, and Mr. Jos. Bradette, M.P., whose generosity I mentioned before. We also have letters from the following gentlemen, whom we hope to have with us, namely The Hon. J. Howard Ferguson, Premier of Ontario, Mr. Geo. Lee, chairman of the T. & N. O., and Drs. H. H. Moore and J. A. McInnis.

Things are looking "rosy" and we hope to have at least 20 honorary members for 1930.

Had we had all our applicants for membership present on Monday we would have broken the record. As it was the following comrades were admitted, namely, W. Jardine, R. Webber, A. Wilson, R. Harrison, V. Hedges, N. Andrews, J. Hogg, A. Martin, A. Gullemette, J. J. Grant, W. W. Andrews, S. J. Lean and Frank Bentley.

Comrade T. Parsons had another to his baker's dozen in handing in an application for J. Harvey of the Dome. I have cards and badges here for T. W. Husson and J. J. Cullen. I have also a letter for Comrade Fry, that is addressed c/o Legion, Box 1059.

Thanks to our relief fund, we were able to take care of some needy cases in our midst, to whom the Christmas season seemed a blank. The Legion stepped forward with its ready hand, and these unfortunate people found that if even they were forgotten, by most of the world at large, that their comrades of the Canadian Legion had not forgotten them in their hour of need.

Our comrades in hospital were also remembered by President Neame, who often visits them, and by Comrades Devine and Bellamy carrying good wishes and small parcels that the Post was able to send to our comrades, who were unable to get out and enjoy themselves.

The Legion "playwright" Comrade Elphick tells us that the Entertainment committee are putting on a sketch for the smoker on Jan. 13th, 1930, in the Oddfellows' hall. This gifted artist writes all the sketches for the Legion and his able assistant Comrade Curtis will no doubt be at his best. "Archie" and his bugle band will no doubt bring back those memories of long ago when we had to "jump to it" at the call of the bugle. Comrade Ormston will no doubt give us some of his snappy numbers, which are always well received. The sketch as usual will be under the able management of Comrade Chas. Keates and I'm sure Comrades Nippers and McMillan will look after the "Kitchen" end of the programme. I will be able to give the name of the sketch and a general idea of the programme next week, but nevertheless all comrades keep Jan. 13th, 1930 open for the Legion smoker. We are making a portable stage and the comrades can rest assured that this stage will be often used this winter.

Comrade Bown has come forward as a member of the bugle band. Roll up, boys, the more we get the bigger the "noise."

I might mention the Legion Nights for January:—The ladies have Jan. 6th and Jan. 20th, and we have Jan. 13th and Jan. 27th, the 27th being the first general meeting for 1930.

In conclusion I might add that I have posted over 300 letters during December, upwards of 100 carrying a 12 cent stamp, and that statements have been posted to all members. I am mostly concerned about the 12 cent size, and would like to have as many replies to these letters as possible, before January 27th. All replies will receive prompt attention, and as "Mahomet" has been to the "Mountain" let's hope the "Mountain" will come to "Mahomet" before the 27th.

—The Secretary-Treasurer

REV. M. R. HALL TO LEAVE SOON FOR CALGARY, ALBERTA

Rev. M. H. Hall, for several years pastor of the Baptist church, Timmins, recently preached for a call at one of the large Baptist churches at Calgary, Alberta, and has been duly called to that church. On Sunday Rev. Mr. Hall announced to his congregation here that he had accepted the call and would leave Timmins in about four weeks to take up his new duties in the West. There was much regret expressed by members of his congregation here at the expected departure of Rev. Mr. Hall and family from this town.

New York Sun.—Citizens of Eastland, Texas, took a bank bandit from the jail and hanged him. And if the same citizens had been on a jury they might have given him as much as from two to three years.

SEVERAL CASES REMANDED AT POLICE COURT LAST WEEK

On account of the holiday season last week police court here was held on Friday. There were several remands made to this week, court for this also to be held on Friday on account of New Year's Day.

At last Friday's court, there were four ordinary drunks fined the usual ten and costs. One of these, a visitor here from Porquus Junction, could not raise the necessary amount and so had to accept the alternative of thirty days in jail, going down to Haileybury as a consequence for the commencement of the glad new year.

Caroline Arcuri, Fifth avenue, was fined \$100.00 and costs for having liquor not on his permit. He paid.

The charge against G. Murray of keeping liquor for sale, as preferred by Provincial Officer Hartlieb, was proceeded with but decision was deferred in the matter until this week's court.

Another L.C.A. case was dismissed while still another charge of having liquor not on permit was remanded to this week.

Mrs. Janette Randall, Mrs. Ina Stevens and Ernest Randall each pleaded guilty to charges of receiving stolen goods knowing same to be unlawfully obtained. A big box of goods alleged to have been stolen was in court and included a large variety of articles thought to have been taken from local stores. The cases were left over to this week for sentence in each case.

Henri Berthier faced a charge of the theft of a battery and also a charge of escaping from custody. At first he wished to enter a plea of guilty but asked to be given trial before a judge. It was explained to him by the magistrate that if he pleaded guilty there would not be a trial before a judge or anyone else, and the case is remanded for a week to allow him to secure a lawyer or to decide whether he wanted to enter a plea or what he wanted to do.

A young fellow who was going home from work on Christmas Eve was hit by another man whom he met on the road. The result was a charge of assault against the latter, who paid a fine of \$5.00 and costs as a consequence. A man who has been living in Cochrane but whose family has been residing in Timmins was in court charged with failing to support his family. A remand for a week was granted to allow the man to bring here some witnesses that he wished to have in the case.

RESTAURANT AT PORQUIS CLOSED CHRISTMAS DAY

Some inconvenience and annoyance was caused on Christmas Day to passengers on the T. & N. O. by the fact that the restaurant at Porquus Junction station was not open as usual. As happens frequently in regard to early trains there were some passengers on the morning train on the Porcupine branch who were forced to go without breakfast at home. Especially in the case of a holiday there is a danger of people being so pressed for time in catching an early morning train that it becomes a case of either missing the train or missing breakfast. Travellers usually take the option of missing the meal, counting on having lunch at Porquus Junction station restaurant. On Christmas Day, however, they were out of luck, for the restaurant was all closed up on the arrival of the train, and if it opened at all in the morning, it was after the train for the south had departed. Passengers who missed breakfast thus would be unable to secure anything to eat until arrival at Englehart, as the train carries no dinner. Passengers on the late train from the south were equally out of luck. This train was held at Porquus Junction for two hours as the train from Montreal was late. Before the passengers knew that the train was being held the restaurant was closed up. One of the attendants at the restaurant made the explanation that the employees of the restaurant had been over-worked the previous day and so could not be expected to work late on Christmas Day. This sort of explanation is not of much value to the public who are inconvenienced. There are apparently enough people in this country to assure sufficient help to keep public services like the restaurant at Porquus Junction open for the accommodation of the public, and the public service and convenience should surely be the first consideration.

MEETING ON FRIDAY, JAN. 3, BOYS' ATHLETIC ASSOCIATION

A meeting of the Timmins' Boys' Athletic Association will be held in the town hall on Friday evening of this week, Jan. 3rd, 1930, at 8.30. Matters of importance in connection with the association will be up for discussion, and a very large attendance is particularly desired. Despite the holiday season the work of collecting in the fees of \$10.00 per year from business men and others to maintain junior sport has been carried on recently with success. Several hundred dollars of this money has been gathered in, but much still remains to be collected to make the plan successful. The co-operation of all is earnestly requested to assure the success of the plan. To this end, it is especially desired that there should be a particularly large and representative attendance at the meeting on Friday night. All interested in sports for the boys should turn out.

North Bay Nugget.—The proposal to run the T. and N. O. through to James Bay by the Ferguson government is approved by the Free Press, London, as a "wise tapping of Ontario's wealth;" we never know just how much we shall find till we get there, and the farther we get the more we find.

BOYS PARLIAMENT HELD AT TORONTO LAST WEEK

Representative from Timmins Among the Members Present. Kirkland Lake Lad in the Cabinet for the Year.

Last week Henry Ostrowsky, of Timmins, recently elected member for the riding of South Cochrane, left for Toronto to represent this riding at the Ontario Boys' Parliament held in Hart House, University of Toronto. The event was the ninth annual boys' parliament in this province, and it was formally opened by the Acting Lieutenant-Governor of Ontario, Sir. Wm. Hearst.

A sketch of the proceedings will give an inkling of the idea and scope of the boys' parliament, and it will also show that the North Land lads are taking their due share in this movement.

Melville R. Jack, of Arnprior, had been elected premier. In his speech from the throne, Sir William announced the following programme of legislation as before this year's session of the Parliament: A bill providing for the raising of \$13,000 through the sale of bonds; a bill providing for the continuance of Camp Tuxis, a bill dealing with the question of world friendship, a bill providing for the furtherance of Trail Ranger and Tuxis work.

Before the proceedings of the Parliament commenced William Jenne, American delegate from Philadelphia, spoke on boys' work in the United States and expressed admiration for the Canadian form of government.

The following is the announcement of his Cabinet made yesterday morning by the Premier, Melville Jack: Chairman John Lanman, Waterloo; Finance, Bob Young; Walkerville; Provincial Secretary, John McKeown, Kirkland Lake; Education, Wilfred Bishop, Norwich; Publications, Don Buchanan, Toronto; Camp Tuxis, Tom Johnston, Ottawa; Programme, Cyril Ansell, Hamilton; Ministers without portfolios: Wesley White, North Bay; Gilbert Farrell, Windsor; William Leonard, Lakefield; Graham Thompson, Kingston. Premier Jack took the portfolio of Minister of World Friendship himself.

D. B. Foote, National Secretary of the Boys' Work Boards of the Dominion, spoke at the dinner of the Parliament at Hart House. Outlining the work being done throughout the country for boys, he said: "We are going to influence the destiny not only of this country, but of other countries if we work together and increase, as we must work together and increase." He made a plea for increased effort in understanding the foreigner, for the spread of Christian living, and for a spirit of co-operation.

BANQUET GIVEN RECENTLY TO M.P.P. FOR NORTH COCHRANE

The members of the Kapuskasing Conservative Association recently gave a complimentary banquet to A. V. Waters, member for North Cochrane in the Ontario House. Mr. Waters won the riding for the party at the October 30th election, despite very strong opposition and the fact that he was opposed by three other candidates. At the banquet there were 145 persons in attendance, and the event was a notable one in many ways. Some of the addresses on the occasion were particularly good and the event throughout was a very pleasant one.

DIVIDEND AND BONUS ARE DECLARED BY TUCKETT

Directors of the Tuckett Tobacco Co., Limited, have declared a bonus of two per cent, on the common stock in addition to the regular quarterly dividend of one per cent, payable January 15, 1930. This is the first change in the company's common dividend payments since 1921. The bonus now forecasts total payments of six per cent of the par value of the stock in 1930.

The company reports Christmas sales surpassing all previous records and regards the outlook for 1930 as promising. Advertising and sales effort will be steadily increased during the coming year.

Sudbury Star.—Archaeologists digging in Egypt find evidence that there were intelligent human beings living 1,000,000 years ago. How times have changed!

The KIND OF SERVICE That Makes Travelling A Real Pleasure.

Whether you are thinking about a trip abroad, to the Mediterranean, to the West Indies or around the world, it will pay you to take advantage of my personal service.

I will make all arrangements for you, plan the trip from beginning to end, secure desirable accommodations on shipboard, help you with passports, secure your tickets and relieve you of all other bother and trouble.
