

Timmins Juniors Win First Match from Iroquois Falls

Gold Diggers Get Busy on Papermakers in Dying Moments of Game Monday Night. Final Score was 5-4. Game was a Nice One to Watch. Iroquois Falls Has a Classy Team. Monteith to Play Here on Friday of This Week.

In the opening game of the Junior N.O.H.A. at Iroquois Falls on Monday of this week, the Timmins Juniors won from Iroquois Falls, the final score being 5 to 4. Iroquois Falls has a classy team this season, but the Timmins lads keenly contested the match from the start and in the dying moments of the game went after the Iroquois Falls lads to such effect that victory came to the Timmins banner. The showing made by the Timmins lads in this opening game has roused much interest in Junior hockey here.

The teams lined up as follows:—
Iroquois Falls:—S. Walsh, goal; S. Porter and R. Porter, defence; Wilkes, centre; Bennett and H. Walsh, wings; Lefebvre, Lalonde and Larsen, alternates.

Timmins:—Hodnett, goal; Eward and Godin, defence; Calorello, centre; Dorian and Michaelson, wings; Lefflamme, Charlebois and Richer, alternates.

The game opened fast with the Papermakers going right in on the Timmins net. After two minutes of play Bennett scored with a perfect shot from the right boards. Play continued even for a time. With 15 minutes gone Eward rushed and shot, Michaelson pushing in the rebound to tie the score up. Balance of the period was fairly even with neither side making any further score. The period ended, Timmins, 1; Iroquois Falls, 1.

The second period opened with a little more pep being shown by both teams, although the ice was sticking some. Good combination was the order for both teams, which ended finally in Michaelson getting the Gold-diggers' second from a close-in which gave Walsh no chance. Play continued with the Papermakers pressing hard to even the score, but they were denied, as Richer pushed the disc past Walsh from a scramble in front of the Iroquois Falls net for the third counter for Timmins. The period ended without further scoring. Timmins, 3; Iroquois Falls, 1.

The third period opened with the Falls pressing hard to even the count, while the Timmins lads were fighting desperately to retain their lead. On a beautiful rush S. Porter scored the second goal for the Falls, and things then began to look really interesting and exciting. Both teams were now checking closely with neither team getting much past centre ice. Finally, Charlebois broke away and catching the Falls' defence unprepared, rounded them and gave Walsh no chance. That was four goals for the Timmins lads. Play now was fast and furious. E. Porter went the length of the ice for the third counter for the Falls. Shortly afterwards Bennett and F. Walsh combined in nice work and made it four for Iroquois Falls. This tied up the game and both teams went at it full force to attempt to break the tie. There was lots of combination shown by both teams. With only about one minute to go, Dorian took a pass at his own blue line, outskated the Falls' forwards and rounded the Porter Bros. defence, going right in on Walsh for a perfect shot to the corner of the net, making the fifth and winning goal for the Gold-diggers. The Papermakers came on fast for the last minute of play but were not equal to the task of tying up the score. The period closed with the final score:—Timmins, 5; Iroquois Falls, 4.

In this first game of the season, both teams made an excellent showing, and the common opinion is that the fans are going to see some very interesting hockey this season in this group of the Junior N.O.H.A. Both teams appeared on Monday evening to be fairly evenly matched, and that always makes for good games from the spectators' viewpoint. Although the ice was a trifle sticky Monday evening both teams showed some fine rushing and excellent combination play, which augurs well for the brand of hockey that will be dished up by the teams on hard ice.

On Friday evening of this week, Jan. 10th, the Timmins Juniors will entertain Monteith. Anyone who thinks that the Monteith lads can not play hockey should take a course in better guessing. The Timmins lads, however, will be in fighting trim for this game and out to win their second game from Monteith, the latter team being classed by some as the dark horses of the group. It is understood that the Monteith team is a fast and heavy hitting aggregation, and that they will put up a brand of hockey that will mean stepping out to beat. The game to-morrow night is expected to be a lively one with interest in every minute.

With the beginning of the new year the T. & N. O. Railway took over the conduct of all the restaurants, news stands, etc., in stations along the line. The restaurant at Porcupine Junction, Englehart and other points were for many years conducted by the Stevens Catering Co., of which Arthur Stevens of Cochrane, was the director.

AWARDED WILDER MEDAL

W. T. Macoun, Dominion Horticulturist, who has been awarded the Wilder Silver Medal by the American Pomological Society for his work in breeding new varieties of apples and for his contribution to horticulture generally. Canada has won the medal many times, but it is the first time it has been presented to an individual.

COMMITTEES OF COUNCIL APPOINTED FOR THE YEAR

Inaugural Meeting of the Timmins Town Council on Monday. Regular Meetings of Council to be on Second and Fourth Mondays of Each Month.

The inaugural meeting of the Timmins town council was held on Monday morning with Mayor Geo. S. Drew and Councillors A. G. Carson, R. Richardson, Adfred Caron, C. P. Ramsay, Dr Lee Honey and J. T. Chenier present. After the members of the council board had duly taken the oath of office for the year a short session of the council was held, the chief business being the appointing of the standing committees for the year. Mayor Drew congratulated the council on election by acclamation and welcomed the new members on the board. Dr. Honey and J. T. Chenier. He felt sure that the 1930 council would work together for the advantage of the town and that there would be harmony and co-operation in 1930 as in previous years. The mayor spoke of the good work of the 1929 council and expressed regret that the town was losing the services of Messrs Charlebois and Dougall, who had given the town very able and earnest service in the past few years. In welcoming the new members, Mayor Drew said that if there was any information they wished at any time in regard to the work any member of the council would be only too pleased to help in supplying the desired information.

Each member of the 1930 council spoke briefly, expressing appreciation of the confidence shown by the ratepayers and promising during the coming year, as in the past, to work together for the good of the town.

On motion, the council decided to hold the regular meetings on the second and fourth Monday of each month, the meetings to commence at 4 p.m. This has been the regular meeting time for the council for several years.

The standing committees of the council for the year were appointed as follows, the report of the committee to strike the standing committees being adopted as presented:—

Finance Committee—R. Richardson, chairman; C. P. Ramsay, J. T. Chenier, Police Committee—A. G. Carson, chairman; C. P. Ramsay, Dr. Honey. Waterworks Committee—Alf. Caron, chairman; A. G. Carson, J. T. Chenier. Fire and Light — Dr. Lee Honey, chairman; R. Richardson, Alfred Caron. Board of Works—C. P. Ramsay, chairman; R. Richardson, Alfred Caron. Contingent Committee—J. T. Chenier, chairman; Dr Lee Honey, A. G. Carson

SOUTH PORCUPINE AGAIN OVER AFTER THE T. & N. O. CUP

On Saturday last there were two rinks over from South Porcupine again in an effort to lift the T. & N. O. cup. Apparently South Porcupine is determined to keep on trying until this trophy is lifted. Certainly, they came very close to doing the trick on Saturday, losing only by 2 points. The Timmins rinks, skipped by Mayor Drew and Crown Attorney Caldwell, put up a defence for the holding of the trophy here that could not be overcome.

TO CARRY ON JR. HOCKEY AND THE SCHOOL LEAGUES

Timmins Boys' Athletic Association Held Meeting Friday Evening. Four Team Junior and Senior T.B.A.A. Leagues to be Conducted This Season.

The Timmins Boys' Athletic Association met in the town hall on Friday evening last, with the president, G. S. Lowe, in the chair. There was only a small attendance at the meeting.

It was decided to carry on Junior Hockey and to run juvenile hockey in addition to the regular school leagues. There will be four-team Junior and Senior T.B.A.A. leagues this season. The Junior T.B.A.A. league will be for boys under 15 years, and will include the following teams:—Scouts, Trail-rangers, Tuxis Juniors and Holy Name Boys' Club. The Senior T.B.A.A. league, for boys of 15 years and over, will include the following teams:—Junior Seconds, Tuxis Seniors, Holy Name Boys' Club and likely the High School team. In addition to these the T. B. A. A. will help in the carrying on of the school leagues, and also will carry on the Junior Hockey as already noted.

The schedule for the leagues noted above will likely be drawn up this week. At present the schedules are simply awaiting the completion of arrangements for rink accommodation for the various games.

While the attendance at the meeting on Friday evening was small, those present made up in enthusiasm for any lack of numbers, and it is hoped that as the season progresses there will be a growing interest shown in the work of the T. B. A. A. So far as approached, the business and professional men of the town have shown a pleasing disposition to support the T.B.A.A. and it is hoped to make a success of the plan.

One of the items of business at the meeting on Friday was the election of J. R. Walker as second vice-president of the T. B. A. A., to succeed W. G. Smith, who has moved from town since his election to the position.

FIRST BAND CONCERT THIS YEAR TO BE ON JANUARY 19

The Timmins Citizens' Band this season as usual discontinued its fortnightly concerts during the holiday time, but the series will be resumed soon, the first of the series of concerts for this year to be held in the New Empire theatre on Sunday, Jan. 19th, after the church services. Thereafter the events will be held every two weeks during the winter. The concert on Jan. 19th promises to be one of special interest. A particularly good programme is being prepared. The items on the programme will include selections by the band and other instrumental numbers of especial attraction. Further reference to this event will be made in the next issue of The Advance.

MATCHES TO BE PLAYED IN THE JUNIOR N.O.H.A. SERIES

The following are the remaining games to be played in the Junior N. O. H. A. series.

Jan. 10—Monteith at Timmins
Jan. 13—Iroquois Falls at Monteith
Jan. 17—Timmins at Monteith
Jan. 20—Iroquois Falls at Timmins
Jan. 24—Monteith at Iroquois Falls
Jan. 28—Timmins at Iroquois Falls
Jan. 31—Monteith at Timmins
Feb. 3—Iroquois Falls at Monteith
Feb. 6—Iroquois Falls at Timmins
Feb. 10—Timmins at Monteith
Feb. 14—Monteith at Iroquois Falls

It should be noted that Monteith will play its home games at the Iroquois Falls rink. Kapuskasing has a bye into the finals for the group.

HANDSOME SILVER CUP ON DISPLAY AT CORNER STORE

Reference was made in the Nov. 18th issue of The Advance to the silver cup won by Dr. E. L. Roberts for the solving of a difficult bridge problem. The problem was set by The Bridge World, a journal achieving very high reputation for its standing as an international authority on bridge. The Bridge World offered the silver cup as first prize for the solution of what it termed a mystery hand at bridge. It gave the bidding in the game and the player was to reconstruct the hands from this. The contest was entered by experts from all over the continent, but first prize was taken by Dr. Roberts, of Timmins, for the correct solution. The handsome silver cup awarded by The Bridge World, suitably engraved, is now on display in the window of the F. M. Burke corner drug store in the Reed block, corner of Pine street and Third avenue. The cup is a large one and very attractive in appearance, while the honour of winning such a trophy is in itself a noteworthy achievement.

The Strollers (formerly the Junior Moose) announce a dance to be held in the McIntyre Recreation hall, Schumacher, on Wednesday, Jan. 15th. The previous dances under the auspices of these young people are guarantee that the event on Wednesday evening of next week will be a pleasant affair and enjoyed by all attending.

MONTEITH AND TIMMINS JUNIORS PLAY TO-MORROW

Game Here on Friday Evening of This Week Expected to be a Lively One. Large Crowds of Hockey Fans Expected to Attend this Feature.

Monteith and the Timmins Juniors play at the Timmins rink to-morrow (Friday) evening in the N.O.H.A. series. This is the first time this year that the Monteith team has played in Timmins and for this reason as well as for other causes there should be especial interest in this week's match. The Monteith team in past years has been a classy one and there is reason to believe that this season's aggregation from the college town will be up to the high standards of the past. At present the Monteith team is looked upon as the "dark horse" of the northern group of the Junior N.O.H.A. The team is reported as fast and composed of heavy lads who are hard shots. They are also said to have the advantage of considerable practice and training. All of which may be as it may be. No fan needs to take anybody's word in the matter, as all may go to the match to-morrow night and size up both teams for themselves. As the game this week is the first at Timmins rink in the Junior N.O.H.A. this season there should be a particularly large attendance. The interest is very keen, and should be so, because of the victory of the Juniors in their opening league game on Monday evening at the Falls when they won out in the closing minute or so of a tight game. The Iroquois Falls team is generally looked upon as a classy outfit and it is felt that if Timmins Juniors can win from the Falls the local lads have class all right and promise to go far this season. Present indications in any event are that the type of Junior N.O.H.A. hockey will be particularly good this season.

Legion Sketch Artists at Smoker Next Monday

Another smoker by the Timmins Post of the Canadian Legion is billed for Monday, Jan. 13th, in the Oddfellows' hall. The event will be a strictly stag affair and all members of the Legion and other returned soldiers are assured of a very pleasant evening. By special request the Legion Sketch Artists will give the humorous hit of last year, "The Sick Parade," and this alone should ensure a full hall. A small charge will be made to defray the expenses of the production. Songs, smokes and refreshments will fill out the balance of the evening. All are urged to be present on time, as the programme will start promptly at 8.15 p.m., and no returned man would care to miss a minute of the programme that will be presented on Monday evening next. Members of the Legion are asked to bring along prospective members and all come along and have a most enjoyable evening.

RINKS GOING TO LIFT THE ENGLEHART CUP SATURDAY

The following are the rinks from the Timmins Curling Club going south on Saturday likely to Haileybury, where the cup is located at the present moment, to lift the Englehart curling trophy, if possible, and bring it back to Timmins where room can easily be made to exhibit it alongside the other cups at the rink here:—
Geo. S. Drew, J. L. Hunt, E. H. Hill and W. S. Jamieson.
A. W. Lang, S. A. Caldwell, W. O. Langdon and D. Ostrosner.

Miss Bertha Lasalle left on Tuesday to resume her studies at Haileybury Convent after the Christmas vacation.

ENGLISH TENNIS STAR FALLS INTO MARITAL LINE
Betty Nuthall, England's youthful tennis star, whose engagement to Dr. F. D. B. Spence is expected. The formal announcement of the betrothal may be made during the New Year holidays. Dr. Spence is also well known as a tennis expert, having represented South Africa in many international matches.

LOCAL BONSPIEL FINALS LIKELY ON THIS WEEK-END

Results of First Two Rounds in the President's Event. Only Four Games Played in Club Event to Last Night.

From present indications it is likely that the finals in the local bonspiel at Timmins curling rink will be played this week-end. The draws for the events will be found elsewhere in this issue. The following are the games played up to last night:—

There have only been four games played in the Club event up to and including last night, these games resulting as follows:—
J. R. Todd won from A. W. Young.
S. R. McCoy won from A. Prout.
John Watt won from W. Ecclestone.
D. Sutherland won from A. W. Lang.
The following rinks having lost the first two events and so going into the consolation:—Messrs Young, Ecclestone and Lang.

WHIST DRIVE BY LADIES' AUXILIARY ON JANUARY 20

The Ladies' Auxiliary of the Canadian Legion are holding a whist drive in the Oddfellows' hall on Monday, Jan. 20th. All those who attended the previous card parties of the Auxiliary will be certain that the event on Jan. 20th will be a very pleasant one. Special prizes will be given as on other occasions, and the refreshments will be of the usual high-class order. A social hour will follow the cards and all attending may be assured of a very hospitable evening.

OFFICIAL OPENING OF NEW LISKEARD'S FINE NEW RINK

On Tuesday evening New Liskeard had the official opening of its new rink—the finest in the country—with its six sheets of ice, and everything up to date. It is known as the Horne Granite Rink in honour of Mr. Ed. Horne, of Noranda fame, who has always taken so keen an interest in New Liskeard's curling club. At the official opening in addition to the New Liskeard curlers, there were 3 rinks from North Bay, 4 from Haileybury, 2 from Cobalt, 2 from Nglehart, 2 from Kirkland Lake, and 1 from Timmins. The curlers from Timmins attending this event included, K. Eyre, J. Amm, Rev. Fr. O'Gorman, R. F. Francis, I. A. Solomon, skip.

Mayor B. S. Wemp, who defeated Mayor McBride for the coveted position of Chief Magistrate of Toronto.

PLAN LEGISLATION FOR MINE RESCUE STATIONS

Purpose of Mine Rescue Stations, One of Which is Established at Timmins is to Train Teams at Various Mines and Supply Emergency Equipment.

The provincial mine rescue station is now established at Timmins with Mr. Austin Neame in charge. The equipment is housed in a new building erected at the rear of the fire hall on land given by the town for the purpose. The arrangements for making the new work effective are now being perfected. There is a general opinion that Mr. Neame will prove a most capable man for the direction and conduct of the provincial mine rescue station and that the plan of the Department of Mines in this particular will prove of great value to the safety of workers at the mines of the province as well as assisting the mines in guarding the safety of the men employed.

The mine rescue stations are the result of recommendations made by the royal commission that investigated the Hollinger fire disaster of 1928. The recommendations were approved generally by the legislature at its session last year, but the complete enabling legislation providing for the erection of the provincial rescue stations at Timmins, Kirkland Lake and Sudbury will be brought before the house and enacted. In the meantime the stations have been proceeded with to serve the three big mining camps of the North. The construction of the stations and the equipment of the same has been carried along by money advanced by the Workmen's Compensation Board.

Despatches from Toronto this week referring to the mine rescue stations say that the purpose of the stations is to train rescue teams at the various mines. Each station will be equipped with 12 sets of breathing apparatus, 12 all-service gas masks; one H. H. inhalator; three monoxide detectors, and a full complement of self-rescuers with accessory apparatus. There will be an official in charge of each, both night and day. Training will be so arranged that in the event of a mine disaster it will be possible to summon this rescue crews from all three stations.

FIFTEEN NEW MEMBERS AT MEETING OF AUXILIARY

The Ladies' Auxiliary of the Legion met in the Oddfellows' hall on Monday evening of this week, with the president, Mrs. D. Maxwell in the chair. A feature of the meeting was the fact that there were fifteen new members for the occasion, this showing the growth and popularity of the Auxiliary at present.

One of the chief items of business before the ladies on Monday evening was the matter of discussing arrangements for the big Valentine Dance to be held in the McIntyre Recreation hall, Schumacher, on Wednesday evening, Feb. 12th, under the auspices of the Ladies' Auxiliary of the Canadian Legion.

According to despatches last week from Cobalt the chief of police there has resigned because some of the councillors interfered with him in his work of tax collections. The former chief, R. O. Stromberg, has joined the provincial force.

The seventh annual show of the Porcupine Poultry and Pet Stock Association will be held in the Boston hotel, opposite the Power Co. building on the corner of Second avenue and Pine street, Timmins, on Wednesday and Thursday of next week, Jan. 15th and 16th. This event is always an important one for both poultry and pet stock fanciers and the general public and this year should be of particular interest to both exhibitors of fowl and pet-stock and to the people of the town in general. There is no doubt but that the poultry show has done a great deal to advance the interests of those raising poultry and those keeping any kind of pet stock. As a consequence, the annual exhibition deserves the support of all. The public may be depended upon to visit the show to view the interesting collection of poultry and pet stock. The show in past years has been acknowledged by those in a position to know to be one of the leaders in its line. The prize list this year has good cash prizes for all classes of poultry, rabbits, canaries, dogs, cats, pigeons, etc. In addition there is an imposing array of specials, including cups and other trophies and special cash prizes and ribbons. Prize lists and full particulars may be obtained from the president, J. H. Skelly, or the secretary, H. Parnell, or from any of the other officers of the society. A full list of the officers was published in The Advance last week.

A special feature of the event this year will be the presence here during the show of a Government expert for egg-testing. This is a new feature that will likely prove of particular interest and value to those interested in poultry. Anyone having poultry or pet stock of any kind should add to the extent and value of the show by entering the same for exhibit. It is not necessary to be a prize winner to add to the interest of the show. The more entries the better and the keener the competition the more pride there is naturally in the winning of places on the list. It is something worth while in view of the prestige built up by the Porcupine Poultry and Pet Stock Show, to be a prize winner or to receive mention at this annual event.

SPEAKS VERY HIGHLY OF IMPERIAL WELSH CHOIR

A gentleman, who has just returned from a visit to the south, states that the people of Timmins are to have opportunity for a genuine musical treat in the visit here of the Imperial Welsh Choir, who will be in Timmins about the middle of next month, under the auspices of the Timmins Welsh Choir. This gentleman, who is a good judge of music, and who has heard many famous choral organizations, had the pleasure of hearing the Imperial Welsh Choir during his visit to the south, and he speaks in superlatives of the singing of this choir. One magnificent baritone voice in the group especially took his fancy. This singer alone, he said, was worth twice the admission price to hear, having a powerful, rich voice of wide range, but so perfectly in control that it could not fail to please all music lovers. The voices of the choir combined in perfect harmony and every selection given by them was a genuine delight.

PRESIDENT OF LADIES' AID ON HER 80th BIRTHDAY

Recently the Ladies' Aid of the United Church held its annual meeting for the election of officers and other business. The meeting was held at the home of Mrs. J. A. Howse, whose mother, Mrs. Alexander, that day had reached her 80th birthday. For many years Mrs. Alexander has been one of the most active and helpful of the working members of the Ladies' Aid, and on more than one occasion has held the presiding and other important offices in the society. At the recent meeting the members again honoured Mrs. Alexander and showed their appreciation for her good work and interest in the Ladies' Aid by electing her again as president of the society. Accordingly on her 80th birthday, Mrs. Alexander, who is as young as the average woman thirty years younger, took up the duties as head of the Ladies' Aid for the year. Mrs. G. S. Scott was elected vice-president and Mrs. W. D. Watt, the secretary-treasurer for the ensuing year. With an active and able executive like this the Ladies' Aid may well look forward to a prosperous and progressive new year.

His many friends will be sorry to learn that F. M. Burke is again confined to his home through illness. After a couple of weeks' illness from a severe cold he was able to return to work at the store last week, but was again taken ill and forced to remain at home. Mr. Burke is making good progress to recovery.
