

South Porcupine Outclassed by Team Play of the Falls

Another Defeat for the Porcupines on Tuesday Night. Score was 3 to 2. The Two Teams Meet Again at the Falls on Saturday Evening. Special Train and Special Rates. Other Items of Interest from The Advance Correspondent at South Porcupine.

South Porcupine, Jan. 8th, 1930. Special to The Advance. Mr. Bill McLean, of the Dome Mines, left this week to attend St. Michael's College in Toronto. Mrs. S. Sky and Mrs. D. MacPhail are each entertaining one of the bridge clubs this week. The annual meeting of the Women's Auxiliary of the Anglican Church took place on Monday night when the officers of the past year were re-elected for the ensuing term. Mrs. J. Bray, of the Dome Extension, has been quite ill at the home of her

daughter, Mrs. M. Donovan, of the Paymaster, but is improving. Mr. Bray and family are moving into the house recently occupied by Mr. MacDonald, at the Dome Extension. The Ladies' Guild of the United Church held their annual meeting on Tuesday, re-electing their officers for the coming term. It is planned to hold a tea and sale of home cooking at the home of Mrs. T. Mills (The Manse) on Saturday, January 25th. A number of the friends of Mr. and Mrs. H. M. Wilson gave them a surprise party on New Year's Eve and

helped them bid the new year welcome with fitting pomp and gaiety. Mr. Stanislaus Remyon is sailing from Halifax for Poland on January 13th. On Sunday next after the services at St. Paul's Anglican Church the annual vestry meeting will be held for the appointing of church wardens and sidesmen. Coffee and sandwiches will be served by the Women's Auxiliary. On Friday evening of last week Miss Valerie Rapsey entertained at her home on Main street in honour of Miss Dorothy Immerson, of New Liskeard, who left for her home on Sunday. A large number of young people had a merry time, Miss Valerie being an ideal hostess. The officers of the Porcupine Chapter of the Eastern Star are being installed to-night (Tuesday). A fuller account will be given next week. Mr. and Mrs. R. Stranges, of Bloor avenue, entertained on New Year's Eve when a happy group of friends gathered to say "good-bye" to the old year. Another of our popular band concerts was given in the Majestic on Sunday night. The programme consisted of:—march, "Spirit of Minstrelsy" by the band; also selection, "Songs of Ireland"; a violin solo, by little Eino Kautto, again made a hit; Mr. Brydges' Juvenile Orchestra are showing good results. Their first number was "There's no Home like the Old Home," with "You were Meant for Me," as an encore. Then later they gave the "American Union March," and by special request, "Broadway Melody," as an encore, the vocal numbers being sung by Jackie Bridges, Jr. Mrs. Belle A. Thomas' first solo was strongly applauded and as an encore she sang a ditty of her own composition set to music by Miss C. Reynolds, "Roses and Love." A cornet solo with band accompaniment was given by Mr. R. McWilliams. Miss Mary Myronyk made a hit with her violin solo. The other two numbers by the band were a waltz "Village Chimes" and a descriptive selection "A Hunting Scene." J. T. Bridges gave a pleasing saxophone solo. Little Miss Lillian Huot was the talented juvenile accompanist for the evening, while Miss Reynolds accompanied Mrs. Thomas. Later.—The wolf seen on the Dome

Road has been shot we believe. It is said to have been a pet wolf of Mr. Johnny Jones' that had escaped from his camp and was becoming wild. Failing to catch it, we hear that he shot it himself when it appeared on a rock, so that it would not become a menace to safety. Outclassed by team-play the Porcupine Hockey Club again went down to defeat in a hard-fought battle at the arena on Tuesday night when the Eskimos went home rejoicing at leading in a score of 3-2. Their victory was deserved, the team showing much more union in their work. That the game would be fast and furious was evident from the first face-off. Smith in goal showed up well as he had considerably more shots to stop than Powers. Fell got the first penalty on a foolish check, little advantage to his team being evident. Mulvahill made some startling rushes in his period but did not get in on team work as he usually does. Arbour who was in his first league game since his illness got a nasty bang in the mouth early in the game but pluckily stayed with it and showed up well. Cross was the hero when he took the puck from Wilson, sped down the ice, deftly passed the defence and beat Powers. Murray, Rundle and Fahey, as well as Fell, went to the mourning bench in this stanza. Fahey was still in the box when they started the second round. With eleven minutes gone Fahey passed to Wilson and they went down the ice for as nicely a worked-out goal as any fan could wish, tying the score at one-all. A fist encounter between Fahey and Cross resulted in these two players doing time for five minutes. Murray and Saunders teamed up for a pretty goal putting the Eskimos one up. Soon Montgomery by a sizzling, well-aimed shot again tied the score. This player seemed below his usual par of excellence. He was strongly checked but at times appeared slower-witted than usual. Saunders, Fell, Fahey, Cross and Murray were the boys of this session who were sent to the bad man's training camp. The third period was beginning to look scoreless when Chirooski put the Eskimos one up. Although the Pukies played five men forward in the last few minutes and bombarded Powers and his defence, no other score was made, the final gong sounding on a tale of 3-2 in favour of the visitors. The teams lined up:—Iroquois Falls—goal, Powers; defence, Murray and Lepine; centre, Cybulski; wings, Fahey and Chirooski; alternates, Wilson, Wimperis, and Saunders. Porcupine Hockey Club—goal, Smith; defence, Fell and Cross; centre, Jemmett; wings, Montgomery and Spence; alternates, Rundle, Mulvahill and Arbour. Referee—Rothchilds, of Sudbury. Shots stopped by Smith—first period, 20; by Powers, 15; Smith, second period, 10; by Powers, 14; Smith, third period, 9; by Powers, 16. The two teams meet again at Iroquois Falls on Saturday, January 11th. Special rates will be given on the special train leaving at six o'clock and returning immediately after the game. The boys need your support. Come along!

CHARGE OF PERJURY LAID AFTER LIQUOR CASE HERE

A. Robitaille Taken in Charge After Court Case. Later, Bail Granted. Perjury Charge Based on Evidence of Accused at Trial.

At the police court here this week A. Robitaille, of the Timmins Hotel, was charged with having liquor without a permit. After all the evidence was heard the magistrate imposed a fine of \$500.00 and costs. Notice was at once given of an appeal from this judgment. In his own evidence Robitaille flatly contradicted the evidence of Town Constables E. Moore and W. S. Craik. Both these officers swore that Robitaille had handed them another man's permit and a key on the occasion of the raid of the premises, the accused saying that the liquor seized by the officers belonged to the other man whose permit was presented. Robitaille denied this in full. After the case was concluded the Crown Attorney had an information sworn out charging Robitaille with perjury in regard to this part of his evidence. Later, Robitaille was given his freedom on bail bonds totalling \$2,000.00 in connection with the perjury charge. Another case before the court here this week was that of the man referred to elsewhere in this issue as having been charged, practically, with being drunk in charge of a horse. The charge resulted from a collision between a horse and rig and an automobile at night. The charge was amended to read that the accused was responsible for having driven a vehicle at night without the lights required by the law. On this count a fine of \$5.00 and costs was imposed. Bruno Carnovale has been losing recently through people cutting wood on some lots he owns near town, and Bruno decided that enough was as good as too much. As a consequence he laid a charge against one of the men alleged to be responsible for the cutting down of the trees. The charge is that of the theft of trees. The case was remanded yesterday and will no doubt come up for decision at next week's court. Still another case before the court was one of the several wage disputes that are disposed of by the magistrate during the course of any ordinary year.

SCHUMACHER BOY'S HAND IS CRUSHED IN WRINGER

Annual Meeting United Church on Jan. 14th. Pretty Wedding at Schumacher Last Week. Other Schumacher News.

Schumacher, Jan. 8th, 1930. Special to The Advance. A very pretty but quiet wedding was performed at the manse on Thursday evening of last week when Miss H. Pfaff became the bride of Mr. J. Jongmans. The bride was given away by her mother, Mrs. A. Pfaff, with Miss F. Stewart acting as bridesmaid. After the ceremony a reception was held at the home of the bride where a very enjoyable time was spent. The happy couple were the recipients of numerous presents, both having made many friends in camp since their arrival here, and all wish them much joy. The happy couple will take up residence at 115 First avenue. Mr. E. Eady left last week for his home in Matheson. The many friends of Mr. D. Frazer will be glad to learn that he is on the road to recovery. Mr. Frazer received injuries on Monday to his eyes and face, when an electrical fuse blew out. We all wish him a speedy recovery. The annual meeting of the United Church will be held on Tuesday next, January 14th, at 8 p.m., in the basement of the United Church, when accounts and reports will be heard; also the nomination and election of officers will take place. All church-goers should try and make a special effort to attend this meeting. We are glad to see that Mr. G. James, of Second avenue, is on the way to recovery. He has been confined to his home for the last three weeks with an injury to his foot received while at work in the mine. We all wish him a speedy recovery. The public school re-opened on Monday with much enthusiasm. Both teachers and pupils were ready to settle down to work after spending a very pleasant holiday. Miss Matthews and Miss Cotton arrived in town to take up duties at the school under the supervision of Principal W. P. Boyce. Master Bobby Fulton, youngest son of P. C. Fulton, had the misfortune to have his hand badly crushed when it became jammed between the rollers of an electric wringer on Tuesday.

REPORT JACKSON-MANION MINE BEING RE-OPENED NOW

In an article on the Patricia gold district in general and on the Howey Gold Mine in particular, R. Alpine Macgregor writing in The Mail and Empire last week says: "As this is being typed word has just been received that Mr. D. M. Thompson, late superintendent of the Jackson-Manion Mines, has flown into Woman Lake to re-open the property." Jos. Sital, of Creighton Mines, died last week in the Copper Cliff hospital from a fracture of the skull received while working in the mine on Dec. 28th. Sital has a wife and two children in the Old Country, but so far as known there are no relatives of the dead man in Canada.

The Brading Breweries Limited

NOTICE is hereby given that a Dividend of Fifty Cents (.50) per share upon the No Par Value Common Stock of the Company has been declared, payable February 1st, 1930, to shareholders of record at close of business January 15th, 1930.
By Order of the Board,
OTTAWA, Jan. 2nd, 1930
JOHN RANKIN, Secretary-Treasurer.

OPTION TAKEN ON SWEET CLAIMS IN KAMISKOTIA

Nine Claims Known as the George Sweet Group Optioned for \$200,000 by Hollinger Exploration Co. Drilling to Start by Jan. 15th.

There is renewed attention being given to the Kamiskotia area following the news that an option has been taken by the Hollinger Exploration Co. on nine claims known as the George Sweet group in Enid township, Sudbury mining division, adjoining Cote township, Kamiskotia area. Reference was made to the report of this option in the editorial columns of The Advance last week, but no particulars were available at that time in definite way. The option is for \$200,000.00, with a 10 per cent. stock interest, and substantial cash payment being made. Contracts for cutting the road and for camp building have been let. A gang of men went out last Sunday to start preliminary work. It is expected that diamond drilling will be started on the property by the fifteenth of the month. The diamond drills are now within five miles of the property, the drills having been used for Kamiskotia work last winter. The discovery on the Sweet claims is said to be 4 per cent. copper and has created a large measure of interest. The result of the finds on the claims and the optioning of the property by the Hollinger Exploration Co. has been the arousing of much interest in the whole Kamiskotia area and especially in the area adjacent to the George Sweet claims. Quite a number are doing staking now in the area.

Medical Comfort Depot Open Now at Hospital

The Timmins Division No. 47 St. John Ambulance Brigade has opened a medical comfort depot, located in the basement of St. Mary's hospital. The entrance is by the small door on right of main entrance. The brigade have purchased certain comforts for the use of the public in cases of sickness. Comforts may be obtained by anyone producing a signed requisition which may be procured from any of the doctors in Timmins, or the V. O. N. nurse. The depot will be open every evening, commencing January 9th, 1930, between the hours of 7 and 8 p.m., when members of the brigade will be in charge.
