The first band concert this year will be held in the New Empire theatre after the church services on Sunday evening. During the holiday time the band concerts were discontinued as has been the custom for years past. For the event in the New Empire theatre on Sunday evening after the church services, a specially good programme is being arranged. This will include many pleasing selections by the Timmins band, while several talented vocalists are also expected to be on the programme. Another Successful Legion Smoker Monday

The smoker, under the auspices of the Timmins Post of the Canadian Legion, held in the Oddfellows' hall on Monday evening, like all previous Legion events proved a very happy success. There was a large attendance of members and all thoroughly enjoyed the evening. The number of new members was a feature of the evening, encouraging the officers to carry on their good work in the hope of enlisting the help and co-operation of all returned men. President, Austin Neame presided at the event Monday evening and Secretary Mortimer was busy all evening receiving dues and looking after other duties of his office. Sing-songs featured the evening, all the old favourites being lustily dealt with during the evening. Comrade W. A. Devine and Geo. Jenkins presiding at the piano for this part of the programme. The smokes and refreshments, as usual, were a special feature of the evening, and altogether if anyone failed to have a very happy time it must have been his own fault for the pleasant evening was there all right for all to enjoy.

The programme for the evening was a good one with lots of variety but all the numbers being good and each and all enjoyed. The excellence of the programme throughout was not only a credit to the several artists taking part but also especially to the entertainment committee responsible for its arrangement and success. The piano solo by Geo. Jenkins showed the musical talent of this artist and his mastery of the piano. He was enthusiastically encored and during the evening there were further calls for more of his talent. A. Pearce, on the whistle, made a big hit with his clever music. During the evening there were solos by Comrades Bellamy, Frank James, W. D. Forrester, W. Trollope, W. Elphick and Jas. Cowan, all of these being specialties that were much enjoyed. The turn by W. Curtis in costume and dialect was a favourite, while W. D. Forrester's skit in costume was also a popular one. An extra special was the duet by Comrades Elphick and Curtis, with vocal obligato on the Jew's harp by Comrade F. J. Hornby. Much applause followed the quartette singing of Comrades Pearce, Forrester, Elphick and Parnell.

The big feature of the programme was the sketch, "The Sick Parade," which was repeated by very special request. On Vimy Night last year this sketch brought down the house, and recently there has been a very general demand for its revival. The artists kindly responded on Monday evening and the sketch roused much interest and laughter. It was well presented by the following artists, all of whom took their roles to the life:—Dr. Porter, W. Elphick, W. Curtis, A. Pearce, Nippers, W. A. Devine, MacMillan and J. Ormston. Rather than go home G. A. Macdonald told a story or two that were well received, and shortly afterwards everybody went home, the gathering closing with "God Save the King" and all agreeing that it was a very pleasant evening and that the Legion is getting better all the time.

In the United Church, South Porcupine, Nellie, fourth daughter of Mrs. Woods and the late George Woods, of the Dome Extension, became the bride of William Ernest, only son of Mrs. Allen, of the Dome Extension, and the late Joseph Ernest Allen of Redruth, Cornwall, England. The bride came formerly from Camborne, Cornwall, England. Rev. T. Mills was the officiating clergyman. The young bride entered the church on the arm of her brother Mr. George Woods, and was given in marriage by him. She was beautiful in a gown of white silk taffeta, with shoes and hose to match. Her long veil was caught with orange blossoms and formed a coronet. Her attendants were Miss Doris Woods, the bride's younger sister, and Miss Iris Webb, niece of the bridegroom. They were both prettily attired in pale pink crepe-de-chine, with blue trimmings. The bride and her attendants all carried lovely shower bouquets of roses and lily-of-the-valley. Mr. Fred Richards, of the Dome Extension, supported the groom. In the evening a reception and dance was held at the home of the bride and groom at Dome Extension in the residence formerly occupied by Mr. P. Mill and family. Over eighty guests were present to shower good wishes on the happy young couple. The orchestra consisted of Mrs. Huxley, piano, Mr. Huxley, violin, J. Bridges, saxophone, and J. Manning, traps and drums. Many valuable and useful presents showed the esteem in which the young couple were held. Mrs. Allen has grown from childhood at the Dome and is very popular. Mr. Allen has been at the Dome for some years and his fine musical talents and geniality have made him a general favourite in the camp. We add our best wishes to those of their many friends.

On Monday, January 13th, installation of officers took place in the I.O.O. F. Lodge of South Porcupine. Mr. W. Warrell of Cochrane, acting as installing officer. The officers for the ensuing term are:—Noble Grand, Henry M. Miller; Vice-Grand, Douglas Letterman; Warden, Max Rosenthal; Recording Secretary, George Starling; Financial Secretary, Sol. Sky; Treasurer, Harry M. Wilson; Chaplain, Charles Jemmett.

In the United Church on Sunday evening Mr. Raymond Wales gave as a tenor solo, "Eventide," in a manner that pleased the congregation very much.

Word came to Mrs. J. Herman on Tuesday morning of the death of her sister at London, Ontario, and her friends sympathize greatly with her.

Mr. C. Deardon went to Toronto last week on business.

LOCAL FIRM AWARDED VALUABLE FRANCHISE

The Goldfields Drug Co. Secures Exclusive 5 Year Agency for Sargon, the New Formula Which Has Recently been Introduced in Canada.

Local citizens who have heard of the results which have been accomplished by Sargon, will be interested in the announcement that this new and scientific formula can now be obtained in this city.

Sargon was introduced in the United States in April 1928. Since that time it has become a nationally-known, nationally-advertised product. Not in recent years, perhaps, has any other medicine of its kind attained such widespread popularity, and were it not for the actual facts and figures given out by some of the leading drug firms of America, the success attained by this product would be hard to believe.

Sargon is now being introduced in Canada, and a new modernly equipped plant has been established in Ontario to take care of the rapidly growing demand throughout the Dominion. In awarding the local agency, the manufacturers of Sargon are carrying out their established policy of confining the sale to one thoroughly responsible and centrally located drug firm in each city, and wherever introduced the Sargon store will be found to be one of the leading and most representative. Such firms are always anxious and willing to co-operate with the manufacturers of meritorious products, especially internationally known products of proven merit.

Sargon was recently introduced in Toronto, Hamilton, London and other cities in Ontario, and judging from the large initial sales and the repeat business it has enjoyed, it now seems a foregone conclusion that the success attained by Sargon in the United States will be duplicated in Canada.

In the leading cities of the United States some of the most prominent men of the country have come forward to tell what Sargon has done for them, and many thousands have used it with the most gratifying results. Human nature is the same the world over, and when suffering men and women find a medicine that helps them, they want to tell their friends about it, and in this way Sargon is rapidly becoming known throughout the entire American Continent.

The exclusive agency for Sargon and Sargon Soft Mass Pills for this city and section has been awarded to The Goldfields Drug Co. In anticipation of the extraordinary demand this well-known firm has just received a large shipment of this celebrated medicine.

EDWARD N. O'GRADY PASSES AWAY ON THURSDAY LAST

Was One of the Real Old-Timers of the North and Highly Regarded by All. Chief Fire Ranger for Cochrane District for Eight Years.

Brief reference was made last week to the death of Edward N. O'Grady, who passed away at his home, 91 Wilson avenue, on Thursday last, Jan. 9th, 1930. Mr. O'Grady was one of the real old-timers of Timmins and district, having been in this camp since it opened in 1912. He was held in high esteem by all who knew him and his death is very deeply regretted by all. For twelve years the late Mr. O'Grady was in the employ of the Ontario Forestry Branch. The first two years he worked as a fire ranger in the Timmins district, and the next two years as deputy chief in the same place. For the last eight years he had held the position of chief fire ranger in the Cochrane district, with headquarters at Norembega.

Mr. O'Grady was the son of Michael O'Grady and Mary Ann Bert. He was born in 1864. On April 25th, 1911, he married Catharine Cunningham, of Ottawa City. The late Mr. O'Grady is survived by his widow and three children, Mary Isabel O'Grady, Michael John O'Grady, and Daniel Joseph O'Grady, all of Timmins; also, one brother, P. D. O'Grady, of New Westminster, B.C.; also, numerous nephews and nieces, both of Timmins and Ottawa. To the bereaved family the very sincere sympathy of all goes out at this time.

The late Edward N. O'Grady was a Roman Catholic in religion, and the funeral took place on Saturday morning, Jan. 11th, at half-past nine from the Church of the Nativity, Timmins, to the Timmins cemetery. There were many beautiful floral tributes including:—anchor, from the Forestry Branch staff; wreaths, from T. Benbow and M. Thibeault; sprays, from F. M. Wallingford, M. McChesney and family, and others; cross, from N. McIvor and family.

ONTARIO BOYS' WORK BOARD SECRETARY VISITS TIMMINS

Gordon Lapp, field secretary of the Ontario Boys' Work Board, was a visitor to Timmins this week in the interests of the good cause he represents. On Tuesday evening in the United Church he addressed about forty or fifty boys of the Tuxis and Trail Rangers and his eloquent and inspiring talk was much appreciated by the boys. He touched on the general work of the Tuxis and Trail Rangers and urged the boys to live up to the principles of these organizations for this would prove of pleasure and advantage to them as well as to the benefit of the community and the country.

Timmins Rinks Bring Back the Englehart Cup

After five separate attempts to lift the Englehart Curling Cup, the trick was successfully accomplished last Saturday by two rinks from the Timmins Curling Club. The Timmins curlers are very proud of their feat in winning this trophy and being able to bring it here at last, after the previous five unsuccessful trials. The trophy was not won without a mighty struggle. Indeed, curlers say that the battle for the Englehart Cup last week will go down in curling history as one of the most memorable in the annals of the sport in the North.

Two rinks went down from Timmins last week to seek again the Englehart trophy. The rinks were as follows:—Geo. S. Drew, skip, John Hunt, W. S. Jamieson, E. H. Hill.
A. W. Lang, skip, S. A. Caldbick, D. Ostrosser, W. O. Langdon.
Geo. Drew's rink won 14 to 11, and A. W. Lang's rink beat their opponents 14 to 11. The Timmins rinks won the cup with four points up.

The Timmin rinks went to Halleybury to play for the Englehart cup, and now that they have the trophy the idea is to defend it to the limit. However, if some other challenger does not take the trophy away in the meantime, the Halleybury club intends to send a couple of rinks up here on Jan. 25th to take the cup away again to Halleybury. To this the Timmins curlers say it is a case of maybe and maybe not, as their idea is to hold as long as possible the trophy that took so much winning in the past.

Geo. W. Wildblood, passenger traffic manager of the Cunard Line, Anchor Line and Anchor-Donaldson Line, and J. N. Cation, passenger traffic representative of the same steamship lines, were visitors to Timmins on business this week, accompanying Reg. Burch, of the Canadian National Railways, on one of his trips to the North.
