BURGLAR WALKS IN TRAP AT SCHUMACHER STORE

Good Work by Schumacher Policed. Excellent Concert at Schumacher. Other News Items from Correspondent at Schumacher.

Schumacher, Feb. 5th, 1930. Special to The Advance.
 Mr. and Mrs. G. S. Jarrett, who have been spending a vacation at the home of Mr. and Mrs. Joyner, left on Sunday for their home in Sudbury.

Mr. J. H. Sandwith has been in town during the past week renewing acquaintances.
 Mr. Ray Asilstone returned last week from the United States after spending a very pleasant holiday.
 Master Stirling Hayward, who has been confined to the house with pneumonia, is able to be out again.
 Mr. Frank Hicks, who had the misfortune last week to have his finger badly injured at the mines, is now progressing favourably.
 Burglars and shop-lifters were busy in Schumacher on Saturday night, when Sam Bucovetsky's store was entered by the small window in the rear of the building. Some cash has been

found missing and it is understood that some other goods have been taken. The police are working on the case and soon hope to bring the unworthy citizen to justice.
 The second store to be burglarized was entered on Saturday night or early Sunday morning. This grocery store is operated by Messrs Giovanelli and Zanchin, of Timmins. The proprietors, having suspicion that some goods were being taken, laid various traps, and the victim easily walked into the last trap on Sunday morning. Constable Noyse, who had been in waiting for some considerable time, was in the end rewarded when the thief almost walked over him. The unfortunate

man was rather surprised when Constable Noyse told him to "put them up," and in a very short space of time C. Fulton was on the scene, and their man was soon behind the bars. The police department is to be congratulated upon their smart piece of work.
 A box social will be held in the basement of the United Church on February 13th under the auspices of the Young People's Club. Don't forget your box, and you are sure to have a good time at the Young People's social.
 It is pleasing to hear that Master Billy Turner, who underwent an operation last week, at the Timmins hospital for appendicitis, is improving fine. We all wish him a quick recovery to health.
 A very nice concert was given last week in the United Church over which the Rev. T. E. Kennedy presided, the artists coming from Timmins, South Porcupine and Schumacher. The audience were given their first treat, by the male quartette, Messrs Roberts, Docking, Bawden and Trebbleck, which was loudly applauded. Miss Cotcher next favoured the audience with a solo. This gifted singer is always a welcome soloist to the Schumacher people. She was loudly applauded. Mr. W. H. Wilson accompanied at the organ, with Birrell Bell, violinist. The hit of the evening was that of Bandmaster Bridges, of South Porcupine, with his orchestra and Master Jack Bridges taking the vocal items. Master Jack was loudly applauded. He sure knows how to handle the traps. Another very pleasing item was that of the mixed quartette, Mrs. Docking and Mrs. Roberts, Messrs Thomas and Bawden. Miss Sinclair, of Timmins, showed her talent as a reader and was well encored. Miss R. Mair then favoured the audience with two solos, which were well rendered, and she received a great applause. The beautiful tenor voice of Mr. C. Roberts was next heard in two solos. Solos were also well rendered by Miss Evers, of South Porcupine, a young singer with a very sweet voice; Mrs. C. Roberts, and Mr. D. Cregg, of Schumacher; saxophone solos by Bandmaster Bridges, South Porcupine; pianoforte solo, Miss C. Reynolds, South Porcupine; banjo and guitar selections by Birrell Bell and his assistants. Scottish airs were well rendered by Mr. W. H. Wilson on the organ. The Rev. Kennedy, in his closing remarks, thanked all the artists for their assistance in making the concert such a success.

Capt. Tonkin took first place last week in the McIntyre league by a well-merited victory over Capt. Angrignon. This game was hotly contested, as there apparently is strong rivalry between the two teams. The Weber and Newland game was a hard-fought game, Newlands winning the first frame by 22 pins; Weber came back strong during second frame and won by 84 pins; going into the third frame with Weber 64 pins up, Newlands' team strove hard for the lead and won by 49 pins; thus they divided the points.
 Jenkins had a run-away victory over McMillan, and secured all the 4 points. The most spectacular performance during the week was that of Capt. Tonkin with a nice total of 758 pins in three strings. Other notable performances were that of S. McMillan and Boutet with 704 and 702 respectively. The following were the matches played during the week in the McIntyre bowling league:—
