GRAVEL AND SAND—AND PLACER

The announcements in the daily newspapers in regard to the appointment of Mrs. Norman Wilson, of Ottawa, as the first woman Senator in Canada, all feature in bold headlines the fact that Mrs. Wilson is the mother of eight children. If appointments to the Senate are to be dependent on the number of children credited to the prospective Senator, then it would seem that Dr. McInnis will lose out by having one too few.

A loyal and kind-hearted Indian woman recently sent His Majesty the King a gift of a pair of moccasins, believing that the King would find the gift of value and comfort after his recent illness. It was a gracious act on the part of the Indian woman, and one that most people will feel would touch the heart of the King. But some fat-headed official in the Department of External Affairs stopped the gift at Ottawa and is credited with writing a curt note to the Indian woman telling her that the King does not accept gifts from people he does not know. The Indian woman had her labour and loyalty in the making of moccasins all to no effect except disappointment. It might be well for some one in the House of Commons to enquire how any red-tape official in the Department of External Affairs comes to have authority to stop parcels addressed to His Majesty the King. Also, it might be well to discover what petty official at Ottawa knows whom the King knows or does not know. For all the ungracious and wooden-pated official knows the King and this loyal subject of his might be old school friends. The King is not only democratic but he is kind-hearted and gracious and the action and attitude of the officials at Ottawa place him in a light that he does not deserve. It takes the so-called democratic to show the superiority of snobbery.

Present indications seem to suggest that the Government again intends to ignore the North Land in the matter of appointments to the Senate. One of the Cabinet Ministers has been quoted recently as saying that the North Land should no doubt have two Senators. There is surely no doubt but that the North Land is an important section of the province of Ontario and accordingly worthy of representation in the Senate. The large amount of taxes of one kind and another, customs duties, income tax, sale tax, gold royalties, etc., paid by this part of the country into the Dominion treasury without any return of any moment in the way of expenditures here would suggest that the Dominion Government might give some consideration to this section. If the people of the North Land accept the affront without resentment they will about deserve to be ignored.

Hon. Mr. Finlayson is asking the Ontario Legislature for ten million dollars to carry on Northern Ontario Development Department work. He should be voted the amount as one of the best investments that the province can make

Every dollar judiciously spent in the North Land will bring the province notable returns. It should be remembered, however, that money spent in Muskoka or Renfrew County for colonization roads or what-not will not be of any material benefit to the North. The chief needs of the North Land are roads for settlers and assistance generally to those attempting to settle in the country. These needs mean a large expenditure of money, but if the spending is wisely done it will be an investment of great value. It would appear that out of the ten million to be voted it might be well to earmark a million or so for special use in the assisting of struggling settlers. Some form of bonus such as that so successfully used by the Quebec Government might be adopted with good effect. It is surely undeniable that the present system or lack of system is getting the country nowhere. In this particular section of the North settlement-to-day is in poorer condition than it was five years ago. The fault is not in the land. And it can not be charged to the settlers. The settlers have made so gallant a struggle as to win the admiration and respect of all who know the facts. Without roads and with the many hardships encountered the settlers have really done remarkably well. Some further aid, however, is both imperative and fully deserved.

The attention of the authorities is once more directed to the fact that all plans should be perfected now in regard to work on the roads in this North. All arrangements should be completed so that actual work may be commenced as soon as weather conditions permit. Each succeeding year there seems to be delay in the commencement of road work and the first thing known is that the short season of good weather has passed and work is uncompleted or carried on with loss of economy.

If the Government wishes to show that it knows its business and knows the North, there will be immediate rescinding of that unfair restriction that holds homesteads down to 80 acres, instead of at least 160 acres. An 80-acre farm is too small to assure fair prospects for the homesteader, especially if he be a man with a family and an eye to the future. The reply that the 80-acre restriction is necessary on account of the danger of timber-stealing is such a reflection upon the efficiency of the Crown Timber Department that it should not be voiced by anyone connected with the Government.

In Australia at present they have so serious a drought that many people are asking to go to jail. In Ontario when the drought was here many wanted to go to the jug too.

Arthur Donnelly, son of Senator Donnelly, of Pinkerton, Ont., was recently sentenced to jail for twenty days for being drunk in charge of a motor car. On the strength of a telegram from the Under Secretary of State at Ottawa the young man was released from jail after serving ten days. People in general will consider this the most objectionable piece of evil politics in the history of Canada. It occurs at a time when the authorities have been urging the necessity for protecting the public from the menace of the drunken motor car driver. It occurs in a country where justice is supposed to be fair and even for all. Literally hundreds of men with influence apparently less than that of a Senator's son have served the full term imposed for this crime of endangering the lives of the traveling public. The excuse for the shameful discrimination shown the Senator's son is that his health was poor. He had little enough consideration for the safety of the public when he drove a motor car on the highway when intoxicated. Why should there be such desperate concern for his health? The question should be asked in the House of Commons:—Are people with good pull and poor health to be allowed to disregard the law of the land and the safety of the people?

LOCALS

Mr. Wm. Kimbell left last week for Montreal on a visit.

Mr. Jas. A. MacKinnon, of Ottawa, is visiting friends in town this week.

R. F. Francis was a visitor this week to Ottawa and Toronto on business.

Mr. and Mrs. F. E. Cooper returned last week-end from their wedding trip to the South.

Good Friday this year will be on April 18th and Easter Sunday on April 20th.

Mr. and Mrs. H. P. Cameron, of Hamilton, were Timmins visitors over the week-end.

Mrs. W. T. Montgomery was called to Toronto this week owing to the death of her brother in that city.

The next band concert will be held on Sunday evening, March 2nd, after the Church services.

Miss Dorothy Stephenson, of New Liskeard has been the guest of Mrs. Campbell Angus.

Mrs. Edgar Bertrand, of Ottawa, (formerly Miss Yvonne Leger) is visiting her mother here for a few days.

Mrs. Chas. Pirie, of North Cobalt, was the guest this week of her sons, Messrs Chas. G. and S. H. Pirie.

Mr. and Mrs. L. S. Reid, of Albany, N.Y., were visitors to the camp last week and were particularly impressed with the permanent nature of the town of Timmins and its many fine buildings.

Mr. D. J. Pomerleau, District Representative of the Department of Agriculture, with headquarters at Cochrane, was a visitor to Timmins this week on business.

Friends will all be pleased to know that Master Bobby Wheeler, little son of Mr. and Mrs. S. Wheeler, is now practically recovered from his recent serious illness.

A tea will be held in the Hebrew Congregational hall, Cedar street, on Wednesday, March 5th, commencing at 7 p.m. During the evening a fancy table cloth will be drawn for.

Mr. R. Stewart of the Canadian Explosives, Toronto, Mr. D. K. Read, of the Grassell Chemical Co., Toronto, and Mr. Lemmon, of the Imperial Chemical Co., England, were visitors to the camp this week on business.

Mr. H. C. Slade, of Toronto, will preach at the Baptist Church on Sunday at both services. The services on the following Sunday, March 2nd, will be taken by Mr. Chas. McGraw, formerly of Timmins.

The dance given in the McIntyre hall last night by the Black and White Pierrots was a very pleasing and enjoyable event, all features of the occasion being up to the highest standards. The music was by the Club Royal orchestra.

The innumerable friends of Mrs. J. R. Todd will be pleased to know that she is making good progress this week to recovery of health. Mrs. Todd has been under the care of a nurse and medical attention for the past week or so, having suffered a heart attack, but is now well on the way to recovery at her home in Schumacher.

LEGION ASKING NOW FOR DONATIONS OF CLOTHING

The Timmins Post of the Canadian Legion is asking for donations of clothing. Any clothing for adults or children will be very acceptable and may be left at the Timmins Mine Rescue Station, back of the fire hall, where President Neame will look after it. At present the relief committee of the Legion has need for clothing to help certain worthy cases. Clothing for adults and for children alike can be used to much advantage, and anyone who will give quickly will by their promptness held all the more.

DANCE SATURDAY NIGHT AUSPICES WELSH CHOIR

A dance is announced to be held in the Hollinger Recreation hall on Saturday evening of this week, Feb. 22nd, under the auspices of the Timmins Welsh Choir. The Club Royal orchestra has been engaged to provide the music for the occasion and with this up-to-date orchestra the music is sure to be the latest and best and will please all. All other features of the event will be of equally high standard and for a pleasant evening all who like good dancing and a general good time should make a special note of this event, the date, and other particulars.

DEATH OF HAROLD KENNEDY ON WEDNESDAY LAST WEEK

Many friends in town and district learned with deep regret of the death of Harold Kennedy, 30 Sixth avenue. He passed away from double pneumonia after an illness of only a week or so. Although given the best of care and attention he succumbed on Wednesday of last week. The body was taken to North Bay last Friday and the funeral held there on Saturday of last week. The late Harold Kennedy had been a resident of Timmins for a year and a half and had made many friends here by his nice disposition and good character.

THURSDAY Bulletin

Several new enrollments have been made in both the day and night classes at the Timmins Business College since the beginning of 1930 for the winter term.

As usual much work is being accomplished by the students in the different courses and good results are being attained as may be noted in the marks in the January report given below. "Untiring application" is a motto which this school instills in the minds of its students as a key to their success. Graduation diplomas have been received for Misses E. McClure and G. Rochefort.

An Underwood typewriter has been left with the Business College by a local citizen for sale. This typewriter has an 18" carriage, is in good condition and can be purchased at a reasonable price. Anyone interested should apply at the College office or phone 501.

Owing to our method in individual instruction, students may enroll at any time. There now remains room for a few more in this term and we are pleased at all times to give information to anyone interested.

Campaign of Diamond Drilling on March 6th

Mr. Mayer, of Buffalo, one of the directors of the March Gold Mines and of the Porcupine United Gold Mines, was a visitor to the camp last week, returning on Tuesday to Buffalo. He was here to visit the two properties, the United Porcupine and the March and to see the progress being made. Also, he dealt with the matter of diamond drilling work on both properties for which contracts are let or to be let. Considerable diamond drilling will be done on both the March and the Porcupine United. The diamond drilling campaign at the March is now under way, and there will also be more diamond drilling done in the very near future at the Porcupine United. At both properties very good progress is being made with the prospects excellent.

Anyone interested in the Timmins Male Chorus should get in touch with A. W. Snow. At present there is effort being made to revive the Timmins Male Chorus, an organization that did much here to create and foster interest in good music.

ANOTHER HEAVY FINE FOR ILLEGALLY HAVING MOOSE

Game Warden Determined to Stamp Out Unsportsmanlike Traffic in Moose Meat. Other Police Court Cases This Week.

Game Warden R. Edleston is determined to stamp out as far as possible all kinds of illegal traffic or possession of moose meat in the district. Another case was before the court this week. Leon Leblanc, 6 Middleton ave, was charged with illegally having a quantity of moose meat in his possession. A conviction was registered by Magistrate Atkinson and a fine of \$20.00 and costs imposed. Game Warden Edleston says that there are a number of others who are illegally trafficking in moose meat or unlawfully having it in possession and that these breaches of the law will be brought to court and punishment visited upon the violators of the rules made for the protection of game in this country. The killing of game out of season and other similar breaches of the law is not only poor sportsmanship but it is also having serious effect on the game of the district. To preserve the game and so for the general interests of the people it is necessary that the illegal and unsportsmanlike practices complained of should be stopped and it is to this end that the game warden is bending his efforts at present. It would apparently pay a number of people in the district to profit from the warning given by the fines imposed on others recently.

ALL-STAR MINE BEFEATS ALL-STAR TOWN TEAM 6 TO 5

Sixty Minutes of Classy Hockey on Friday Night as a Valentine to the Hockey Fans Who Enjoyed the Smart Event.

The hockey fans were given a real treat on Friday, Feb. 14th, when the town and mine all-star teams gave them sixty minutes of first-class hockey. The game was an unusually good one. Both teams were in fine condition and put everything they had into the game. The play was fast and tricky throughout. Neither team had much on the other and it was hard to pick up a bet after the first gong.

Joe Jacobs started the rumpus by scoring on a pass from Val. Emar. Both teams were on their toes. Rice back-checked the puck away from the town team and put the mine two up. The town tried to equalize but Boyd seized the rubber behind the net and passed out to Rice who put in the third counter. With the mine three up the play swayed up and down the ice until Godin beat Craig, leaving the score 3-1 for the mine, but the town's chances good.

The second stanza opened with rapid-fire hockey, keeping both goal-tenders busy. Rice passed the puck out from the boards for Johnny Platt to counter. Then the town team got busy and Gervais and Laflamme played a nice bit of combination that put the rubber in the mine net. Lorenzo Kelly broke through the mine defence and put in a pretty goal from ten feet out. The mine countered again when Rice picked up a loose puck at the blue line and put in the fifth goal for the mine. The second period closed five-three.

Billy Burns, who handled the game, had a hard time checking the rough stuff in the third period. Excitement was running high and most of the spectators were suffering from sore throats. Gervais rapped in the fourth for the town in a mix-up around the mine goal. Then young Laflamme, who had played a brilliant game all evening, stick-handled his way through and put in a goal on his own to tie the game. It was anybody's game for the next few minutes until Emar went through and shot. Lasalle saved but Rice scored on the rebound. Both teams played hard hockey till the last bell. The game was speedy and rather rough at times. Billy Burns kept it within reasonable bounds and handled a hard game in very commendable fashion.

The team lined up as follows:—Town—E. Lasalle, goal; W. Stanley, right defence; R. Charlebois, left defence; E. Laflamme, centre; L. Kelly, right wing; L. Godin, left wing; Gervais and Corbett, subs.

Mine—Craig, goal; Scully, right defence; Emar, left defence; Jacobs, centre; Portelance, right wing; Finley, left wing; Boyd, Platt, Rice, J. Laflamme, subs.

All will be delighted to know that H. W. Hooker, who was operated upon at St. Mary's hospital last week for appendicitis, is making the best of recovery this week. Reports to-day indicate that he is doing exceptionally well and now, well on the way to early recovery.
