They resided in town on Connaught Hill while Mr. McEwen was connected with the Wabi Iron Works, then later removed to the March Gold Mines, where he was manager for some time before removing to Kirkland Lake.

Kind and genial in disposition and of sterling honour in business the late Mr. McEwen made friends of all who knew him. The sincerest sympathy of all go out to Mrs. McEwen and the young family in the loss of a devoted and loving father.

Mr. B. Mills, of the Paymaster Mine, leaves this week for Moncton, N.B. Mrs. Mills and two daughters will reside in Timmins for the present.

Newlands; lucky number, Miss B. Cooper and Dr. Caswellby. The large attendance present were more than satisfied with the music supplied by the Club Royal orchestra who gave generously of their talent. All attending had a very happy evening.

Miss Leck has been a popular resident of the town and a valuable worker in the United Church, having assisted the choir for some considerable time and being treasurer of the Sunday School. We all extend to her our best wishes in her new venture.

Bridges and Mrs. Asselstine acted as judges and all present had a very pleasant time.

Mr. Harry Mannette, of the Hollinger Survey Department, returned to his home during the week-end, after spending a very pleasant vacation at the Queen City.
