

Successful Carnival at South Porcupine Arena

Winners of Prizes at South Porcupine on Thursday Evening of Last Week. Some Comment by South Porcupine Correspondent on the Hockey Situation. Other News and Views from South Porcupine Correspondent of The Advance.

South Porcupine, February 25th, 1930. Special to The Advance. Mrs. Henry Cameron, of Latchford, was the guest of her daughter, Miss Mina in town during the past week. Mr. J. Shaw was the guest of his sis-

ter, Miss B. M. C. Shaw, while en route from the parental home at Owen Sound back to Edmonton. The bridge clubs were entertained at the homes of Mrs. M. Besette, town, and Mrs. W. Johns, Dome Extension, on Thursday evening last. The prize winners at the home of the former were:—Miss Pearl Kennedy, first, and Mrs. D. McLennan. At Mrs. Johns', Mrs. T. Wright carried off the first honours and Mrs. Laforest the consolation.

On Wednesday evening of last week Tommy Feldman's hockey club met the Marshall-Ecclestone aggregation from Timmins. The grocery boys looked very spic and span in their new sweaters. These uniforms are in black and white. The two teams lined up: Marshall-Ecclestone—goal, R. Lafamme, defence, L. Lafamme, W. Grant; centre, P. Gervais; wings, A. Portelance, R. Charlebois; spares, F. Quesnel, B. Lafamme; mascot H. Fasset; trainer, E. Kalivisto. Tommy Feldman Club—goal, S. Burns; defence, J. Burns, W. MacLean; centre,

C. Catarello; wings, J. Cook, H. Doran; spares, T. Feldman, S. Abrams, Mphoney and Smith. The teams were very evenly matched, both at times showing some good classy hockey. The first count of the evening was made by "Chic" Abrams on a pass from Mahoney for the Feldman crew. L. Lafamme got through for Marshall-Ecclestone not long after. Cook scored at last goal for Feldman's so they came out on the uppermost side of a 2-1 score. W. Gagnon was referee.

We regretted to see, in last week's Advance in the letter partially explaining the hockey situation in the North, that same was associated with a threat. It reminded us of the boy, back in our school-days who whenever things did not go to suit him in the game, was always making the threat to go home and tell his dad. It seems to us an unsportsmanlike and to a certain extent a bullying attitude to take with the N. O. H. A. executive, if when calling on them for a decision, the same could not be done without issuing the ultimatum of severance from that association if such decision were not made in the favour of a certain team. Surely it would be more sportsmanlike, after placing one's cause before them to let the N.O.H.A. make their decisions; then to abide by them, or withdraw, whichever suited the fancy.

The N. O. H. A. have been placed in about as ludicrous a position as a man who told his boys they could go swimming, then when they got to their favourite swimming hole, said they couldn't go swimming either for they had already had a swim there that season. If Sudbury wins the Intermediate series will Sudbury also be forbidden a game with Iroquois Falls? What is there in the N. O. H. A. constitution to sanction one mode of procedure with one team and a different method with another?

The now famous amendment is there in the constitution of the N. O. H. A. and as such takes precedence over rules. What does reverting to Intermediate mean if it does not give the rights that belong to an Intermediate series? If a blunder has been made by leaving the amendment in the constitution thus long, would it not be more sporting now to live up to it until such time as it can be withdrawn, instead of jumping on one side of the fence and then on the other, according to the direction from which the most pressure seems to be made? Had there been a just elimination in the first place the idea of reverting to intermediate would probably not have occurred to Porcupine Hockey Club any more than it did last year. But there was a game in protest that had been played under such uncontrolled conditions that it never should have been allowed to go on for sixty minutes. It was early in the year for the hockey season to close. To Porcupine Hockey Club it appeared to be the happier method to revert, than to fuss over a protested game. It would bring more games of interest here for the little band of home hockey fans who had so loyally supported them in spite of a hard winter. And it would require considerably more efficiency on their part than merely playing off a protested game. So, for a club as well as an individual should not the words of the poet be applicable.

"This above all
To thine own self be true
And it must follow as the night, the day,
Thou canst not then
Be false to any man."

In spite of the ice being rather heavy there was a splendid attendance at the carnival held at the arena on Thursday last under the auspices of the Porcupine Goldfields Band. Quite a number, especially of the children, were in costume. While the adult costumes were being judged quite a number did not appear on the ice, leaving some of the classes of costume not nearly so well represented as might have been for some of the prizes. Ladies' fancy costume was won by Mrs. T. Lang in a white leather Eskimo outfit, the prize being a dainty luncheon set donated by W. D. Pearce and Son; ladies' comic costume, won by Mrs. J. Hanneberry, as the mother of the twins won a sugar and cream donated by Marshall-Ecclestone; ladies' most original won by Miss Clara Gemmill, as "Bath-room Accessories" was a tea-set donated by the Porcupine Hardware; gentlemen's fancy costume, won by Mr. Rudd, as the "Minister," was a clock donated by D. Cattarello; gentlemen's comic, won by H. Montrose, as a Negro clown was a box of cigars donated by A. De Rosa; gentlemen's most original, won by Freeman Anthony, as a "Calendar," was a table lamp donated by the Northern Ontario Power Company; girls' fancy costume won by Waneta Blood, as "Red Riding Hood" was a purse donated by S. Sky; girls' comic, won by Ada Wilson, as the "Rube" was a box of stationery donated by T. Feldman; fancy dressed couple, Stella Brown and Viola Laffin, as "Maggie and Jiggs"; smallest child in costume, Nick Toderan as a little Negro wench. Nick created plenty of amusement, no one knowing who the youngster was until the time of the presentation of the prize—a pair of girls' fancy garters donated by M. Rosenbloom. Then Nick asserted strongly that he was a boy. Boys' fancy was won by Elmer Cunningham in Highland costume and was a pair of golf socks donated by M. Rosenthal; boys' comic, won by T. J. Wright, as "Wrigley's Chewing Gum," was a flashlight donated by T. Feldman. The door prize, a fancy cup and saucer donated by South End Pharmacy, was won by Mrs. Johnny Cook. In the children's races which followed, Mary Miller won the race for girls fifteen years and under while Katie Miller won for girls twelve years and under. Norman MacKay, Matt Miller and Benny Laffin were the winners of the boys' races. There was no puck-carrying contest for the members of the Intermediate Hockey Club as the ice was not in any condition for it by the time it should have taken place on the programme. There were many other especially pretty costumes worthy of note. Mrs. G. T. S. Train and Mrs. Art Ewing were particularly dainty as valentines. Miss Pearl Miller and Thelma Roy made smart-looking sailor lassies. Arminta McJanet and Muriel Miller were two black crows. Little Miss Marion Ewing represented the "Land of the Maple," and Miss Dorothy Farrell was "Canada." Beulah Rayner made a typical "Newbie" and Caroline Sutherland a Highland lassie. The broomball match of two ten-minute periods caused many a laugh. That pig-skin went everywhere else around

Sudbury Plays at South Porcupine Arena To-Night

Second Match With Sudbury in the N.O.H.A. Intermediates. Porcupine Won Tuesday. Other South Porcupine News.

South Porcupine, Feb. 26th. Special to The Advance. The Rebekahs, of Kitchener Rebekah Lodge, are putting on another of their popular bridge and euchre parties on Friday evening of this week, starting at eight thirty.

The Timmins Trail Rangers played a group of juveniles from South Porcupine and Dome in a hockey match at the arena here on Monday night. It resulted in a victory of 6-1 for the home team.

Mrs. W. Gagnon and children accompanied her sister, Miss Whitehead, back to Cobalt and are spending a while at the parental home there.

In the competition for the Pillsworth trophy at the curling rink L. Sauder's rink won from that of Dr. Barry and are in possession of this handsome cup for the present. During the past week a bonspiel has been in progress. On February 19th Hendry won from Costain and W. D. Pearce from Fulton. On February 21st, Fairhurst won from Kennedy and McLaren from Brooks. On February 24th Brooks won from Kennedy and Fulton from Hendry.

Charlie Edgecombe has returned to Noranda after a visit at the home of T. Gibbons.

Rev. G. McVittie, of Noranda, spent a few days in town recently renewing old acquaintances and receiving a royal welcome from his former parishioners. G. McIntosh is able to be round again after his recent illness. Master Bobby McIntosh tried to ride his scooter down the basement stairs this week and miraculously escaped without broken bones but has many a bruise.

Their friends here sincerely sympathize with Mrs. J. Andrew and Mr. J. C. Ostrom in the death of their father at Dunraven, Calumet Island, on Sunday, February 9th. The late Mr. James Ostrom was eighty-three years old and was loved and respected by all who knew him for his earnest helpful Christian life. He died as he had lived, a Christian of inspiring faith. After bidding his family all "Good-bye" he slept peacefully off of this life into eternity. He leaves to mourn his loss a widow, three sons and five daughters.

George Miner left this week for Prescott.

Andrew Harty, of Campbell's Bay, is visiting his sister, Mrs. T. E. Cahill. The Women's Guild of the Anglican church, met on Monday evening at the home of Mrs. T. Smith.

Mr. and Mrs. H. Rapsey, Sr., returned on Monday evening after an ex-

that rink but into the nets. It was up in the rafters, out in the audiences, narrowly missed a goal. E. Jamieson refereed the game. There was a nice turn-out of those who enjoyed skating to the music of the band and also a large number of on-lookers.

The results have come in from the Intermediate hockey game at Sudbury on this (Tuesday) evening. By periods they are:—2-0, 5-2, 9-3 in favour of Porcupine. It is thought that on harder ice that Sudbury will give the Porcupines a much closer run on Thursday evening and some even suggest a reversal of the score. The return game here is to be played at South Porcupine arena on Thursday evening with "Sky" Eason, of Stratford, handling the bell. R. Mitchell, of Sudbury, was referee in Sudbury where the two teams brought a \$1200 house for their meeting. There are some exceptionally good players in this all-star team of the Nickel Belt and anything may be expected here once they have struck their gait.

tended visit with their son at Windsor. F. C. Evans is on a business trip to Toronto.

Don MacIntosh has left to take a position with the Horne Smelting Corporation at Noranda.

Mrs. T. Farrell entertained a number of her friends to a party at her home on Bloor avenue on Tuesday evening.

Mrs. B. Mills and two daughters, formerly of the Paymaster Mines, are spending a while with Mr. Mills at Moncton, N.B., before visiting her mother at Chester Basin, N.S. They will then go on to Halifax to reside where Mr. Mills has secured a position with the C.N.R.

Don't forget the bridge, euchre and dance being given in the High School hall on Tuesday, March 4th, under the auspices of the Women's Auxiliary or the Anglican church. Everything is being planned to make this a thoroughly enjoyable evening.

The council of Tisdale held their regular meeting in their chambers on Monday evening. Mr. M. Smith was sworn in as clerk in the absence of Mr. Evans and Councillor Kerr was acting-revee. Mostly routine business was attended to, the usual bills and accounts being passed for payment. It was decided to have all charity cases who could possibly do so, come to the meeting of March 10th.

The programme given at the band concert last week consisted of the following numbers:—band, march, "Here They Come"; piano solo and encore, by Norma Pamplin; recitation, by Lillian Kaufman. It was this little lady's first appearance in concert recital and she was heartily endorsed. Band selection, "Operatic Medley"; sword dance and encore, by Caroline Sutherland; piano solo and encore, Phyllis Pamplin; violin solo, by Master Denis Reynolds. This little seven-year-old lad also acquitted himself very creditably in this, his first, concert appearance. Saxophone solo, J. T. Bridges; Spanish dance, Caroline Sutherland. Little Miss Caroline always pleases with the airy grace of her dancing. Juvenile orchestra, with vocal solo by Jackie Bridges; march for the band, written and composed by J. T. Bridges. H. Wilson made a very able and witty chairman.

Blairmore (Alberta) Enterprise—An Anthony lawyer received a letter from a client, asking him to collect a debt. "If you can't collect this debt by fair means," the client instructed, "you'll have to use legal proceedings."
