EXPECT NEXT MEETING OF N.O.H.A. TO BE LIVELY ONE

Correspondent of North Bay Nugget Believes There are Strenuous Days Ahead for the N.O.H.A. Paper League Proposed.

A correspondent of The North Bay Nugget foresees very lively times at the next meeting of the Northern Ontario Hockey Association, with both Cobalt and Porcupine objecting to certain proceedings of the past season. The correspondent referred to in a despatch from Timmins says in part:—

"One experience of these game Cobalters is likely to be the basis of an amendment to the constitution before the sport starts on its way next year. In the semi-finals, when the Miners visited Iroquois Falls, they played the game there under a referee who lives in the paper town, and his decisions—so incensed some of the youthful players on the Cobalt team that two of them were accused of striking him during the game. Fans who saw Percy Fahey, the veteran of 11 years' service with the Falls seniors, who handled the bell that night and who think he performed a difficult task fairly well, believe he should not have been asked to officiate in his home town, and it is practically certain a motion asking to have referees who do not live in either town represented in the concluding games appointed in semi-finals and finals will be submitted to the meeting.

"In the case under review, Charles Roach, Timmins, and a member of the N.O.H.A., was asked to take the game, but was in Toronto and notified W. A. Thompson, the secretary, of his inability to be in Iroquois Falls on the night of play. A substitute had to be appointed in haste, it is stated, and the choice fell on Fahey. Cobalt, it is claimed had some intention of playing the game under protest, but took no action at the time, and their president said after the contest that, in view of the scrap on the ice, nothing could then be done. Foyle and Roy Bennett, the boys who were involved in the dispute with the official, both were reported to the N.O.H.A., and were warned by the secretary, but were permitted to continue with the team in the subsequent games. When tempers had cooled off, it developed, it is said, that Fahey's ruling against Cobalt had roused youthful ire, inasmuch as discrimination was alleged, but the result of the return game in Cobalt, which the Miners won to take the round, soothed matters considerably.

"Another question that is certain to arise when the moguls foregather next fall springs out of the contention of South Porcupines that its team was entitled to another crack at Iroquois Falls after the Porkies had reverted to intermediate status and had won the Gordon Cup, the trophy presented to the victors in that class of hockey. There are several angles to the situation which developed after the Porkies losing out to their sole opponents in the two-team senior series, dropped into intermediate ranks and cleaned up Kirkland Lake and Sudbury to lift the Gordon Cup. Supporters of the team who were spoken to in South Porcupine admitted the subject was somewhat ambiguous, in that two clauses in the N.O.H.A. constitution appear to conflict. It is provided that the senior runners-up may revert and compete with the intermediates, and also that the winner of the lower series is entitled to challenge the senior winners for the championship of the N.O.H.A.

"It is readily conceded in South Porcupine that these provisions apparently clash in the circumstances which have developed, but it is argued that, since the rules seem to permit the Porkies to have another chance at the Eskies after they had won the Gordon Cup, the club was entitled to take advantage of them. One man prominently identified with the team told the reporter the Porkies never should have been allowed to revert, while other residents of that same section of the game held similar views. It was claimed, moreover, that developments were unfair to the intermediate teams in Kirkland Lake, Sudbury and Sault Ste. Marie, and there are many fans who think that the Sudbury Wolves should not have been asked to play with South Porcupine at all, but should have staged an elimination tourney among themselves, the survivor to have the right to play off with the Eskies. In any event, this question is looked to provide an interesting argument at the annual gathering, when the rules may be cleared up.

"The season now closing provided interesting sport despite some of the dissatisfaction which was recorded, the junior teams in particular keeping up interest in their respective groups. Four of the teams entered were without covered rinks, and so had limited opportunities to practice, but this situation will have been remedied to some extent before next winter. New Liskeard and Monteith played their home games at Halleybury and Iroquois Falls, respectively, Kapuskasing and North Bay drew byes, and all four gave good accounts of themselves despite their handicap. Rinks in North Bay and in Kapuskasing may be available for next season, with the situation in New Liskeard uncertain. So far as senior hockey is concerned, the future is on the knees of the sporting gods.

"Rumour has it that a Papermakers' League is proposed. The scheme, it is said, has been under consideration for some years, but has not yet developed to a stage when it can be put in operation. It would include teams in the four paper towns of the district, Kapuskasing, Iroquois Falls, Sturgeon Falls and Sault Ste. Marie, the Sturgeon Falls home games to be played in North Bay. This plan might develop

CORAL RAPIDS NOW BOASTS HOTEL, RESTAURANT, BANK

Much Activity These Days at the End of Steel North of Cochrane. Improved and Extended Train Service in Force.

There is much activity at present at Coral Rapids, the present end of steel on the T. & N. O. extension north of Cochrane. Last week one hundred and fifty men were carried out on the T. & N. O. to Coral Rapids to be ready for the construction programme soon to start. Cochrane is said to be crowded with men who have hurried in there to be ready for the construction work to open. It is likely that at first at least there will be more men available than work for them to do.

In the country north of Cochrane there is much activity reported. It is said that M. Chamandy has opened a dry goods store at Blacksmith Rapids and so is ready for the business that is expected to eventuate. Coral Rapids, the present end of steel, seems to be developing into a town. At least the place has a bank, a restaurant and a hotel. A despatch from Cochrane last week says:—"Jim Palangio, of Cochrane, is the proprietor of the new hotel, a 26 x 72 structure erected and occupied in less than a week. The carload of lumber used in the building was shipped up on one of the Saturday runs, and when the train crew returned a week later they found people living in the hotel. The Onakawanna Confederation Restaurant also is in being, its owner being Tony Murlilo, who operated an eating place at Island Falls and who has now moved north. Onakawanna, of course, is the official name of the coal, but some curiosity exists regarding the word "Confederation" and its application to the cafe at Coral Rapids."

The same despatch also refers to the improvements made in the train service to Coral Rapids. In this connection the despatch says:—"Hitherto, one train weekly, leaving Cochrane on Saturday morning, and returning within the next 24 hours, provided the only means of communication, except for the odd special running through for sundry reasons. Now, it is proposed to operate a tri-weekly service, coming north on Mondays, Wednesdays and Fridays, and going back on the succeeding days. This will be the regular schedule during the period of construction, it is stated, and it will replace the existing service between Cochrane and Island Falls. The new time-table will go into effect on Monday."

High River Times—A man is as old as he feels fit—and a woman is as old as she things fit.

DO YOU SUFFER WITH HEADACHE?

So easy to get quick relief and prevent an attack in the future. Avoid bromides and dope. They relieve quickly but affect the heart and are very dangerous. They are depressing and only give temporary relief, the cause of the headache still remains within. The same and harmless way. First correct the cause, sweeten the sour and acid stomach, relieve the intestines of the decayed and poisonous food matter, gently stimulate the liver, start the bile flowing and the bowels pass off the waste matter which causes your headache. Try Carter's Little Liver Pills. Druggists 25c red pkgs.

IROQUOIS FALLS AND PARIS PLAYED TO TIE SATURDAY

Fine Goal Keeping of Powers Prevented O.H.A. Intermediates from Winning Second Game. Falls Took Round by 8 to 2.

Despatches from Gal' this week say that Iroquois Falls advanced another step in their quest for amateur hockey's most prized trophy—the Allan cup—at Gal' Saturday night by holding Paris, Ontario Hockey Association intermediate champions, to a two-all tie, in the second of their two game series in the Allan cup eliminations. The Northern Ontario Association senior champions trounced the Parisians, six to nothing, in the first game at Toronto and therefore won the round eight to two. They will now meet the winner of the Hamilton Tiger-University Toronto series for the Ontario senior championship.

In the final game Paris showed a complete reversal of form, giving repetition of the courageous hockey which carried them to victory over Walkerton in the intermediate final. They outplayed the Eskimos throughout, but the sensational goalkeeping of "Rip" Powers, veteran of many campaigns, prevented the Greenshirts from winning decisively.

After a scoreless opening period Paris gained a two to nothing advantage in the middle frame when Nickle and Von Zuben each tallied unassisted. During the last 20 minutes the superior weight and stamina of the Eskimos told in the summary. The Falls dead-locked the score at two-all as the result of two splendid individual efforts by Chircoski.

Referee Ernie Parkes experienced a difficult task in handling the players who were inclined to rough it at times. He meted out 19 penalties, including one major to Lavigne, tricky Eskimo defence player, for slashing.

The teams:
Iroquois Falls—Goal, Powers; defence, Murray and Lavigne; centre, Pender; wings, Fahey and Chircoski; subs, Saunders, Wimperis and Cybolski.
Paris—Goal, Schueker; defence, Nickle and Woods; centre, Kempthorne; wings, McCutcheon and Von Zuben; subs, Mann, Laurie and Smith.
Referee, E. Parkes, Toronto.
Summary:
First Period
No score.
Penalties, Woods, Pender, Nickle 3, Murray 2, Wimperis, Saunders.
Second Period
Paris, Nickle 11-50
Paris, Von Zuben 5-00
Penalties, Nickle.
Third Period
Iroquois Falls, Chircoski 4-40
Iroquois Falls, Chircoski 2-50
Penalties, Fahey, Murray 2, Saunders, Woods, Lavigne, Nickle 2, McCutcheon.

PLAN TO REMOVE DANGER AT LANG STREET CROSSING

Word given out in the last few days suggests that while there will be no new bridge erected at the Lang street crossing at Cobalt, steps will be taken to make the northern entrance to Cobalt safer than it has been in the past or than it is at present. Following the recent conference between representatives of the municipalities, the Northern Development Branch and the T. & N. O. a survey has been in progress at the crossing and, while nothing definite has yet been announced, it is understood the plan now favoured is to remove certain buildings and blow up the series of rocks which are behind the sheds of the Imperial Oils plant. An official statement is likely to be issued at an early date. The dangerous situation which exists at Lang street has been the subject of many meetings in recent years. Two narrow escapes during the last few months have hastened official action with regard to remedying conditions there.

VISITORS TO TIMMINS ON THEIR HONEYMOON TRIP

The North Bay Nugget last week said:—"A pretty pre-Lent wedding was solemnized at St. Vincent de Paul Church, Tuesday morning, March 4, when Irene Laberge, daughter of Mrs. R. Laberge, 30 Victoria street, became the bride of Henry Rathwell, son of Mr. and Mrs. J. Rathwell, 28 Victoria street. The ceremony was performed by Rev. A. J. Chapleau. The bride, who was given in marriage by her uncle, Mr. Arthur Charette, was charming in a princess frock of white silk georgette and chantilly lace. Her hand-made veil was caught at the crown with a wreath of orange blossoms. She carried a bouquet of white and pink roses and lilies-of-the-valley. Her attendants were Miss G. Gauthier, Miss Truchon, Miss V. Fournier and Miss M. Boyer. Misses Evelyn and Claudette Laderoute were bridesmaids, while Nora Rathwell, sister of the bridegroom made a dainty flower girl. The best man for the occasion was Mr. Albert Rathwell. During the signing of the register, vocal solos were given by Miss Claudette Laderoute and Miss Alma Gauthier, accompanied by Miss E. Deschenes, organist. A wedding breakfast and reception, attended by 25 guests, was held at the home of the bride's month's following the ceremony. The young couple left the same morning for a wedding trip to Halleybury, Timmins and Cochrane. They will reside in North Bay."

SAULT GREYHOUNDS WON THE JUNIOR CHAMPIONSHIP

Defeated Cobalt Juniors at Cobalt on Saturday Night by 7 to 3, Winning the Round by Margin of 15.

In the second game for the N.O.H.A. Junior championship the Sault Ste Marie Juniors won from Cobalt 7 goals to 3 at Cobalt last Saturday night, thus winning the round by a margin of 15. The Sault Juniors left on Sunday for Toronto to meet the O.H.A. winners. In the first game with Cobalt the Sault won 13 to 2, and at Cobalt this sort of score was reduced to a 7 to 3 one, leaving the round 20 to 5.

According to the despatches from Cobalt this week both teams finished the game short-handed, Dun and McDougall of the Sault and Roberts of Cobalt all having been chased in the last three minutes of play, for a few seconds Cobalt had six men on the ice to their opponents four but although the Miners pressed hard they could not score, and when Roberts went off the pressure was relieved considerably. In all nine penalties were handed out during the game. The Sault got six of them, McDougall alone drawing three while to Dunn went the only extra penalty. He was given three minutes for boarding Moore. All of the other banishments were for minor offences, McDougall being benched once for carrying the puck.

The game was a battle between a plucky but inexperienced Cobalt team and a well drilled Sault machine. The Miners never gave up trying and they had a number of chances to increase their score but the issue of the contest never was in doubt. The home team relied mainly on solo efforts which availed them little against the methodical play of their opponents and a number of good openings went begging because the puck carrier tried to crash through the Sault defence alone. The first period was scoreless and the Greyhounds led at the end of the second four to one.

Goal scoring honours for the night went to Lauzon the Sault centre man going through three times to beat Roy in the Cobalt nets. Two more fell to the stick of Ganton and the other Sault counters were credited to Maki and Hunters. For Cobalt, Bennett, Roberts and Foyle notched in that order. Assists were awarded to McDougall, Keenan, Gleason and Lauzon. For Cobalt Roy again gave a good display in the nets handling some difficult shots well. On one occasion he out-guessed Ganton when the centre man was clean through. Of the others, Dixon, Kostluk, Roberts and Bennett showed up best, but the team as a whole lacked system and weight. Of the Greyhounds the Keenan-Dundas defence with Ganton, Maki and Dunn forward line were most impressive. Both Conway and Delabbio were used in the nets and both were good.

The lineups:
Cobalt—Goal, Roy; defence, Dixon and Foyle; centre, Roberts; wings, Bennett and Gleason. Subs., Moore, Rowe, Kostluk.
Sault—Conway-Delabbio; defence, Dundas and Keenan; centre, Lauzon; wings, McDougall and Dunn. Subs., Ganton, Hunter, Maki.

Brantford Expositor:—"According to the Atchison (Kas.) Globe, one of the leading citizens is a great help to his wife, oiling the lawn mower for her in the morning."
