

SOUTH PORCUPINE BOYS WIN MATCH AT COCHRANE

Juveniles Outplay Cochrane Lads. Maple Leafs Tie with Kirkland Lake Boys. Play to be Given by Pupils of South Porcupine and Dome. Other South Porcupine News.

South Porcupine, March 26th. Special to The Advance.

The great event of the immediate future is the presentation by the school children of South Porcupine and Dome schools, of the play, "The Crystal Queen," on April 4th. Miss Teresa Burns, director and organizer, tells us that 150 pupils will take part. There will be fairies big, and fairies small, wooden soldiers, and no less than twelve "leading ladies" (and gentlemen). The costumes are already taken part in the skating carnival at Quebec City. Some have been rented from McKenna's, Toronto, and some (no less beautiful) made here in South End. Mr. Bridge's orchestra is to be in attendance. And without a doubt the high school hall will be crowded with proud parents and friends, to see and to hear, and to applaud. The young-

sters are getting a great kick out of it now, and assure us that it is going to be "just lovely." So will you please leave April 4th open for this affair, and make it the financial success it deserves to be.

Mr. J. Jamieson has rented Mr. Walton's house on Connaught Hill, and is bringing his family up from Halleybury this week to reside there.

Mr. A. Mulvihill returned from Arrprior on Monday, to take a position at the Dome.

Mrs. Foster and daughter, Ivy, returned to camp from Toronto Monday, to take up residence in their old home here. We understand the rest of the family is expected shortly.

A very pleasant afternoon was spent on Monday at the home of Mrs. Duncan MacPhail, West Dome Mine, by several of the West Dome and Dome ladies, tea being served by the hostess. Mrs. Beatrice Gegg, who has resided at West Dome since her marriage, is leaving on Friday to join her husband in Amoy, B.C., and the tea was given as a farewell party for her.

Friends of Mrs. Matt Donovan will be sorry to hear that she is quite ill at Kirkland Lake.

Little Bessie Verner hurt her leg while playing some time ago and was taken on Tuesday to St. Mary's hospital, Timmins, for minor operation.

On Friday evening the Rebekahs are planning to hold another of their pleasant evenings of bridge and euchre. Everybody will be welcome, and a crowd is expected. It would be a great benefit to all concerned if guests would arrive by 8.30. Much time is usually wasted in waiting for late comers to these functions.

Mrs. Elizabeth Taylor, of Cochrane, D.D.G.M. of the O. Eastern Star, pays an official visit to South Porcupine Chapter tomorrow (Wednesday) evening. On Tuesday night several members of this Chapter visited Timmins Chapter for the purpose of meeting and greeting Mrs. Taylor.

Mr. Sutte, choirmaster of the United Church, is organizing a play, "All a Mistake," in which several of our young people are to take part, to be produced in the near future.

We hear that Mrs. Moody and daughters (formerly of Dome Extension)

tion) have returned from Kirkland Lake and are at present living in Schumacher.

The Girl Guides had quite a busy evening on Friday last at the nurses' residence. Under the surveillance of Mrs. Stark, Miss Wenger, Mrs. Wm. Johns and Mrs. Martin they were getting things under way for a bazaar to be held in headquarters some time in April. Lunch was served and a pleasant evening spent.

Last week the girls of the continuation school took part in some lively basketball games after 4 o'clock. The total scores at the end of the week stood 74 for 3rd form, 50 for 1st form and 38 for 2nd form. The girls are hoping to be able to pick a good school team after a little more practice.

The evening service at St. Paul's Anglican Church next Sunday will be taken by the Rev. W. Alexander, B.A., of Monteth.

The boys of last year's Maple Leaf Hockey Club left for Kirkland Lake Friday, March 21st, to try conclusions with the Kirkland Lake high school. The game ended in a 3-3 tie. No overtime was played. Maple Leafs—K. McCaffrey, goal; C. McCaffrey, B. McLean, defence; C. Catarello, centre; G. Michaelson, U. Doran, wings; H. McInnis, sub. Kirkland High School—O'Brien, goal; Gill, Kapin, defence; B. Ash, centre; Sileski, Conlin, wings; McQueen, Gabriel, Ash, Devine, subs.

The boys report being well treated by the Kirkland Lake boys and all had a good time. Pete Grant, their old coach, met them at Kirkland and saw to this.

A juvenile team journeyed from South Porcupine to Cochrane on Saturday and trimmed the Cochrane Maple Leafs in an exhibition game the score being 6-3. The first period opened with both teams checking hard. After ten minutes of fast play Doran scored making it one to nothing for South Porcupine. Three penalties were handed out, one to Laffin and two to Logan. Both goal-tenders handled many difficult shots. The second period started equally as fast as the first. Doran got his second goal of the game, on a pass from Laffin. A few minutes later he repeated on a rush from centre, making the score three to nothing for South Porcupine. Fasano beat Helmer on a shot from close in. This was Cochrane's first goal. Peikie increased his team's lead on a long shot. Wright made it 5-1 when he scored on a pass from Doran. The period ended by McLean scoring on a lone rush. Logan and Wright were penalized in this period. In the third Porcupine boys played a defensive game. Cochrane reinforced their line-up by adding one of the juniors. This player scored two goals and the game ended 6-3 in favour of South Porcupine. The whole Porcupine team was good with Doran the best. Fasano was the pick of the Cochrane team, and Gauthier rush-

ed well. Much praise goes to Mr. Owens for the hospitality with which the Porcupine boys were treated. Cochrane—goal, McCauley; defence, Miller, Gauthier; wings, Fasano, Logan; centre, Owens; sub, Palangio. Porcupine—goal, Helmer; defence, McLean, Peikie; wings, Wright, Laffin; centre, Doran.

Mr. Henry, town engineer, and member of S.P.F.D. Mr. Henry is leaving at the end of the month to take a position with Sutcliffe and Neelands, engineers, of New Liskeard, much to the regret of his many friends here. Max Smith made a few remarks concerning Mr. Henry's impending departure. "He will be missed both in the work of the fire department, and also as a jolly good fellow among the boys," he said, and handed to Mr. Henry a beautiful fitted gents' dressing-case as a slight token of the regard in which he is held by the joint fire departments. The presentation came as a great surprise to Mr. Henry who was quite overcome. In response he said he was beginning to regret his decision to leave—he had stayed in no community where he had found such loyal friendships and so many good fellows. Although going away his heart would be with the boys in South Porcupine, especially those of the S.P.F.D. After singing "For He's a Jolly Good Fellow," the supper continued, and an evening of jollity and goodwill ended. It is a matter of real regret to all loyal citizens that Mr. Henry is leaving the camp. For four years he has lived with us, and proved his worth, but he is a young man with a future and it is fitting that he should progress to wider fields of industry. Mrs. Henry is remaining for a time in South Porcupine.

Have You Secured Your Auto License for 1930?

Last week The Advance called special attention to the fact that all licenses, markers, etc. for the operation of cars and trucks are required now. Anyone without the 1930 plates or credentials is liable to a fine. A number were caught through undue delay in securing their radio licenses. The Advance is anxious that none of its readers should waste their money and convenience by being brought out after being in the year's motor licenses. Cars are now being brought out after being in the garage for the winter. It is preferable to have the necessary licenses, markers, etc., for 1930, before the car comes out rather than after using it once or twice. No one can lawfully operate a motor car without the 1930 licenses and markers. To attempt to do so is to take an unnecessary risk. A policeman may pick up a motorist at any time and enquire about the licenses, etc. Up to the present the police have been considerate both in Timmins and in Tisdale. In the latter township, however, the intention is to make a clean-up of all without the proper markers and cards. This will certainly be done by April 1st. It may, for one reason or another, be done before that date. It is up to every good citizen to comply with the law in the matter, and it is also good business and good common sense.

NOVELTY DANCE EVENT ON WEDNESDAY, APRIL 23RD

April 23rd may seem like a long time away, but time soon slips along. Wednesday evening, April 23rd, is the date of the novelty dance event to be given in the McIntyre hall, Schumacher, under the auspices of the Black and White Pierrots. Events under these auspices are always good and this one it is said will be even better than the usual, and that is pretty good.

TIMMINS REBEKAHS HOLDING RUMMAGE SALE ON SATURDAY

Timmins Rebekah lodge are to hold a rummage sale in the I.O.O.F. hall, Timmins, on Saturday of this week, and there will be a pleasing array of fancy and useful articles on sale. Rebekah events are always enjoyable and successful and the event on Saturday will be up to the usual high standards. The event on Saturday will commence at 9 a.m.

A despatch last week from Troquels Falls says:—"Max Bennett, star right winger of the Baby Eskimos hockey team this winter, has left the Falls, and will spend a few days at his home in Cobalt before deciding where he will hang his skates this coming summer. Max has been offered a position in Montreal and it is not improbable that he will locate in the home of the M.A.A."
