SOUTH PORCUPINE BOYS DEFEAT KIRKLAND LAKE

Interesting High School Hockey. News of the Boy Scouts. "Best Game of the Season." Other News from South Porcupine Correspondent.

South Porcupine, April 2nd, 1930. Special to The Advance.

We are asked to announce that the congregation of St. Joachim's R.C. church are planning a bridge and caudre in the High School hall on April 30th.

Miss Ivy Freeman is leaving on Saturday to visit her aunt in Montreal. Miss Marion Neal, of North Bay, who was up visiting in Iroquois Falls, is at present staying in town with her cousin, Miss Betty Ferguson.

Our sympathies this week are extended to Mrs. Walter Honer, of the Dome, and Mr. E. Jamieson, of town, in the sad and sudden death of their brother, Bert, on the Kamiskotia trail. Mrs. Honer left on Sunday with her brother, George, for Fiesherston, where the funeral will take place.

Last week we omitted the Bridge Club evening at Mrs. Gordon Cross' home. Mrs. Maurice Bessette carried off the honours, with Mrs. J. Alexander getting consolation. The Hill Club did not meet last week.

On Thursday last Mrs. Stan Pearce entertained the Main Street Club, including one extra table of guests. Mrs. F. B. Clarke won the club prize, Mrs. Walter Cliff the guests' prize, and Mrs. J. Alexander, the consolation.

The "best game of the season" is one Young Explorer's opinion of a hockey game staged between the Dome and South End Explorers on Monday night at the rink. The score of 4-4 necessitated ten minutes overtime.

Mr. Ed. Kennedy is home from Smooth Rock Falls, he returned on Saturday. Mrs. Alle Bennett and daughter left on Sunday for Beechburg, having received news of the illness of her father.

Friends of Mr. Stanley Burgoyne, last year's hockey coach, will sympathize with him on the death of his mother, Mary Agnes Burgoyne, at 493 Markham St., Toronto, on Thursday, March 27th.

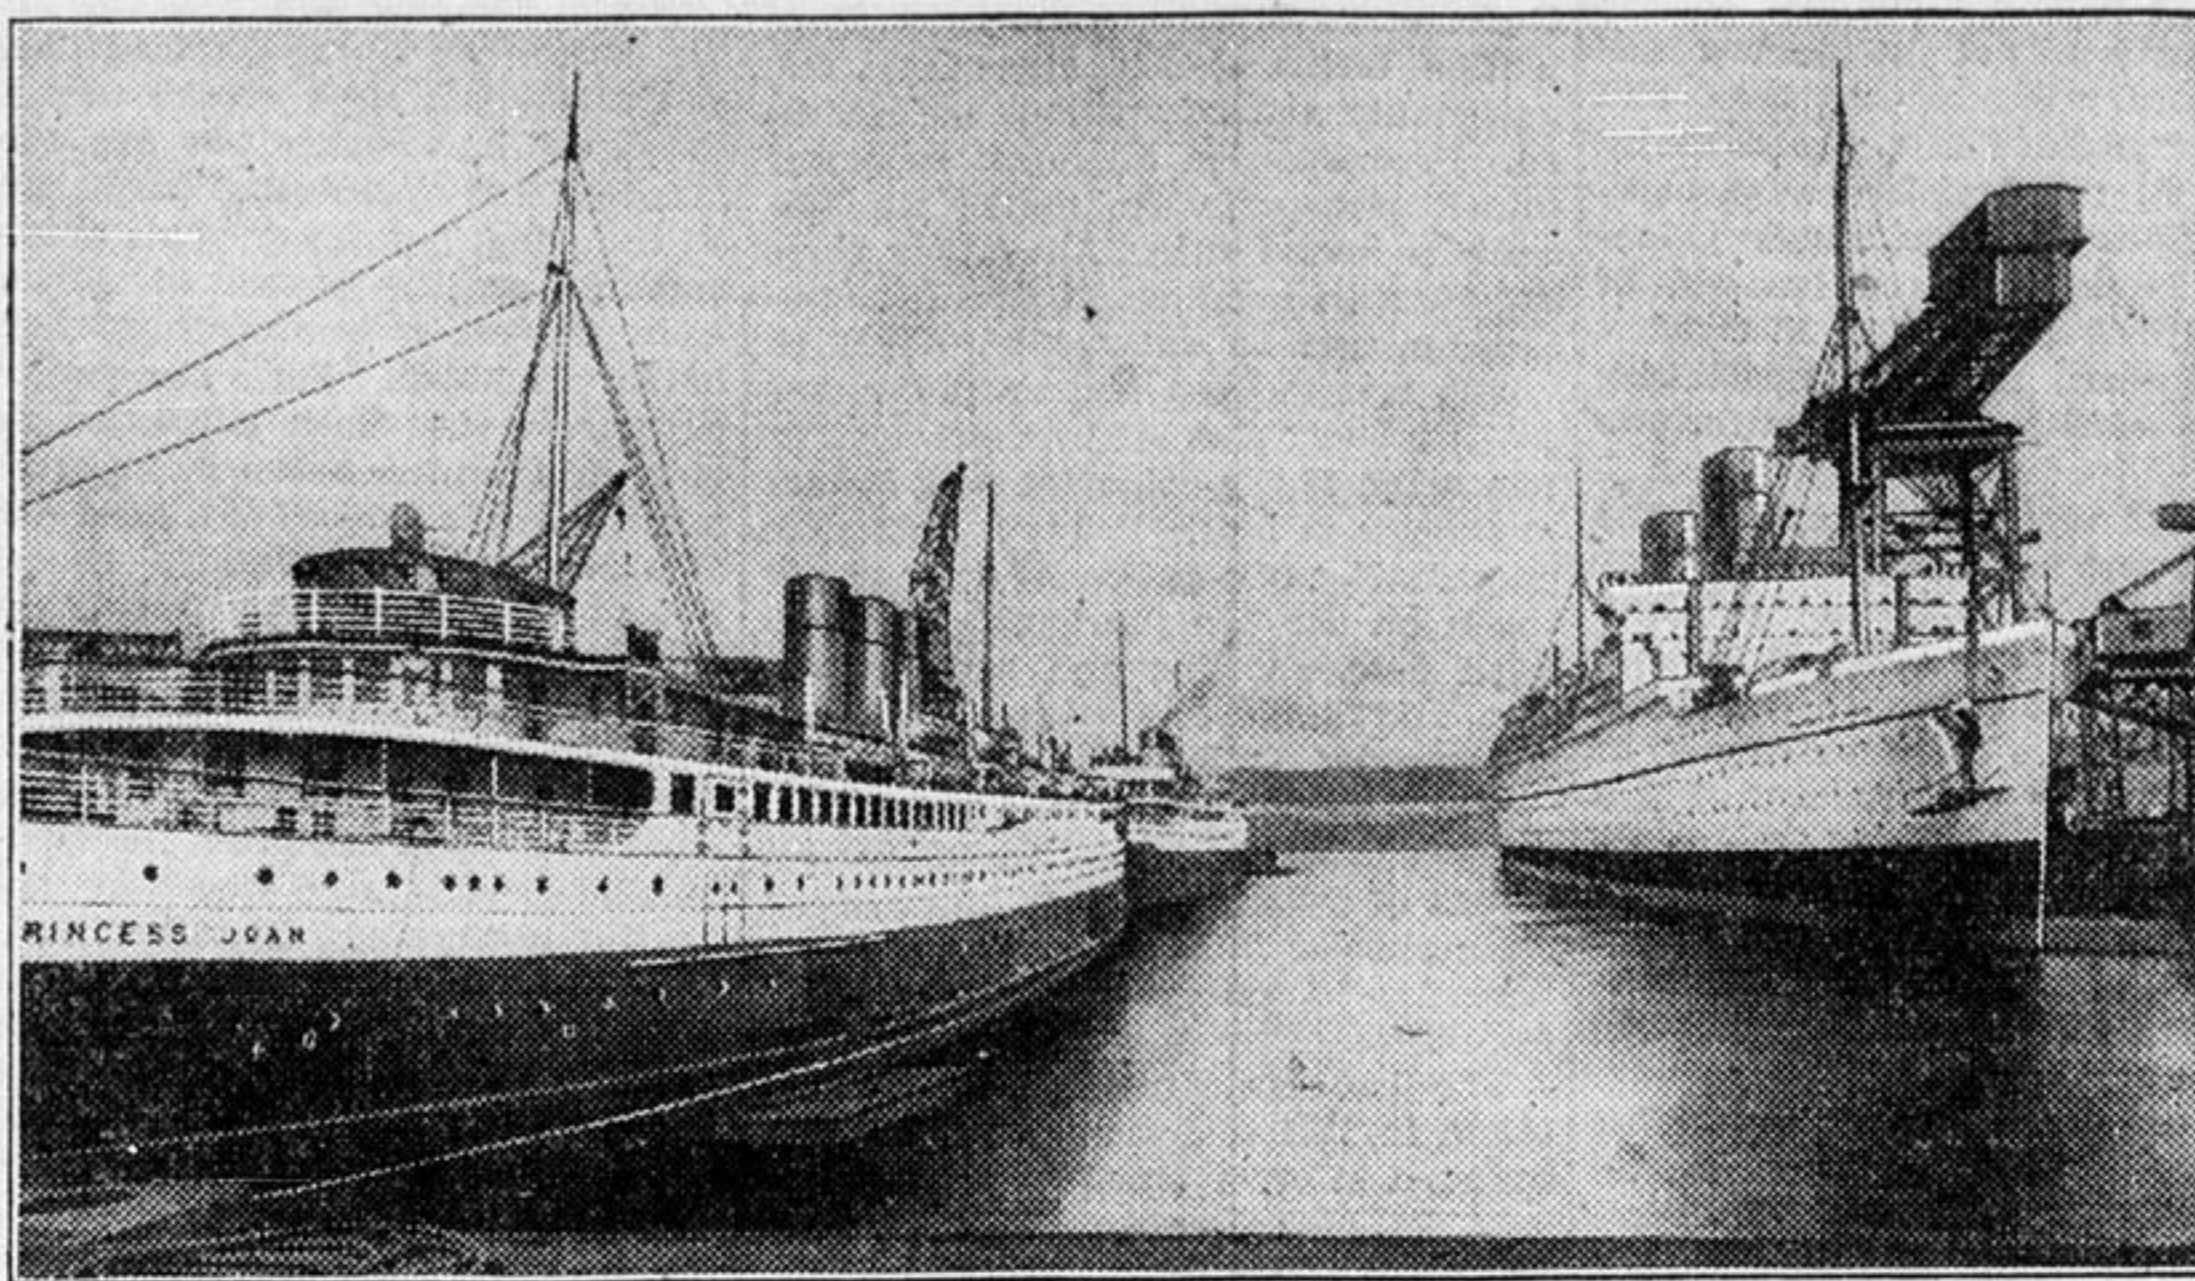

The Sky trophy—a beautiful silver cup with a figure of a curler surmounting it—is now in the possession of the proud skip of the winning team of curlers, Mr. Max Smith.

Miss Evelyn Mousseau, of Iroquois Falls, was the guest of Miss Bessie Mansfield over the week-end. The Kirkland Lake team of High School Hockey Boys played a return game here on Saturday night.

The Porcupine and Dome Boy Scouts met in the first of a two-game series for the Nitro-Glycerine cup, on Tuesday evening. Goals count on the round, and the Porcupine Scouts won the match 2-0.

The Porcupine and Dome Boy Scouts met in the first of a two-game series for the Nitro-Glycerine cup, on Tuesday evening. Goals count on the round, and the Porcupine Scouts won the match 2-0.

Three New C. P. R. ships

Three of the latest ships built for the Canadian Pacific Steamships are now being fitted out at the dock of the Fairfield Company, Govan, Scotland. Right is the Queen of the Pacific, the 26,000-ton Empress of Japan and left lie the Princess Joan and the Princess Elizabeth, destined for the British Columbia Coastal service.

Building Permits for 1929 Totalled \$134,705

Figures from the town engineer's department show that the value of the buildings covered by the building permit applications for 1929 totalled \$134,705.00.

The building permits issued may be divided as follows:— Business section—new buildings, -5 applications, \$98,300.00; alterations and additions, 11 applications, \$19,075.00; total for business section, \$117,375.00.

Residential section—new buildings, 13 applications, \$6,350.00; alterations and additions, 35 applications, \$8,665.00; total for residential section, \$15,015.00.

Garages—new, 40 applications, \$2,065.00; alterations and additions, 5 applications, \$250.00; total, for garages, \$2,315.00.

Total new buildings, 58 applications, \$106,715.00; alterations and additions, 51 applications, \$27,990.00; total number of applications, 109; total amount given on applications, \$134,705.00.

on, but missed many glorious chances to score as the play was all in the Dome area. The game ended with a 2-0 shutout for the Porcupine Scouts. Dome—goal, Richardson; defence, McCaffrey, McWilliams; centre, McLean; wings, McPhail, Doran; subs., Woods, Mitchell. South Porcupine—goal, O'Shea; defence, H. McInnis, J. McInnis; centre, Cattarello; wings, Laffin, Wright; subs., McIntosh, Myers.

The Kirkland Lake High School visited South Porcupine over the week-end for an exhibition game with the Porcupine Maple Leafs. After a hectic struggle the Maple Leafs emerged victorious. The score was 4-3.

The first period began with the forward lines of both teams showing some good speed and combination. The heavier Porcupine boys forced most of the play up into the Kirkland Lake area.

The Porcupine and Dome Boy Scouts met in the first of a two-game series for the Nitro-Glycerine cup, on Tuesday evening. Goals count on the round, and the Porcupine Scouts won the match 2-0.

Burglars recently broke the window of Sewell's jewelry store at Cobalt and took two watches valued at \$37.00 each. The police have no clue to the criminals. The glass was smashed between twelve midnight and one in the morning.

HELP FARMERS COUNTERACT THE ACIDITY OF THE SOIL

The Ontario Department of Northern Development will be asked to assist farmers in the north to purchase lime to correct acid soil which prevails in the areas along the north shore in the districts of Sudbury, Algoma and Thunders Bay.

Representatives from the districts of Algoma, Cochrane, Manitoulin, Muskoka, Parry Sound, Temiskaming, Nipissing and Sudbury were present at the conference, which was presided over by R. S. Duncan, director of Agricultural Representative Branch.

The question of building up soils in certain areas which have been depleted received much consideration. G. N. Rhunke, of the Department of Chemistry, Ontario Agricultural College, Guelph, gave as his opinion that liming is essential. This theory is the result of study of the situation last summer by Mr. Rhunke.

It was also decided to carry on soil classification work during the summer. Matters connected with crops, live stock and marketing were also discussed. Most districts are weak in dairying, and it was agreed the farmers needed help in building up dairy herds.

The representatives of each district outlined some problem, and received advice for the remedying of existing conditions in this part of the province.

Mrs. Lawlor, formerly one of the esteemed pioneer residents of Timmins, but recently living at Sudbury, is visiting in town for a few days.

GIVES CASTING VOTE Hon. R. Lemieux, Speaker of the Canadian House of Commons, who was called upon to give a casting vote at a division regarding the Ontario Divorce Court Bill, when there was a tied vote. The Honourable gentleman voted against the bill.

Up to Dominion to Help Trans-Canada Highway

In the last issue of The Kapuskasing Northern Tribune a letter is published from Hon. Wm. Finlayson, Minister of Lands and Forests, in regard to the proposed Trans-Canada Highway.

Replying to the resolution of the Kapuskasing Town Council endorsing the proposal of the Cochrane Board of Trade that the highway west of Hearst should be constructed to Orient Bay.

The Ontario government are willing to co-operate in the construction of the trans-Canada highway and are anxious to see that it should be completed at as early a date as possible.

This work is not a local or provincial work but a national work in which the whole of Canada is interested.

The Dominion government are willing to co-operate in this work and assist the province in undertaking it.

In the province of Ontario the road would be cut through hundreds of miles of territory where there is practically no settlement and there would be no local trade and through a country where the construction would be extremely expensive.

In the United States the federal government make contributions to such work but until something of the kind is done in Canada, I do not think there is much prospect of the work being proceeded with.

Yours very truly, W. FINLAYSON

BARRYMORE STARRING IN TRIPLE ROLE IN FIRST TALKIE

John Barrymore, eminent star of stage and screen, has an unusual opportunity to display his genius for characterization in "General Crack."

In addition to portraying the dashing title role of the mad Prince Christian, soldier and lover, in this vivid tale of romance and adventure in eighteenth century Europe, Mr. Barrymore contributes two other superb impersonations to the picture.

In the prologue to the actual story, he acts the part of his father, a doddering old soldier. Later in the film, he enacts the role of his father's ghost who appears as a guiding influence in an important turning point in the story.

Said to be his most fascinating characterization, Barrymore in the title role as General Crack, is seen as a storming individual in eternal conflict with his gypsy and aristocratic traits—a man who became the dominant military figure of his time, as well as the greatest lover.

Directed by Alan Crosland, the supporting cast of "General Crack" includes Lowell Sherman, Marian Nixon, Armida, Hobart Bosworth, Jacqueline Logan, Philippe de Lacy, Otto Matison, and many others.

Timmins skating rink closed for the season on Saturday last.

TIMMINS RETAINS CUP UNTIL THE NEXT SEASON

Local Curlers Won From Halleybury Challengers on Saturday. Curling Rink Closed for Season This Week.

Halleybury sent up two rinks last week in the hopes of re-capturing the Englehart curling trophy from Timmins but the efforts were in vain.

Halleybury—Y. Campbell, W. King, S. Forneri, D. Ostrosser, R. Howey, S. Caldwell, J. Isserwood, skip-9 Geo. Drew, skip-16 Sheriff Caldwell, E. H. Hill, L. Fleming, Geo. Lake, Dr. Crawford, W. Rinn, J. Abrams, skip I. A. Solomon, skip

This will be the last game of the season, the curling rink closing down this week until next winter.

After the play on Saturday last lunch was served to the visitors and a very pleasant time was spent in story-telling, etc.

The season just closed is one of the most successful curling seasons enjoyed so far in Timmins. The Timmins Curling Club has certainly had a season that will be remembered with interest and pleasure.

Curlers also will wish to say a word or two for the good work of Silas Cook who was the efficient caretaker of the rink during the season.

It might be well for all curlers to take their coats, sweaters, etc., from the rink now so as to avoid any chance of these articles being lost or damaged.

Wrap all Garbage in paper. Keep your Garbage can covered. Use plenty of Chloride of Lime which can be procured at the Town Hall.
