ANOTHER GOOD PROGRAMME AT BAND CONCERT EVENT

Goldfields Theatre Well Filled for Last Band Concert. Programme a Particularly Pleasing One. Artists Much Appreciated.

Although the programme originally arranged for the regular band concert in the Goldfields theatre last Sunday evening after the church services could not be presented on account of the illness of the artists concerned a new programme was arranged a day or two before the event and thanks to the kindness of the several artists who responded the event on Sunday evening was a decided success and the large crowd present were very well pleased with the event.

Lovers of band music were well-pleased with the selections given by the Timmins Citizens' Band. The band has reached a very creditable talent and effectiveness and the numbers presented on Sunday evening were particularly well given. The selections by the band included:—Hymn, "Diamant"; march, "Bugle Call"; selection, "H. M. S. Pinafore"; selection, "Operatic Mingles"; march, "Prospero". The marches were bright, brisk numbers very effectively presented. The other numbers were equally well given and were much appreciated. The band, under Bandmaster A. Wilfred is making good progress and finding increasing favour with the public.

Bandsmen also furnished individual numbers that were very pleasing. A cornet solo by Bandsman Howard Vincent pleased all by its fine tone and effective presentation. Bandsman Howard and Frank Vincent in a cornet duet delighted all by their talented work. Bandsman P. Cherry was the usual very popular favourite in his piccolo numbers, being encored and encored again.

The juvenile orchestra—Tommy Bird, piano, Roy Jones and S. Bell, violins, and Bertie Hornby, traps and drums—made a very decided hit. The last-named is a regular member of the Timmins Citizens' Band where he plays the side drum. The other lads are also talented and well-trained in music, and the combination is a good one. The average age of the lads is around thirteen, but they play like talented old-timers. They were given a hearty reception at the band concert and their numbers were very much appreciated.

The piano duet by Mrs. D. Larcher and Miss Boutin was a bright and attractive one, played with special skill and effect. It won very sincere encore and the responding number was equally pleasing and well-received.

Another instrumental number that delighted the gathering was the violin solo by Mr. S. Boyd. This violinist plays with fine tone and expression. His presentation of "Danny Boy" was a number that delighted the music-lovers present and won very insistent encore, the responding number being equally pleasing.

Another violinist that made a very special hit was little Miss Tomlinson who was given very enthusiastic applause for her talented playing on the violin. Mrs. Carroll played the piano accompaniment for this popular number.

The vocal numbers on the programme were specially noteworthy. The vocalists were J. B. Pare, Miss Gabrielle Larcher and Mrs. R. Stroud, the three of them receiving very enthusiastic encores. Mr. Pare's presentation of a pleasing number, "Only a Rosebud in the Garden of My Heart," was given very hearty encore and in response Mr. Pare sang most effectively in French, this number specially delighting all. Miss Blanche Courtemanche played the piano accompaniments. Miss Gabrielle Larcher, in popular new songs was a special favourite, her sweet-voiced presentation of attractive songs delighting all. Mrs. D. Larcher played the piano accompaniments. The solos by Mrs. Stroud were much appreciated, songs and presentation alike being pleasing. W. A. Devine played the accompaniments for these numbers as well as for other numbers on the programme.

The next band concert will be on Sunday evening, April 27th, in the Goldfields theatre after the church services.

S.O.E. SOCIAL CLUB HOLD VERY SUCCESSFUL DANCE

The Sons of England Social Club held a most successful dance on Saturday evening, April 12th in the Hollinger Recreation Hall. The Club Royal orchestra supplied the most up-to-date music and there were many other particularly attractive features. The crowd was delighted with the balloon dance and the streamer dance and the other specials. The spot waltz was won by Mr. Wilkinson and Miss Marson. The evening throughout proved a real night of enjoyment for all present.

The North Bay Nugget last week says:—"Mrs. M. A. Ellis, Timmins, has recently taken up residence in the city. Mrs. Ellis will be in charge of the ready-to-wear department of the Walker Stores, Ltd. Formerly a resident of North Bay, her many friends will be pleased to welcome her return."

Annual Meeting of the Horticultural Society

The annual general meeting of the Timmins Horticultural Society will be held in the town hall, Timmins, on Friday evening of next week, April 25th, at 7.30 p.m. The chief business before the meeting will be the receiving of reports for the past year and the election of officers for the ensuing year. There should be a large attendance at this meeting as it is an important one from the standpoint of the town. All members of the society should naturally be present and in addition there should be a large gathering of all interested in the beautifying of the town. The work of the Timmins Horticultural Society during the past few years has added very much to the pleasure of living in Timmins. No one who knew the town ten or twelve years ago can deny that there has been an immense improvement in the appearance of the town, and those who know are quite ready to give a large part of the credit for this improvement to the Horticultural Society. Through example and encouragement and the information given out the society has certainly done a great deal to increase the number of fine lawns and gardens and the planting of shrubs and trees. Much of the credit for other works, such as the town park on Spruce street, near the station, must also go to the Horticultural Society both for fostering the idea and helping in its carrying out. Each year the officers have been most earnest and tireless in their efforts and the past year has been no exception to the rule. Every support should be given those active in the good work of the Horticultural Society. They are certainly doing something worth while for Timmins, and the general public should show interest. One of the best

ways to show interest just at this immediate time will be by attending the general meeting called for Friday evening, April 25th, in the town hall at 7.30 p.m. On the success of this meeting and the interest shown will depend in considerable measure the success of the general work of the society for the season as well as the success of the annual horticultural show at Timmins which has been recognized for years as a feature of the greatest interest and importance.

Fowassan News:—A pessimist is a man who says that nothing but ill can come of planting seeds, for either they don't come up, and you have no garden, or they do come up and you have a garden to weed.

CLAIM OF BEING SMALLEST R.R. OFFICIAL IN DANGER

The Pembroke Standard-Observer last week says:—"Joseph C. Raymond, formerly of this town and now of North Bay, who claimed to be the smallest railway employee in the world, also the highest paid railway official, pound for pound, the smallest man in public life and the smallest Knight of Columbus, is said to be threatened with loss of some of his laurels. A rival has sprung up in the person of Joseph Adrafna of Brooklyn, N.Y., who, it is claimed is only three and a half feet in height. Joe of Brooklyn is also a Knight of Columbus and arrangements are under way to bring the two atoms together at the Supreme Convention of the Knights of Columbus to settle the question of supremacy. North Bay Knights are said to be backing Joe Raymond heavily and they will receive plenty of support from their brother Knights in Pembroke where Joe is well known."

At St. Matthew's Church on Good Friday there will be a celebration of the Holy Communion at 8.30 a.m. and evening prayer at 7.00 p.m. On Easter Day the sacrament of Holy Communion will be administered at 8.30 a.m. and also after both morning and evening prayer. The titles of the anthems are, "He is not here, but is risen," Semper; and "Christ is risen," Maunder.

Presentation Made to Thos. Furley This Week

This week a presentation was made to Thos. Furley prior to his leaving for the United States. Mr. Furley has been a resident of Timmins for some four years past and during that time has made hosts of friends especially among his fellow-countrymen, the Welsh folks in the camp. In the St. David's Society and in the Welsh Male Voice Party he has been popular and esteemed, so when it was known that he and his estimable family were soon to leave the town there was very general regret and the desire to express appreciation and good wishes. At the practice of the Male Voice Party reference was made to the approaching departure of Mr. Furley and he was presented with a very handsome engraved silver cigarette case as a memento and token of esteem.

Mr. Furley and wife and children leave on Friday of this week for Rochester, N.Y., where they will take up residence and where he will be employed. Mr. Furley has been on the Hollinger Mine staff during his residence in Timmins. The family will be much missed here in many circles, while they will be followed to their new home with all sorts of good wishes.

At St. Matthew's Church on Good Friday there will be a celebration of the Holy Communion at 8.30 a.m. and evening prayer at 7.00 p.m. On Easter Day the sacrament of Holy Communion will be administered at 8.30 a.m. and also after both morning and evening prayer. The titles of the anthems are, "He is not here, but is risen," Semper; and "Christ is risen," Maunder.

INTERESTING TALK GIVEN TO KIWANIS ON BERMUDA

Kiwanian A. W. Lang Tells About the History, Scenery, Customs of Bermuda. Interesting Song Competition. Prize Given to Children's Aid Society

There was a particularly large gathering for the Kiwanis luncheon on Monday of this week at the Empire hotel, the attendance being specially gratifying and the meeting generally being a very attractive one. The usual features, community singing, etc., were enjoyed, with a few special items as an extra attraction.

The speaker for the day was A. W. Lang, who recently returned from an extended trip to Bermuda. Mr. Lang gave a talk on Bermuda that was a genuine treat, having the right combination of interesting information, useful facts, humour, wit and racy presentation. He outlined the history of Bermuda; told of its settlement and development; referred to many of its quaint customs; sketched its people and their lives and character; pictured the beauty of its scenic attractions; mentioned its climate, and touched upon features that he made most interesting. He gave witty description of the hotels and their charges, as well as the general attitude of the people to the tourists. There was much appreciation for the address by Mr. Lang.

Another special feature of the day was the song contest. Kiwanian E. H. King had offered a five dollar gold piece for the best song set to popular music to be used as a Timmins song. There was much talk previously about the number intending to enter this contest, but when the actual test came on Monday there was only the one song that received any serious consideration. This was one by C. G. Keddie. It was set to the popular music, "I Want to be Happy," and made a big hit. It was unanimously voted as the winning song and Mr. Keddie was awarded the five-dollar gold piece. An interesting and pleasing aftermath of the contest was the fact that Mr. Keddie on receipt of his prize at once turned the five dollars over to the Children's Aid Society.

After the regular luncheon and meeting of the Kiwanis club on Monday, there was a meeting of the directors for general business.

Kiwanian Vincent Woodbury, who has been away for some time on a trip to the South, was heartily welcomed back to the club and all expressed pleasure at seeing this popular member so improved in health after his well-earned holiday.

TWO BROKERS WILL FACE NEW CHARGES NEXT WEEK

Despatches from Toronto say that W. J. Smart and M. E. Young, of Homer L. Gibson and Company, mining brokers, arrested recently as the result of investigations made by the Attorney-General's Department into mining brokerage affairs, will face five additional charges of theft, false pretences and conspiracy when they come up for trial on April 22. The additional charges were laid Monday.

The new charges are the result of further probing into the affairs of the company with which the two men were connected and are based on information revealed since their arrests some weeks ago. Both men are out on bail.

PATSY RUTH MILLER FOLLOWS HOBBY TO FAME AND FORTUNE

A hobby has often been ridden to fame and fortune.

Patsy Ruth Miller, who has the feminine lead opposite Edward Everett Horton in Warner Bros. latest Vitaphone all-talking production, "The Hottentot," at the Goldfields next Monday, Tuesday and Wednesday, April 21st, 22nd and 23rd, had a hobby which has become her vocation.

Long before she entered motion pictures, Patsy played on the stage just for the fun of it. At the age of nine she played Tiny Tim in Dickens' "Christmas Carol." When fourteen she portrayed Puck in "Midsummer Night's Dream," and at the age of fifteen played Catherine in "The Taming of the Shrew."

Even after making her debut in silent drama, Miss Miller continued to follow her hobby. She made several appearances at the Beverly Hills Community players in "Kempy" in "A Man's Man" at the Potoliers, and in several plays at the Writers' Club.

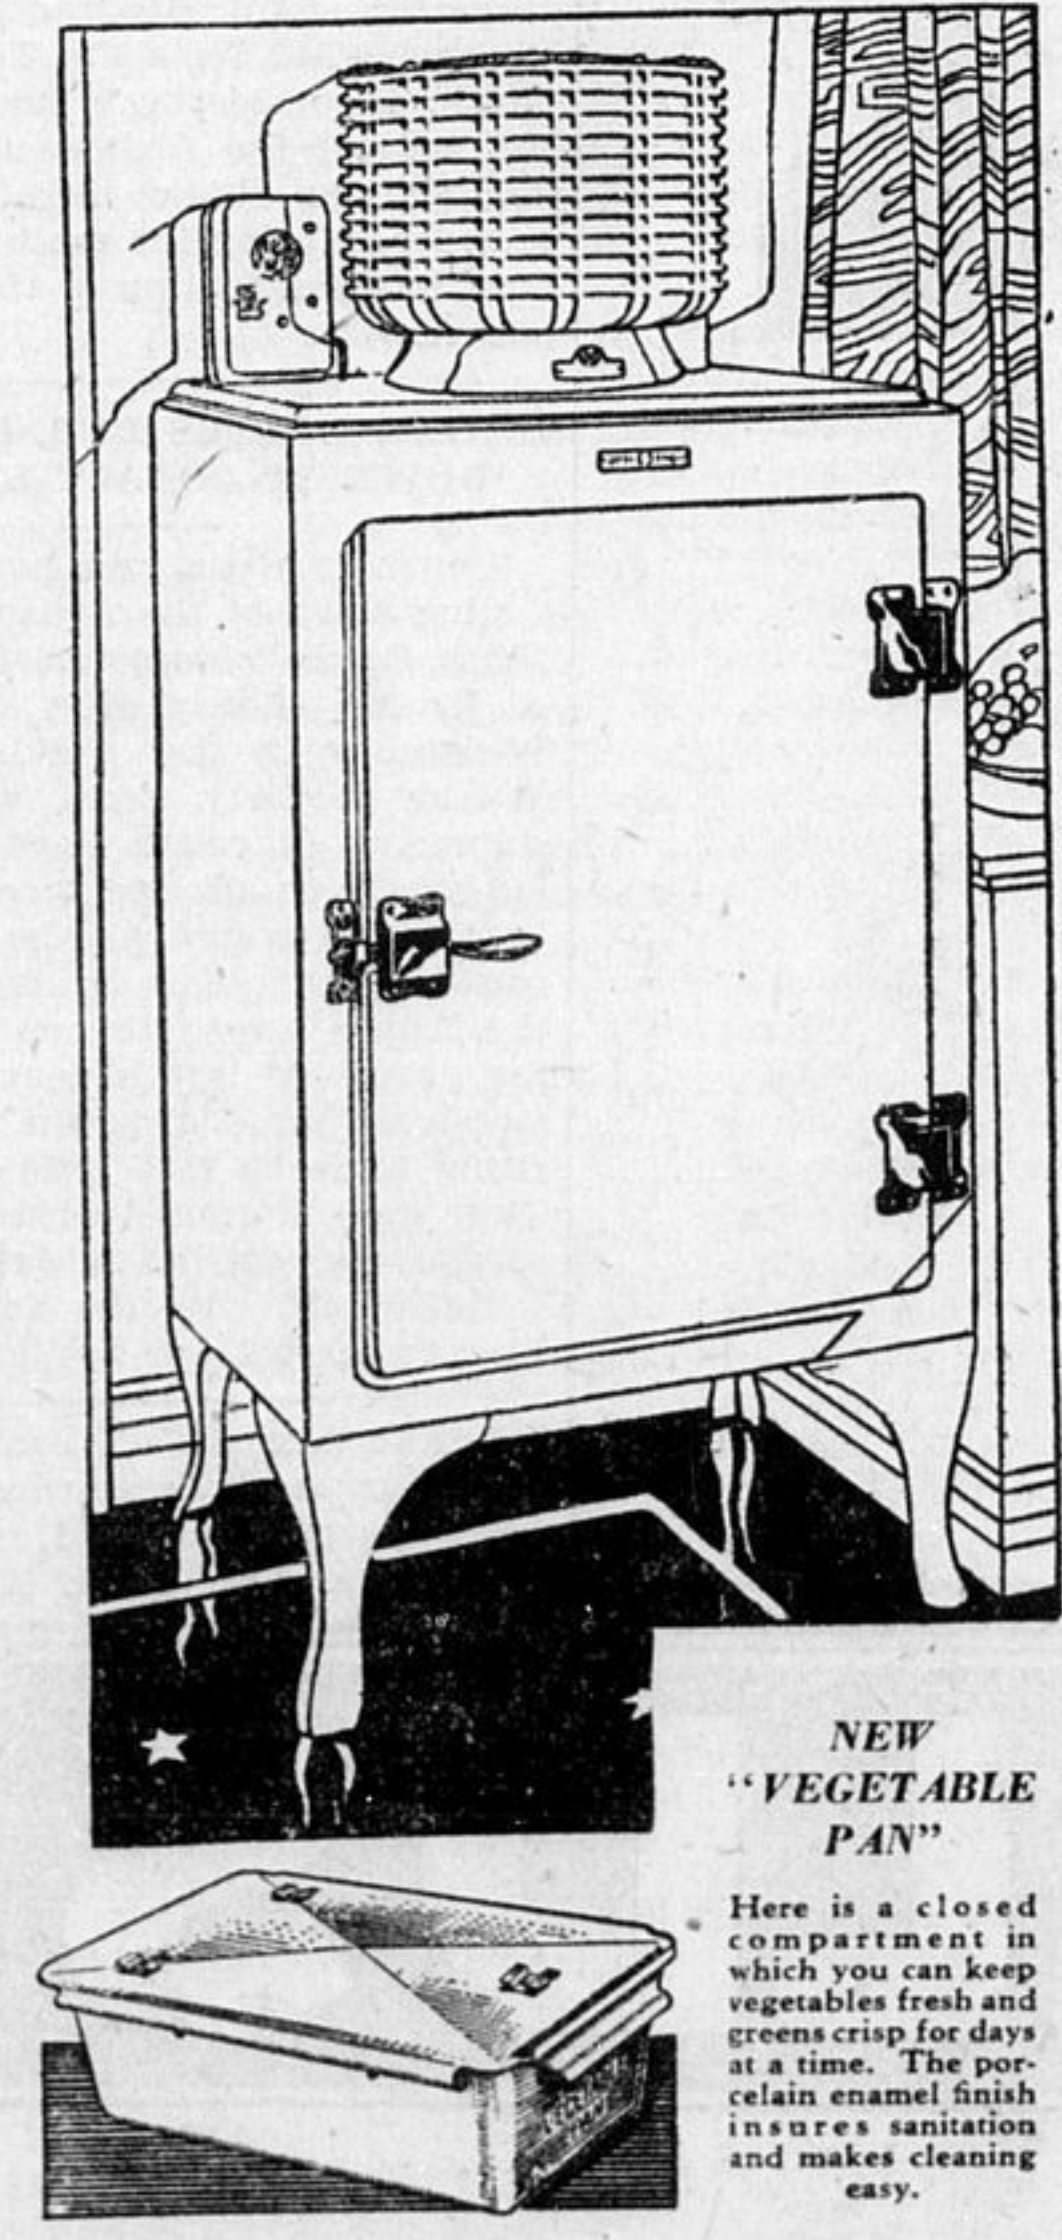

Then her hobby became her profession. She signed to play the starring part in Henry Duffy's stage production, "Nightstick." This is Miss Miller's only professional appearance so far.

Immediately after she completed this engagement, Warner Bros. obtained her for the leading feminine role in "The Hottentot."

Now she is in Vitaphone talking pictures and making good all because she had a hobby.

Drumheller (Alberta) Mail:—Asked to what he attributed his great age, a centenarian replied: "The first seventy years of my life were spent before the invention of motor cars, and the last thirty years I've spent in bed."

Of the hundreds of thousands of owners Not one has paid a cent for service

WHAT greater proof of the supreme efficiency and economy of the General Electric Refrigerator could you ask?

Not a cent for service! What is it that makes such a record possible? Look at that small round unit on top of the General Electric cabinet. Your answer is there . . . the answer which tells you why the General Electric Refrigerator is the least expensive refrigerator you can own.

In that amazing unit on top is housed the entire mechanism of the General Electric Refrigerator . . . sealed airtight against dirt, rust, moisture—and trouble. And sealed up with it is a permanent supply of oil, that will protect the mechanism thoroughly in the years to come.

Not a cent for service . . . but that's not all! The attractive General Electric cabinets are now built of all steel. You will find them as durable and efficient as the remarkable mechanism that preserves your food within them.

New Vegetable Pan . . . accessible freezing regulator . . . easy-cleaning features . . . low running cost . . . quiet operation . . . these are outstanding advantages of the General Electric Refrigerator. Come in today and let us tell you about our surprisingly easy terms.
