**SOUTH PORCUPINE BAND  
HOLDS ANNUAL MEETING**

Tony Pappone the New Band Leader at South Porcupine. Meeting of Township Council. Other South Porcupine News.

South Porcupine, April 15th, 1930. Special to The Advance.

Mrs. Atchison and children, of Connaught, have been spending a few days with her sister, Mrs. R. Bowes.

Little Miss Beatrice Smith is leaving Wednesday to spend the Easter holiday with her sister, Miss Petronella, in Toronto. They will also visit friends at Peterborough.

Born—On Tuesday, April 15th, at the Dome Mines, to Mr. and Mrs. D. Leltzman—a daughter.

On Saturday evening last a jolly group of about twenty young people held a surprise party at the home of Mr. and Mrs. I. P. Wilson, Golden City.

Mrs. W. Honer has returned from Fiesherston where she was on the sad errand of accompanying the remains of her brother, the late Bert Jamieson, to their last resting place.

Several of the ladies in town are actively collecting for the Children's Aid Society and are meeting with a good response.

Do not forget the euchre and bridge to be held under the auspices of the Catholic Church on Wednesday, April 30th.

We are pleased to congratulate Master Jim Morgan, one of the twin sons of Mr. and Mrs. C. B. Morgan, now of Toronto, on winning a scholarship in art at the school which he is attending in Toronto.

Born—On Saturday, April 12th, to Mr. and Mrs. E. Stanlake, of the Dome Extension,—a son.

Miss Evelyn Neil, of North Bay, has been holidaying with her cousin, Miss Betty Ferguson.

Mr. Frank Hamilton is home from the Tashota Gold Mines, recovering from the effects of a fall at the mine.

Mr. Kilburn has rented F. Farrant's house and will shortly move his family here from Kingston.

Messrs James Alexander and Carl Fortune are home from Cleaver.

There is to be an Easter tea and sale of home-made cooking and Easter novelties at the Recreation hall at the Dome Mines, under the auspices of the Women's Auxiliary of the Anglican Church, on Saturday afternoon, April 19th. There will be special attractions for children.

Mrs. F. B. Clarke entertained the bridge club on Thursday last. Mrs. Stan Pearce won the members' prize and Mrs. McCaffrey carried off the honours from the guests' table while Mrs. M. Smith received the consolation award. A very dainty lunch was served.

Masters Sam and Bruce Stovell are holidaying with their parents at the Dome Mines, being home from Bishops' College, Lennoxville.

The annual meeting of the Porcupine Hockey Club which was to be held on Tuesday evening was postponed until Friday evening, April 18th.

The annual meeting of the Porcupine Goldfields Band was held in the council chambers on Tuesday evening and the officers of the past year were re-elected. Bandmaster Bridges had handed in his resignation and by a vote of the band, Mr. Tony Pappone was elected as leader with Mr. A. Suttle as assistant. Mr. R. McWilliams could not see his way clear to stand for election though specially requested by many to do so. The officers for the ensuing year will be:—Honorary president, Mr. H. DePencier; honorary vice-president, Mr. R. J. Ennis; president, H. M. Wilson; vice-president, P. Millions; secretary-treasurer, Allan Pearce, Jr.; executive, Messrs L. Sauder, M. Smith, H. McDowell, D. McLellan, H. Miller, F. Hepburn. There was a good representative attendance.

In the girls' basketball tournament, which has been held at the High School during the past week, there were the following results:—On Wednesday the First Form won from the Second Form. On Thursday the First Form won from the Third Form. This made the First Form the winners of the second half of the schedule. The Third Form had been the victors of the first half of the schedule. On Friday evening these two teams played, the result being a win for the Third Form. This gives the winners the right to be the school team and also gives them the possession of the basketball sweaters provided for the team representing the school.

Mr. George Cline, of Cobalt, was a business visitor in town this week.

Her many friends here are glad to hear that Miss Eleanor Wilson is recovering nicely after her recent operation at the Timmins hospital.

Miss Betty Pearce has accepted a position in Toronto. We understand Miss Wilkes, of Iroquois Falls, has been engaged as stenographer in the township clerk's office, a position which Miss Pearce has efficiently held for a number of years.

The council of Tisdale held their regular meeting in their council chambers on Monday evening last. The business was mostly of routine character, the customary accounts and salaries being passed for payment and a number of charity cases considered. There were a large number of applications in for the position of township engineer—a position left open when Mr. J. M. Hendry resigned and accepted a position with Sutcliffe and Neelands. Mr. Furlong is filling the vacancy temporarily. It was decided to leave these tenders over for another meeting so that the decision could be made when Reeve Gallagher was present.

The Rebekahs of Kitchener Lodge are planning to hold their annual May Day dance on the evening of Thursday May 1st, in the I.O.O.F. hall, South Porcupine.

The Boy Scouts of the town are being re-organized, Mr. Gordon Cross having consented to take the leadership of the group here temporarily at least. This is a work here for which there is an urgent call and the parents of the boys very much appreciate Mr. Cross' taking an interest in the re-organization. Mr. Patton, Field Secretary of the Boy Scouts of Ontario, visited here on Sunday and gave an interesting talk on the scout movement to a group of the boys and their friends from the Dome and South Porcupine. Mr. W. Johns, representing the Dome Scouts officials, and a number from South Porcupine attended an address in Timmins given by Mr. Patton to the Scouts of that place.

The Girl Guides of South Porcupine are holding a sale of home-made cooking and Easter novelties at their headquarters on Saturday, April 19th.

Mr. Hodder Stovell, of Bishop's College School, Lennoxville, is home to spend the Easter vacation with his parents at the Dome.

Mrs. C. Immerson and daughter, of New Liskeard, also Mrs. H. Miller, of Charlton, are Easter-week guests of Mrs. Art Ewing.

Mrs. Forster has left for Toronto to prepare to move her family back to South Porcupine.

Little Phyllis Pamplin has been quite ill at the home of her uncle, Dr. J. Barry.

Mr. Sky Sr. is the guest of his son, Mr. Sol. Sky.

Miss McNabb is leaving this week for Brussels, Miss Dwyer for Woodstock, Miss Pashlar for Ottawa, Miss Paice for New Liskeard, and Miss Lynch for Orillia, to spend their Easter vacation from school.

**Man's Poor Back  
Lame and Aching**

Some backs ache all day long—a steady aching soreness—it seems to the man afflicted that at times his back was breaking!

When you come home from work at night with a back so sore, lame and weak that you feel mighty sure you won't be able to go to work in the morning—DO THIS:

Get someone to give it a good rubbing with Joint-Ease—a soothing, penetrating, pain subduing, wonder working emollient that gets right under the skin—right where the muscles are inflamed and sore.

Then forget your troubles and go to sleep.

Unless you're different from other men you'll wake up in the morning with a back free from aches, pains, stiffness and misery—and you'll go to work with a grateful heart and tell your friends about the mighty swift acting power of Joint-Ease.

Joint-Ease is made right here in Canada and it's just as good for lumbago too—a generous tube for 60 cents at druggists everywhere—Guaranteed.
