All the numerous friends of Mr. W. Trollope will be pleased to know that he is now recuperating nicely.

Mrs. P. Cameron, who underwent an operation last week at the Timmins hospital, all will be pleased to know making good progress to recovery.

If you want to have a jolly good evening's entertainment go to the "Southern Cinderella" play given by the C.G.I.T. girls in the basement of the United Church on Thursday and Friday of this week, and you will surely have your money's worth.

These girls are noted for their entertaining talent, which they so greatly proved last year. This time they are out to beat their past performance, so come along in crowds and support them.

The first official meeting of the Schumacher United Male Choir was held on Sunday last, and was largely attended. The following officers were elected:—Hon. president, R. J. Ennis, Esq.; hon. vice-presidents, Messrs J. Knox, J. Reddington, S. Wookey, D. Jones, Jas. Shewan and the Rev. Father Theriault. The following were elected as a working committee for the choir:—Dr. Lee Honey, Messrs A. Carverth, W. G. Leck, F. Wills and J. Easterbrooks, with the assistance of Messrs R. Bawden, W. H. Wilson, Joe Jago, R. Toms, J. M. Docking, members

of the choir. From the selection it appears that the choir have a very fine organization, and it is hoped that all lovers of music will support them. It is the hope of the choir members, that they will shortly be able to put on their first concert. They have now a membership of 30, and have a vacancy for two first basses. Anyone wishing to join the choir, especially first basses should get in touch with W. H. Wilson, Timmins, or R. Bawden, (conductor), or J. M. Docking, secretary, and their services will be greatly appreciated. At the meeting on Sunday many letters of congratulation were read, from Timmins and Schumacher.

The dance held on Monday at the McIntyre hall by the Strollers was one of the best attended for a long time. The music was well rendered by Tommy Stephens' orchestra, excellent refreshments being served during the interval. Don't forget the Schumacher Firemen's dance on the 28th. Schumacher bowlers had a merry time on Friday when they met Timmins in the final game of the inter-town league, although there was nothing to gain by winning on Friday, as they had made things safe a few weeks ahead. Timmins could not overcome the local boys and were defeated again for four points. This gives the Schumacher lads the championship for the third consecutive year. They now become the proud owners of the Manufacturers' Life shield, presented by A. W. Lang, Esq. The boys are to be congratulated upon their most consistent performance. The best bowling during the evening was that of M. M. McMillan and Weber for the home team with 766 and 727 respectively, and Nicholson, of Timmins, with 647.
