### SERIOUS ACCIDENT ON THE SOUTH PORCUPINE HIGHWAY

Members of Family Injured When Car Crowded Off Road. Other Interesting Items from the South Porcupine Correspondent

South Porcupine, Ont., April 30th, 1930. Special to The Advance.

An accident occurred this week on South Porcupine-Timmings highway that might have had very serious consequences, and, as it was, resulted in injuries to several of the occupants of the car as well as damage to a perfectly new car. A car, the driver of which is yet unknown, crowded the auto of Mr. Bowen, of Timmins, into the ditch and then speeded away. Mr. Bowen's car was considerably damaged, colliding with some of the posts along the side of the road. Mr. Bowen had no way of avoiding the accident, which might have been still worse had he not taken the ditch. Mr. and Mrs. Bowen and their two children, one a baby in arms and the other a little girl of three years of age, were in the Bowen car at the time. Mr. Bowen suffered several cuts and bruises, Mrs. Bowen was also injured though not seriously, and the little girl was rather seriously hurt. Dr. MacLaren was called from South Porcupine, and after medical aid was given the Bowen family were able to proceed to their home. The baby escaped injury though Mrs. Bowen received some painful cuts in protecting the child. The accident occurred so unexpectedly that Mr. Bowen did not have chance to get the number of the offending car. The Timmins police were very promptly on the scene and are working on the case and as they have a description of the car the guilty person may be located.

Teas, sales of home-made baking and Easter novelties have featured the Easter season in this vicinity. The first to be held was that of the ladies of the Anglican Church in the Recreation hall at the Dome Mines. The attendance was much better than had been anticipated and the result financially was most satisfactory. Among the special prizes given was a hand-embroidered bed-spread won by Mrs. Bert Longworth, a framed painting won by Mrs. R. Wallace as a door prize and an Easter bunny drawing a cart load of bon-bons won by Mr. W. Wetton. We were told that Bill had wanted this for his hope chest "but that a small lady looked at it so longingly that he presented it to her." The ladies are grateful to all those who helped make the afternoon a success.

On Saturday afternoon last the Girl Guides of South Porcupine and the Dome held a very successful sale of home cooking and Easter novelties made by themselves. Afternoon tea was also served and everyone had a happy time.

Then, on Tuesday afternoon the ladies of the United Church served a juncake supper at the home of Mrs. J. Andrews, Main street. Mrs. D. Deacon poured tea, assisted by Mrs. R. Cameron, while Mesdames Londry and Dowler hurred the flap jacks which were of that delicious variety that seems to melt in your mouth when flavoured with fresh maple syrup. The day was exceptionally fine and the attendance very good indeed.

Mr. and Mrs. Ustianick and family, of the Dome Extension, have left for Winnipeg to reside.

Mrs. M. Smith was hostess to the Main Street Bridge Club on Thursday last and everyone enjoyed this, their closing evening of the season. Mrs. D. Frost, of Connaught, carried home the first prize, while Mrs. S. Pearce won the consolation.

The Hill Club was entertained at the home of Mrs. D. MacPhail, West Dome Lake Gold Mines, and a delightful time was spent. Mrs. D. McLellan was successful in bringing away first honours while the consolation went to Mrs. Kavanagh.

Mrs. J. Sutherland and daughter, Caroline, are in Noranda visiting Mr. Sutherland.

Mr. P. Varker, of Noranda, is spending a while with his family in town. Don't forget the May Day dance being given on Thursday evening, May 1st.

Mrs. Woodall, of Connaught, was the guest of Mrs. Barry and also of Mrs. W. Johns this week. Mrs. Barry entertained the ladies of the Anglican Church Auxiliary in her honour while she was here.

The many friends of Mrs. Matt Donovan, formerly of the Paymaster, but now of Kirkland Lake, will regret to hear that it has been necessary for her to be taken to Montreal to undergo a serious operation and will hope for her speedy recovery.

Mrs. Simpson, of Monteith, is the guest of Mrs. H. Disher.

Mrs. McJanet has moved her family to Timmins to reside.

On Sunday next the Oddfellows of South Porcupine will join the Oddfellows of Timmins and march to the United Church in Schumacher for the morning service. Then in the evening the South Porcupine Oddfellows Lodge will be joined by their Timmins brethren for a service at the United Church of South Porcupine.

In the police court on Thursday for reckless driving one offender paid fifty dollars and costs, another paid a fine for having no license. One ordinary drunk paid the usual fine and Cyrille Laurin for being drunk in charge of a car was sent to Halleybury for ten days. An assault case was dismissed.

Mr. Henry Miller attended the meeting of the Temiskaming Baseball Association held at Iroquois Falls on Saturday, April 26th.

A large number from South Porcupine took in the Firemen's dance held

### SCHUMACHER C.G.I.T. GIRLS PRESENT ATTRACTIVE PLAY

Schumacher Firemen's Dance a Notable Success. McIntyre Football Club Organized for Season. Other Schumacher News.

Schumacher, Ont., April 30th, 1930. Special to The Advance.

It is with much regret we learn of the departure of Mr. Ronald Brown, who left on Sunday for Toronto where he will take up an appointment with the Canadian Homestake Exploration Co. He will be engaged in examination work at Alaska U.S. Mr. Brown has been for the past three years field and mine geologist at the McIntyre Mine. During his stay in camp he has made many friends and we all wish him every success in his new venture.

The Schumacher firemen had an early call on Friday of last week, when a fire was discovered in the basement of the National Grocers (Pioneer Stores)

at Schumacher on Monday evening.

The Tisdale township council met in the council chambers on Monday evening for their regular meeting. Councillor Kerr was acting reeve in place of C. V. Gallagher who is absent in Toronto. Councillors Laforest, Williams and Hawkins were present. The minutes of the last meeting were read and approved. Among the correspondence was a letter from the town of Cobalt re the building of a transmission line to supply cheaper power for the mining towns of the North, the same as Sudbury is to receive. There was also correspondence re two boys at the Coniarum who are assessed for poll-tax but who object, one claiming to be under age, the other owing to being the support of his parents. The boy under age later appeared in person and stated that his birth certificate had been burned in the Cochrane fire and thought the letter from his father should be sufficient proof of his age. However, the council explained this could not be accepted as proof and advised him to produce the proper papers for further consideration.

Mr. S. Kennedy was present on behalf of the Skating Rink Company re the cancellation of taxes on their building. As this building serves a community need and is not really a money-making affair the taxes on same were cancelled as in former years. Mr. Kennedy thanked the council on behalf of the community.

Two men living on the northern part of Strachan avenue were present re the laying of some kind of sidewalk, even just a two-park walk running lengthwise for their part of the town. Councillor Laforest was delegated to take a look at this section later and report.

A party was present re the cultivation of some unused land in town but as this did not belong to the township the party was told it would have to be used at his own risk.

Two women were present from Schumacher, one as an interpreter, to get help for the other who has seven dependent children, and whose husband has deserted her. There is a boy of eighteen but he is out of work at present. Help will be given just for the present month, then no more.

A man was present re the sending of his eighteen-year-old son to Gravenhurst. The boy has been pronounced consumptive and although the family own a good property in town they have not the money at present. An investigation is to be made.

The many applications for township engineer to take the place of J. M. Hendry, resigned, were considered and the choice fell on Mr. C. J. B. Armstrong, now of Timmins.

The routine accounts and salaries were passed for payment.

which might have been of a serious nature had it not been for Chief Jucksch and his men who were quickly on the scene, and fortunately little damage was done.

Mrs. Brown, of First avenue left on Sunday to take up residence in Minneapolis, Minn., U.S.A.

Mrs. Fulton left on Friday with her little son, Bobby, who has been admitted to the Toronto General hospital where he underwent an operation on Saturday, and all will be pleased to know that the operation has proved a success. We all wish little Bobby a quick recovery.

The services conducted last Sunday at the United Church by the Rev. Groose were well attended.

Mr. W. Wylie returned to town on Sunday from Hamilton when he has been spending his Easter vacation.

The services next Sunday at the Trinity United Church will be conducted by the Rev. Summerville, of South River.

The Rev. A. E. Groose has been the guest of Mr. and Mrs. D. C. Cotcher during the week-end.

We are sorry to learn that Mrs. W. G. Leck had the misfortune to injure her foot, which confined her to the house. We hope she will soon be able to get about.

Mrs. D. Fulton, arrived in camp on Tuesday from Scotland to take up residence on Second avenue with her husband.

The play "Southern Cinderella" given by the C.G.I.T. girls in the basement of the United Church on Thursday and Friday of last week was well attended and considered to be one of the best amateur plays seen in town for a long time. It has been said that these girls are real artists. This statement was proved to be correct by their performance during this past week, as each one of the artists performed their part to perfection. Much credit is due Mrs. W. G. Leck for her untiring efforts, to make the play such a success and for bringing the girls to the limelight.

The following is the cast of characters:—Madam Charteris, Doris Cooke; Enid Bellamy, Kitty Duxfield; Miss Rose Winterberry, Beatrice Leck; Johnnie-Bell Randolph, May Tinsley; Katherine Hawke, Margerite McKay; Caroline Hawke, Chrissie Murphy; Mammy Judy Johnson, Mary McDonald.

A meeting of the McIntyre Football Club was held on Monday at the McIntyre Recreation hall. After some discussion it was decided to form a team. The officers for the ensuing year were elected: president Mr. Harry Leng; vice-president, Capt. W. Morgan; secretary-treasurer, Mr. F. Bennett; manager, Mr. T. Young; executive committee, Messrs R. Goldsworthy, J. Mattheus, H. Moore, and J. Marshall.

The final call for the annual Firemen's ball was well responded to on Monday night, when about 500 mustered at the McIntyre hall to enjoy the event of the season. Such a crowd has not been witnessed at this hall for a long time. The brigade from South Porcupine and citizens were out in full force. The Schumacher brigade wishes to thank the ladies and merchants for their most generous support. After the ball the brigade distributed the remaining refreshments amongst the distressed families in the town.

Spectator (London):—The British Commonwealth is the first Empire to be based on equality and freedom. This loose confederation—a procession of people in various stages in their advance toward complete self-government—is, of course, unique in the world's history. It is a political organism from which the very idea of war is banished as between the various members, and therein is an example of what in time the League of Nations may compass in seeking peace by conference. It is by the same token a pattern of free national, cultural and racial development.
