

THREE CHANGES NEXT WEEK IN THEATRE PROGRAMME

Next week there will be three changes in pictures at the Goldfields theatre and it is the intention to vary the changes in following weeks. Heretofore it has been the practice to have two separate programmes in the week. On Monday, Tuesday and Wednesday there would be one offering, with a complete change of programme for Thursday, Friday and Saturday. This week the opening programme of the week was only shown Monday and Tuesday. The popular offering, "Sunny Side Up" is holding the boards for the four last days of the week. Next week there will be three separate programmes, as noted, and it is planned to have two or three changes of pictures as the offerings seem to warrant.

The next regular meeting of the Timmins town council is scheduled for Monday afternoon, May 12th, commencing at 4 p.m.

"Skinny! I Gained 11 Lbs. in 8 Weeks and a Boy Friend"

"After trying several tonics tried Ironized Yeast. In 8 week gained 11 lbs. new complexion, round limbs; best of all a boy friend." S. M. Salmo.

Men and women are amazed at gain of 5 to 15 lbs. in 3 weeks. Ugly hollows vanish. Bony limbs round out. Sallow, blemished skin gets clear and rosy like magic. Nervousness, indigestion, constipation disappear overnight. Sound sleep. New pep from very first day.

Two great tonics in one—special weight-building Malt Yeast and strengthening Iron. Pleasant little tablets. Far stronger than unmediated yeast. Results in 1/2 time. No yeasty taste, no gas.

Don't go round "skinny," ugly, unattractive. Get Ironized Yeast from druggist today. Feel great tomorrow. Money back from manufacturer if not delighted with results.

HERE ARE THE SOFTBALL ENTRIES FOR THIS SEASON

Four Teams, Holly-Tuxis, Strollers, Marshall-Ecclestons, Northern Canada Power, to Constitute the League for the Season.

As noted by the article elsewhere in this issue a special meeting of the Timmins Softball Association executive was held on Monday afternoon to decide upon the four teams to comprise the local softball league for the season. The meeting was duly held and four teams were decided upon. There were five suggested entries before the executive, these being:—Hollinger Stores, Tuxis, Marshall-Ecclestons, Strollers and Power Co. The T. & N.O. had been mentioned as another possible entry but this team had no representative present at the meeting and so were not included by the executive, especially as they had made no written entry as required. It was necessary to arrange four teams, as the association had decided on a four-team league. Two of the entered teams solved the problem by amalgamating. These two teams were the Hollinger Stores and the Tuxis, and this team will be known as the Holly-Tuxis.

The four teams finally arranged for the season's softball league accordingly were:—Holly-Tuxis, Strollers, Marshall-Ecclestons and Power Company. This season each team will be limited to 18 players. In the past it was a case of 15 to 20.

The opening game of the season will be on Monday evening, May 26th, less than three weeks away.

The league appears to be away to a fine start and there should be a good season's softball. There should be lots of practice, as practice makes perfect in softball as in other matters. With the present weather conditions continuing as it is hoped they will continue the teams should all be in good shape for the opening on Monday, May 26th.

Softball fans are asked to watch for further particulars in next week's issue of The Advance.

The next regular meeting of the town council will be held on Monday next, May 12th, commencing at 4 p.m.

Summary of the Federal Budget Announcement

The Federal budget speech was made in the House of Commons at Ottawa last week by Hon. Mr. Dunning, the new minister of finance. In view of the length of the budget speech and the many intricate points it deals with any adequate summary is about impossible without taking undue space. The following review, however, may be of interest. The chief points in the budget speech may be summed up as follows:—

Stated surplus of revenues over expenditures, \$44,507,000. Total revenues, \$447,322,000. Total expenditures, \$402,815,000. Canadian National Railways deficit, \$8,869,862.

Decrease in tariff* on 270 items on British Preferential list, and increase on eleven items.

Sales tax cut to 1 per cent.

Free entry of tea in packages of 5 pounds or more when imported from countries entitled to British preference.

Exemption from tax of co-operative companies and associations.

Reduction of stock sales and transfer tax.

Income tax exemption of \$500 granted for dependent parents, grandparents, brothers, sisters, sons and daughters who are incapable of self support.

General tariff on fruits and vegetables increased. Fresh vegetables duty under British Preferential is removed.

Reduction in the British Preferential rate on typewriters, dictating, adding and calculating machines.

Bounty of 49¢ cents per ton on bituminous coal mined in Canada, when converted in Canada into coke and used in the production in Canada of pig iron or steel.

Reduction of British Preferential Tariff on certain household machinery.

General tariff on butter raised from one to seven cents per pound.

British Preferential Tariff on meats reduced.

Government or like annuities are exempt from income tax to the extent of \$5,000.

Free entry of all agricultural machinery under British preference.

Building permits in Sudbury for April totalled a value of \$442,420 in the estimated cost of the structures.

PLEASING DANCE BY WOMEN OF THE MOOSEHEART LEGION

The dance given in the McIntyre Recreation hall, Schumacher, on Friday evening of last week under the auspices of the Women of the Mooseheart Legion proved a very pleasing event. There was not as large an attendance as the event deserved, the bad weather no doubt being responsible for the fact that there was not a record crowd. All present found the evening a very pleasant one and it was agreed by all that the occasion was a successful one. The music by the Club Royal orchestra was of the high standards for which this orchestra is now well known and the pleasing refreshments served and the other attractive features of the evening pleased all.

SPECIAL ACCOMMODATION FOR SHRINERS' CONVENTION

There is very general interest being taken in the big convention of the Shriners to be held at Toronto next month. There will no doubt be a particularly large delegation down from the North for the event and special arrangements are being made for their accommodation. The pullman cars required to accommodate members, their wives and friends from the Porcupine district will be attached to the regular Timmins-Toronto train No. 46, leaving Timmins at 12.25 p.m. on Friday, June 6th, but if a sufficient number express their desire to travel on the train a special will be made up at Porcupine Junction and proceed south following No. 46. All those wishing to attend the convention and go by this train should get in touch as soon as possible with Dr. A. S. Porter, Potentate's Aide, Timmins. It is necessary to know at the earliest possible time the number intending to travel by the prospective special train.

A Sudbury man recently had his boots stolen from his feet while he was taking a little nap in one of the Sudbury parks. It is difficult to say whether this proves Sudbury to be a swift or a slow town.

Here and There

(515) The trans-Atlantic speed record between the ports of Liverpool and Saint John, was broken recently by the arrival at the latter port of the Canadian Pacific liner Duchess of York, after a crossing from Liverpool which took six days, 22 hours and 14 minutes. According to local shipping men this is the first time in the history of the port that a crossing has been made in under seven days.

Twelve thousand pounds of Quebec maple sugar and syrup were handled daily during the latter part of April by the Canadian Pacific Express Company to points overseas, the Prairie Provinces and Ottawa, constituting what is claimed to be a record movement of this dainty. Outside commercial uses, demand for this product arises from the part of individuals who make a practice of shipping it to relatives and friends in the Old Country and the west of Canada.

Close on six million dollars were spent on New Brunswick roads during 1929, being reconstruction of 221 miles of main trunk highways and 1138 miles of secondary roads. This is regarded as the most extensive programme of highway construction, improvement and maintenance ever undertaken in the Province.

Snapped in Hyde Park, London, England, recently, Hon. Barnaby Howard, little son of Lord Strathcona and descendant of one of the founders of the Canadian Pacific Railway, was photographed kissing his cousin, the small daughter of the Hon. Mrs. Arthur Howard. Both children are living links with the great past when one of the major events in the history of Canada was in the making.

Organized a few years ago by a group of farmers' wives with Mrs. Bertha Holmes, of Asquith, Sask., as president, the Saskatchewan Poultry Pool handles about 75 per cent of the entire egg production of the province. Last year the Pool turned over 26,840,184 eggs, valued at \$540,000; 823,743 pounds of dressed poultry valued at \$184,000, and 39,561 pounds of live poultry at \$6,000, or a total turnover of \$720,000 for the year.

After 15 years of seed planting, the experimental work of the Canadian Government Department of Agriculture has developed sixteen varieties of apple trees suited to the climatic conditions of the prairie provinces. Of these varieties two have been graded "very good," and four "good."

The first "Improved Sire Area" in Manitoba has been established in the municipality of Roland, according to announcement made by Albert Prefontaine, Minister of Agriculture of the province. Under this scheme all bulls, boars and rams must be inspected and approved before owners are permitted to retain them for service in the Area.

Over \$82,000,000 have been invested in manufacturing enterprises in the province of Alberta and they are paying about \$14,000,000 yearly in salaries and wages to over 11,000 employees. A similar rapid development in industrialism in the sister provinces of Manitoba and Saskatchewan is to be noted. Combined, the three provinces have now a yearly output of manufactured goods in the neighborhood of \$325,000,000.

FORMER PORCUPINE MAN NOW HAS HONORABLE DISCHARGE

United States Grants Honourable Discharge in View of High Character and Fine War Record of Man Who left U. S. Army in 1909.

Word was recently received by the family in Schumacher that John E. Moody had been given his honourable discharge from the United States Army in view of his fine war service and his otherwise creditable record. He had been 'absent without leave' from the United States Army since 1909. The story is told in the following clipping from The Washington Times, Washington, D.C., U.S.A., April 23rd, 1930:—

"Honourably Discharged!"—These two words inscribed on the rolls of the War Department after the name of John Edward Moody will mean nothing to the reader but to Moody, a deserter from the United States Army, they mean love of friends, relatives, liberty, and freedom from a phantom fear that has made him a man without a country for 21 years. Since May, 1909, Moody has been a fugitive from the United States. He is a veteran of three wars. On May 11th, 1909, weary of army routine, Moody deserted to Canada and became a gold miner, married, and raised a family. When the world war broke out Moody was one of the first to answer the call and served during the war. He addressed a letter to the city editor of The Washington Times soliciting advice. The letter was referred to the law firm of Ring & Cobb. Mr. Cobb took the case and located Moody's record and the wheels of the War Dept. set in motion to purge Moody of the desertion charge. Eventually the case reached President Hoover and by order of the chief executive the War Department made the tardy entry. The word was sent to Moody of his discharge, and through his sister, Mrs. M. Kline, who helped him financially, he returned to Washington. Leaving Schumacher on the 18th of April he arrived in Washington on the 20th of April. Now his only worry is to find employment in order that he may bring his wife and family to Washington from their Canadian home. At present they are residing at the home of their son-in-law, Mrs. Jack Loader, at Schumacher.

John E. Moody worked for about nine years and a half at the Dome Mines and he and his family have hosts of friends in the Porcupine district. Few of his friends will think any the less of him for leaving the army life in peace time. He showed that it was not fear that prompted the move, for he gave gallant service during the great war. However, there will be general sympathy with him in his natural desire to be reinstated in his own country's records, and congratulation that this has been honourably accomplished.

A rummage sale under the auspices of the Girls' Guild of St. Matthew's Anglican church will be held in the basement of the church on Saturday of this week, May 10th, at 9 a.m. Previous events under the same auspices were successful and pleasing events and the sale on Saturday will no doubt attract the due attention of all interested.

BRIDGE AND WHIST AT THE I.O.O.F. HALL THIS EVENING

This (Thursday) evening there will be a bridge and whist held in the Odd-fellows' hall under the auspices of the Rebekahs. The Rebekahs are justly noted for the enjoyable social events they present and the bridge and whist this evening will be no exception to the rule. Refreshments will be served during the evening and all may expect a pleasant time.

The Nellie Lake correspondent of The New Liskeard Speaker last week says: "Much excitement prevailed here on Thursday when the aeroplane, G-CAJV landed on the lake at Child's Beach to have its engine examined. It rose again to leave but the engine died and in the forced landing the right wing was disabled and a portion broken from the propeller. The owner has gone to Peterborough for repairs."

GOLDFIELDS THEATRE
TALKING PICTURES AT THEIR BEST
NOW PLAYING
Thursday, Friday, Saturday, May 8-9-10
Charles Farrell and Janet Gaynor
in the screen's first original
ALL-TALKING, SINGING, DANCING, MUSICAL COMEDY
