SHOW WHAT SARGON DID**

"I was terribly weak, nervous and rundown and finally I left England and came to Canada for a complete change."
MRS. J. BEAN
"Nothing I ate agreed with me. I seldom slept more than a few hours at night and felt perfectly miserable day and night too. Then I started Sargon. I've gained ten pounds in weight, I am eating breakfasts for the first time in 10 years, and never have a trace of indigestion. I am full of new strength and energy and am going to send my photograph back so my family can see what a marvellous change this medicine made in me."
"Sargon Pills got my liver acting normally and ended my constipation."
Mrs. J. Bean, 33 Earl Gray St. Toronto.
Sargon may be obtained in Timmins at The Goldfield Drug Store.

Some days ago she became seriously ill and as a consequence Dr. McInnis went to Toronto and has been

there since. Her many friends in Timmins and district will extend sincere sympathy to Mrs. McInnis in the death of her mother.
