INTERESTING SERVICES AT SOUTH PORCUPINE CHURCH

South Porcupine and Dome Children Conduct Mothers' Day Services. Canvass for C.A.S. Successful. Other South Porcupine Items of News.

South Porcupine, May 13th, 1930. Special to The Advance.

Mrs. A. Holmes and little son, of the Ankerite Mine, are on a visit to her parental home at Burlington.

Mr. H. Ford, of Matheson, was a business visitor in town last week.

Mr. Andrew Harty has returned from Rouyn and is now working at the Dome.

Mrs. J. Bezpalco is home from the General Hospital where she has been undergoing treatment for the past two months.

Mrs. Ami Leonard, of Cobalt, was in town this week in connection with her property here.

Mrs. J. Costain entertained the bridge club on Thursday evening last. Mr. Laforest won the first prize; Mrs. Osborne Orr, second prize; and Mrs. Sol. Sky, the consolation. Everyone thoroughly enjoyed the pleasant evening.

Mr. G. A. Mulvihill left on Friday for Belleville where he has secured a position in the C.P.R. offices and will be much missed in the various branches of sport here in which he took an active part, especially in hockey and baseball. He was the type of young citizen that the town regrets to lose and the best wishes of a host of friends go with him for success in his new fields.

The Mothers' Day services in the United Church here were exceptionally well attended. In spite of obtaining all the extra chairs that could be placed in the church, quite a number crowded in and were standing at the back and others had to be turned away owing to lack of room. There were buses to convey both adults and children from the Dome and Dome Extension. The service was taken wholly by the children under the direction of Mr. A. Suttie. Miss Alice Ayre acted as leader and Master Basil Libby of the Dome read the lesson story. Miss Mary McIntosh presided at the piano. After the first part of the service a dialogue indicative of the spirit of Mother's Day was given by a group of the children:—

Daisy Emmens, Joyce Hughes, Jean Andrews, Margaret Richards, Marshall Hamilton, Jackie Bridges, Keith Bennett. The offering was taken up by several of the smaller boys. A christening service was held at the close of the other service in which eleven children of South End and the Dome were given the rites of baptism by Rev. T. Mills. The church was beautifully decorated with flowers and ferns for the occasion.

Miss Elsie Harton, of Toronto, is the guest of her sister, Mrs. F. Hepburn, Connaught Hill.

The canvas for the Children's Aid has been completed here. Mrs. S. Sky and Mrs. W. W. Wilson organized the canvas of the town and adjoining mines and were assisted by Mesdames F. C. Evans, R. Stark, N. Ihander, F. Maki and Miss Maud Carne. They appreciated very much the kindly response so many made to their appeal.

Mr. Harold Michaelson is home from Queen's University to spend the vacation with his parents at the Dome.

Mr. M. Spleyne is up from Toronto University for the summer.

Mr. R. Hogg and his brother are leaving this week for Kirkland Lake. Don't forget the pictures of the Boy Scout Jamboree in England being shown at the Majestic theatre on May 26th under the auspices of the First South Porcupine Troop of Boy Scouts.

Optimism is such a strong feature of the North that even the vegetation responds to that spirit. There is a place in the yard of Mr. H. Rapsey where the snow lies very deep over his strawberry bed. This May, before the snowdrift was all gone the strawberry plants began to blossom beneath the remainder of the drift. It is this spirit of hope in man as well as in plants that has kept a faith in the North Land until now we are emerging from the drifts of difficulties and with renewed activity prosperity will again blossom throughout our loved North Land.

To-night (Tuesday) the juveniles of the West End of the town were challenged to a game of softball by those of the North End, but the Westerners came out on the successful end of a 7-4 score.

Mrs. W. J. Flewellen, of the Dome is

Why Suffer with Indigestion

Howard's Dyspepsia Remedy

Will Relieve you at once

For all Stomach and Gas trouble. You need not suffer if you have Poor Digestion Heartburn, Bad Breath, Ulcer of the Stomach, Fullness of the Chest, Dullness and a Depressed feeling, Pain in the Pit of the Stomach, Hungry and afraid to eat; get a bottle of Howard's Stomach and Dyspepsia Remedy and at once your trouble will be over. leaving on Sunday for California.

Mr. and Mrs. W. Fairhurst have moved into their residence on Moore street, recently purchased from C. B. Morgan.

A number of young men from the Dome have taken up residence in Mr. K. Deacon's house on Connaught Hill, lately occupied by Col. and Mrs. Stevenson.

"O, What a Night." When will it be? Early in June. Where? At the Majestic theatre. That is all we can tell you at present but we are assured that it will sure be some night. If you get too curious to wait for further particulars ask some of the young people of the United Church about it.

Mrs. K. A. Deacon has returned from a holiday in Montreal. On Friday, May 23rd, Rev. J. W. Richard Netram, a native of Indore, Central India, will lecture in the United Church here.

Growing Roses in North Temiskaming District

"Have you ever tried to grow roses in the North?" asked The Northern Tribune in an editorial note last week. The North Tribune proceeds to suggest that it can be done and is well worth the effort. The Northern Tribune may or may not be aware of the fact, but roses have been successfully grown in the North and specially remarkable specimens were grown in years past by newspaper editors of the North. Editor Stephenson, of New Liskeard, for instance could show some fine samples a couple of years ago while about three years ago the late Otto Thorning, of The Cochrane Northland Post had a regular shower of beautiful roses near his office and used to share them with his friends. He showed that roses will actually thrive in the North Land. It may be noted also that in many recent years wild roses have added greatly to the banks of the Mattagami river. A couple of years ago there were dozens of places along the Mattagami near Timmins where the wild roses bloomed in beauty and profusion. From the river they looked remarkably attractive. The only trouble with these wild roses seemed to be that the petals were so loosely attached that the wind easily tore them away and it was almost impossible to pick them or nearly so. The wild roses on the banks of the Mattagami in the ordinary summer are a joy to all with eyes to see. With wild roses doing so well it is only to be expected that the ordinary hardy rose, well-cared for, will thrive in this North. Scores of people in Timmins and district have proved to their own great satisfaction that roses will bloom in this North, and as The Northern Tribune phrases it, "they will repay you with a hundred delights."

IROQUOIS FALLS PROTESTS AGAINST MAIL SERVICE

Resolution Passed by Iroquois Falls and District Board of Trade in Regard to Taking Off Toronto Mail Service.

Iroquois Falls and District board of trade held a special meeting on Monday evening of last week to deal with the question of the curtailed mail service for Toronto. Under the recent plan adopted, Iroquois Falls and Ansonville business men, like those on the Porcupine branch of the T. & N. O. find it impossible to answer Toronto correspondence the day after receipt as the mail is made up too early. The board of trade of Iroquois Falls and district made formal protest against the curtailed service, letters in this connection being sent to Jos. A. Bradette, M.P. for this riding, to the postmaster-general and to the post office inspector at North Bay. The following is a copy of the letter forwarded to the postmaster-general at Ottawa in the matter:—

Iroquois Falls, May 10th 1930
Postmaster-General,
Ottawa, Ontario.

Dear Sir:—At the present time all mail from this district, for points south of North Bay, is despatched on train No. 2. This train leaves Porcup Junction at 11.15 a.m. daily, and mail is taken off at North Bay and placed on train No. 46.

Train No. 46, leaving Porcup Junction at 1.50 p.m., more than two hours later, carries no mail until arrival at North Bay. At the present time it is practically impossible to get mail out in time to be despatched on train No. 2, causing serious delay and inconvenience.

The following resolution was unanimously adopted at a special meeting of the Iroquois Falls and District Board of Trade on May 5th, 1930.

"Resolved that the postmaster-general at Ottawa be respectfully asked to arrange for train 46 to carry mail from Timmins to North Bay, both mail bags and letter boxes, so that mail for Toronto and other points south of North Bay can be despatched on train leaving Iroquois Falls at 1 p.m."

And that a copy of this resolution be sent to Jos. A. Bradette, M.P., and to Mr. John C. Ross, Supt. Postal Service at North Bay, Ontario.

We trust you will be able to comply with this request, and await your reply with interest.

Yours very truly,
A. I. FOY, Secretary.

COURT OF REVISION FOR THE TOWNSHIP OF WHITNEY

As will be seen from the notice elsewhere in this issue the court of revision for the township of Whitney will be held in the township hall at Porcupine on Monday, June 2nd, 1930, commencing at 7.30 p.m.

During the month of April no less than 5,569 beds were provided at the Sudbury town jail for persons needing same. Over 2500 were similarly accommodated at North Bay. With facts and figures like this the politicians are going to be out of luck this election in telling the people how prosperous the country is.
