Good Season Anticipated Here for Tennis This Year. Courts in Good Condition. Prospects for North. Annual Meeting Timmins Club Next Tuesday.

The annual general meeting of the Timmins Tennis Club has been called for Tuesday evening, May 27th, in the town hall at 8 p.m. The courts are now in very good condition and with favcourable weather a good season is anticipated. For some years now the Timmins Club has been the only tennis club north of North Bay that has been affiliated with the Ontario Lawn Ten- ing over the Abitibi power plant at nis Association, and this has been of benefit to the club in many ways. It is hoped to have the other clubs in the North affiliated with the Provincial Association, and with this accomplished there would be every prospect of having the New Ontario Championships held here or at Iroquois Falls. In any case it is quite likely that the interclub games with the McIntyre and Iroquois Falls clubs wil lbe resumed this year.

Members desiring to renew their membership are asked to attend to this DAUGHTERS OF ENGLAND TO at once, as many new candidates have asked for admission, and former members delaying too long will possibly regret it. #### ST. JOHN AMBULANCE FLAG

DAY ON SATURDAY, MAY 24TH All should note and remember that on Saturday of this week, May 24th, the Timmins Division of the St. John Ambulance Brigade is holding its flag day, permission for which was granted by the town council some time ago. The good work of the St. John Ambulance Brigade deserves the fullest support from the general public. At the present the Brigade is planning to secure an ambulance for the use of the town. In addition to simply securing the ambulance the intention of the Brigade is to equip and maintain it in use here for any cases that may arise. This is only one of many ways in which the St. John Ambulance Brigade is serving the people of the town. Consequently the fullest support should be accorded the Brigade on their flag day on May 24th.
