#### GRAVEL AND SAND-AND PLACER

For the first time in several years firecrackers were not a public nuisance to the public for weeks around the twentyfourth of May. The weather may have had something to do with the matter, but there is no doubt that the interest and co-operation of the dealers and the public in an earnest effort to avoid any annoyance or damage this year had excellent effect in the town of Timmins. In many towns in recent years firecrackers have become such a menace that there is probability of a general move to prohibit their use altogether. Returned men with shattered nerves have been particularly harmed by the thoughtless use of the firecrackers. Several branches of the Legion have made protests this year on behalf of shell-shocked men. If the use of firecrackers is to be permitted there will have to be a! general adoption of the sensible plan followed in Timmins this year.

advocating a belt line of roads for this part of the North bad spots on the road between here and the Junction. keard, The Advance believes, is largely measured by the roadway in the North. fact that people will not travel hundreds of miles on the one road if they know they have to return by the same route. The belt line of roads as The Advance has so often proper mail service to Toronto from this part of the North. pointed out would open up new and promising country, serve | Both Mr. Bradette, member for this riding, and Mr. Lang, several mining areas, and would assure a great increase in member for the south riding, have promised that the defect the tourist trade, because then traffic would come from both is to be remedied at an early date. There is not as yet any east and west and would be very materially augmented be- | sign of the new service, and no one can forget the need.

cause of the fact that a round trip would be possible through cause of the fact that a round trip would be possible through interesting country all the way. For years The Advance has pressed such arguments, but in some quarters the response has not been all that might be desired. Some have urged that roads for settlers should come first, and with this The Advance agrees, arguing, however, that both settlers' roads and a belt line of roads are needed and desirable. Some of the other towns of the North have not been enthusiastic because they apparently were afraid that it was largely designed for the advantage of Timmins. It is honestly believed that it would be of unusual value to the whole North Land. All the facts seem to point that way. Recently, there appears to be a growing disposition from all sides to endorse the belt line of roads idea. In a recent address Hon. Mr. Finlayson suggested that such a road would be completed in the next few years. Because it gives added communication with Iroquois Falls, Cochrane, Kapuskasing and other towns farther north it is being more favoured now by these localities. The construction of the transmission line from Abitibi Canyon to Sudbury may hasten the completion of the belt line. The Timmins board of trade has urged that in constructing the transmission line right-of-way it be made a little wider and a little better so as to serve as the longneeded roadway. This would be also a little cheaper than the ordinary plans of construction. It looks like a good idea, and Harry Preston who first urged the idea of the belt line of roads for this North may before very long see the dreams of his many letters come to actuality.

A Timmins gentleman who motored to Cochrane and Kapuskasing last week was much impressed with the fact that the new road west of Cechrane was a more passable read than the older strip from Golden City to Porquis Junctich. The road from Cochrane to Kapuskasing was heavy because of the amount of gravel on it, but there were no bad cupine boys were delighted by a parspots. It may be that with dry weather the Timmins-Porquis Junction road will be the easier to travel. In the meantime, however, the newer road is the better one. An-For some considerable time past The Advance has been other motorist points out that there are only a couple of Land. A roadway between Timmins and Sudbury would he says, is near Golden City and the other near Hoyle. world. As one youngster put it afterprovide such a belt line and would link up by road all the Neither are of any great extent. He suggests that more centres of the North. The advantage to the country in generous use of gravel at these two points-heaping it on, regard to tourist traffic would be very great, indeed. Last as it were,— and more attention to good ditching would gave a nickel toward it here." The year there were only sixty tourists stopping at the motor greatly benefit the Timmins-Porquis road. This road, it appearance at reviews of the Prince of camp here. The Advance understands there were close to must be admitted, is improving all the time, but, perhaps, a thousand tourists reaching New Liskeard. The proportion more generous appropriations would hasten the time when of the Timmins tourist trade to that enjoyed by New Lis- this strip of much-travelled roadway will equal any other

count of vacancy.

Three-quarters of the business tax of S. Daher and Sons was authorized to be written off the store property on the corner of Third avenue and Mountjoy street, on account of the business being discontinued.

The business taxes of J. Robitaille were also written off owing to the business being discontinued.

Taxes on town property to the amount of \$945.71 were authorized to be paid. Separate school taxes for local improvements were also passed for payment, the amount being \$204.31.

The sum of \$65.88 was authorized to be written off P. J. O'Neill's taxes for the year 1926, this being an error made in 1927 when the roll was transferred to the treasurer, the figures of the provincial audit being taken and later found to be incorrect.

A number of rebates were authorized con water rates where the users had moved or the water had not been used for other reason.

#### Fourteenth Annual Ball of Firemen Big Success

The fourteenth annual ball of the Timmins Fire Dept. held on Friday evening last, May 23rd, in the Masonic hall, Timmins, was an outstanding and enjoyable success. Again it was proven that the weather, no matter how unfavourable, can not spoil the Timmins Firemen's ball. The night was unfavourable, but there was a good crowd, just right for dancing and sociability, and all attending enjoyed the event very much. The excellence of the music by the Club Royal orchestra and the generous quantity of it featured the dance, while another extra special feature was the refreshments provided. the high reputation of past years being maintained in this particular. Again, the ladies saw to it that the refreshments at the Firemen's ball were the The annual memorial service at the Friday last at the age of 86 years and ation then. very best. The amount of \$36.01 was written | Kid Williams, Ontario welterweight champion beat Eddie Dean, Hamilton; 147 lbs. 5 rounds.

Gord. Smith, of Kirkland Lake beat Geo. Taylor, of Timmins, 160 lbs., 5

Chester Gabriel, Kirkland Lake, beat Donet Richards, Timmins, 120 lbs., 5 rounds. Many were specially interested in this bout. Richard being a young lad who struck the fight fans as being

a remarkably promising lad. The referee was Geo. James.

The fight fans were all delighted with the several bouts, Roy Hamilton being an especial favourite. It is understood that there is a move on foot to have Roy go to Kirkland Lake, the fans there being anxious for such a move.

#### ANNUAL MEETING OF TENNIS CLUB POSTPONED TO JUNE

Owing to Tuesday evening being Hollinger pay night and other attractions being in progress, the meeting of the Timmins Tennis Club was not as largely attended as desired, and so it was decided to postpone the meeting until next Tuesday evening, June 3rd, at 8 p.m., in the town hall when the business of the election of officers and other matters will be dealt with.

### DEATH HERE OF YOUNG LADY

Miss Beaulah Christian, 18 years old, of Sudbury, who had been visiting friends here for some time past, was taken ill about the fifteenth of May and taken to the hospital where she passed away on Sunday, May 25th. Funeral service was held here and the body taken to her home in Sudbury for interment.

#### Memorial Service Held at Timmins Cemetery

John Baptiste Blais passed away on church.

# WITH JAMBOREE PICTURE

Boy Scouts and Others Enjoy Pictures Scouts in England. Touching Case at Township Council Meeting. Sick Man Collapses at Meeting. Other South Porcupine

South Porcupine, May 28th, 1930. Special to The Advance.

Mr. E. M. McNair and Master Teddy left on Tuesday for Calgary.

The showing of the pictures of the Scout Jamboree in England was much enjoyed on Monday night last at the Majestic theatre. There were quite a number in from both Schumacher and Timmins. The Scout Troop of the Dome all received tickets through the courtesy of Mr. J. H. Stovel. Although on account of the foggy weather that prevailed at the time some of the pictures were not as clear as they otherwise would have been, on the whole they were exceptionally good boys here took great pleasure in watching for Hodder Stovel, the many badges of the troop being worn on his arm being a distinctive mark by which they could quickly locate him. At the embarkation for home from Glasgow Porticularly good view of their own representative. Another part that the boys here took great zest in was the presentation to Sir Baden-Powell of the fine Rolls-Royce automobile, on behalf of the Boy Scout organization of the wards, "You know we owned a hunk of that car they gave him, too, for we all Wales, Prince Arthur, Duke of Connaught, Princess Patricia and other notables was greeted with outbursts of applause. The service in the cathedral at Liverpool by the Archbishop of Canterbury was particularly impressive as was also the service at Westminister Abbey for the Unknown Soldier. Changing guard at Buckingham Palace and the visit to Windsor Castle was most interesting. The visits to Stratford-on-Avon, Holyrood Palace Edin-Burgh Castle and various other places of note/were followed with close attention by the numbers present. Then the sports! Well you know how any live youngster enjoys anything in the sport line, and to see their favourite pastimes indulged in by boys of the various nations all over the world was a rare treat indeed. The boys will remember for a long time their Scout Jamboree

The township council of Tisdale met in the council chambers on Monday evening with the Reeve and all the councillors present. After the reading of the minutes and correspondence the council reverted to court of revision for consideration of the various tax cases that were there. Several or these were requests for a reduction in assessment and were referred to the court of revision meeting for Wednesday. The proprietor of the Canada House in Schumacher was granted a substantial reduction on his taxes on the condition that the building which was gutted by fire some years ago, be torn down and removed within thirty FOR SALE-Dry slabs at \$4.50 per days. One lady from Timmins, not only pleaded her own case, but also the cases of two widows from the Gillies Lake section near Timmins so successfully that she got the taxes reduced for both widows. Later a Timmins lawyer came in to present the case of one of the widows and looked rather non plussed when told that the woman's case had already been taken up by a better lawyer than him, that she had won it and gone home. A woman who owns two lots on Railroad street gave asking for protection from the council now they are asked to supply the murphies for the planting. A young lad from Schumacher asked for a refund on a taxi license as he had only used without fatigue."-John it eight days. This was granted. Sargon may be obtained in Timmins | dent ill health his case seemed a piti-Table one. Having lest his wife he has six children dependent on him wholly for care and support and he is a silfcosis ease himself, his only income being some silicosis compensation, as he stated he was not able to rent an apartment of his house any more, 100ple being affaid of consumption. Hi taxes were cancelled and Councillor Hawkins suggested his wait and go back in the car with him. The council were proceeding with another tax ease when this unfortunate man, after & seizure of coughing, called for water then went unconscious from a bad heart aton the field, and are in need of plenty tack. It was feared for awhile he might not recover and all the doctors around were out so there was some delay about getting one. Dr. Barry was R. H. eventually located. After the man re-23 vived he was taken to the hospital. 10 16 This practically broke up the meeting. Batteries-L. Campbell and L. Godin, Everyone's nerves were on such tension afterward that any affairs that could be postponed until the next session of the council were left over for consider-
