### LOCAL MEMBER DENIES ANY INTENTION OF RESIGNING

A. F. Kenning, M.L.A., Says Article in Toronto Telegram is a Misunderstanding of the Situation. Wants More Money for Roads in This Part of the North.

Monday evening's Toronto Telegram received in town last night carried an article suggesting that A. F. Kenning, member in the provincial parliament for the riding of South Cochrane, was considering resigning his seat on account of dissatisfaction with the treatment given this riding. To The Advance last night Mr. Kenning denied the truth of the suggestion. "I am not considering resigning," he said "my chief thought at the present time being to look after the interests of this part of the North and to help in the fight on now to defeat the Liberal candidate in this riding and so help to rid the country of the incompetent King Government."

the heading:-"Claims Riding is Neglected, May Resign. South Cochrane Member Admits Considering Step. Amicable Settlement is Looked For," reads as follows:-

"Alfred F. Kenning, M.P.P., South Cochrane, is considering his resignation in the Provincial Legislature, it was learned to-day at Parliament Buildings. Mr. Kenning's resignation is said to be contemplated as a protest against what he regards as lack of co-operation on the part of Queen's Park with his riding. Spoken to over the telephone by The Telegram at his home at Timmins Mr. Kenning admitted he was considering his resignation. "There is nothing definite at present," said Mr. Kenning. "The matter is under consideration. I am talking it over with my constituents to-day."

Questioned as to the reason for his resignation, Mr. Kenning said: "I cannot get any recognition for my riding I have not been able to get consideration for appointments." During the last few weeks, Mr. Kenning has been a constant visitor to Queen's Park, holding conferences with some of the ministers. While no definite statement is forthcoming from Queen's Park, it is said Mr. Kenning's recommendations for appointments in various branches of governmental employment have been overlooked. With this situation in mind, it is said Mr. Kenning in disgust has decided to throw up the sponge and open the seat on a by-election. Opening the seat for by-election at this time would not be met with any favour at Queen's Park. With the Federal election coming. Queen's Park Tories would not want any provincial seat to be either vacant or open to contest.

Premier Ferguson, who spoke in Glengarry County, on Saturday, is said to be taking a brief rest at his farm at Kemptville and will not be back to his office for some days. It may be that Premier Ferguson will step into the difficulty and settle the matter amicably before Mr. Kenning's resignation is received. Mr. Kenning has held the riding for South Cochrane since the Ferguson Government came into power. He has been one of the most popular and active members in the House, and a reported strength in the north country."

To The Advance last night Mr. Kenning had nothing to say in objection to any appointments in the riding, and he was emphatic in denying considering resigning. He said his one complaint was in regard to money for settlers' roads. He thought that at least a half million dollars should be spent for roads in this part of the North. Roads were needed for settlers and in view of the fact that the appropriation for Northern Development work had been doubled at least there should be no decrease in the amount allotted to this riding for new roads and improved roads.

#### ROY HAMILTON LEFT FOR KIRKLAND LAKE THIS WEEK

Roy Hamilton, who has made a notable name for himself in Timmins and district as a boxer, left this week to take up residence in Kirkland Lake for the present. He has been a resident of Timmins for several years and has been very popular here, winning friends not only by his striking ability as a boxer but also by his nice disposition and genial personality. In recent appearances in the ring at Kirkland Lake he has made a big hit and as a result there has been a decided effort to induce him to take up residence at Kirkland Lake. Hosts of friends and admirers in Timmins and district will regret his leaving here while he will be followed with the best wishes for his success in the future This young man has displayed the most unusual ability as a fighter and has apparently a most promising future in the ring. In his class he is a boxer of phenomenal ability. Though in the game but a short time he was runnerup for provincial championship honours this year and made a very decided hit

tieth year.

# BE PLAYED ON WEDNESDAY

Discussions on Matters of General In crest to Club at the Weekly Luncheon of the Timmins Kiwanis Club on Monday of This Week.

At the regular weekly luncheon of th Kiwanis Club on Monday at the Empire hotel, there was a general discussion of matters of interest to the club members, many questions of special importance being brought forward. Probably the proposed golf match between Kiwanis golfers and a representative group from the Hollinger may be classed as the specially interesting feature of the general discussion.

There seemed to be no doubt on the part of the Kiwanis but that the suggestion made by Kiwanian Vincent Woodbury as to the golf match should carried out. Arrangements were under way along this line, the gathering was informed, and to this it may be added that the arrangements have meanwhile been completed and the much-discussed golf match between the Kiwanis and the Hollinger is definitely set to be played on Wednesday, June 18th, after 3 p.m. Under the terms of the contest, the losers are to pay for the luncheon after the match. The Kiwanians are so sure of winning, a game at the athletic grounds, Timthat they are already studying bills of fare to pick out and enjoy a specially good luncheon for Wednesday of next the North last year and winners for week after the golf match with the the 1929 season of the Ottawa Journal Hollinger representatives.

Another matter of much importance touched upon at the Kiwanis luncheon Association. on Monday was the question of the holding of the Kiwanis carnival this year. It was originally planned to hold has been found that this plan is not likely to put up a fine brand of ball. Accordingly, the carnival has been postponed. It is definitely has not the same team as he had last decided to held the carnival all right, but the dates will be in September. It ing a genuine winning team. The vahas been practically decided that the cant places on the team have been dates for the carnival will be in the filled with the best available baseball first week of September. This year's talent and the team as it now stands carnival is expected to exceed the pro- | is practically guaranteed to give a good fit and pleasure of the event last year.

## Big Crowds Attracted

The two performances of the Cole 5.15 p.m. sharp. and Rogers circus here on Saturday last attracted big crowds, the tents being full in each case. The parade was not as large as other circus parades held here in wears past and the show generally was not on a large scale, but the youngsters generally were delighted with the circus as usual and there were no complaints except from a few of the grown-ups who may have grown blase on circuses.

The streets were lined for the parade at noon Saturday, and the people free shows by the big turnouts in the

afternoon and evening. The Cole and Rogers managemen kindly treated all the newsboys of The Advance-and there are close to 50 of them-to a free visit to the show. The children from the Shelter were also allowed free entry to the show and were treated with particular kindness. The popcorn and peanuts man not only gave each of the youngsters from Shelter a bag of peanuts and a package of popcorn, but to these he added the favour of a free balloon each. The youngsters thus treated were the envy of many other youngsters and Superinthe C.A.S. children at the show had Robitallie arose from evidence given some difficulty in stopping a number of other youngsters from joining the against him under the Liquor Contro:

# BOTH PARTY CONVENTIONS WILL BE HELD NEXT WEEK

on Tuesday and the Liberals at Cochrane on Wednesday

The Conservatives in this riding of North Temiskaming are to hold their convention on Tuesday of next week, June 17th, to select a candidate to contest the riding in the coming Dominion general election. A number of names are mentioned as possible choice for candidate for the party. These include D. Chenier, Cochrane; A. C. White, Hoyle; Jas. Kingston, Iroquois Falls; F. C. Evans, South Porcupine; F. K. Ebbitt, Iroquois Falls; A. C. Brown, Timmins, R. Potter, Matheson. Some of these have indicated their intention to allow their names to go before the convention. W. A. Gordon, the wellknown barrister of Haileybury who is himself the Conservative candidate for the riding of South Temiskaming will address the convention on the topics of the day. There may be other prominent speeches for the occasion, in addition to the candidates who may stand for a vote at the convention.

The Liberal party in this riding is holding its convention on the following day, Wednesday, June 18th, at Cochrane. So far as can be learned the only name likely to be seriously before the Liberal convention will be that of the sitting member Jos. A. Bradette. He is expected to be given the nomination by acclamation and to have the full support of the party. There will be distinguished speakers to address the convention, including at least one Cabine Minister. Hon. Mr. Cardin is one of the ministers expected to be present.

Advertisements elsewhere in this issue give particulars of the two conventions as announced officially.

# TO BE RESUMED ON MONDA

Train No. 46 Will Again Carry Toronto Mail. Mail Will Close for This Train at 11.30 a.m.

This morning Postmaster E. H. King received official word to the effect that on Monday next, June 16th, the mail service to Toronto on Train No. 46 will be resumed. On that date the Toronto mail will close at the post office here at 11.30 a.m., instead of 9.30 as at the present. This will be a big advantage to business men and others here. Jos. A. Bradette, M.P., was in town this morning and was being congratulated on his successful efforts to have the Toronto mail service resumed. By the change business men will be able to answer their Toronto mail the day after receipt, instead of losing at least twenty-four hours as at present. Under the changed regulations, mail for all points east of North Bay will leave here by Train No. 52, this mail closing at the post office here at 9.35

For Schumacher, South Porcupine and all points seuth of Porquis Junction the mail on Monday and after will go on Train No. 46, the mail closing at the post office here at 11.30 a.m. Although the train does not leave until | for during the last three weeks of this 12.25 the mail has to close at 11.30 be- month. The first round must be playcause of the large amount of mail to ed by June 14th; the second round by be witnessed. New players have been be handled. This is the heaviest mail June 21st; and the third and fourth of the day at the post office here, so rounds by June 28th. The last two far as out-going mail is concerned. It rounds are to count as qualifying should prove to be a decided factor in includes mail for Schumacher, South Porcupine, Connaught, Kirkland Lake, New Liskeard, Haileybury, Cobalt, Cochrane, Iroquois Falls, Ansonville, Winnipeg and points west, and North Bay and points south of North Bay.

#### TIMMINS BOYS' ATHLETIC ASSOCIATION FIELD DAY

The Timmins Boys' Athletic Association, more generally known as the T.B. A.A. are holding a day of storts and athletics at the athletic grounds at Timmins on Dominion Day, Tuesday, July 1st. Announcements as to particulars of the programme will be given later. The field day on July 1st is expected to be most interesting and it will be enjoyed by all in town and district who attend.

#### TWO INJURED IN AEROPLANE CRASH NEAR GOLDPINES

Two passengers in an Ontario Air Service plane were injured when the machine crashed in the Red Lake country, according to word from Sioux Lookout on Tuesday of this week. Neither William Lyons, pilot, nor Leslie Failles, engineer, was seriously hurt though the machine was almost

entirely ruined. The accident occurred at Goose Island, near Goldpines, when the heavymetal monoplane struck a down-current at 200 feet and went into a sideslip and could not be righted. machine struck the water at a terrific speed and sank. Only the engine was

#### Foolish Young Fellows Have to Pay for Damage BODY OF V. URBANOVICH SEEN

At police court this week the most of the important cases were remanded to next week on account of so many of the police force being at Cochrane at the court sessions there. Among the were :- Steve Tarrabass, charged with driving a car while intoxicated; two liquor cases against local men; Omer Goulet, charged with theft of goods from a cabin in the bush; A. Beauchamp, charged with obtaining credit by fraud; Berini Motors at Ansonville, charged by provincial police with conducting a garage without the required license. A charge of assault against O. Goulet was dismissed. There were five drunks, each assessed \$10.00 and costs. Three young fellows who were intoxicated and apparently deliberately smashed windows in the F. Valois building and the United Church on Sunday morning at an early hour, faced charges of drunkenness and also of causing wilful damage. One of the young fellows pleaded guilty to doing the damage to the windows and was fined \$10.00 and costs and had also to pay for the damage done. It cost him \$20.25 in all. The charges against the other two young fellows were withdrawn so far as the damage to the windows was concerned, but one of the lads was among those fined \$10.00 and costs for being drunk in a public place. One of the three lads was also cautioned against reckless driving though a charge on this score was not pressed. A charge of trespassing resulted in a fine of \$10.00 and costs.

Born-On Wednesday, June 11th,

# RESUMING OF THE TORONTO MAIL SERVICE AUTHORIZED

PRICE FIVE CENTS

Letter from General Superintendent of Postal Service Says that Return to Former Mail Service on No. 46 is Being Arranged Now.

In answer to a recent letter, W. O. Langdon, president of the Timmines board of trade, heard last week from the general superintendent of postal services. The Ottawa official in his letter says that the resumption of the former mail service on train No. 46 has been authorized and will be put in force as soon as the necessary arrangements to do this can be made. This letter from the general superintendent of postal services is dated from Ottawa on June 9th, and is in reply to a letter from Mr. Langdon in carrying out the wishes of the board of trade topress for a resumption of the Toronto mail service. The letter is a confirmation of the statements made by Jos. A. Bradette, M.P. for North Temiskaming. and Col. Mac Lang, M.P. for South Temiskaming, that the Toronto mail service would be resumed as soon as arrangements could be made. members made this statement some three weeks or more ago. It should not take much longer surely to have the Toronto mail service resumed. Previous to the last change in the

T. & N. O. timetable, mail for Toronto

left here at 11.40 a.m., closing at the post office here one half-hour before that time. This allowed business men and others opportunity to reply to Toronto letters coming here the previous evening. The change in the T. & N. O. timetable was designed to give a better passenger service to Toronto and the railway was quite ready to handle the mail on No. 46. Had this been done, as it is now promised that it will be, the people would have been well pleased. The Toronto train leaving here at 12.25 instead of 11.40 would be an additional convenience for those having mail for Toronto. However, the action of the postal authorities made the change most undesirable The mail, instead of going to Porquis Junction on No. 46 as previously, was changed over to the train leaving here: at 10.05. The result is that mail coming in here from Toronto in the evening can not be dealt with by business firms in time to catch the Toronto mail the next day. The mail for Toronto now closes at 9.35. a.m., though the Toronto train does not leave here till 12.25. Still worse, even the mail box has been taken off the Toronto train from here. The matter naturally raised a considerable storm. The board of trade, town council and other bodies and individuals took the matter up and the help of the members for Temiskaming, Messrs Bradette and Lang, was sought, and very earnestly given. The members promised some weeks ago that the former service would be resumed, and now there is the letter from the general superintendent of postal services to confirm

#### CORNISH AND S.O.E. TO PLAY ON SATURDAY, JUNE 14

All those interested in football should not miss the game on Saturday between the Cornish and the S.O.E. Both teams are playing wonderful football, and with the grounds in excellent shape some fast and clever work should added to the teams and the showing made in recent games by both teams making for a record gate and a good. fast game of classy football. Kick-off at 6.15, sharp.

### IN RIVER AT HOYLE MONDAY

On Monday evening of this week the body of Vincent Urbanovich, who was drowned at Hoyle on May 10th, was seen on the surface of the water, having risen again to the surface. S. L. Lees and an assistant went down to Hoyle but though every possible effort was made to recover the body from the river this was impossible on account of conditions. It is hoped today, however, to recover the body from the river. The body is in among pulpwood and on this account can not be secured. The pulpwood prevents approach to the body from either direction on the water while the condition of the banks of the river make it impossible to reach the body from either bank. Vincent Urbanovich, 36 years of age and a native of Lithuania, was a resident of Timmins for some years. He boarded with Geo. Seditis at 171 Elm street north. He and Mr. and Mrs. Seditis and their little son, Richard, together with Tony Contotis, went to Hoyle on May 10th to enjoy some fishing. Contotis and Urbanovich attempted to cross the river in an old boat. When out on the water the boat filled and the two men were thrown into the river. Contotis, who was a good swimmer was able to make land safely, but Urbanovich was drowned. The provincial police and others made careful search for the body but nothing was seen of it until this week when it was seen among the floating pulpwood logs.

Mrs. Dunsmore, of Toronto, is the 1930, at Kirkland Lake hospital, to guest of her daughter, Mrs. W. D. Mr. and Mrs. R. E. Miller,—a daughter. Watt, Toke street, for a few weeks.
