HOW TO ASSURE A VOTE FOR THE DOMINION ELECTIONS

Apply to the Registrar's Office to See Whether Your Name is Duly Entered. Three Registration District in Town.

This year a new system of making up the voters' lists for the towns and cities has been adopted, the plan being by enumerators going from house to house and enrolling all eligible voters. The enumerators went in pairs, one representing the Liberal party and the other the Conservatives. The enumerators completed their work on Saturday last and now any who did not receive slips from the enumerators may have their names added to the list by applying to the registrars in their district. There are three registration districts in Timmins. One of these is that portion of the town may be roughly described as below Mountjoy street. Mr. and Mrs. D. Laprairie are the registrars for this district. Another district is the section of the town north of Third Ave., with Dr. McDonald and N. E. Wadsworth as registrars. The third registration is that part of the town south of Third avenue, with S. C. Flatus and Miss Abrams as registrars. Additions but not subtractions can be made to the lists by the registrars. Names may be added, or corrections made in spelling, residence, etc., may be asked from the registrars. The registrars will be ready to receive applications regarding names to be added got. TEMISKAMING FIREMEN AT

(From The New Liskeard Speaker)

The first of July looms as one of the biggest days in the history of the North Country when the Temiskaming firemen meet at New Liskeard Beach for their annual celebration and field day. Kirkland Lake band of some 30 pieces has been engaged for the day to supply the music, while it is expected that Ike Solomon's team of champion ball swatters from Schumacher will also be down. Valuable prizes will be given for all events. The "Keego" has been secured for a ferry service at the beach for those wishing to take a short trip on the waters of Lake Temiskaming while the boys are also trying to arrange for a seal ane to give all those who are "air minded" a chance to view performances from the air. A complete programme will be ready in the course of the next few days.

STROLLERS ONLY OBTAIN FOUR HITS FROM R. HUDSON

Behind some beautiful fielding by his team mates, particularly Adamson and Platus, R. Hudson had no difficulty in winning his game this week. He also got three hits and two runs. Adamson also did well at bat, as did Godin with three hits and three runs Joe Graboski made the only error for his team. Basil Davis made his first appearance for the Strollers and he would be a star on any team. He got two hits in three times up, which was twice as much as the rest of the team

NEW LISKEARD ON JULY 1ST IMPROVEMENTS DISCUSSED

Amazed by Actions of Moose and Calves This Week. Several Moose Pay Visits to Dugwal This Week.

On Sunday, Monday and Tuesday of this week the resident settlers of Dugwal have had exciting times with moose and their young calves coming out of the bush and peacefully grazing in the open. It is the sole topic of conversation, one Dugwal resident told The Advance, adding, "The big wonder is where do all these moose go in the hunting time?"

seen by some children at Mocse Creek while they were fishing there.

Sunday evening Constable Morrow, of the Ontario Provincial Police, arrived at Dugwal from Porquis Junction, coming in one of the new high-power Provincial motorcycles. He came to extricate a two-year-old moose that was reported by the train crew to be entangled in the wire fence along the T. & N. O. close to Moose Creek. The officer had a thrilling time releasing the moose, the animal having all the fence, except the posts, for the length of about thirty, tangled around him. While the officer worked to release the animal, the moose kept a steady stream of water and muskeg in the air from his kicking. The moose had been tangled in the wire for hours and seemed to get more excited every minute. Eventually the officer was able to right the wire and free the moose, the animall very swiftly taking to the bush and not being seen since.

son's team of black colts was grazing in the pasture, children nearby were surprised again to see a cow moose with two young calves grazing with the horses or taking in the sights. The alarm was sounded and all the neighbours again took up the most advantageous positions on top of over. The moose stayed about ten quietly for the bush.

ANOTHER STROLLERS DANCE WEDNESDAY NIGHT, JUNE 25

On Wednesday evening, June 25th, the Strollers are to hold another of their very pleasing dances. The event will be held in the McIntyre Recreation hall, Schumacher, and it is sure to be an enjoyable occasion. There will be

Tommy Stephens and his classy orchestra will supply the music for the occasion. Refreshments will be served during the evening.

Ladies of the Golf Club

On Sunday morning about 10 o'clock | Machherson. a very large cow moose with a calf moose were seen in the clearance by the red house at the Dugwal crossreads. The neighbours flocked out of Mrs. Keddie. the houses with their children to view the scene. The moose stood out prominently in the field of clover, grazing with her young. In time an automobile from the direction of Timmins came along, and caused the moose some concern for the animal moved slowly away towards the bush and she and her calf disappeared. The driver of the automobile must have been in a desperate hurry judging from the speed he was travelling. As a result he missed a memorable sight, for within twenty feet of the road a wild moose and calf had been peacefully feeding. The auto left in a cloud of dust. Later

APPEAL OF COMMUNISTS IS DISMISSED AT OSGOODE HALL

Second Divisional Court at Osgoode Hall, Toronto, last week dismissed the appeal of Frank Bruce, Elsie Donaliniski, Wina Hakkila, Peter Botatki and Mike Chemiski against conviction by Judge Kenney at Port Arthur, on charges of unlawful assembly at Fort William on May Day.

Some of the despatches from Toron to gave details of the hearing of the case and its results.

The accused were arrested at a gathering of communists. The charges arose out of what Justice Riddle described as a "Red" demonstration on May

Justice Riddle thought it was "sheer sedition and objection to constituted authority."

"Is not the Indian revolution sedition?" asked His Lordship. Mr. MacDonald-"It's open to ar gument."

Justice Riddle-"I don't think so." The chief justice asked if fear had to be expressed before it existed among citizens.

Counsel-"It has to be proved." Chief Justice-"There was a tumult there, there was an unlawful assembly and there was fear.'

With Canadians and other Britishers out of work in this country, even at this time of year when work is much more plentiful than in the winter time. it certainly seems little less than a crime to add to the chances of further unemployment by importing more men, even though they have the one qualification that is mentioned—the sum of money necessary for paying for the passage across seas. There may be a good demand for single farm-workers. but if so the most of the people have been unable to hear any such demand on account of the clamor made by the unemployed in every province of the Dominion, their voices being loud enough in request of honest work to do.
