

Timmins High School Lads Made Good Showing Saturday

Won Five Firsts and a Tie for First and Four Seconds at North Bay Meet. Rain Spoiled Track. W. Finkelman and J. Leng will go to Hamilton to Compete for Provincial Honours. Some Nice Records Made Despite Heavy Track.

Four Timmins High School lads—W. Finkelman, J. Leng, W. Paice and Ray Wallingford—represented Timmins at the Northern Ontario District School Boys Track and Field Meet for the Provincial School Boys Championships, held at North Bay on Saturday last week. More from Timmins High School were qualified, but on account of the expense were unable to go to North Bay for the occasion. It may be well to say here and now that there are enough schools likely to compete in this district to warrant the creation of a separate district. The Timmins high school grounds are being improved, with a good track and a baseball diamond to be added so that the fullest accommodation could be provided here for a district meet of this kind. The Ontario Athletic Commission should take this matter into consideration. The schools that would find it convenient and practical to send representatives to a district meet at Timmins would include:—Hearst, Kapuskasing,

Cochrane, Iroquois Falls, South Porcupine, Timmins, Monteith and perhaps others. The most of these are practically debarred from entry on account of the expense and the distance to be travelled.

At the event on Saturday at North Bay the track was very heavy owing to the heavy rains previously. This kept down any general tendency to surpassing the standards. In a few cases, it is true, the records were exceeded, but at the same time there were a number of cases where the standards were not reached. Had the track been better, the results would likely have been different.

The four lads from Timmins high school certainly did well—so well, indeed, that many will regret that more of the boys from here could not have been present to add to the list of honours secured. W. Finkelman won two firsts, the 100 yards and the 220 yards. Jack Leng won two firsts, the half-mile and the mile, and also won second in the 440 yards and second in the Senior running high jump. W. Paice won first in the 440 yards and was a very close second in the 100 yards. Ray Wallingford tied for first place in the running broad jump, the other lad being unable to exceed his jump. Ray sprained his ankle or he would likely have beaten his own mark and won straight first. Ray was second in the running high jump. The four lads took place in everything they entered.

W. Finkelman and J. Leng will be two of those given the honour of a trip to Hamilton to take part in the further provincial contests there for school lads.

At the event Saturday, C. Cattarello, of South Porcupine, represented his town, while there were representatives also present from Kirkland Lake, Hailcybur, Cobalt, New Liskeard, North Bay collegiate, Sudbury, Sault Ste. Marie technical school, Sault collegiate, and Chapleau. There were 70 lads competing, nearly half of these being from North Bay.

The list of results is announced from North Bay as follows:—

Bad Weather Mars the Second Week of Softball

O. Alton's return to form was the outstanding feature of the Northern Canada Power's double defeat over the week-end. Strollers won, lost and won their first game of the season against the Power Co. R. Dayton again proved his own Nemesis by walking six men, five of them scoring. In the second, third and fourth innings, out of seven men up he struck out five, walked one and threw the other out at first. In the fifth they scored twice and in the fatal sixth, with one run in and two men out, the Power team scored twelve more runs before the third out was made. The Strollers made their three errors in that innings, which, combined with three walks and seven hits, gave them the big bunch of runs. In the seventh innings the Strollers with four walks, a couple of errors, and only three hits, got back eight runs. Dayton ended the game by striking out the first and second batters up. Kelvey, Stephens and H. Webb were best for the winners while Lejambre and Spence were best for the Power team.

J. Doughty again pitched a nice game in the match between the Power and Marshall-Eccleston's, but as his team mates could only get two runs it wasn't enough to win. G. Ray was in the box for the M.E.'s and with perfect control, not walking a man, was a big improvement over anything the M.E.'s trotted out to the slab to date. He allowed only eight hits not more than two in any one inning, and struck out four. O. Alton got three of the hits and was the only one to get home on him. Moore was good at second for the M.E.'s and scored twice on two hits, one a well-placed home run. Hall got the only error for the team but scored twice, getting two hits in four times up. Taylor was not so good in left field nor at bat, and T. Towers was unable to fully fill G. Spence's place at second or at bat. The Power team needs strengthening, and soon.

MINING FIRM'S AFFAIRS FOUND MUCH INVOLVED

Despatches from Hamilton this week said that the affairs of the Ambassador Mines, Limited, formerly known as the Harris Consolidated Mines are understood to be considerably involved. The company is in charge of F. C. Robins, custodian, who is quoted as stating that affairs of the company appear to be much involved. A complete list of shareholders is not yet available while at the same time it would appear that some of the company's records are missing. Liabilities total \$38,165, including taxes of \$6,574 owing to the township of Tisdale. The assets consist chiefly of the mining property and some other real estate in the township. The value of the assets has not yet been determined. According to the Hamilton despatch several hundred thousand shares of stock were sold in Hamilton and Brantford. There is the

Deaf Hear Again Through New Aid

Earpiece No Bigger Than Dime Wins Enthusiastic Following. Ten-Day Free Trial Offer.

After twenty-five years devoted exclusively to the manufacture of scientific hearing-aids, the Canadian Acousticon Ltd., Dept. 188-C, 45 Richmond St. West, Toronto, Ont., has just perfected a new model Acousticon that represents the greatest advance yet made in the re-creation of hearing for the deaf. This latest Acousticon is featured by a tiny ear-piece no bigger than a dime. Through this device sounds are clearly and distinctly transmitted to subnormal ears with wonderful benefit to hearing and health alike. The makers offer an absolutely free trial for 10 days to any one person who may be interested, and a letter will bring one of these remarkable aids to your home for a thorough and convincing test. CONFERENCE DOES HONOUR TO MEN FROM NORTH LAND

Rev. J. J. Coulter, former pastor of Chapleau and Bruce Mines United Churches, now pastor of the Danforth United Church, Toronto, was elected president of the Toronto Conference of the United Church of Canada at the opening session of the sixth meeting held in Toronto this week. Two ballots were necessary for the electing vote: On the first ballot Dr. W. L. Armstrong received 100 votes and Rev. Hiram Bull 101. On the second ballot the president-elect received 254 of the 352 votes cast, and the election was acclaimed unanimous. The election for the other offices resulted in the reelection by acclamation of Rev. Geo. W. Barker as secretary, and W. H. Barker as treasurer.

Rev. J. D. Parks, formerly of Timmins, but now of North Bay, was named by the president as a member of the business committee. On the committee elected by the conference, Northern Ontario will be represented by the following ministers: Memorials—Donald Munro, of Coniston; Records of the Presbyterians—Algoma, T. D. Patton, W. J. McQuarrie, Cochrane, A. Chisholm, H. J. McKay; North Bay, J. R. Morden, J. E. Peters; Sudbury, Mark Rogers, T. F. Heeney; Temiskaming, W. P. Newman, A. Rintoul; Toronto Centre, E. E. Pugsley, J. A. Lytle; Nominating—J. C. Cochrane, of North Bay, L. E. Atkinson, Mindeyema.

Toronto Telegram:—It might be supposed that Erich Maria Remarque, whose war story, "All Quiet on the Western Front," has been a best seller and is now being adapted to the screen, would have become wealthy from the proceeds of its sale. But in the course of an interview, Remarque denied this. "You must not think," he said, "that I made a fortune with that book. I made all my contracts as an unknown man. The first publishers to whom I offered it kept it for a long time. Then I accepted an offer from a newspaper. If I were to accept offers now for lectures I would get much more than from all the editions and translations. But I cannot lecture. Anyhow, I have enough for a few years."

STANDING OF SOFTBALL LEAGUE UP TO THIS WEEK

The following is the standing of the Timmins softball league up to this week:—Holly Stores, won 2, lost 0; Marshall-Eccleston, won 2, lost 1; Strollers, won 1, lost 2; Northern Canada Power, won 1, lost 3.

Simcoe Reformer:—Of particular timeliness at this season of the year, when thousands of young Canadian men and women are about to graduate from universities throughout the country, is this message of Premier Taschereau of Quebec: "There is a very urgent appeal that I wish to address to the young men and women of our country who have been through a university course, and it is this: Stay in Canada. If statistics were published we would, perhaps, be appalled to learn of the number of those who have left us for the neighbouring republic. I call this deserting one's post. The products of our universities are the youth of our country with all which is implied by these words; they are the symbol of manhood and womanhood of tomorrow; they are the brains of their province, the hope of a young nation."
