20 Years Past--and Looking Forward - - - -

On June 25th our doors will open wide upon Sky Bros.' most important event. The 20th Anniversary celebration of business in the Porcupine. An event that stirs in me memories mingled with joy and sadness. For it seems as if but yesterday I was hurriedly laying a foundation in the new land of promise--With eagerness, enthusiasm and courage that is in youth, I have set a goal and strived these many years to reach it. Yet 20 years have flitted by--and fate was not always kind. Only the staunch loyalty of sincere friends still endures--Friends who remained through success and adversity. To them I extend my heartfelt thanks and gratitude. As for the future, Sky Brothers will carry on, clean in their business ethics and square with their fellow men.
