EASY METHOD SUGGESTED FOR LEARNING HOW TO SWIM

To be able to learn to swim without spending too much time and effort at the work would be a boon to many. Whether there is such a method or not, The Advance does not know. The Sault Ste. Marie Star professes to give such a method, but whether The Sault Star is absolutely to be relied upon in such a case is not sure. It is a fact that recently The Sault Star has admitted that all its wolf stories have not been true, but that, indeed, some of them were used simply to get the ear of the public.

However, here is The Sault Ste. Marie Star's supposedly infallible plan for learning to swim quickly:—

"If you can't swim, you may learn easily and quickly. This system has stood the test of experience. Stand in water up to your waist, inflate your chest, cup your hands with fingers together, lower your body into the water, remembering that you should only breathe through your nose. Strike out so vigorously with both hands, that you tire yourself in six strokes. In nine cases out of ten the feet are off the ground at the end of the first trail. Don't swim high. Keep all of the body possible in the water. Lack of confidence is the great barrier. Stick to it and you will learn to swim."

Information now coming out from Northern Manitoba, regarding development work at Sherritt-Gordon Mines, indicates that ore values are averaging somewhat better than those officially presented at the company's annual meeting. At the moment the property is said to have a better outlook, insofar as mineralization is concerned, than at any time since operations started. The latest unofficial report is to the effect that an important increase in the copper content has been revealed lately, together with better values in gold in underground development.

FAREWELL IN HONOUR OF REV. KENNEDY, SCHUMACHER

Pastor of Schumacher United Church Showed Appreciation for Four Years of Good Service. Other Items of News from Correspondent at Schumacher.

Schumacher, June 25th, 1930. Special to The Advance.

Prior to the departure of the Rev. I. E. Kennedy and Mrs. Kennedy from this camp to Bolton, near Toronto, a social evening was held on Monday in the basement of the United Church. It was one of the very largest attended functions at the church for a long time and it was seen from the gathering present that they sincerely wished to extend to Mr. and Mrs. Kennedy their best wishes. Having spent four years in this camp they have made numerous friends both in the church and outside. They have shown that they were willing and ready friends to all and have always been ready to help in any social welfare in the community. It is felt that our loss in this camp will be Bolton's gain. During the social Mr. A. Carveth, our worthy church official, acted as chairman, and carried out his duties in a very efficient manner. A very nice programme was arranged under the directorship of the church organist, Mr. W. H. Wilson, and opened with a quartette from the Trellawney Male Quartette, Messrs Jago, Docking, Bawden and P. Toms, who most ably rendered "Remember Me Almighty One," which was well received. Mrs. C. Robinson then showed her worth at reading and was loudly applauded. A solo was then rendered by Mr. Harry Christopher which proved to be a real hit with the audience who assisted him in the chorus and thoroughly enjoyed the singing. The chairman (Mr. Carveth) then spoke of the social gathering and in his well chosen remarks he paid a great tribute to the Rev. and Mrs. Kennedy who for the past four years has so faithfully served our church in this community. In all times, the chairman said, he had found the minister willing to assist him when ever he had to call upon him, and felt sure that in him Bolton would find a true and worthy minister from God. He also mentioned that it was with much regret that he was about to wish them good-bye, as he felt that they were some of his personal friends, but trusted that God's blessing would be with them. The chairman was loudly applauded for his most inspiring remarks. The Trellawney Quartette then rendered "Sweet Bye and Bye," which was well received. The Trinity United Choir then rendered an anthem, "O Love, that will not let me go," followed with a solo by Mr. Trollope, assisted by the choir. Both items were well received. On behalf of the members of the congregation and choir the chairman asked Mr. Trollope to make the presentation to the Rev. Kennedy. Mr. Trollope in making the presentation expressed his regret, also the feeling of the members of the congregation, towards the removal of the minister but assured him that they all wished him every happiness in his new charge. He then presented the minister with a wallet and a healthy cheque as a mark of their appreciation of him. The minister then replied thanking all for the kindness shown toward him and for the present. In his reply he also thanked all the officers and members of the different organizations which have so faithfully served and assisted him during his stay in Schumacher and felt that although he was moving into a new home and surroundings he was not losing any of his friends in this camp and trusted that he would have the pleasure of meeting them all again one day. He expressed his regret at leaving the North Country and his many friends, but trusted that his four years in this camp had not been in vain, and hoped that all would show as much interest in the church and give his successor, the Rev. Summer-ville, the best support that could be possibly given. He was loudly applauded for his most excellent remarks. Mrs. W. G. Leck, president of the Ladies' Auxiliary, then presented Mrs. Kennedy with a silver cake stand as a mark of their appreciation of her, wishing her every success and prosperity in her new home. Mrs. Kennedy in a brief but well-chosen address thanked all for their kindness. During the evening refreshments were served by the Ladies' Auxiliary. A very pleasant evening was spent. The Rev. Kennedy will deliver his farewell service on Sunday next.

Mrs. G. James and little daughter, Sylvia, of Second avenue, left on Thursday for their home in Cornwall, England. All their many friends wish them bon voyage.

A very interesting softball match was played here on Thursday between the Engineers and the Surface team of the McIntyre league. After a very keen struggle the Surface team came out winners, the score being 11 to 9 in favour of the Surface team.

The McIntyre Football team are to be congratulated upon their very fine programme at Timmins last Saturday when they entertained the Sons of England club, and won by six goals to one. The Macs were superior in every department to their opponents, the game was contested in the best of good sportsmanship and the S.O.E. are due for a great deal of praise for the manner in which they played and the good sportsmanship shown by such a losing team. The referee, A. Cadman, fulfilled his position with credit and it is to be hoped that the same sort of good humour will be seen at all other football games through the season.

Miss Acheson, of the public school, left on Wednesday for her home at Elk Lake. Miss Acheson will attend

the summer school at Toronto during her holidays.

A school picnic was held at Sandy Falls on Saturday last for the pupils of Mr. Wylie, accompanied by Mr. J. S. Kitchen. This most enjoyable picnic was made possible through the kindness of Mr. A. Feldman who kindly took the party to the Falls in his boat, when they were shown through the power plant by Mr. Kitchen who had made previous arrangements with the power authorities. The boys all had a real good time in fishing and other sports provided by Mr. Wylie.

Mrs. D. Newlands returned to town last week after spending a very pleasant vacation at Toronto.

Mr. W. Olton has been spending a few days vacation at Kirkland Lake.

Mr. W. G. Leck and W. J. Willis returned to town from Toronto where they have been attending the Oddfellows' convention held in that city.

Miss Porter, of the public school, left on Wednesday for her home in Elk Lake. It is understood that Miss Porter has resigned from our school staff. Having been on the school staff for a long period she has made many friends both in the school and outside. We extend to her our best wishes for success in her new home.

The Schumacher public school met on Tuesday afternoon for the last time before the summer holidays. During the afternoon special prizes were distributed to the pupils for perfect attendance, general proficiency, writing and other subjects. The prizes (books) were donated by the school board, Messrs James Shewan, W. R. Sullivan and Geo. C. Murphy, and were also presented by these gentlemen. The pupils successfully passing these examinations and obtaining prizes will be printed in the next issue of The Advance.

Shower Held in Honour of Miss Libbie Silver

A Royal Crown Derby and Indian Tree china shower was held on Wednesday afternoon, June 18th, at the home of Mrs. Louis Shankman, aunt of the bride-to-be in honour of Miss Libbie Silver, who is to be married in August. The home was beautifully decorated with bridal beads, the tables were rich with silver, and candle-sticks to match the American Beauty roses. The bride-to-be was showered with many beautiful and costly gifts as well as with the sincerest good wishes. Fully a hundred guests were present, and the occasion proved a most enjoyable one. After lunch the bride-elect thanked her friends for the many beautiful gifts received.
