SECOND HALF OF TIMMINS SOFTBALL LEAGUE GAMES

Opening Game of Second Half on Monday of Next Week. All Teams on Their Toes to Win at Least Once from the Hollinger Stores.

Starting Monday, June 30th, the ambition of three of the teams of the Timmings Softball Association, namely the M.E.'s, the Strollers and the Power team, will be specially towards beating the Hollinger Stores team.

The games so far have been fairly well attended with quite a bit of interest shown. There has been a little "crabbing" among a few of the players and this is unnecessary and should be stopped by the captains of the teams with which the offending players may be connected.

Below will be found the schedule for the second half of the T. S. A. series. The winners of the series will play off with the other leagues in the North during August. From information received in advance in regard to the other leagues in the North it is believed that the teams outside are much stronger than ever before.

The following are the games for the second half. All softball fans should clip this schedule and preserve it for the season.

- Monday, June 30—Marshall-Ecclestone vs. Power.
Wednes. July 2nd—Hollinger Stores vs. Strollers.
Friday, July 4th—Power vs. Hollinger Stores.

Friday, July 11th—Strollers vs. Power
Monday, July 14—Power vs. Marshall-Ecclestone.
Wednesday, July 16th—Strollers vs. Hollinger Stores.
Friday, July 18th—Hollinger Stores vs. Power
Monday, July 21st—Marshall-Ecclestone vs. Strollers.

DEATHS DUE TO AUTOMOBILE ACCIDENTS DURING 1929

The Dominion Bureau of Statistics reports 1,294 deaths from automobile accidents throughout Canada in 1929 as against 1,082 in 1928, 865 in 1927 and 606 in 1926.

British Columbia had the heaviest rate of any province in 1929, 19.8 per 100,000, while Ontario was second with 16.8 per 100,000.

In the Registration Area of United States for the year 1928, the latest yet available, the rate was 23.0 per 100,000. In Montreal there were 81 deaths in 1926, 126 in 1927, 109 in 1928 and 151 in 1929.

Mr. A. J. Shrage left this week on a ten day fishing trip.

AIRPLANES TO BE USED FOR PAYING THE TREATY MONEY

Early next month two seaplanes chartered by the Dominion Department of Indian Affairs will fly into the wild regions of Northern Ontario carrying as cargo, \$25,000 to be distributed amongst the Indians.

The two seaplanes will be piloted by members of the Royal Canadian Air Force, and the expedition will be headed by H. N. Awrey, Treaty Commissioner of the Department of Indian Affairs, and C. W. Cain, deputy minister of lands and forests for the Ontario Provincial Government.

The expedition will leave Ottawa, July 2nd, and will be away more than a month. The first stop will be at Remi Lake, which will be the base for further operations.

During their stay in the north, the expedition will study the conditions in which the Indians so far removed from civilization, and who scarcely see a white man from one end of the year to the next, are living.

John Mantilla was injured recently by a piece of rock falling down a shaft at the Teck-Hughes Mine and hitting him. The blow severed every vein, artery, and sinew in his right arm and also gave him severe injuries to the back.

Recent changes in the Theatres and Cinematographs Act have taken place regarding the admission of children to theatres and legal holidays.

The revised Act reads as follows: "A child under the age of sixteen years unaccompanied by an adult shall not be permitted to attend any exhibition by cinematograph, moving picture machine or other similar apparatus for admission to which a fee is charged except on Saturday of each week and on school, public and legal holidays between the hours of 9 a.m. and 6 p.m. during which hours a matron, to be remunerated by the exhibitor, shall be engaged in each theatre whose duty it shall be to supervise the conduct of such children and of adults towards them while in such theatre, the appointment of such matron to be sanctioned in such manner as the Treasurer of Ontario may direct; and the Treasurer of Ontario may at any theatre in his discretion dispense with the attendance of a matron."

FINISH CENTRAL PATRICIA THREE-COMPARTMENT SHAFT

Since starting shaft-sinking operations last spring at Central Patricia Mines, record-breaking progress has been made. The three-compartment shaft is now down to a depth of 525 feet, with only a couple of rounds required to complete the shaft at its objective point, officials state.

According to results obtained from work undertaken last year, Central Patricia Mines has favourable prospects of reaching the production stage.

There were reports current in Toronto last week that L. H. Saunders was resigning from the staff of The Orange Sentinel to edit The War Cry. These reports, however, are officially denied, and The Orange Sentinel office announced that Mr. Saunders will continue to manage The Orange Sentinel.

JUDGE RELIEVES SUBURBY COMMUNISTS FROM JAIL TERMS

At Sudbury last week Judge Proulx after hearing the appeal of eight Communists against conviction on May 18 by Magistrate J. S. McKessock for disorderly conduct on May 1 in disobeying police orders to disperse their parade, quashed the conviction of Vilho Vihuri and Henry Elienien, and modified the sentences of Amos Hill, Martin Parker, Joe Bolinsky, Arnes Sula and Peter Barabsh by removing the jail sentences, upholding only the fines of \$25 and costs.

"I think these people probably believed they had the right to parade," his Honour said in giving his decision in the case of the latter five, who were tried together. "But when they were told by the police that they were not to parade to the park, but could go quietly and would be afforded police protection for their meeting there they should have obeyed the police. As regards the shouting and screaming which the witnesses testified to, it must be taken into consideration that there was considerable excitement, and these men probably did and said things then that they would not have under other circumstances."

The next regular meeting of the town council will be held on Monday afternoon, July 7th, commencing at 4 p.m.
