

Death of Mark Daley at Schumacher on Monday

The sad death occurred on Monday, June 30th, of Mark Daley, at his residence, 54 Second avenue, Schumacher. At the time of death he was 41 years of age. The late Mark Daley had been ailing only a few days and his sudden death came as a decided shock to the many in the camp who knew him.

The late Mark Daley was one of the old-timers of the Porcupine camp, coming to South Porcupine from Cobalt in the early days. He came to Schumacher in 1911 and had been a resident there ever since.

He leaves to mourn his loss a widow and two small daughters, Helen, aged seven, and Beulah, aged three, as well as an aged mother, two brothers and two sisters, to all of whom the sincerest sympathy of all will be extended in their loss. The brothers are Miles, of Campbell's Bay, Que., and Chris., of Amos, Que. The two sisters are Mrs. Alphonse Vadneau, of Otter Lake, Ont., and Mrs. Ken Atkinson, of Detroit, Mich.

The remains will be taken to Campbell's Bay, Que., for interment in the family plot.

Mr. and Mrs. A. Borland, Sr., Miss Maimie Borland and Mr. and Mrs. A. Borland, Jr. and children, left on Tuesday morning for their annual vacation in the South. The two men went down by motor to North Bay while the rest of the party went by train. This was felt to be necessary on account of the uncertain condition of the roads in this part of the North. From North Bay the party will proceed together by motor for the rest of the trip. Toronto, Woodstock, London and other centres will be visited. During the three weeks that Fire Chief Borland will be away E. H. Hill will be acting fire chief here.

C.G.I.T. GIRLS HOLD GOOD FIELD DAY AT SCHUMACHER

Very Interesting Softball Matches. Cochrane Team Close Winner in Ladies' Softball. Other Field and Track Events and Sport Features.

Schumacher, Ont., July 2nd. Special to The Advance.

The field day held on Tuesday under the auspices of the C.G.I.T. Girls was largely attended. A very nice day's sport was witnessed, there being some good racing, jumping, etc., the event closing with two very exciting games of softball, in which the Schumacher girls being the winners of the series met the girls from Cochrane in the finals. It looked like a sure win for the home girls up to the fifth innings when they changed pitchers and then things went all wrong and they were finally defeated by 19 runs to 18. This proved a disappointment not only to the girls but to their supporters. Cochrane girls were the lucky winners. The final softball for men was battled out in fine style between Schumacher and Porcupine Junction. The Schumacher lads were determined not to let their game slip away, every man being in the best form and they came home worthy winners by 6 runs to 3. These two games were considered to be the best softball games seen in this camp, and they caused much excitement. In the three-mile race P. Aide was a easy winner, becoming the proud owner of the Bank of Commerce trophy.

The following are the results of the C.G.I.T. field day at Schumacher.

Radio Inspector Here During the Past Week

The Government radio inspection and testing car was here for several days during the past week and a number of cases were located where there were causes for interference with radio reception in town. In each of these cases effort was at once made to remove the cause for the interference so as to give better reception to the radios here. This service should be appreciated by radio fans who sometimes ask what they receive in return for their dollar a year license fee, especially when they do not pay the same and are asked to explain why in court. The radio car must be of decided benefit to radio users as it makes periodic visits to town and searches out all instances of interference. The car is specially equipped for the locating of trouble of this kind. The very hearty cooperation of the power company here is also a factor that radio fans should appreciate. The power company only has to have its attention drawn to any interference through its lines and equipment and measures are at once taken to remedy the trouble.

Sky Bros to Open New Store Here, Saturday

Sky Bros. find expanding business warrants their opening a new store in Timmins and so on Saturday of this week there will be a grand opening of attractive new premises for the Sky Bros. new store in Timmins at 16 Pine street north, in the old stand of the Dominion Stores. The store has been renovated and re-decorated and promises to be a good location and pleasing quarters for the new Sky store. The formal opening is being observed by a special sale. The full page announcement in this issue of The Advance refers to Mahomet going to the mountain when the mountain would not go to him. "So it is with Sky's great sale now in progress at South Porcupine," says the announcement. "Since we could not get all of Timmins people to visit us there, we are bringing the sale to Timmins. For that purpose we have acquired the premises formerly occupied by the Dominion Stores, now transformed into a temporary outlet for Sky's wonder bargains." The announcement gives a big list of bargains in men's wear, dry goods, house furnishings, furniture, boots and shoes, etc.

PROCEEDS FROM SOFTBALL GAME GIVEN TO SHELTER

Last Friday was an open date for the T. S. A. schedule so an exhibition game was arranged between the married and single men. The proceeds from the game were set aside for the C. A. S. Shelter. The single men gave five pitchers a chance, Daughy, Campbell, Grant, Ray and Cohen. The married men stayed with the one battery of A. Home and J. Souly, this battery staying with them for a win, 16 to 11. H. Boyd was the catcher for the single lads. Home runs were got only by the single men, four of them, C. Adamson, G. Ray, F. Grant and J. Roberts doing the trick, while J. Stevens with two doubles did the only heavy hitting for the winners. The second half of the schedule commenced this week.

Attempting to Deal With Unemployment Problems

To say that there is no serious unemployment these days is as foolish as to turn on the electric lights and swear that night never comes. To say that other countries have as bad conditions as Canada is beside the point. A young country like Canada, with scant population and almost unlimited natural resources, should have no unemployment. In a country like Canada an unemployment problem is a disgrace to the talents of the people administering the government of the country. Unemployment is here and should be faced and conquered. Municipalities would do well to tackle the problem, as well as looking to provincial and Federal governments for action and remedy. It is true that municipalities can do little without co-operation from the province and the Dominion. The problem is essentially a Dominion one. If the Dominion continues to evade it the seriousness of the situation will increase.

In North Bay the people have had a very emphatic proof of the fact that unemployment is of serious proportions, and all classes of citizens have had the fact unpleasantly impressed upon them in one way or another. Even the housewives have suffered indirectly from the unemployment evil through the fact that men out of work and desperate find means to secure food and clothing without consulting the owners of the goods.

In an editorial article last week The North Bay Nugget takes up the question as follows:—

"While sympathizing with those who are genuinely seeking employment, it should be made quite clear that North Bay cannot play the host to these men continually. We cannot deny them the right to entry to our city, but we can take steps to see that they remain with us no longer than is absolutely necessary. Once it has been made clear that there is no work to be had here, those who are genuinely seeking employment should be on their way elsewhere. The question is, how can the police regulate their movements? One suggestion is that every non-resident applying for work at any of the employment bureaus be given a dated card, good for a certain number of days and that if they fail to obtain work in that time, they be required to move on to the other town. Those who are picked up by the police without a card, or with one which has expired, could be furnished with free accommodation at the local jail. In this way, the hobo element could be weeded out, the genuine seekers of employment could be aided, and the housewives of the city freed from the menace that makes the summer months a time of terror. But to be a success, the system would have to be carried out to the full. There must be no room for magisterial inconsistencies. The vagrancy laws provide ample penalties, and, if necessary, pressure must be applied to see that the penalties are inflicted. After all, it would be much better for hoboes and others to be accommodated at the jail, with good food and plenty of work, than for them to hang around the lake shore subsisting upon what they can pick up or demand from frightened women. North Bay would be a much cleaner, pleasanter and safer place for our women and children if some such suggestion as the above were put into effect."

Miss Izeida Martin left on Saturday for Toronto University where she will take a special course in the next few weeks in the plan of qualifying for work as a high school teacher.

SCHUMACHER GIRLS WIN FROM SOFTBALL CHAMPIONS

Farewell Services at Schumacher United Church. Other Items of Interest from The Advance Correspondent at Schumacher.

Schumacher, July 2nd. Special to The Advance.

Born—At South Porcupine hospital on Wednesday, June 25th, to Mr. and Mrs. H. E. Waddle—a daughter. Congratulations.

Born—To Mr. and Mrs. R. Stewart, of Fourth avenue, on Wednesday, June 25th,—a daughter. Congratulations.

Miss Coleman, of the school staff, left on Friday for her home at Forest Falls to spend her summer vacation.

Miss McKinley, of the school staff, left on Friday for her home at Owen Sound for the summer holidays.

On Wednesday evening of last week the Excelsior Softball club entertained last season's champions (Hollinger girls) at Schumacher, and although it appeared to be cold and wet, this did not dampen the interest of the softball enthusiasts, for they lined the fence and filled the stand. The visitors were out to maintain their splendid record whilst the Schumacher girls were determined to show that they were the coming champions. The visitors were without their regular pitcher who has been laid off sick. This may account for some of the runs which the home-stayers made. The visitors were never able to bat with confidence against the pitching of Miss Baldwin who held the champions for five runs. A very interesting game finished with the score being 11 to 5 in favour of the Excelsior Club, who are to be congratulated upon their fine display.

Mr. W. Wylie, of the school staff, left on Saturday for his home at Guelph. He will later attend the Queen's University Summer School.

Miss Murphy left on Thursday for her home at Mattawa to spend her summer vacation.

Thirty-five pupils of public school sat during the past week-end for the High

school examination. We wish them all success.

Miss O'Keefe left on Thursday for her home at Peterboro to spend her summer vacation.

The Schumacher softball club entertained the Dome on Friday in a Tisdale league game. The Schumacher lads showed much improved form in this game and came out winners by 11 runs to 5.

A surprise shower in honour of Mrs. I. E. Kennedy, who is leaving the camp, was held at the home of Mr. and Mrs. T. Fulton, of Second avenue, on Thursday last. A large number of friends were in attendance, excellent refreshments were served, and the honoured guest received many useful presents.

Miss Colton left on Thursday for her home in Ottawa to spend her summer vacation.

Mr. Jack Phillips left on Saturday on a two months' vacation trip to his home in Cornwall, England. All his many friends wish him a very pleasant voyage to England and return.

Mr. C. A. Boyce, the popular school principal, accompanied by his wife and children, left on Saturday for Toronto where Mrs. Boyce and family will spend their summer vacation with relatives and friends. Mr. Boyce will attend the Queen's University during the summer months.

Miss Bruce, of the school staff, left on Friday for her home in Grand Valley to spend her summer vacation.

Miss Matthews left on Friday for her home at Barrie to spend her summer vacation.

Born—At Timmins hospital on Monday, June 30, 1930, to Mr. and Mrs. G. McGee, of First avenue,—a son. Congratulations.

Mr. and Mrs. W. Small, with their son, Almer, left on Thursday for Hastings on a two months' vacation. The trip is being made by motor.

Mr. P. Cooper and family have been visiting Kirkland Lake during the week-end.

The farewell service was held on Sunday last by the Rev. I. E. Kennedy and was largely attended. A very inspiring sermon was delivered and greatly appreciated. Special music was rendered by the United Church Choir. The Trelawney Male Quartette most

finely rendered the quartette, "Drifting Down," which was by a special request of the minister.

The induction service of the Rev. W. H. Summerville will be held on Friday, July 4th, at 8 p.m. in the Trinity United Church. The Rev. Millar, of Timmins, and Rev. H. E. Hussy, the newly-appointed minister for South Porcupine, will conduct the service.

The services next Sunday, both morning and evening, will be conducted by the newly-appointed minister of the Trinity United Church.

We regret to report the sad death of Mr. Mark Daley, of Second avenue, which took place on Monday afternoon. Mr. Daley has been in the camp for a long time and has made many friends by whom he will be greatly missed.

Mr. and Mrs. Gerry Armstrong accompanied by their family left on Saturday by motor for Newcarlow to spend their summer vacation.

OLLE MAKI COMMITTED FOR TRIAL ON MURDER CHARGE

At police court at Englehart last Saturday Olle Maki was committed to stand trial at the next assizes on a charge of the murder of Kalle Pukki. The evidence at the police court hearing was much the same as that given at the coroner's inquest into the death of Pukki. The charge arises from the death of Pukki from a knife wound in the stomach. Maki is accused of wielding the knife that made the wound that resulted in the death of Pukki. The stabbing is said to have been the culmination of a quarrel between the two men though some of the evidence seems to suggest that Pukki was the aggressor in the affair. Four other Finnish men are held in bonds of \$1000.00 each as material witnesses. Only one of these men was able to secure the necessary sureties, so the other three are held under arrest.

LITTLE BOY KNOCKED DOWN WHEN HE RAN BEFORE TRUCK

Wednesday afternoon of this week a boy of between 7 and 8 years of age had a narrow escape from serious injury when he ran in front of a Star Transfer truck on Third avenue. Fortunately the truck was going slowly and the

brakes responded perfectly to the driver's prompt use of them as the little lad suddenly darted in front of the truck. The truck stopped almost instantly but it was impossible to avoid hitting the little fellow. The driver hurried the boy to the hospital but it was found the child was not seriously hurt. The youngster is a son Mr. Fishman, 52 Third avenue. The incident has a double moral:—the necessity for keeping children off the busy streets, and the equal necessity for careful driving. It was only the good brakes and the careful driver that avoided a serious accident in this case.
