Senior Baseball Here Again Next Wednesday

Wednesday of next week, July 23rd, there will be another attractive baseball match on the athletic grounds, Timmins, between the McIntyre and Kirkland Lake teams in the Temiskaming Baseball Association series. This will be the first game in the second half of the schedule. The first half of the schedule is not yet decided, there being a postponed game to play yet. The teams did not play at Kirkland Lake yesterday as on schedule, the Kirkland Lake grounds not being available on that occasion, being taken by Lottridge Shows for all this week. Lovers of baseball should make a special note of the game on Wednesday of next week as it promises to be a good ball game. Interest is reviving here in baseball, and if the fans want good baseball they can express this desire by large attendance at the good ball games played here.

The many friends in town of Mrs. M. Hobson, Maple street, north, will greatly regret to learn that she was stricken with paralysis on Sunday and has been very seriously ill since. Her daughter, Miss Gladys Hughes, who was away on holidays, was telegraphed for and had to return to town on account of the serious illness of her mother. At the time of writing, Mrs. Hobson is still seriously ill.

Story of Discovery of Hollinger is Available

In a recent issue of The Halleyburian there was an article that might leave the impression that with the passing of Geo. T. Smith, of Halleybury, accurate and first-hand information in regard to the discovery of the Hollinger mine might not be available. The late Geo. T. Smith was mining recorder at the time of the staking of the Hollinger and no doubt he had much information from the late Mr. Hollinger and from others as to the story of the finding of one of the greatest gold mines in the world. The late Mr. Smith had intended to write out in detail the full story of the Hollinger mine and its discovery, but he died before he realized this ambition. The story from the pen of Mr. Smith would undoubtedly have been most interesting and informative, but it may be said that it is an altogether wrong idea to believe that the death of Mr. Smith has taken away all chance of the story being written correctly and from inside knowledge. The Halleyburian is very far astray in saying that "now there will never be known the exact facts in connection with the start of the Hollinger, as it is doubtful if there is another man so well conversant with the circumstances." As a matter of fact there are several living who knew the complete story of the discovery of the Hollinger and

are fully conversant with the circumstances. For instance, there is Alex Gillies who was with the late Ben Hollinger at the time of staking of the Hollinger property and who for many years was a close friend of the late Mr. Hollinger. No one is in better position to tell the story of the finding of the Hollinger mine and all circumstances connected therewith than Mr. Gillies. Some years ago Mr. Gillies gave The Advance a very interesting and complete account of the discovery of the Hollinger and the starting of the big mine. This was published at the time and among those who were specially interested in this first-hand account, given by a man who was on the spot at the time, and also in the confidence of the discoverer, was Geo. T. Smith, of Halleybury, who would no doubt have quoted very copiously from the story by Mr. Gillies had the proposed plan to write an account of the Hollinger property been carried out by Mr. Smith. Several members of the Hollinger family are also well able to give the inside facts in the case, knowing the story completely. Mrs. Walter Richardson, of Timmins, is a sister of the late Ben Hollinger, and to her was told in detail the facts about what is now a world-famous gold mine. John Hollinger, of Swastika, is a brother of the late Ben Hollinger, and probably there is no one who is more conversant with the true story than he is. There has

Presentation by Women of Mooseheart Legion

A pleasing function took place in the Moose hall, Fourth avenue, last Friday afternoon when the members of the Women of Mooseheart Legion held an afternoon tea in honour of their Regent Mrs. H. E. Shippam, who left on Monday to take up residence in Iroquois Falls. Mrs. Shippam was the recipient of a handsome present from the members of the lodge in recognition of her good work for the order and as a mark of their regret at her departure. Many expressed their kind wishes for Mrs. Shippam's prosperity in her new sphere and a dainty luncheon of tea and cake was served. Mr. and Mrs. Shippam have taken over the catering department at the Iroquois Falls hotel, and will remain there in future. been an idea grow up recently that the late Ben Hollinger had few, if any living relatives, but this is far from the case. In addition to the brother and sister, mentioned above the brothers and sisters of the late Ben Hollinger include:—Chas. Hollinger, of Fort William; Mrs. W. W. Dunn, of the Creek Michigan; and Anthony Hollinger, of Pembroke. In the family there are a number of children, so the name of Hollinger is not likely to run out, nor is the true story of the great gold property liable to be forgotten.

NOTABLE DANCE EVENT FOR SOUTH PORCUPINE HOCKEY

Many Social Events at South Porcupine. Connaught Young Lady Wedded at South Porcupine. Other News from South Porcupine Correspondent

South Porcupine, July 16th, 1930. Special to The Advance. Although in the deciding game of the first half of the Junior Baseball schedule played at Timmins last Friday, the Timmins boys took Dome to camp, the game was an exciting one for the fans. Tommy Parsons of the Dome, pitched great ball until the last of the fifth. Then he was replaced by Leng who did very good work considering the poor support he got from his team. Leng, of Dome and Godin of Timmins were the home-run artists. Master Walter Lang, of the Dome Extension celebrated his fifth birthday on Saturday, July 12th, by inviting a number of young friends in for a party. Born—On Thursday, July 3rd, to Mr. and Mrs. R. Rickward—a daughter. Mrs. Hamar Disher and children are leaving this week to have a vacation at the home of Mrs. Simpson at Shillington. Mr. H. Sullivan and his sister, Miss Anna are on a motor trip to Gravenhurst and other southern points. Mr. and Mrs. Norris Howie and son, also Master Neil Reamsbottom, of Kirkland Lake, are visiting friends in camp. Mr. and Mrs. Stan MacPherson are the guests of her mother, Mrs. Jones. Mr. W. Brooks has returned from a holiday at North Bay. Mrs. Brooks is remaining for a longer vacation in the South. Mr. Frank Hamilton, accompanied by his son, Earl left last week for a prospecting trip in Thunder Bay district. On Thursday morning, July 10th, Miss Winnifred Saurial, of Connaught, became the bride of Mr. Jack Aiken, of the March Gold Mines, South Porcupine. The nuptial knot was tied by Rev. Father Caulfield of Timmins. The bride's sister Mrs. Harvey, of Connaught, was matron of honour, while Mr. William Dixon, of South Porcupine, supported the groom. The bride was gowned in a blue ensemble suit. After the ceremony a sumptuous wedding breakfast was served at the home of Mrs. J. Clement. The happy young couple later left for a wedding trip to Almonte and other points south amid the best wishes of a host of friends in which we join. On their return they will reside in the house at the Paymaster lately occupied by Mr. and Mrs. R. Vary. The tax notices will be out at any time now in Tisdale, as they are being worked on day and night at the office. Mr. Hugh Sutherland, of Toronto, is a visitor in camp. Born—On Saturday, July 12th, to Mr. and Mrs. Wilfred J. Deacon—a son. Mrs. Carlson and daughter, Augusta, have left for Sudbury while en route to Toronto. During their stay here many delightful evenings were given in their honour, and also for Miss Dorothy Clark, a visitor in town. Among the hostesses entertaining were Mrs. Maxwell Smith where Mrs. Johns won the prize for bridge and Mrs. Carlson the guest prize. Mrs. W. W. Wilson entertained at bridge also. Mrs. J. McCaffrey, of the Dome, was hostess at a dainty bridge where Mrs. D. MacPhail won the first prize, a beautiful vase filled with paeonia blooms. Mrs. D. MacPhail was also one of those giving a bridge party in their honour. Mr. Don MacIntosh, of Rouyn, is a guest at the home of Mr. Edward Richardson. Miss Helen Michaelson has returned to Toronto and Miss Martha to New York. We are glad to congratulate our little townswoman, Miss Mary McIntosh, on successfully obtaining her musical examination in elementary theory given in connection with the Toronto Conservatory of Music. Mary is doing exceptionally well in her music for one of her age, being only in her twelfth year. She is also one of those who are anxiously awaiting the High School entrance examination results.

Several Liquor Cases at Police Court Here

Liquor cases predominated in police court here this week. Five different charges under the Liquor Control Act were adjourned for a week, two of them being provincial cases and the other three town cases. A charge of keeping liquor for sale against a man living at the back of Fourth avenue was dismissed. A woman on Birch street, charged with having liquor without a permit, was dismissed. The bottle found in her house when the police raided the place was not analyzed previous to the case and so the lady was given the benefit of any doubt there might be as to whether it was beer or not. For having a dog at large a man living on Cedar street, north, was fined \$2.00 and costs. A charge against the same man for not having his dog tax paid was withdrawn. The charge against a Balsam street man for having his horses at large was adjourned until called upon. Drinking in a public place cost one man \$25.00 and costs. Having cows at large cost one woman \$2.00 and costs. A charge against an Ansonville man for speeding was withdrawn on his paying the costs of the court. Driving without an operator's license resulted in a fine of \$10.00 and costs. A man accused of speeding on the Schumacher road paid \$10.00 and costs. In juvenile court there were seven boys from 11 to 15 years of age charged with theft, some of them being accused of robbing a freight car. Another boy was charged with receiving stolen goods, but the case against him was dismissed. Two of the boys were convicted of the theft of \$8.00 from a house in town. Their parents had to return the money and pay the costs of the court. It cost each of them \$16.50. Three of the other lads were required to pay \$3.35 each. The cases against the remaining two lads were dismissed.

SOME GLASSY SOFTBALL MATCHES AT SCHUMACHER

Mr. and Mrs. H. E. Shippam Leave Schumacher for Iroquois Falls. Evening Service at Schumacher Church for Month. Other Schumacher News Items. Schumacher, Ont., July 16th. Special to The Advance. Owing to the summer vacation there will be a change in the usual church services held in the Trinity United Church. Commencing on Sunday next July 20th, there will not be any services on Sunday mornings during the next month. The Rev. Summerell will conduct services at South Porcupine, in the mornings. Evening services will continue as usual at Schumacher. On Wednesday evening of last week the softball fans had another real treat and fine exhibition of softball when, always on the alert, The C.G.I.T. girls. This proved to be a hard task to McIntyre girls. Pitcher Dorothy Innes and her fielders were full of pep and always on the alert. The C.G.I.T. girls opened the score with two runs in the first knock. McIntyre came next and went one run better making three but soon found that things were not going to be all easy for them and found that the pitcher was hard to beat. Some smart fielding was also witnessed by the C.G.I.T. girls. Margaret McKay pulled off a couple of nice catches at centre field and Mary McDonald held a hot one on third, making a total of three strikers out for five balls. The Macs eventually rolled home two more runs, whilst the C.G.I.T. girls made their total to 11 and the game ended 11 to 5 in favour of the C.G.I.T. Mr. and Mrs. James Prentice and family left on Sunday on a motor tour to Pembroke and to places in Hastings County. Mr. George Leck, son of Mr. and Mrs. W. G. Leck, of Park Drive, left on Monday for Sudbury to spend his summer vacation. The regular monthly meeting of the Ladies' Auxiliary met on Wednesday evening of last week at the home of Mr. and Mrs. D. C. Cotcher, of Second avenue. During the evening they presented to one of their most valuable members, Mrs. H. E. Shippam, who has been a very valuable asset to them for many years, a very fine flower stand in token of their appreciation for her good services rendered to them and the church. The presentation was made by Mrs. W. G. Leck, president of the Ladies' Auxiliary, and she extended to Mrs. Shippam best wishes from the ladies. The McIntyre softball league softball fans saw a real fight on Friday evening when No. 5 Shaft met the ball players from No. 11 Shaft. This proved to be one of the hardest fights seen in the league as yet. The miners from No. 5 were extended at the last, the scores being 14 to 13 for No. 5. Mr. and Mrs. M. B. McPherson, formerly druggist here, is visiting town and renewing acquaintances. The Junior baseball team gave a very nice exhibition here on Saturday when they played an all-star team and after a hard and fast game proved worthy winners by ten runs to nine. Mrs. Leck accompanied by her daughter and son-in-law, has been visiting the home of her son, Mr. W. G. Leck, at Park Drive, during the weekend and left on Sunday by motor for their home in Sudbury. The miners from No. 5 Shaft had an easy win on Tuesday in their league game with the Surface team and ran out easy winners by 18 runs to 8. Messrs Laurin and Carl Prentice accompanied by Mrs. Prentice returned to town during the week-end from Pembroke and other places down east where they have been spending a very pleasant two weeks' motor tour. We are proud to congratulate the Excelsior Softball club upon their excellent success at Iroquois Falls on Saturday last. They were not only the proud winners of their softball game, but they came away with some of the best prizes put up for the sport. Their game of ball proved to be full of enthusiasm, but the Falls girls found that the girls from the mining camp could sure play ball, and they were defeated by 4 runs, the final score being 17 to 13 in favour of the girls from the mining camp. Miss Violet Kennedy left on Sunday for her home in Pembroke. She will shortly take up a position in Hamilton. Miss Kennedy having been in the camp for some considerable time has made many worthy friends who will miss her. She has taken a great interest in the United Church here, being a member of the choir for some time. She was presented with a very useful present on Friday evening by the choir in recognition of her services rendered. We all wish her every success in her new home.

Pretty Wedding at the Church of the Nativity

A pretty wedding took place at the Church of the Nativity, Timmins, on Monday, July 16th, 1930, when Miss Jettie Brennan and Mr. George Gauthier, a popular young couple of the district, were united in the holy bonds of matrimony, Rev. Father Caulfield, officiating. The bride looked charming in a dress of ivory brocade silk, with bridal veil and wreath of orange blossoms, and carried a bouquet of pink butterfly roses and lilies-of-the-valley and maidenhair fern. The bridesmaids were Mrs. Vatchoff, sister of the groom, who was dressed in pink flowered chiffon voile with black picture hat, and Miss Janie Whitlam, who wore pink georgette, with black picture hat. Their bouquets were rose pink carnations and maidenhair fern. The train bearers were Misses Annie Jopson and Kathleen Wilkinson, who wore white silk dresses and hats to match, and carried baskets of sweet peas and maidenhair fern. The groom was attended by the bride's brother, Mr. J. Brennan. The groom's gifts to the bridesmaids were brown leather handbags; to the train bearers, signet rings, with initials engraved; and to the best man, gold cuff links. The wedding breakfast was served at the home of Mrs. John Whitford, 37 Messines avenue, the bride's aunt. In the evening a reception was held at the Hollinger hall where about one hundred invited guests sat down to a delightful lunch. The young couple were the recipients of many beautiful and costly gifts and showers of good wishes. They left on Tuesday for the south by motor car on the wedding tour. On their return they will take up residence at Kirkland Lake. Mr. and Mrs. Geo. Gauthier are well-known in the town and district and have made hosts of friends here who will extend to them the sincerest good wishes for happiness and the best of good luck in life.

MRS. WM. BORLAND, TIMMINS, DOUBLY BEREAVED RECENTLY

Word was received here last week that Mrs. Wm. Borland's brother, Ernest Shier, had passed away at the family residence in Toronto. This is the second sad bereavement that Mrs. Borland has suffered this month, her father having passed away on July 1st. The sympathy of all will be extended to Mrs. Wm. Borland in her double bereavement. quickly and pleasantly. Miss Pearl and dancing made the evening pass Kennedy won first prize in bridge, Mrs. Don Eames the second, Mr. R. Murphy won gentlemen's first and Mr. J. Gordon second. On Wednesday, July 9th, little Miss Marjorie Fera gave a pajama party to a number of girl friends in honour of the birthday of Miss Chrissie Robertson. A jolly time was spent at the home of Mrs. J. Fera where the event was held. Her many friends will be pleased to know that Mrs. Butler, of the Dome Extension, is progressing very favourably at the Porcupine hospital. Mrs. Andrew Woods is in Toronto for a medical operation. Mr. and Mrs. R. MacFarlane, of Detroit, are on a motor holiday at the home of the former's mother at the Foley O'Brien. Mrs. Robert Bowes entertained at a five hundred party on Monday evening last in honour of Mr. and Mrs. MacFarlane, of Detroit. Miss Lily Ringstad is spending a month's vacation with friends in Toronto.
