The Women's Institute at Porquis Junction

The regular monthly meeting of the Porquis Junction Women's Institute was held at the home of Mrs. J. E. Woodall.

Discussions were held upon various matters, including the District annual meeting of the Women's Institute held in Porquis Junction. Also, the revising of the prize list for women's work for the fall fair.

The road leading to the cemetery being in a bad state and needing repairs it was decided to write to the minister in charge of roads in the North asking for this to be attended to as soon as possible.

On August 7th a social afternoon will be held at the home of Mrs. F. Swayne, and it is hoped that most of the women of the community will attend and that the membership of the Women's Institute of Porquis Junction will be greatly increased.

ENGLISH COMPANY OPTIONS PROPERTY NEAR MATHESON

The Halleyburian last week says:—A deal for a mining property was completed late last week, whereby an English company is taking over two lots near Matheson, on which some discoveries of gold had been made. The property lies seven and a half miles north-east of the town and consists of veteran lots owned by C. N. Purvis, of North Bay, who has done some surface prospecting and has some really good assays of samples. The company has taken over the property under option for the price of \$50,000, the payments being spread over two years.

Quinte Sun, Trenton:—The orderly sergeant was making his tour of the dining-rooms. "Any complaints?" he boomed. "This Irish stew's funny," grumbled one brave soldier. "Oh, is it?" barked the sergeant; "then why the deuce ain't you laughin'?"

SUGGESTS SPORTS JOIN IN BIG DAY AT KAPUSKASING

Proposal for Special Train to Kapuskasing Farm Endorsed. Think Sports Day Would Assure Big Crowd at Northern Centre.

Some weeks ago The Advance urged the T. & N. O. to arrange for a special train from Timmins to the big annual day at the Kapuskasing Experimental Farm. In past years farmers and others from Cochrane west have greatly enjoyed and profited by this annual outing to the Experimental Farm at Kapuskasing. From points south of Cochrane, however, few indeed, have been able to arrange to take in the outing, on account of the train service. The Advance in its recent reference urged that the T. & N. O. run a special train from Timmins so that people from the Porcupine camp, the Troquois Falls and Matheson districts and other points in this area might be able to enjoy the remarkably fine outing referred to. The Dominion Experimental Farm at Kapuskasing is one of the best farms of its kind in Canada and it shows in the clearest way the possibilities of this North in agricultural matters. It is conducted in practical way and is in charge of a man who not only knows farming and allied lines from A to Z, but who has lived so many years in the North and been an active farmer in this country so long that he may be said to know both the North and the farming game in this country to perfection. No settler in this country should miss visiting the Kapuskasing Farm. It will be a profitable and pleasant visit. In addition to the settlers, all of whom would be advantaged by a visit to the farm where they would be sure to learn much that will help them in their struggles, it would seem that literally hundreds of other people in all walks of life would find a visit to Kapuskasing of particular value and interest. The farm alone is worth a visit by anybody interested in the North Land and its development. And then there should be no one who is not interested in the town of Kapuskasing, whose progress in the past few years has been phenomenal. The new paper town, it may be said, is even more attractive than the famed beauty spot of the North, that other paper town, Troquois Falls. The hotel, hospital, club house, and other remarkable permanent structures in Kapuskasing, to say nothing of schools, churches, etc., are well worth a visit from anyone who is interested in the North. On several occasions The Advance has referred to the genuine wonders of Kapuskasing and expressed the regret that everyone in the North could not see this great little town. For these reasons The Advance thinks it would be of general advantage to the North to run a special train from Timmins to Kapuskasing for the annual Farm Day there. There is no one to make the ordinary guarantee required for a special train. Why not have the T. & N. O. take a chance and run the special just as a booster for the North. A reduced fare for the occasion would be near sure to draw a big enough crowd that the special train would not lose anything material.

The editorial note in The Advance recently brought a letter from Mr. Ed. Stephenson, editor of The Northern Tribune at Kapuskasing. The Advance is publishing herewith Mr. Stephenson's letter:—

"Your editorial comment in this week's Advance, received today, anent running a special train to Kapuskasing Experimental Farm from Timmins, is a very good one, and I hope to comment on it in the Tribune next issue. I am writing this note because a possibility suggested itself to my mind, which you can treat in your way if you think it has merit. I mentioned it to a community club official, and he thought it could be worked out advantageously. The idea is this: why not arrange to have a crowd of sports fans come up on the proposed special train from Timmins (picking up Cochrane folks en route as well) and bring along football, baseball and softball teams to play here, while those agriculturally-minded took in the Experimental Farm? That would ensure a large enough crowd to justify running the special train at a low special fare, with no possibility for a fizzle financially, and would accommodate many people in Timmins who have wished to visit this town. I am led to believe that the club officials will promptly set about arranging a good sports programme for the day if this can be arranged, and no doubt Superintendent Ballantyne would also be quite agreeable, if in fairness to him it could be managed that none of the sports fans would go to the farm for the free dinner! He might be swamped, and I imagine the Agricultural Dept. would not care to meet such an expense, if that possibility had to be faced. One way might be to drop off the coaches of sports fans at the station, and take the coaches of farmers and their friends on to the Farm crossing. These things could be worked out, I'm sure. If it is desired to make such an arrangement, it seems that the request for the special would have more weight if it came from Timmins, so I am writing this hurried note in order that you may start the ball rolling if you approve the suggestion. Probably the lawn bowlers here would be only too glad to entertain Timmins lawn bowlers with impromptu matches (loaning them bowls); then our Rod and Gun Club might act similarly with your trap-shooters, tennis the same; and so on. The thing could be worked up into a gala day of fullest enjoyment for a large crowd. Possibly Kapuskasing's civic holiday would be the best date.

Have You Seen the New Combination Coal-Electric Range of Outstanding Merit?

It can also burn 22" wood. The fire box is designed for burning coal or wood, and is of the oval type. The porcelain enamelled electric oven is in the lower position, while the coal oven with adjoining warming closet is in the elevated position. The complete range is constructed with "H bolts and door hinges concealed. Your old stove will be taken as a part-payment on this new one. Second-hand Baby Carriages, repainted to sell from \$8.00 to \$12.00 and a special 20 p.c. discount on all new ones. Paints, Furniture, Crockery, Screen Doors, Water Hose, Refrigerators, etc., etc.

WINNERS OF PRIZES AT THE ODDFELLOWS' PICNIC

Event at Bayside Beach on Wednesday, July 16th was a Pleasing Success. List of Prize Winners in the Various Events.

As noted briefly in The Advance last week the sixteenth annual Oddfellows' picnic held on Bayside Beach, Barber's Bay, on Wednesday, July 16th, was a very complete and pleasing success. The train service is most convenient and of course much use was made of motors for getting to and from the picnic grounds. There was a good attendance and everybody enjoyed the day. There was no rain during the day and the day proved to be a perfect one for a picnic. Bayside Beach again proved an ideal place for picnic purposes and all present on this particular occasion will vote that the sixteenth annual picnic was the best yet.

There was a large and interesting programme of sports, athletics, games, etc. The following is a list of the events, prize winners, prizes, etc.:

- Boys, 5 years and under, 1st, Tom Miller, sail boat; 2nd, G. Smith, sail boat; 3rd, Leo Miller, sail boat.
- Girls, 5 years and under, 1st, O. Wurm, ball; 2nd, N. Christie, ball.
- Boys, 7 years and under, 1st, L. Chambers, small glove; 2nd, S. Harwood, flier boat; 3rd, B. Turcote, small bat.
- Girls, 7 years and under, 1st, K. Hill, embroidery set; 2nd, M. Harris, book; 3rd, M. Miller, book.
- Boys, 9 years and under, 1st, E. Lampkin, soft ball; 2nd, D. Coustie, flier boat; 3rd, L. Lampkin, sail boat.
- Girls, 9 years and under, 1st, T. Chambers, embroidery set; 2nd, T. Eyre tin candy; 3rd, L. Best, bottle candy.
- Boys, 11 years and under, 1st, J. Munroe, softball; 2nd, C. Eyre, baseball; 3rd, T. Barnett.
- Girls, 11 years and under, 1st, M. Jones, work basket; 2nd, M. Wilson, pencil box; 3rd, V. Miller.
- Boys, 13 years and under, 1st, L. Besley, softball; 2nd, D. Lawley, baseball; 3rd, J. Jones.
- Girls, 13 years and under, 1st, E. Prest, work basket; 2nd, T. Wilson, pencil box.
- Boys, 15 years and under, 1st, C. Train, softball; 2nd, H. Varcoe, baseball.
- Girls, 15 years and under, 1st, A. Eyre, manicure set; 2nd, T. Wilson, A. Wilson, tennis racket.

Rebekah's race—1st, Mrs. Mills, candlesticks; 2nd, Mrs. Wills, salt and pepper shakers.

Wheelborrow race, 1st, M. Varcoe and C. Train, 2 catcher's mitts; 2nd, D. Lawley and T. Jones, 2 large bats.

Girls' three-legged race, 1st, A. Eyre and N. Eyre, 2 manicure sets; 2nd, E. Prest and M. Jones, 2 tennis rackets. Married ladies' race, 1st, Mrs. Harris, cup and saucer; 2nd, Mrs. Mills, salt and pepper shaker.

Thread-the-needle race, 1st, M. Lawley and Mrs. Wills, jugs; 2nd, Mrs. Lampkin and Mr. Varcoe, cup and saucer.

Boys' boot race, 1st, Ed. Varcoe, catcher's mitt; 2nd, M. Varcoe, large bat.

Rolling Pin throwing, ladies, 1st, Mrs. Harris, cup and saucer; 2nd, Mrs. Thomas, salt and pepper shakers.

Rolling Pin throwing, gentlemen, 1st, F. Wills; 2nd, Levinque; 3rd, Carveth. The rolling pin contest roused special interest and amusement and added much to the fun of the day.

The softball game between Timmins and South Porcupine was won by the South Porcupine Oddfellows with a score of 13 to 11.

It is not yet fixed; but if it should be set for Monday, Aug. 4th, commemorating Britain's entry into the war, we could cap the climax by having our local veterans entertain all visiting veterans. These are hurried, extemporaneous suggestions for your consideration."

If there is sufficient time this year to work out Mr. Stephenson's suggestion, the idea certainly appears to be a good one. In case the time is too short for his more ambitious project, The Advance would still favour the special train idea. If there were a special train the sports idea might develop of itself. The Advance invites those interested in sports to consider the plan. It might save time if they would get in direct touch with Mr. Stephenson about the matter. In any event a trip to Kapuskasing would be well worth while and The Advance would like to see as many as possible, settlers and others, from this district, take the trip this year. What about it, sports fans and players?

DEATH OF MRS. W. SPENCER AT KIRKLAND LAKE HOSPITAL

The Northern News last week says: "The death took place at the Red Cross hospital, Kirkland Lake on Monday last of Mrs. Walter Spencer a well known and esteemed resident here for the past four years. She had been ill with blood poisoning only a few days, as a result of infection from a mosquito bite. Mrs. Spencer, who before her marriage was Edith Blanche Stuckey of Cobalt, leaves to mourn her loss her husband, two children, Margaret aged 13, and Buddy aged 6, three brothers, Vincent Stuckey, of Silver Centre, Harry and George of Timmins and two sisters, Mrs. A. Williams of Halleybury and Mrs. E. Williams, of Windsor. Deceased was a member of the Rebekah Order, who held a short service at her late home prior to the funeral service at St. Peter's Anglican Church on Wednesday, at which the Rector, Rev. E. Dymond gave a comforting discourse to the many friends and relatives of the departed one."
