SCHUMACHER MAN HIT BY AUTO AND NOW IN HOSPITAL

Matt Varutich was knocked down and injured by a motor car on First-avenue Schumacher, on Sunday afternoon. He was badly bruised and also was injured about the head. His injuries while painful are not believed to be serious. He was given treatment by

Dr. Byers and then taken to the St. Mary's hospital, Timmins. He is making excellent progress to recovery, stopped to avoid being hit by a truck. Unfortunately, he got in the way of a passing car and was knocked down. The prompt stopping of the car no doubt saved him from more serious injury.

RAFT OF PEELD PULPWOOD VALUED AT FIFTY THOUSAND

A raft of peeled pulpwood, containing 3,800 cords and valued at between \$40,000 and \$50,000, was brought to Port Arthur last week in tow of the tug, A. B. Conmee. The pulpwood is to be stored in booms at Port Arthur until loaded aboard vessels to be transported to the United States. The pulpwood is owned by the Hammermill Paper Co. It is said to be the most valuable raft of wood ever towed into Port Arthur.

Miss D. Tilley, Reg. Nurse, has returned to her home in Timmins after being at Matheson hospital for the past three months.

SOUTH PORCUPINE SHOWED MUCH INTEREST IN BIG SWIM

Visitors to and From South Porcupine During the Past Week. Other Items of Interest From South Porcupine Correspondent.

South Porcupine, July 30th. Special to The Advance. Miss Evelyn Miller, of Ansonville, is the guest of her aunt, Mrs. F. Young, of Connaught Hill.

Mr. and Mrs. Harry Owens of Toronto are renewing acquaintances in town.

Mrs. J. Hanneberry and children are holidaying with her mother at Noranda.

Mrs. L. Tieg, of Detroit, and her daughter, Esther, returned home on Tuesday after a pleasant sojourn with her sister, Mrs. D. A. MacLeod.

Messrs Billy Capyk and Casimir Bezpalko are on a motor trip to Sudbury and other points in the South.

Much comment has been made around camp about the celerity with which the steel frame and water tank at the Dome mill was put up last week. It seemed to many that it sprang up like a mushroom over night. One day it wasn't there, next day it was. This tank is as an added protection in case of fire. Even if something went wrong with the pumps, water would be available from there.

Mrs. T. E. Cahill and two children, also Eleanor Cunningham, left for a week for Campbell's Bay, Quebec, for a vacation.

Miss Lothian of Kapuskasing was the guest of Mrs. Hepburn over the week-end.

Miss Marion Myers accompanied her cousin, Doris Miller, back to Charlton for a vacation there.

Mrs. Alex McKenzie died at the Porcupine Presbyterian hospital on Sunday morning, July 27th, after a long illness. She was buried on Tuesday. The late Mrs. McKenzie has been a resident of South Porcupine since the pioneer days of the camp. She was fifty-seven years old and was born in Ross-shire, Scotland. Besides the husband, the only other relative here is a niece, Mrs. R. Adamson of Schumacher.

Perfect weather favoured those who were interested in the Big Swim on Sunday. It was so hot that those in the water were by all means the most comfortable. Quite a throng gathered at the wharf in South Porcupine to see the start of the two-mile swim across the lake. Mr. Karl Eyre, of Timmins, was master of ceremonies. Among those who lined up with their accompanying boats were: Jim Burns, accompanied by Joe Thomas; Jack Gauthier, by his father, Mr. Gordon Gauthier, of Timmins; Red Gilbert, of Schumacher, by the Calverly boys of the same place; Fred Elphick, of Timmins, accompanied by his brother, Jack; Boreck Levinson, of South Porcupine, by the Varker boys, South Porcupine; Studor, of Timmins, with his brother from there, and L. Sargent, of South Porcupine, in his boat; Stewart Dewar, of Timmins, with Wadsworth and Dominiac accompanying; "Happy" Woods, of Schumacher, got a boat and got into the race in the last four minutes.

When the gun was fired Jack Gauthier got away to an easy lead but before they were out of sight of the watchers at the dock here Boreck Levinson was leading. Jim Burns, whose win was so popular with the people of South Porcupine, did not come into the picture much till well on his way across the lake. But Jim is a born athlete with all kinds of stamina and with proper, systematic training there are many here who insist he could go a long way both in winter and summer sports.

There was an immense throng over at Golden City Beach to witness the finish of the race also the half-mile for ladies, and the men's one-mile race. The ladies' race finished just before the human fish from across the lake commenced to come in. Miss Anne Scott, of Timmins was an easy first, while Miss Margaret Lloyd, of the Dome Pumping Station, South Porcupine, and Miss Armstrong of Florida, put up a real battle for second place. Miss Lloyd winning third. Miss Armstrong coming third. Miss Lloyd's win was all the more creditable in view of the fact that she had cut her foot on some glass the night before, giving it a gash that reached up the side, well toward the ankle. She is only fourteen, her fifteenth birthday not coming until October. She said she was not at all tired, only that her sore foot bothered her after the swim. Her mother accompanied her in a boat.

Jim Burns came first in the two-mile race with Jack Gauthier in a close second. Then some time elapsed before fifteen-year-old Fred Gilbert came in as third. Jim Burns came off the pier as fresh as if he had just been having a morning dip and entered again in the one-mile race, coming second, while Gordon Gauthier eldest son of Mr. Gordon Gauthier, of Timmins, came first. Mr. Hinckes, of the McIntyre Mine, Schumacher, came third. The Porcupine Goldfields band was present and their music added much to the enjoyment of the day. After the swim Col. Scobell presented the various cups and prizes to the winners. He first thanked the band who gave their services gratis, and also expressed appreciation of the large number of people present. The event passed off very pleasantly with no hitch of any kind and the throng present felt that thanks were also due to the promoters of the swim.

Residents here were very much pleased with the standing won by Kenneth Myers and Jack McInnis in New Liskeard at the training camp of the Algonquin Rifles both having obtained their first-class badges in musketry practice. Ken took a particularly high mark in his target practice.

LAKE SHORE TAKES GAME IN CHARITY CUP FOOTBALL

Visitors Won Here on Saturday with a Score of 4 to 1 Against the Cornish. Return Game at Kirkland Lake on Saturday of This Week.

On Saturday last at the athletic grounds, Timmins, the Lake Shore team of Kirkland Lake and the Cornish of town, met in a Charity Cup game, the trophy being the Byrne Cup. After a very exciting game the Lake Shore won out by a score of 4-1.

The teams lined up as follows:— Lake Shore—Whittle, goal; Hughes and Walkinsdean, backs; Rankin, Gregg, Simpson, half-backs; Rudkin, Fernie, McKendry, Manuel and Parsons, forwards.

Cornish—Rowe, goal; H. Tonkin and Hooper, backs; Strong, Hitt and Rice, half-backs; M. Tonkin, Manuel, Salter, Taylor and Doddridge, forwards.

The Cornish pressed at the opening but Rudkin relieved by taking the ball nicely down the wing only to find the Cornish defence on the job and the danger was cleared. Lake Shore maintained the pressure and forced a corner. McKendry scored from a nice centre after a scrimmage in front of the Cornish net. Play then settled down and some good football was in order. Lake Shore worked well in with Rudkin taking the ball down. Rudkin passed to McKendry who scored a lovely back kick shot over his head. This was a clever goal. Cornish were not to be taken down by this reverse and every man played hard with Taylor and Hitt going strong. A little bit of luck would have put them in good shape, but this was not forthcoming. Salter missed a good chance. Manuel shot, the ball rolling across an open net, only to hit the post and roll just outside. Being too eager to score also spoilt chances. Lake Shore then opened up the play and in good combination with Parsons and Manuel went down. Manuel scored a nice goal with a fast shot. Midfield play followed. Rowe made a good save from McKendry's drive and Taylor took the ball down to the Lake Shore net. A penalty was awarded the Cornish. Salter took the kick and scored a nice goal. The half ended 3-1 in favour of Lake Shore.

Cornish opened strongly and the visitors quickly transferred play. Rowe was making some good saves in the Cornish net. Hitt was playing a good game. Fast end-to-end play followed and excitement was running high. The Cornish were trying hard, but could not score. Whittle in goal for Lake Shore was also in form. The visitors took a turn and Rowe was kept busy. McKendry was getting in some nice clever football. The teams were about evenly matched, the heavy and long booting of the ball by the Cornish upsetting the short combination game of the Lake Shore. Hooper tripped Parsons and a penalty was awarded the visitors. Parsons took the spot kick and Rowe made a brilliant save. Soon after McKendry scored the fourth for Lake Shore and in a determined attack by the Cornish the game ended in a favour of Lake Shore by a score of 4-1.

The return game will be played at Kirkland Lake on Saturday and a good game will be witnessed by all attending.

It was with regret that football fans learned of the accident to that popular Lake Shore player, Tommy Ramsay, and all will hope to hear of his speedy recovery.

FUNERAL OF MATTHEW MORIN, FATHER OF A. MORIN, TIMMINS

A. Morin, collector of customs at Timmins, was called to Ottawa last week owing to the death of his father. His many friends in Timmins and district will extend sincere sympathy to him in his bereavement. In referring to the death of Mr. Morin's father, The Ottawa Journal on Monday of this week had the following:—

"Attended by a large number of railway men and friends, the funeral of Matthew Morin, who died on Thursday after 44 years' service with the C. P. R., took place from his late residence, 119 Melrose avenue, to St. Mary's Roman Catholic Church, Saturday morning. Mr. Morin, who was 58 years of age, had lived the greater part of his life in the Capital and was one of the best known locomotive engineers of the railway company.

"The funeral mass was chanted by Rev. Father J. T. Brownrigg, parish priest of St. Mary's, assisted by Rev. Father Nevins, as deacon, and Rev. Father Martin, Edmonton, as subdeacon. Interment afterwards took place in Notre Dame cemetery.

"There were many beautiful floral tributes in addition to numerous spiritual tributes, flowers being sent by the Brotherhood of Locomotive Engineers, sisters of the C.I.A. of the Brotherhood of Locomotive Engineers, employees Nepean yard, J. R. Booth, Ltd., Britannia Boating Club boys, Shamrock Lacrosse Club, employees Post Office Department, ladies of St. Ann, St. Mary's parish, Tabernacle Society, and Bayswater Council, Knight of Columbus.

"Chief mourners at the funeral were five sons, Arthur of Timmins; Taylor, Montreal, and John, Robert and William, Ottawa; one daughter, Retna, three brothers, James, Deschenes, Quebec; Thomas and William, Ottawa, and one sister, Miss Sarah Morin, Ottawa. Mr. Morin is also survived by his widow, formerly Margaret Taylor.

August 17th has been suggested as the date for the annual picnic of the Iroquois Falls and District Motor Club, the proposed place for the picnic being Herman Lake, where the event was held last year.

TWO MOTOR ACCIDENTS AT SCHUMACHER LAST WEEK

Little Boy Dies as Result of Being Struck by Car. Man Injured at Street Sunday. Other News Items From Schumacher Correspondent.

Schumacher, July 30th. Special to The Advance. Mr. and Mrs. L. Waddington, accompanied by their little son, left on Friday for a motor tour in Eastern Ontario before proceeding to their home at Smith Falls. Mr. and Mrs. Waddington have been the guests of Mr. and Mrs. Gordon Cameron, of Third-avenue, for the past week.

On Wednesday of last week the Iroquois Falls Girls softball team were entertained by the C.G.I.T. girls of Schumacher in an exhibition game of softball. There was a good crowd out to see this game and all well pleased by the class of play shown. It was a fine game, full of excitement from start to finish. The girls from the Falls proved to be a pretty snappy bunch and were too good on the day's play for the home team, their pitcher especially being in fine form, only allowing a few hits. Runs for the home team were secured by Mary McDonald and Agnes Robertson. The former hit two homers and a very nice game ended with the score being 7 to 4 in favour of the visitors.

Mr. and Mrs. Jack Fulton and daughters, of Second avenue, left on Sunday on a motor tour to Toronto and other notable places down east.

Two interesting games of softball were witnessed during the week in connection with the McIntyre Softball League. This league is now becoming one of the softball fans' favourites, as there was a good crowd of fans out to root for their favourites. The Engineers by their performance during the past week looks to be the most improved side and should be considered well in the race for the trophy which is being donated by the heads of the various depts. On Thursday they were able to defeat the leaders of the league No. 5 Shaft, by the score of 11 to 7 and on Friday they met and defeated No. 11 Shaft by 19 to 17. They will be on deck again on Thursday of this week, weather permitting, so come out and join in the sport. You will sure enjoy the games. Their worthy opponents will be the Surface team which also has some nice players in its line-up.

On Wednesday of last week the Excelsior softball club attended a picnic at Cochrane and were due to play the Cochrane girls an exhibition during the evening, but they were unable to fulfil their engagement with the girls owing to the late arrival there. The Excelsior Club were however entertained by the Ladies Auxiliary of the United Church there. Games were provided and a most enjoyable time was spent.

A large crowd from Schumacher attended the swimming contest at Golden City on Sunday and most heartily congratulate Mr. F. Gilbert upon his very fine display in the swimming contest.

A serious motor accident occurred here on Saturday evening. A little lad the son of Mr. Steve Polentich, of Fourth avenue, whilst crossing the street, was knocked down by a car and received serious injuries. He was rushed off to hospital, where he died on Sunday.

The Trinity United Church Sunday School will hold their annual picnic on Wednesday of next week, August 6th, at Mr. Wilson's Farm, Golden City. Teachers and scholars will leave the church by car at 1 p.m. All parents are heartily invited to attend. Sports and games will be provided for all.

On Tuesday evening the Excelsior softball club entertained the Ramblers in a league game and were successful in adding another victory to their list, and a most interesting game finished with the scores 13 to 9 in favour of the home team.

Miss M. Lowley, of Timmins, has been the guest of Mr. and Mrs. W. J. Wills during the last week.

Another motor accident occurred on Sunday afternoon. Mr. Matt Vitich of First avenue whilst in the act of crossing the street was hit by a car and thrown some considerable distance. He received injuries to his head and thigh. Dr. Byers was soon on the scene and the unfortunate man after receiving medical aid was taken to Timmins hospital. He is now progressing well and hopes to be back home shortly.

Dr. and Mrs. A. W. M. White left on Sunday for Chapleau, the home of Mrs. White. After a short stay the Dr. will visit his home at Chatham before proceeding to Edinburgh, where he will take a post-graduate course. Dr. and Mrs. White have made numerous friends since they came into the camp some two years ago, and will be greatly missed by all. All their many friends wish the Dr. every success in his further research, also Mrs. White in her new surroundings.

Mr. D. Mainwaring, accompanied by his recent bride, returned to camp last week from South Wales. They have taken up residence at 128 Second avenue.

The following table is the standing of the softball teams in the McIntyre league as on July 26th:

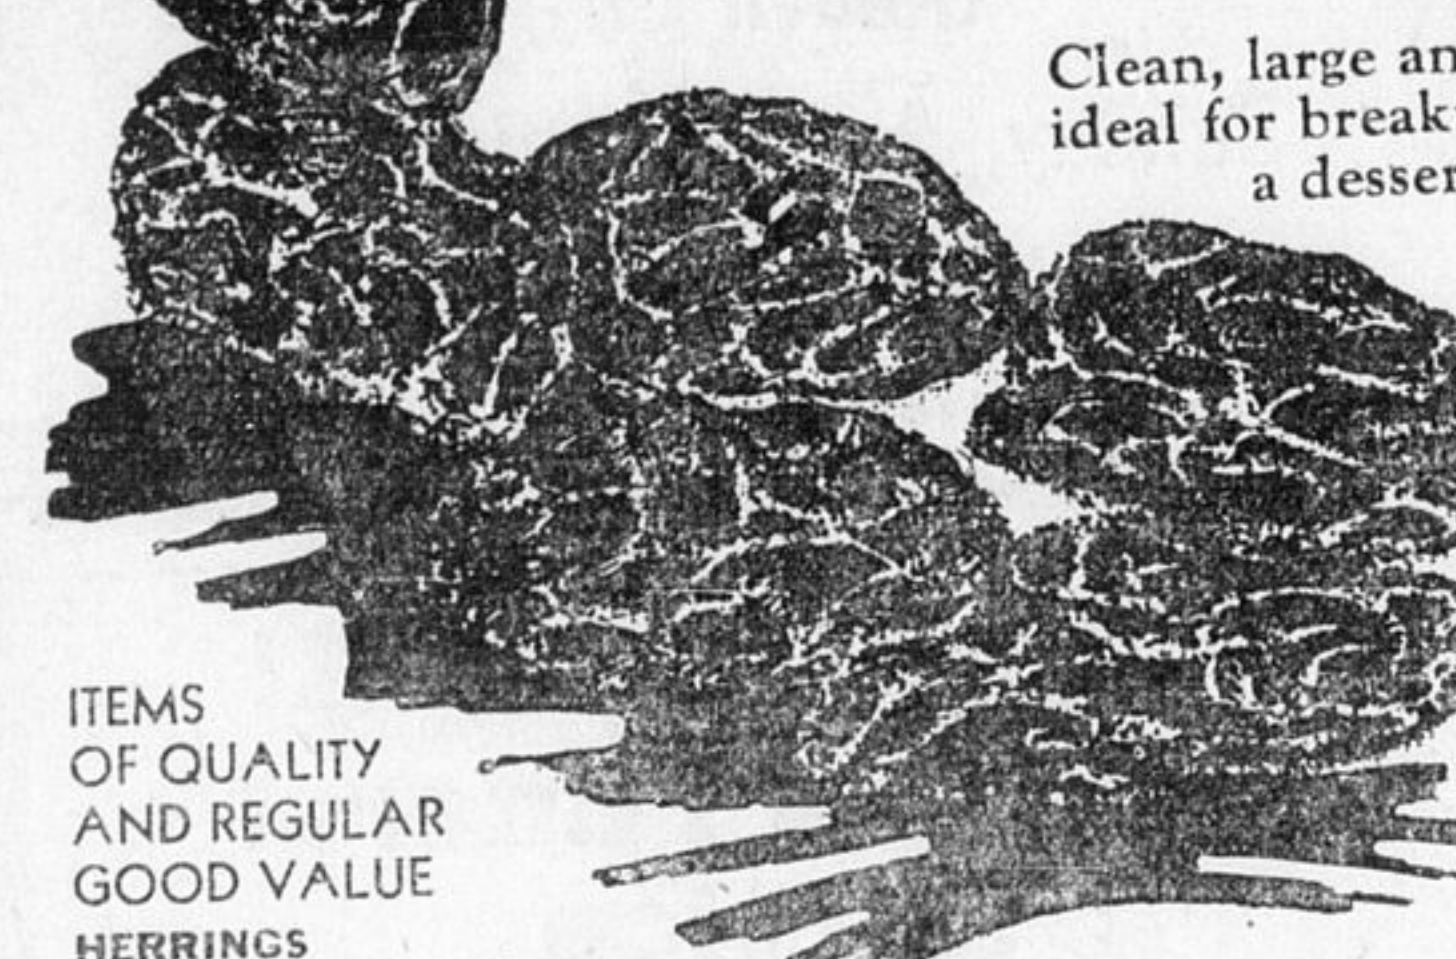

Team	Won	Lost	% Avg.
No. 5 Shaft	4	2	.667
Engineers	3	3	.500
Surface	3	3	.500
No. 11 Shaft	2	4	.333

Mrs. M. L. Prentice and family left last week to spend their summer vacation at her home in Hastings county.

Mr. and Mrs. Alex Shaw, of Windy-Ornt, formerly of Timmins, were the guests of Mr. and Mrs. P. Jeffrey last week.
