Thos. Dodd, Sr., Died Here On Friday Aged 89 Years

Probably the oldest man in Timmins died on Friday morning last, Sept. 12th, in the person of Thos. Dodd, Sr., who passed away at an early hour at the home of his son, Thos. Dodd, 8 Bannerman avenue. At the time of death he was 89 years, 3 months and 7 days. So far as The Advance knows there is no one in town who has reached a greater age.

The late Thos. Dodd, Sr., was born at Heds Hill, Tarbolton, Ayrshire, Scotland, on June 5th, 1841. He came to Canada with his parents when he was only eight years old, and had lived in this province of Ontario for over eighty years. He had been in Timmins for about five years, making his home with his son here.

He leaves to mourn his loss two sons, James Dodd, of Halleybury, and Thos. Dodd, of Timmins, and one daughter, Miss Hannah Dodd, of Kingston, Ont.

The funeral took place on Saturday afternoon at 2.30, the funeral services being conducted at the S. T. Walker funeral parlours by Rev. Bruce Millar of the United Church. The pallbearers were: Messrs L. E. Dorway, H. Kearney, W. W. Orr, F. Murtagh, C. A. Duval and M. Hobson. The floral tributes included:—pillow, from the Dodd family; wreath, from grandchildren; sprays, from Severt family, M. Hobson, and Miss M. Tackaberry. Interment was made at the Timmins cemetery.

The late Mr. Dodd was in good health, considering his great age, until about a year ago. For about a year past he was confined to his bed, but retained the use of all his faculties. He was not widely known in town, but all who had the pleasure of his acquaintance regarded the late Mr. Dodd very highly and regret his death.

V.O.N. Tag Day Brings in Over \$300.00 on Tuesday

The ladies looking after the tag day on Tuesday for the Victorian Order of Nurses had a good day, especially in view of the weather which was wet in the morning. Despite this and other handicaps the ladies collected over \$300.00 in the boxes from the sale of tags. The ladies were pleased with the courtesy given them by the public and the generous response to the appeal. A feature of the day was the fact that when the rain started Mr. John Dalton kindly sent cars to bring home the ladies who were doing the tagging in distant parts of the town. This kindly thoughtfulness was much appreciated.

In connection with the present drive for funds for the V.O.N., there a canvass yet to be concluded of the business section of the town, this canvass to be made by some of the men of the local V.O.N. committee.

NICE TIME AT FAREWELL DANCE TO STUDENTS HERE

The farewell dance in the McIntyre Recreation hall, Schumacher, on Friday evening of last week in honour of the departing college students who had spent the summer in the Porcupine was a notable success in every way. There was a large attendance and the evening was a most enjoyable one, reflecting credit on the promoters and directors and sending the students on their way with very happy memories of the good times spent in the Porcupine. Tommy Stephens and his classy orchestra provided great music for the night and all the other features of the evening were equally pleasing.

Mrs. H. Lawrence and Miss Grace Lawrence returned last week from a motor trip to Cobalt and points south.

Addresses in House of Commons by Mr. Bradette

During the past week J. A. Bradette member for this riding in the House of Commons, made two addresses in the House. One reproduced in greater part in this issue was a rather lengthy one, while the other one, delivered last Friday was a much shorter one. The latter address will appear in The Advance next week as it has many points of interest warranting its reproduction in full. From the standpoint of the people of this riding the Friday address is by far the more important yet it has received little attention. The longer address on Thursday last was given more space in some of the newspapers than the more valuable one of the following day. The reason for this was that the Thursday address suggested that there had been some impropriety here in the expenditure of road money by the province during the past Dominion election, and that the Government should be held accountable for private correspondence. It would be just as much to the point to suggest that the new post office building was no more than a plan to bribe this town. Also, it may be hoped that no one will read out in the Legislature all the correspondence, private, as well as official, that may have been written before and after the post office was built, because an equally erroneous impression might be created. Mr. Bradette had these letters, or knew of these letters, at the time of the election campaign here some months ago, and he failed to use them here and then when they could have been dealt with in full. Perhaps Mr. Bradette felt that even if the letters were bona fide the methods by which they became party property were not such as to make anyone feel particularly proud. Mr. Bradette's friends will be inclined to regret that part of his address last week.

Bank Seeks Return of \$600 Said to be Overpaid

The case against Ludwig Johnson, who is alleged to have received \$600.00 more than he was legally entitled to from the Imperial Bank, was again before the police court here yesterday. The case was adjourned until this afternoon when argument will be made before the magistrate. G. H. Gauthier has been representing the bank, and A. C. Brown is appearing for the defendant. According to the facts as gleaned from the evidence, Johnson had dealings with the Imperial Bank at Winnipeg and through an error by one of the clerks \$600.00 too much was credited to Johnson's account. Later, the account was transferred to Timmins, and Johnson is alleged to have drawn out the \$600.00 that was not legally his. His attention was drawn to this by bank employees here but he did not return the money. The case accordingly was entered against him. At the court this week the clerk from Winnipeg gave evidence. He told how the mistake occurred. He had called Johnson's attention to the matter and pointed out that unless the
