**SOUTH PORCUPINE ENJOYS SOCIAL AND OTHER EVENTS**

Man Injured in Accident Near South Porcupine Still in Serious Condition. Other News from South Porcupine and the Dome.

South Porcupine, Oct. 28th, 1930. Special to The Advance.  
Miss Eileen Larkin of Kirkland Lake, was the guest of Miss Beatrice Dowzer over the week-end.

Mr. James Armstrong returned from Windsor last week where he had been called owing to the death of his sister, Mrs. Rivers, of that place.  
Mrs. C. Fedeorac left on Sunday for Toronto to undergo an operation at that place.

Mr. R. Bowes, Sr., has left to spend the winter in Arnprior.

The euchre and bridge given under the auspices of St. Joachim's Roman Catholic Church was an outstanding success on Friday evening last. There was the usual large attendance that there is for these affairs. The music was exceptionally good. In bridge the winners were—ladies' first, a beautiful satin cushion, won by Mrs. K. Eyre, of Timmins; second prize, silk lingerie, won by Miss Lacey; consolation, a bridge pencil won by Mrs. McLaughlin, of Timmins. The gentlemen's prizes were divided as follows:—first, a silk scarf, won by "Chick" Abramson; second, a shirt, won by Mr. Ed. Pullin; consolation, an ash tray, won by Mr. Alex. Reid. The prizes in euchre were duplicates of those given for bridge:—first, ladies' prize was carried off by Mrs. J. C. Dunn; second by Mrs. C. Farrell and consolation by Mrs. E. Webb. The men's prizes were won by: first, Mr. J. Costain; second by Clifford Schmelze, and consolation by Mr. Boutet, of Schumacher. A special prize, a beautiful down comforter, was won by Mr. Tim Reddy.

Mr. Arthur Hall, who has been on the special electrical work at the Dome, left this week for Hamilton.  
Mr. Max Ryan has moved a boiler out to the Hughes property and is starting to de-water the shaft there.

Born—In Timmins, on Saturday, October 25th, to Mr. and Mrs. Russell Powers (nee Genevieve McJanet, of South Porcupine)—a daughter.  
Mr. H. Duggan, of Kirkland Lake spent the week-end with his family in town.  
Mrs. W. Christie, of the Dome Mines, has returned from a holiday at Grimsby.

Mrs. J. Robertson, of the Dome, has returned to her home much improved after her recent operation.  
Born—To Mr. and Mrs. H. Tripp, of the Dome Extension, in the Porcupine Presbyterian hospital on Sunday, October 26th.—a son.

An eight-member bridge club was formed at the Dome during the past week with Mrs. P. Richards as president and Mrs. D. Leitman as secretary. It is to meet every Thursday night.

A Hallow'en tea was given under the auspices of the Ladies' Guild of the United Church in the Bank of Toronto building on Saturday afternoon and evening, October 20th. The hall was prettily decorated and looked cosy and home-like, the guests were looked after most assiduously by a bevy of young ladies and the food was tempting and delicious, hence all those who came were very much pleased and when the ladies counted up their financial returns they were still more pleased and wish to thank all those who helped to make the affair a success.

The various young people's societies of the United Church are now getting going at full sway. The Junior Girls and C.G.I.T. girls meet on Monday evenings. The boys' groups meet on Wednesday evenings and the Young People's Society meets every Thursday to which all the young folks are cordially invited. An interesting programme has been mapped out for the ensuing three months.

Mr. Harry Simpson, injured in a collision on the Dome road a week ago is still in a serious condition and remains unconscious. He was taken to the Timmins hospital on Monday for an operation.

**PEARS PRESERVED IN JARS FOR OVER FIFTY-FIVE YEARS**

In the last issue of The Simcoe Reformer there was a very interesting item in regard to the efficiency of domestic science fifty-five years ago and more. The Reformer told about two jars of pears preserved over 55 years ago and still in excellent condition according to all appearances. The item in The Simcoe paper reads as follows:—"Before leaving for her home at Clear Lake, Washington, Mrs. Sarah Baker, a former resident of this district, presented two very interesting articles to the Norfolk Historical Society museum. These are two jars of pears, canned by her mother, Mrs. Peter Kemp, on their farm near Windham Centre, in September, 1875. The pears are in apparently perfect condition and this in spite of the fact that the building in which they have been housed down through the years was twice destroyed by fire. Preserved in pure maple sugar by Mrs. Kemp, in the days before the granulated variety was available, and kept in jars of twice the thickness of those available in the present day, the pears have been kept for some future occasion for the past 55 years. Since the death of Mrs. Kemp they were turned over to Mrs. Baker, who is now unable to take them with her to her home on the Pacific Coast. They will form a notable acquisition to the steadily-growing museum."

North Bay Nugget:—The pen is mighty, all right, but it's hard to get our worst crooks into the pen.

**ANNIVERSARY SERVICES AT SCHUMACHER CHURCH**

Rev. J. D. Parks, of North Bay to Conduct Anniversary Services at Schumacher, Nov. 16th. Other Items of News from Schumacher Correspondent.

Schumacher, October 28th. Special to The Advance.

The card party and dance on behalf of the building fund last Friday, was well attended. The winners were: bridge, ladies, first, Miss Margaret MacKay; ladies, second, Mrs. Jack Gannon; consolation, Miss Dube; men's first, Mr. Hoffman; men's second, Mr. Gordon Byers; consolation, Mr. Kelly; five hundred, ladies, first, Mrs. A. Fulton; second, Mrs. Jack Murphy; consolation, Mrs. Allan MacDonald; men's first, George Elliott; second, George Hawley; consolation, J. Murphy; whist, ladies, first, Miss Barron; second, Mrs. McNaughton; consolation, C. Pennie; men's first, J. McNaughton; second, Mr. Lochrie; consolation, E. Duxfield. The committee wish to thank all those who helped to make this event a success.

Mrs. Switzer, of Kitchener, is visiting at the home of her daughter, Mrs. H. Waddle, Fourth avenue.

A very pleasant birthday party was held at the home of Miss Evelyn Flower, on Friday, in honour of Miss Violet Cripps. The evening was spent in games and dancing, after which a dainty lunch was served. Violet received many nice gifts from her classmates and friends.

The C.G.I.T. held a social evening on Monday and the election of officers resulted as follows:—President, Edith Armstrong; vice-president, Violet Cripps; secretary, Thelma Johnston; treasurer, Anita Shevan. All girls between the ages of ten and sixteen are welcome. Meetings every Monday night at seven o'clock in the basement of the church.

The many friends of the Rev. J. D. Parks, of North Bay, formerly of Timmins, will be pleased to hear him again when he will preach the anniversary services here Sunday, November the sixteenth, and will address a meeting on the Monday following, the 17th.

**LOOK FOR RECORD IN GOLD PRODUCTION IN ONTARIO**

In the column headed, "Don't Quote Me," The Toronto Star this week says: "Indications point to a new record of \$3,000,000 in gold production of Ontario mines this year, new production and plant expansions rapidly coming into play at present time. It looks now as though producers will enter the new year on a basis of about \$40,000,000 annually, this rate to show a big increase in May, 1931, when the enlarged plant of Teck-Hughes and the new mill at McIntyre are brought in. Dome Mines will shortly resume milling operations at the new and improving plant. Officials of company are planning a visit to the property for the formal opening, party to leave here on November 5 and the ceremony to take place on November 6. The plant is reported to be completely finished with most of the machinery already tried out, and in satisfactory working condition."

Huntingdon Gleaner:—It cost Thomas McBride of Elyria, Ohio, money to go to jail. McBride, who preferred a prison cell to paying a liquor fine, was told the jail was crowded and that he'd have to sleep on the floor. So he bought himself a cot. "It's tough," he said, "when a guy has to furnish his own bed in jail."

**DOMES MILL RUNNING AGAIN WITH IMPROVED EQUIPMENT**

Preference Being Given to Former Employees and Residents of the Camp. New Mill is Up-to-date and Effective in Every Particular. Formal Opening, Nov. 6th.

South Porcupine, Oct. 28th, 1930. Special to The Advance.

As was predicted shortly after the fire the Dome mill is again running within the year. One year ago to-day (October 28th) the Dome mill burned down in one of the most sensational fires seen in this part of the camp. To-day the mill is again running and the first slime press charge will be made to-night. The old crusher plant has been re-vamped and a new Symonds Cone crusher installed in addition to the old equipment. It is estimated that this equipment will deliver rock to the mill at less than three-quarter-inch size. The amalgamation and stamps process used formerly has been discontinued and the cyanide process machinery has been installed. At first a period of tuning up on reduced tonnage is being tried out but it is expected the mill will be well up to full tonnage in the very near future. The new mill is a wooden building protected by a thoroughly up-to-date sprinkler system which is nearing completion. Most of this sprinkler system is now effective, only a small section not being finished. During the period of tuning-up of the mill low-grade ore is being supplied.

The electrical equipment is now practically completed. A different method of electrical distribution is being employed from that used in the old mill. Modern lighting fixtures are being installed throughout the mill.

As construction is practically all completed only a few of the men working on such have been retained. Former employees as much as possible are being given the preference in the placing of men on the work. The new system used does not require nearly so many men as were required in the former mill. The heads of the various departments are being kept busy night and day in the rush of getting things properly adjusted.

Underground work is again back to normal. Here also bona-fide residents of the Porcupine camp and former employees have been given the preference. There seems to have been a rush of men into the camp with the news of the mine getting back to normal but it is practically an impossibility to place these men.

The Toronto Star of October 27th says: "Dome Mines will shortly resume milling operations at the new and improved plant. Officials of the company are planning a visit to the property for the formal opening party, to leave here (Toronto) on November 5th and the ceremony to take place on November 6th."

**COMING EVENTS AT THE ALL-BRITAIN SOCIAL CLUB**

The All-Britain Social Club will hold a progressive whist drive in the Hollinger hall on Tuesday evening, Nov. 4th, at 8.30 p.m. prompt.

The same club also announces another progressive whist drive Tuesday evening, Nov. 18th in the Hollinger Recreation hall.

The general meeting and election of officers of the club for the year will be held on Tuesday, Nov. 18th, at 7 p.m. prompt. All members are asked to be sure to be present for this occasion.

**ST. JOHN AMBULANCE BRIGADE DANCE ON FRIDAY NEXT WEEK**

Announcement is made this week in regard to a dance to be held under the auspices of the Timmins Division of the St. John Ambulance Brigade in the McIntyre Recreation hall on Friday evening, Nov. 7th. The Club Royal orchestra will provide the music for the occasion. Refreshments will be served. Dancing at 9.30 p.m. Everyone will be welcome to this event and all attending are sure of a very pleasant evening. In addition they will be assisting a very worthy cause by their support of the St. John Ambulance. The motto is:—"We need your help to-day; to-morrow you may need ours." It is to be hoped that the people in general will give their support as readily and as effectively as the St. John Ambulance provides its useful and helpful services.

**TOO MUCH "SNIPING" AT THE PEOPLE SERVING IN OFFICE**

In its last issue The Simcoe Reformer does a little "sniping" at those who are in the habit of "sniping" at those in public places or otherwise serving the public. In this connection The Simcoe Reformer says:—

"There was a form of fighting used during the war which was called 'sniping.' Certain crack shots were sent out to conceal themselves at points of vantage and from his place of concealment he fired at the enemy, who had little chance to hit back. Looking back at this form of fighting to say the least, one is not greatly inspired by it. It was one of the many things war taught and then sought to justify. But the point in mind is this, this form of fighting has developed to a large extent in every day life—in organizations, in municipal politics and elsewhere. It is hardly necessary to explain what is meant by the word 'sniping' as used in this connection. Its meaning will be quite clear to everyone. The concealed methods of attack is probably most common in municipal politics. We believe that the subject is timely, because in the course of two months the municipal elections will be in progress and it will not be long before the campaigns open. At least the people will commence to talk about them. Then too, the sniping will become evident. Men who have served on municipal bodies will be sniped at from all directions. Let us be done with sniping. If you believe you have a just grievance against a public servant, if it is your opinion that he has not filled office capably or that his mistakes are unforgivable, come out above board and say so. You have opportunity to make public your views. If they are worthy no one needs be afraid to fight in the open for that which is right."

Winnipeg Tribune:—"If a man wants to marry he should make a little money first," says a magistrate. Afterwards he'll have to make a little money last.
