MUCH ROUTINE BUSINESS AT BRIEF COUNCIL MEET

Regular Meeting of Council on Tuesday Had Short Session, but Dealt With Many Questions of Interest.

The regular meeting of the town council was held on Tuesday afternoon, the regular meeting day, Monday of this week, being a Dominion holiday. Mayor Geo. S. Drew was in the chair and Councillors A. G. Carson, Dr. S. L. Honey, R. Richardson, Alfred Caron, J. T. Chenier and C. P. Ramsay were present. The session was a brief one being over in about half an hour. though much routine business was dealt with in effective way.

One of the matters that came before the council in incidental way in connection with the payment of accounts was the fact that the new town nurse, Miss Brooks, recently of Montreal, took over her duties here some days ago. The mayor explained that he understood that for a time it was the intention of the board of health to try to carry on with only the one town nurse. It had been difficult to secure a fully qualified and competent nurse to take the place of Miss Farr who resigned this summer. Apparently applicants who had the necessary qualifications and competence for the work were not easily secured. Councillor Caron asked if local nurses could not be secured for such positions. The mayor explained Lucky Strike Dry Ginger Ale to be that the appointment was in the hands of the local board of health and the qualifications had to come up to the standards set by the provincial board of health. Evidently no local applicants had been able to qualify for the position. The new town nurse, Miss Brooks, was fully qualified and had evidently measured up to the high standards set by the provincial board of health for the position. Mrs. Raiche who previous to her marriage was one of the town nurses here, and who has been carrying out the duties in place of Miss Farr until a permanent appointment could be made, will carry on until the 15th of the month in order to allow Miss Brooks to familiarize herself with the work here. After that Miss Brooks will carry along the work of town nurse.

Council authorized some rebates of water rates in cases where parties had moved during the quarter and the water had not been used. Routine accounts, payrolls, etc., were

ordered paid. Water frontage charged in error wa authorized to be written off.

The payment of \$150.00 to G. W. Parcould secure good gravel, was authorized paid.

Payments on account to the public and separate schools were passed

An income tax assessment was writ ten off in a case where the man assessed was not liable for such assessment. A street light was ordered to be installed on Cameron street under the direction of the town engineer, J. D.

MacLean.

the Nativity.

Authority was given for the return of \$70.00 to Chas. Pierce for a lot purchased in error at the recent tax sale The matter of the charges for use of water on construction work this year was again before council and eventually a resolution was passed that the construction water rate charges in the case of church properties be reduced to a monthly rate of \$5.00 and that rebate in accordance with such rate be

granted in the case of 112 Spruce street,

being the property of the Church of

TRANSIENTS MAY BE USED FOR SPLITTING OF WOOD

The suggestion has been made that the town keep a supply of cordwood on the town lot behind the municipal building, this wood to be used as a sort of test for applicants for beds and meals. Chief McLauchlan believes that such a plan would be of advantage in dealing with men who apply for beds at the station and who can scarcely be turned out in the morning without something to eat. If the wood were there to saw and split the transients could earn the meal to more or less extent and the relief cases given the wood by the town would have the wood sawn and split ready for use. It is a well known fact that some of those who apply for a bed for the night at the jail are afraid of any work and would keep away if they knew that they had to earn their accommodation. On the other hand the majority are simply unfortunate in experiencing the ment. This class would be delighted to be agreeable to the deserving cases, general interest to the town and dis- hall. will probably be introduced to the tributed candy. people of Timmins and the Porcupine about the first of December.

According to Mr. C. M. Roach, manager of the Brewery, it is not planned to build any additions to the present building this winter, any necessary enlargements will be added early next spring. It is expected that this new industry in the town will give employment to a large number of permanent workers as well s giving seasonal employment to a further number.

At the same time as Lucky Strike Dry Ginger Ale will be placed on the market the Gold Belt Brewery, Limited, will place a new ale and beer on the sons for two lots from which the town | market under the name of Lucky Strike, discontinuing the manufacturing of the present Gold Belt product.

KIWANIS TO HOLD DANCE

Excellent Address on Armistice Day at Luncheon This Week. Rev. J. D. Parks to be the Speaker Next Monday. Board of Trade With C.ub, Nov. 24.

The weekly luncheon of the Kiwanis Club at the Empire hotel on Monday of this week proved especially interesting and had many special features. The speaker for the day was Rev. Mr. Summerell, of Schumacher, whose talented address was very greatly appreciated. The address by Rev. Mr. Summerell was very especially appropriate to the occasion and gave the members present many new lights on the war and its aftermath, as viewed from the broader viewpoint. Rev. Mr. Summerell spoke on Armistice, its meaning and lessons and the divine purpose he saw all through the war and in the day since.

The old-time war time songs, such as "Tipperary," "Pack Up Your Troubles," etc., were featured in the community

singing for the day. The speaker for the luncheon next Monday, Nov. 17th, will be Rev. J. D. Parks, now of North Bay, but for many years the minister in charge of the United Church at Timmins, and one of the most valued and popular of the residents of the district. Rev Mr. Parks trict so that all may have Christmas was an active and very effective member of the Timmins Kiwanis Club and his hosts of friends here will be de- PREPARING FOR ANNUAL lighted at the opportunity to see and hear him again at the Kiwanis Club

"The Legion in the Porcu- OSCAR LEMIEUX, FORMER is to be on Wednesday evening, Dec. pine," which will be found elsewhere in 10th, and the fun will begin at 8.15 p.m. this issue. Another departure from the custom of the seven previous years is in regard to the admission fee, this being split in two and placed this year at the popular figure of only one dollar. "Lap" Laprairie, the manager of the event, says that there is to be no cut on the programme, but that the entertainment and pleasure are to be fairly doubled. Each week there will be announcements in The Advance in regard to this great annual event the first and oldest Charity Turkey Stag, and the biggest in Canada. As usual the event will be held in the St. Anthony's parish hall. There will be bridge, euchre, five hundred and cribbage. The moustacherino contest will be one of the special features of the occasion. It is possible, indeed probable, that a kiddie car race will be arranged between two wellknown experts as an extra special. This will be alone worth double the price of admission, but at present no more may be said. Music, of course, will be featured, and the plans are for a special lunch this year. This lunch will include sandwiches, cheese, crackers, celery and coffee. It may be noted in passing that rive tons of Western turkeys have been contracted for to meet the needs of the noted Timmins Turkey Stag this year. This will mean that there will be lots of turkeys for the event and lots over for the baskets to go to those in need in town and disjoys this Christmas time.

LEGION CHRISTMAS TREE Preparations are now under way for the annual Christmas Tree given by mins branch of the Legion and of the positively be sent in by Saturday, Dec. 6th, and it should be specially noted taken.

RESIDENT, DIES AT ROUYN

Word was received in town yesterday of the death at Rouyn during the day of Oscar Lemieux, formerly a resident here, and who has relatives living in town. The late Oscar Lemieux was for a time on the Timmins police force, and was well known in the town and district. He had many friends who will deeply regret his untimely death. particulars are obtainable in regard to the death, but it is known that the late week, death being due to pneumonia. He had been working at Noranda and a week or so ago was taken ill, succumbing to the attack of pneumonia on Wednesday of this week.

Will Also Speak at General Meeting of the Canadian Legion on Monday. Evening of Next Week, Nov. 17th.

A meeting of unusual interest to the Ladies' Auxiliary of the Canadian Legion will be held on Tuesday afternoon of next week, Nov. 18th, at 3 o'clock, in the town hall, Timmins. At this meeting, Col. F. W. Picking, first vice- Tuesday evening at 7.30 to plan some work of the present mayor and council. president of the Ontario Command of the Canadian Legion, will address the ladies. Col. Picking is a very gifted speaker and will be well worth hearing. The ladies of the Legion will be very much interested with what he will have to say and there will no doubt be a good attendance for the occasion. Any ladies who are thinking about joining the Ladies' Auxiliary are also cordially invited to attend this meeting, as the address by Col. Picking will be one that was awarded, the lucky winner being none will care to miss.

Col. Picking will also address the Canadian Legion at its regular meeting | HANDSOME NEW FLAG AT on Monday evening of next week, Nov. 17th, in the Oddfellows' hall, at 8.30 p.m. sharp. It is expected that this will be a specially attractive meeting as a particularly good programme of enevening.
