#### Objects to Conference bers seem to be surprised that we can on Route of the Highway

The New Liskeard Speaker voices the pinion of a very large body of people who have given the matter careful study when that paper questions the desirability of any "conference" between the different parts of the North in regard to the proposed route of the Trans-Canada highway.

The New Liskeard Speaker says:-"Many methods have been and are being adopted by the "four cities" to prevent the Ferguson highway from being recognized as the Ontario link

in the trans-Canada highway. This was to be expected.

"But, our people should be awake to for all monies taken at the dance or the fact that we have a just and reasonable object in view. Conciliation very much weakens our stand. This, to our mind, applies most particularly to the proposal to hold a joint meeting at North Bay between the supporters of the Lake Shore route and the Ferguson highway supporters, the "suggested" object being to "come to some understanding" regarding the route to At the monthly executive and general be recommended to the Dominion and meetings the amount collected is shown Provincial Governments as the transin the secretary-treasurer's financial Canada highway.

"The people of Temiskaming and comrades at the meetings. There is no Cochrane District are supporting the chance whatsoever to "graft" and the Northern C.N.R. route as the proper manager of one of our largest dance trans-Canada highway. Quebec will halls does not hesitate to say that we have a "feeder" to that road, via Mathave the best system of checking up on tawa.
