

ONLY THREE MORE WEEKS TO CHARITY TURKEY STAG

How to Make Money Out of Moustaches Grow Them and Weep for Joy at the Prize You'll Get at the Famous Turkey Stag.

In this week's Advance "Lap" La-prairie offers employment not only to any of the unemployed who can take it up but also to the employed who care to face the music or music the face. "Lap" is offering prizes for the best moustacheros. What is a moustachero? It is anything that will grow anywhere on the face, so long as it is hair. The competition is for man only. It is all in connection with the famous Timmins Charity Turkey Stag, to be held this year on Wednesday evening, Dec. 10th, in St. Anthony's parish hall. The object of the Charity Turkey Stag is to provide good cheer for all who attend and then to provide Christmas cheer to families in town and the immediate district who would otherwise go shy at Christmas time. The Charity Turkey Stag has won wide fame by its novelty and its unusual amusement features. This year it is specializing on hairy growths on the face. It looks easy to grow hair on the face, but it is hard to keep it up. Often it stays down, especially with the young men who fondly imagine they are growing moustaches. There are several in town and district entered in the moustachero contest and there will be more before Dec. 10th comes along. The feature is sure to provide considerable amusement. There will be good prizes. The judges will be provided with reading glasses. A number of other special features, old and new, will be on the programme. It is expected that the old favourite kiddie car race will be presented in a new and more laughable style. There will be eucbre, bridge, five hundred, cribbage and other games. Five tons of milk-fed Western turkeys will be on hand for the event. This year the price advanced has been reduced to one dollar, but "Lap" says that the fun and entertainment will be increased over previous years, which will be going some. All those who enjoy a good good time and a big good time, and both together, should make a special note of the event and the date—Charity Turkey Stag, Wednesday, evening, Dec. 10th, commencing at 8.15 p.m. sharp.

One of the social events announced for next week is a bridge to be given in the Masonic hall, Timmins, on Tuesday evening, Nov. 25th, commencing at 8.30 p.m., under the auspices of the Order of the Eastern Star. Good prizes will be given and refreshments will be served during the evening.

Address by Col. Picking Pleases Ladies' Auxiliary

There was a large attendance at the meeting held in the town hall on Tuesday afternoon by the Ladies' Auxiliary of the Canadian Legion to hear Col. F. J. Kicking, first vice-president of the Ontario Command of the Canadian Legion. Fully a hundred were present, and the ladies of the Legion were greatly pleased with the eloquent address by Col. Picking. He is a gifted speaker with an attractive personality and he spoke with such insight and so thorough a knowledge of the matters that he dealt with that the address was very specially pleasing and satisfactory. Col. Picking was introduced by Chief L. Mc-Lauchlan. Col. Picking spoke chiefly on what the Legion had been able to do, and was continuing to do, for the returned soldier and for the dependents of the returned man. He touched particularly on the efforts for the disabled soldier and for the wives, widows and children of the ex-service men. It was made plain to all that the work of the Canadian Legion was work of the finest type, achieving the best of results, and deserving of the fullest support, and the enthusiasm of all was re-kindled for the Canadian Legion and its good work. Col. Picking did not forget the value of the Ladies' Auxiliary. He stressed the fact that no branch of the Legion could truly prosper and progress without the support of an active Ladies' Auxiliary. The Ladies' Auxiliary he considered a vital factor in the success of the Canadian Legion. He touched on what the Ladies' Auxiliary had done in so many ways along the true Legion spirit, and especially in regard to the wives and widows and children of the soldiers overseas. He asked the Ladies' Auxiliary to continue its good work in the same active and earnest way so that the best might be done for the ex-soldiers and their loved ones in every way. One special point of interest touched on by Col. Picking was the apparently crippled man carrying papers to show he was an ex-soldier and soliciting support on this account. Some of these men were no more than beggars and they were an annoyance to housewives who wanted to help ex-soldiers but might be doubtful of the worthiness of these men. Col. Picking pointed out that no crippled soldier needed to go begging, for the Legion would look after him. The Legion's motto was that no returned man should want or be forced to beg if he were worthy of support. All soldiers who were willing to be helped would be assisted by the Legion, he said. The Legion would look after them and help them secure the pensions or other assistance that should be theirs if they were injured overseas.

DOZEN CASES AT POLICE COURT HERE THIS WEEK

At police court here this week there were a dozen cases. Fines were imposed in four cases; three cases were remanded for a week; a man with mental trouble was committed to a hospital; three cases were dismissed; and one was withdrawn. Two common drunks were fined \$10.00 and costs each. The case against a woman for having liquor not on her permit was dismissed when she swore the liquor had been bought on last year's permit. Two men were each fined \$10.00 and costs of \$11.25 for reckless driving. The charge for the theft of timber against a local man was dismissed, the magistrate pointing out that it was a civil court case. A. Latour, who has been away from town since 1927, faced two charges one of non-support of his wife and family, and the other of illegally possessing a still, the latter charge going back three years. Both cases were remanded to next week.

FINE IMPOSED FOR TAKING CAP FROM MINE AT FROOD

A fine of \$10 and costs or, in default of payment, one month in jail, was imposed on Vili Luoma, who was arrested before Magistrate McKessock at Sudbury on Monday. He was charged with taking out of the shaft conveyance of the Frood Mine at the International Nickel Company Limited, one electric detonator cap and wire and bringing it to the surface on his person, contrary to the Mining Act.

The charge was preferred by Chief J. Ramesbottom, of Copper Cliff. The accused pleaded that he had been using the detonator cap along with others, on the one found on him in his pocket forgetting it was there, although he had taken it home that night, and left it in his pocket all next day until searched along with others.

He has lost his job at the mine. Two months ago Luoma suffered injury in the mine which left him much disabled about the face.

MUTILATED BODY FOUND ON TRACKS NEAR UNO PARK

Despatches from New Liskeard say that Provincial police from Cobalt district headquarters are investigating the death of William Laforest, 22 years of age, whose badly mutilated body was found on the T. and N. O. main line near Uno Park station by the section foreman there Tuesday morning.

From enquiries made, Laforest is said to have left a party at midnight and to have started out along the right of way and it is believed he was possibly run over by two northbound freight trains, although there were no eye-witnesses of the tragedy.

Laforest lived with a brother on a farm in Harley township. An inquest will be held by Coroner Dr. W. C. Arnold.

With a fine new jail and a soup kitchen established, the young city of Sudbury thinks it's all set for the winter.

JOINT MEETING OF BOARD OF TRADE AND KIWANIS MONDAY

Event to be held in the Empire Hotel at 6.30 p.m. on Monday Evening, Nov. 24th. Important Matters to be Discussed at Joint Meeting.

The Timmins Kiwanis Club and the Board of Trade are to meet in joint session at luncheon in the Empire hotel on Monday evening next, Nov. 24th, at 6.30 p.m. The announcement of the meeting was formally made to the members of the board of trade by the president, W. O. Langdon, in a letter which said:—

"The Timmins Board of Trade and the Kiwanis Club have arranged to hold a joint luncheon meeting on Monday evening, November 24th, at 6.30 p.m., in the Empire hotel. The object of holding such a meeting is to have an 'open forum' discussion of matters which are of vital interest to the community and we feel that this can be better accomplished by the co-operation of the two organizations. As it is necessary to advise the hotel management of the number of members to provide for kindly notify me before the 20th instant if you desire to attend on the date above mentioned."

This letter states concisely the purpose and idea of the joint meeting. It may be added that there should be a large attendance of members of the board of trade at this meeting. Anyone interested in board of trade matters or in the town in general will find it well worth while to spend the dollar for the luncheon to attend this meeting and they will consider the expenditure afterwards as an unusually profitable one in its returns of interest and inspiration. All business men and others interested are very cordially invited to attend by both the Kiwanis Club and the board of trade. The meeting is planned to bring together all the business men of the town and suggestions will be gladly welcomed as to means and methods for the advancement of the town's interests. Paid-up members of the board of trade will have received the letter from the president and in case they have not already replied they are urged to send acceptance immediately of the call to attend the joint meeting. Any who have not received the formal call from the president are also urged to give Mr. Langdon notice at once that they will be present for the occasion. Any who have attended Kiwanis Club meetings will know how pleasant they are and any others should attend on Monday evening and see how happily a meeting can be conducted with business and pleasure combined.

The board of trade has always had difficulty in securing attendance at regular business meetings. Banquets and luncheons would always draw a crowd, but the board of trade has not facilities to make itself a luncheon club like some of the city boards of trade. The kindly invitation of the Kiwanis Club gives a fine opportunity to test out this plan. There will be a general opinion that both the board of trade and the Kiwanis Club will be benefited and the town advantaged if the plan works out as its sponsors believe it can. In any event the board of trade owes it to themselves and to the Kiwanis Club to turn out Monday night. There are many important questions that may come up for discussion, the forum being open to all. Business men and others who have problems and particularly those who have suggestions for the remedy of any handicaps to the town or its interests will find their opportunity at the joint meeting on Monday evening.

Chenier, were united in the bonds of holy matrimony. The marriage took place at 4.30 p.m., and supper was served at the home of the groom's parents where the bridal party and friends enjoyed this event. In the evening a reception was held at the home of the bride's parents, Mr. and Mrs. Jos. Chenier. Dancing and music were enjoyed. A dainty lunch was served. The young couple were the recipients of many beautiful and valuable gifts.

BLACK AND WHITE PIERROTS MASQUERADE DANCE, NOV. 28

The Black and White Pierrots are well known now for the excellent events they present so there will be special interest in the masquerade dance announced under the auspices of the Black and White Pierrots to be held in the McIntyre hall on Friday evening of next week, Nov. 28th. Dancing will be from 10 to 3, and the Club Royal orchestra will provide the best of popular music and melody. There will be specially good prizes for costumes and make-ups, so all should make special effort to attend the event in the best costume they may have or can secure for the occasion.

Noted French Soloist on Radio This Evening

Mlle. Germaine Sanderson, mezzo-soprano, who sings in the Canadian National Railways' Transcontinental hour at 10.00 o'clock this (Thursday) evening is one of the outstanding interpreters of French song. A Parisienne, she came to Toronto at the request of Lady Eaton, who was her pupil in Paris, to teach at the Toronto Conservatory.

The song composer, Faure, represented in Mlle. Sanderson's programme by three numbers, was her intimate friend and accompanied or conducted many of her Paris concerts. Traditional and modern music both come within her repertoire, as in addition to the Faure songs, she gives three French folk songs, one, "L'Amour de Moy," dating back to the XIIIth century. Another composer she knew quite well personally was Da Falla and several Spanish folk songs arranged by him are included.

Toronto's new chamber music organization, the Conservatory String Quartette, are the assisting artists. They repeat two of the more distinguished numbers from their opening recital last week, the Beethoven G Major Quartette and a piano quintette by Cesar Franck, with Dr. Ernest MacMillan at the piano.

ALLAN KEELEY NOW MAKING PROGRESS TO RECOVERY

Allan Keeley, young son of Mr. and Mrs. D. E. Keeley, is making good progress to recovery now from the effects of the automobile accident some weeks ago in which he sustained serious injuries including a double fracture to one of his legs. All will greatly regret to learn that it was found necessary to amputate this leg above the knee, but there will be general pleasure now to know that since the operation Allan is making good progress to recovery. All will wish him an early return to health and strength after the unfortunate accident he encountered.

MIDNIGHT SHOW TO-NIGHT AT GOLDFIELDS THEATRE

In order to give all an opportunity to see Will Rogers in "So This is London," and to accommodate those who may be on shift or otherwise prevented from seeing the picture at any of the regular shows, the Goldfields theatre is giving a midnight show this evening (Thursday), so that everybody may have a chance to enjoy this excellent offering. Will Rogers is a popular favourite and he has a great array of admirers who never want to miss a picture he is in. "So This is London" is considered one of the best yet.

FOR THE BURIAL OF THE RETURNED MAN'S DEPENDENT

(From The Mail and Empire)

Under the heading "A Disgrace to Canada" The Brantford Expositor calls attention to a communication from the department of pensions and national health to Mrs. Florence Casey of Simcoe. The communication advised Mrs. Casey that she was about to receive a cheque for \$1.94 to help defray the burial expenses of her son, who died on October 1st, and whose father was killed in the Great War. As the son of a soldier who gave his life to Canada, the boy was in receipt of a pension of \$15 a month. The trivial remittance may have been arithmetically proportionate to the pension, but there should be some machinery permitting the department to send a larger sum. One is not surprised to read that intense public dissatisfaction with this incident has been expressed in Norfolk county. The people of Canada have no desire to deal in a niggardly manner with the men who offered their all in defence of the country or with their dependents whom they left to the mercy of the state. Some means should be found of affording the department latitude in handling cases of the character described. There are indications that the Government is to act more generously towards the victims of the Great War. Much is to be hoped for from the pension tribunals and appeal courts, which have lately been established and which are now hearing thousands of appeals for more adequate allowances.

Friends will be pleased to learn that F. Jette continues to make good progress to recovery from the recent injuries received in an accident at the mine. He is still in the hospital but doing well, through the injuries included fractures to the bones of his back.

LITERARY MEETING OF THE A.Y.P. CONSIDERS DICKENS

Works and Life of the Great Author, Charles Dickens, Studied by Anglican Young People's Society at Meeting This Week.

The regular meeting of the St. Matthew's A.Y.P.A. was held on Tuesday evening of this week, Miss B. Sinclair presiding.

An important item of business that was discussed was the attendance of the members at a celebration of Holy Communion in a body. The result of the discussion was favourable, and the members decided they would attend (in a corporate capacity) the celebration of Holy Communion on St. Andrew's Day at 8.30 a.m.

After the business session the remainder of the evening's programme was under the leadership of Mrs. C. Knell, convenor of the literary committee.

In introducing the topic of the evening, the speaker made reference to "The Immortal Dickens" as being the "universal favourite among authors."

Miss H. Lee gave a brief sketch of the life of Charles Dickens, pointing out to her audience that the experiences of the author's youth left an indelible impression on his mind, that in after years furnished him with many characters and suggested ideas that blossomed into his idolized works.

W. Thompson gave a reading from "David Copperfield," illustrating the inimitable Mr. Micawber.

Miss B. Sinclair gave a reading entitled, "Are You a Yessir?"

K. Buffin gave a humorous reading on "Bill Sykes," taken from "Oliver Twist."

W. Thompson gave a monologue entitled "The Miser." It was very humorous and provoked much laughter.

Miss Sheard provided a game, "Zip and Zap," a great game much enjoyed; it teaches you to know your neighbour.

TOWN'S FINANCES IN GOOD CONDITION AT PRESENT

Elsewhere in this issue will be found the financial statement of the town for the past year. A study of this statement will show that the town has made much improvement in its financial condition in the past three years and is now in comparatively good shape financially. For this good result recent councils deserve credit.

MAY GO TO LONDON AS THE COMMISSIONER FOR CANADA

The following despatch came over the R. E. Jackson & Co. private wire this morning:—

Toronto 20th, (Mail)—Reports that Hon. G. Howard Ferguson, Ontario's Prime Minister, will return to London as Canada's next High Commissioner, lose none of their force as a result of an exchange of wireless messages between the Mail and Empire and Mr. Ferguson himself. Mr. Ferguson does not deny the report.

"TOTING GUNS"

(Eastern Chronicle)

There is entirely too free use made in Nova Scotia these days of the revolver and gun. Yesterday's papers carried the story of two shootings, and hardly a week passes without a shooting taking place. There is absolutely no need of gun-toting in Nova Scotia. The shooter leads to the gangster, and no one will be safe. Without multiplied police forces we should be able to get along very comfortably without carrying revolvers. They are infernal contraptions that lead to trouble.

Civilization in the provinces of Ontario came from Northern Ontario and from there spread to the other parts of the province was the claim made by Hon. Wm. Finlayson, Minister of Lands and Forests, in an address to the Rotary Club at North Bay last week. Hon. Mr. Finlayson made his point clear and proved the truth of his claim. He told the story of the visit of Champlain to the North Land in 1615 and showed how the work done by the great French explorer as pioneer laid the foundation for the establishment of civilization in this province.

The first religious service in Ontario was conducted at Penetanguishine, said Hon. Mr. Finlayson, and this marked the first introduction of the old-world civilization into work of the Jesuits and the founding of St. Marie. This first stone fortification in the country was built there, said the speaker, and it was literally the first community in Ontario. There were 500 acres under cultivation, there were supplies on hand at one time to last for three years, and in an epidemic among the Indians there were 3,000 cases treated at a well-organized hospital. But after ten years this fort was abandoned. But the Hudson Bay Company was soon founded and the spread of civilization was once more to originate in the north country. This company, said Hon. Mr. Finlayson, had put more money into Canada in the last ten years than it had taken out in the previous 250 years of its existence. He thought it was perhaps the most remarkable company in the world, in respect to the nature of its charter and its development.

Eddie Roy, son of James Roy, caretaker of the municipal building, is making good progress to recovery from the burns received in a fire several weeks ago at his home. It will be a couple of weeks before he will be able to leave the hospital.

A young man at Kirkland Lake some days ago drove away with a new car owned by Provincial Constable Byrne. The young man was captured and in police court was fined \$50.00 and costs for two months in jail. His alibi was that he mistook the provincial police car for one owned by a friend of his. He intended to play a joke on his friend, he said. The joke turned out to be a fifty dollar one on himself.

Barrie Examiner:—There is, it is stated, a certain superstition regarding the allowing of others to wear one's engagement ring. Miss Margaret Duncan, now Mrs. Moyer of Niagara Falls, is thoroughly convinced about it. While engaged to her fiancé she let another young woman wear the ring for a few days. Since her marriage, the husband has discovered the original diamond was missing from the ring, and in its place a paste diamond. The original diamond, according to police, was found in the purse of the young lady who borrowing practical this week.
