OPENING OF NEW STORES PROOF OF PROGRESS HERE

Last week Mr. A. Portelance, for the past ten years with the Hollinger Stores Limited men's wear department, opened a new men's wear store in Timmins, to be known as Albert's Toggery Shop, with a full complement of everything in men's wear. The new store is located on Third Avenue, next to Dalton's in the premises formerly occupied by Mark Bowie Limited, and contains a pleasing display of men's wear, and particularly appropriate at this time a splendid selection of Christmas gift suggestions.

NEW LISKEARD JURY FINDS THAT DEATH WAS ACCIDENT

Despatches from New Liskeard this week say that although train crews testified that they did not know that anyone had been hit and there was no direct evidence to show just how he was killed, a coroner's jury, at the inquest at New Liskeard on Saturday in the death of William Laforest, whose mangled body was found on the T. & N. O. tracks near Uno Park Station last Tuesday, returned a verdict of accidental death.

Provincial Constable R. O. Stromberg estimated that Laforest must have been dragged nearly 300 feet along the tracks. Three trains passed over the line between the time Laforest started out along the tracks and the time his body was found.

Eugene Laplante, from whose farm Laforest began his walk along the tracks, said Laforest had drunk considerable wine and was feeling "pretty good," but could walk all right.

The Advance understands that the menace of the crossing at Monteth, referred to at the last meeting of the Associated Boards of Trade, is to be removed by the construction of an overhead bridge there, the work to be completed next year.

SEEKING RIGHT OF WAY FOR THE NEW POWER LINE

A despatch from Cochrane this week says:—"Mr. Willard M. Gordon, of Hailbury, brother and legal partner of Hon. Wesley Gordon, together with Mr. Charles Hurdman, representing the Abitibi Power and Paper Co., were in the district this week negotiating with farmers for a right of way across patented land for the new power line from Hunka to Smooth Rock Falls. This line will carry the power generated at the Abitibi Canyon. Clearing of a right-of-way between the Canyon and Hunka, a point on the Canadian National Railway 12 miles west of here, is proceeding very satisfactorily."

SUDBURY COMMUNISTS PAY FINES FOR ILLEGAL PARADE

There were six communists in police court at Sudbury on Friday last on charges of participating in a parade in the city without the necessary permission for the parade having been obtained from the board of police commissioners as required by one of the city's municipal by-laws. The men were arrested on November 5th during an attempted demonstration through the streets of Sudbury. The parade included about 250 men and it was said to have been organized by the communists as an "Unemployed Workers' parade" to march to the city hall to interview Mayor Fenton to demand what one man termed small work at large pay for full time. Martin Parker, a sub-editor of the Finnish paper at Sudbury, and an executive of the communist party there, and James Barker, secretary of a union at Sudbury, each were fined \$10.00 and costs, while Halli Kakila, D. Evanshan, M. Holychuk and H. Tkozuk each paid \$2.00 and costs. All pleaded guilty to the charge. A charge of assaulting a police officer was withdrawn in the case of Tkozuk.

Births, Deaths, Marriages, for the Month of October

The Dominion Bureau of Statistics issues to-day the number of registrations of births, deaths and marriages during the month of October, 1930, in cities with a population of 10,000 at the last census. Stillbirths are registered both as births and deaths.

As compared with September, births registered in October showed an increase of 4 per cent. The Ontario figure was almost unchanged and British Columbia showed a decline of 2 per cent, but in the Maritime Provinces the number of births was greater by 2 per cent, in Quebec by 11 per cent. and in the Prairie Provinces by 5 1/2 per cent. Deaths registered in these cities in October also numbered 4 per cent. more than in the preceding month. The Maritime Provinces showed a reduction of 5 1/2 per cent. and Quebec 13 per cent., but there were increases of 7 per cent. in Ontario, 9 per cent. in the Prairie Provinces and 22 per cent. in British Columbia.

The number of marriages registered in October was less by 7 1/2 per cent. than in September. There were declines of 2 per cent. in the Maritime Provinces, 8 1/2 per cent. in Quebec, 15 per cent. in Ontario and 5 1/2 per cent. in British Columbia. On the other hand the Prairie Provinces showed an increase of 8 per cent.

ALL-BRITAIN SOCIAL CLUB WHIST DRIVE, DECEMBER 9

The All-Britain Social Club are holding a whist drive on December 9th, with all-poultry prizes. Members of the club are asked to get in touch with the secretary at once regarding any dues in arrears, as all dues must be paid before Dec. 9th, to allow the officers to go ahead with the Christmas Tree event. All members should make a special note of this so as not to spoil the treat for the kiddies.

BANQUET TENDERED TO MR. AND MRS. LESLIE BAILEY

Popular Young Couple Honoured on the Occasion of Their Marriage.
Pretty Wedding This Week at St. Matthew's Church, Timmins.

A very pretty wedding was solemnized in St. Matthew's Church this week by Rev. R. S. Cushing. The contracting parties were Leslie Bailey and Hilda Viola Fleming, both of Timmins. The groomsmen were V. L. Ray, Miss Gladys Elley was the bridesmaid. The bride's mother, Mrs. Savage, of Cobalt, was matron of honour.

After the ceremony the bridal party repaired to the home of Mr. and Mrs. Jas. Huxley, of Schumacher, where the wedding breakfast was served. The decorations were of water lilies, the place cards being an individual water lily. After the delightful repast a reception was tendered the happy couple there being some forty-two guests. The evening was spent with dancing and music. Mr. and Mrs. Jas. Huxley and Miss Joan Huxley furnished the most attractive music on piano and violin for the occasion.

On Tuesday evening the home of Mr. and Mrs. E. A. Ray was the scene of a delightful banquet tendered to Mr. and Mrs. Leslie Bailey. Covers were laid for twenty-four guests from Timmins, Schumacher, Sault Ste. Marie and Cobalt. Those present included:—Mr. and Mrs. Jas. Huxley, Miss Joan Huxley, Geo. Bailey, Mrs. Savage (Cobalt), Mrs. Johns, Randall VanSickle, I. Sime, W. Tooley, W. Constant, F. Crisp, Thos. Davis, J. Jenkins, Miss M. Kennedy, Miss G. Elley, Miss McKinley, Miss T. DeMille, Miss Annette Prue, Miss Cowan, Mr. and Mrs. E. A. Ray, Miss D. Ray, Miss A. Ray, C. P. Walker and the honoured guests of the evening, Mr. and Mrs. L. Bailey. After supper C. P. Walker read an address of appreciation of the friendship for the happy couple that had been enjoyed by their friends. A presentation of an electric coffee percolator was made to Mr. and Mrs. Bailey, on behalf of their friends by Mrs. E. A. Ray. Cards and dancing was the happy further programme enjoyed by those present, all of whom showered sincere good wishes on the popular guests of the evening.

AWARD TWO DOLLARS FOR HAY IN HAILLEYBURY CASE

Two litigants and two lawyers fought a law suit over \$2 worth of hay when an action came up for disposal by Judge Hayward in Division Court at Hailleybury on Friday. Plaintiff, a Mrs. Tremblay from North Cobalt, won, with costs, over another citizen of that area, Noel Landry. She had sued for \$25.

According to the evidence, Mrs. Tremblay owns some vacant lots in Buckle township and the municipality had taken proceedings to comply with the Noxious Weeds Act as regards her property. The man engaged for the task was said to have suggested to Landry that the latter might as well take the crop. Landry agreed and set another man at the job cutting it.

It was claimed that Landry and Mrs. Tremblay had agreed to the woman's suggestion that he pay her \$2 for the product, but when he tendered the money, she would not give him a receipt for it. She then started action against him, seeking \$25 as her recompense, but was awarded the amount of the alleged original bargain.

WITNESS IN CASE ARRESTED ON CHARGE OF NON-SUPPORT

In police court here this week an unusual incident arose from one of the cases. In the case of Alex Heiskinen, who was charged with keeping liquor for sale and who was sentenced to three months in jail on that charge, John Tokaar was giving evidence for the defence when Provincial Constable Hartlieb recognized the witness as a man wanted at Kirkland Lake on a charge of non-support of his family. As soon as he had completed his evidence and was about to leave the court room, Constable Hartlieb placed Tokaar under arrest. Tokaar will be taken to Kirkland Lake to stand his trial on the non-support charge.

Three ordinary drunks paid \$10.00 and costs each for their spree. Two men who were caught drinking in a local restaurant were each fined \$25.00 and costs.

When the officers raided the house occupied by Mr. Jeanne Berthier, 210 Birch street north, Saturday evening last, the lady of the house made a swing at Constable Moore and landed one on his jaw that made him wince. Constables Moore and Pacher put the handcuffs on the woman so as to prevent her injuring her hands on the hard jaws of the police. Thus she had the distinction of being one of the very rare prisoners to be handcuffed in town recently. At court this week on a charge of obstructing the police under the Liquor Control Act, she was fined \$100.00 and costs or three months.

A woman living on Elm street north, was fined \$50.00 and costs for using insulting language. Several neighbours gave evidence as to the bad language used by the woman in question.

Alphonse Latour, who was originally arrested on a charge of illegally having a still in his possession, and who was being brought to town was charged with non-support of his family, this week faced two additional charges, namely, for having fur without a license and for having fur out of season. The cases were remanded until this afternoon.

On Saturday of this week, Nov. 29th, the annual meeting of the Life Underwriters of Timmins will be held at a luncheon at the New Empire hotel.

Radio to Tell Romantic Story of Heroic Race

The story of Jean Baptiste Legimone's run on snowshoes from Winnipeg to Montreal when Lord Selkirk's colony on the banks of the Red River was sore beset and a message had to be sent to Montreal at all costs, makes as exciting a story as the history of any race has to offer.

It was in 1815 and the settlers were embroiled in the feud that was being waged across Canada between the Hudson's Bay Company and the Northwest Company, the two powerful fur trading concerns that had most of the country in their hands. The young colony of Scottish settlers was in peril of being crushed between the two forces and it was Jean Baptiste who volunteered to carry the cry for help to Lord Selkirk, two thousand miles away. Jean Baptiste was a coureur-de-bois and he was married to the first white woman to settle in the west—her life is another stirring tale of heroism.

The hazardous journey could not be made by the usual route of the Great Lakes and the Ottawa because of the lurking Northwesters, who were ready to use any means, however desperate, to prevent the colony from communicating with its founder. So Jean Baptiste told his friends that he was going to hunt near Pembina. He struck south and from Pembina made his way across country toward Cadillac—now Detroit—and thence traversed Ontario. He delivered his message into Lord Selkirk's hands on New Year's eve, having completed the arduous trek through the wintry wilderness by snowshoes in less than sixty days.

The story of Jean Baptiste and his long run will be told as one of the radio plays which has been written by Merrill Denison for transcontinental broadcast this winter over the Canadian National Railway's network. Anxious to develop purely Canadian programmes, Sir Henry Thornton, chairman and president of the system, is taking a great interest in the arrangements made by E. A. Weir, director of radio, and in the romance Denison is distilling out of Canada's colourful past.

GRANT DENIED TO NORTH BAY FOR STREET PAVING

North Bay City Council has been advised by J. A. Ellis that the Federal and Provincial Governments have sanctioned public works for relief purposes entailing an expenditure of \$60,000.

North Bay had asked for about \$204,000, the major item being for street paving. The governments refused, however, to grant any money for this latter item. Works approved were sewers, sidewalks, park improvements, rock removal, water mains, opening new streets, Chippewa Creek diversion, grading and ditching the new reservoir.
