ADDRESS ON MUSIC AND MUSICIANS TO THE Y.P.S.

Interesting Evening Spent at the Home of Mrs. V. Woodbury by Young People's Society of the United Church, Timmins.

A very pleasant evening was spent by the Y.P.S. of the United Church on Wednesday, Nov. 19th, at the home of Mr. and Mrs. Woodbury.

The meeting was opened as usual, with Mr. Felmer in charge. Business matters being settled, Rev. Mr. Millar introduced Mr. Rose, the speaker of the evening.

Mr. Rose spoke on the subject of "Music and Life," touching on the peculiar sounds of the drums of the African tribes, the flutes of India, and going back centuries when choirs were first heard about in Spain and then in England. Sketches of the lives of great musicians, their eccentricities and romances were duly noted. The discovery of the piano, its value, the violin, and down to the music of our modern age, the opera, the orchestras, singers and musicians, all were dealt with in a most interesting manner, which held the rapt attention of those present. Mr. Rose concluded his address by various selections on his violin.

Mr. Felmer extended a vote of thanks to Mr. Rose, which was taken up with hearty applause from the Y.P. present.

Games were played, after which a dainty lunch was served, and all "listened in," as "Amos and Andy" began their entertainment for the evening.

Mr. Felmer thanked Mrs. Woodbury for her kind hospitality, the Y.P.S. giving hearty endorsement by their applause. In reply Mrs. Woodbury said that she had enjoyed Mr. Rose's address, and having the Y.P., and hoped in the future they might again meet at her home, the suggestion of another visit to this hospitable home being greeted with renewed applause.

C. V. GALLAGHER RE-ELECTED REEVE TISDALE TOWNSHIP
Eight Running for Council in Township Other Interesting Items of News From The Advance Correspondent for South Porcupine and Dome.

South Porcupine, Nov. 26th, 1930. Special to The Advance.
Messrs Eugenio Caldarelli and Binotto Benvenuto, of the Dome Mines, are leaving from Montreal on the "Doric" on Friday, November 28th, for Italy.
Mrs. Truliffe, of the Dome Mines, gave a birthday dinner and five hundred party for Mr. Truliffe on Friday evening last. Mrs. Nixon, of Timmins, won ladies' first; Mrs. H. Blood, consolation. Mr. Nixon won gentlemen's first, and Mr. J. V. Stone, consolation.

On Friday last nominations for reeve and councillors for the township of Tisdale took place at the council chambers. The present reeve, C. V. Gallagher, was re-elected by acclamation. Nine councillors-elect were nominated. Of these eight qualified for election. Mr. H. M. Wilson declined to run for election, feeling that he was doing his bit on the fire department. F. Laforest and W. Fairhurst, of South Porcupine; Messrs Williams, Hawkins and Kerr, of Schumacher of the present council, and Messrs W. R. Sullivan, S. P. O'Hara and F. Dwyer also of Schumacher are standing for election. In the after meeting F. C. Evans acted as chairman, calling first on the present reeve and councillors to speak. Reeve Gallagher reviewed the year's work telling how expenditure had been curtailed consistent with keeping township property, roads or streets, in fair or good condition. He spoke of more work being done this fall to give employment to those out of work. He thanked all for his re-nomination. Councillor Kerr stated, when called, that this was the seventh occasion on which he had followed the reeve in speaking at a like meeting. He said that while the council going out had not agreed on everything yet each and all were out for the best interests of the township. F. Laforest thanked his supporters for their past support and for his re-nomination. Mr. Hawkins thanked his supporters and stated that while there had been criticism at the west end of the township he felt it was not justified and he doubted if ever another council be got together that would give as much of their individual time and energy to the work of the township as the present council had. Councillor Williams stated that he felt sure that compared with other municipalities our charity cases were not nearly so numerous. In addition to mentioning street and road repair. He also drew attention to the good police supervision of the township women and children being safe on the streets night or day. Mr. S. Kennedy at the close of these speeches, injected some real spice into the meeting by his peppery attack on the delayed tax sale of properties for unpaid taxes. Reeve Gallagher replied that in the best interests of the township it was not always feasible to go to the expense of a tax sale where just a few were involved and that if these people were in a position to pay anything toward redeeming a property if sold for taxes at end of three years that such moneys would readily be applied on the taxes without the formality of a sale. There was too much danger of properties going to so-called "dummy" bidders for the owners, and the real object of the sale so far as the township's welfare as a whole, would be forfeited. Messrs Fairhurst and O'Hara, of the councillors nominated were not present having been called away before their opportunity to speak. Mr. Dwyer said he was there not to criticize past councillors but to stand for election if the people felt it fair that he do so. Mr. W. R. Sullivan complimented Mr. Kennedy on bringing his grievance right to the proper place for enlightenment and not voicing it on the street as is so often the case with the rate-payers. He thanked his nominators, promising to do his best if elected.

It was surely the twilight hour, when Tisdale township council held their regular meeting on Monday evening, Clerk

Evans having just nicely got started at the minutes when the lights went out. A lamp was secured until they were in working order again. The reeve and all the councillors were present, Councillor Laforest remarking what a fine looking bunch they were—in the dark. Correspondence was read re the securing of a portion of the unemployment relief fund from the Federal Government. Although \$12,300 was asked, owing to the many applications only \$8000 was granted. The township must put another \$8000 of its own funds with this to secure the grant and it may be divided among the public works specified in the letter to the Dominion Government viz.—grading streets in Moneta and South Porcupine, cutting rock in the streets of Schumacher where necessary, and the clearing of ten acres at the township garbage disposal plot. Several cases were up for the court of revision re taxes. The fact that the report was going that the roads might not be ploughed was discussed and it was again decided to plough the roads in winter as heretofore, the snowplough now being got into shape for any emergency. A light for Smith street, South Porcupine, and two for Schumacher were ordered installed. Gravel to make Dome street more passable was ordered so that residents there would not be compelled to use the railway tracks in the wet weather. Further correspondence with Mr. Y. Ellis, secretary Unemployment Relief Fund, re the portion of excess charity that will be paid each month by Dominion funds, was ordered. In reply to some criticism that favouritism had been shown re the hiring of teams for township work, it was replied to by reporting the amount given the various team owners during the term from January to November 15th. Some rate payers have more than one team, while others have other business that at times affects the chance of getting their team right when required. Only 220 days in all, a small number, compared with former years, was given and it was distributed thus:—W. Rowan, 25½ days; Z. Harr, 3 days; Feldman Brothers, Schumacher, 29 days; Hall, 21 days; Talantino, 13 days; Laffin 27½ days; Ostrom, 7 days; Barick, 27½ days; Horbatuk, 10 days; Miller, 10 days; Huot, 10 days; Spadafore, 7 days; Laughrin, 21 days; Ostovic, 12 days. It was stated that the winter extension contracts had been completed that night—just in time for winter. The regular salaries and accounts were passed for payment.
Mrs. McJanet, of Timmins, is spending a couple of weeks with South Porcupine friends.

Mayor Robert Rowe was re-elected mayor of North Bay on Friday last by acclamation. There will be twenty-one names on the ballot for aldermen of the city.
Another evidence of the spirit of friendly co-operation in the North was given last week when the Kiwanis of New Liskeard and the Rotary Club at Halleybury, held a joint meeting, the Kiwanis being the guests of the Rotarians at the Hotel Halleybury. The meeting was a very interesting one and the programme helpful and pleasing. Further similar meetings are planned.
