On Friday, Feb. 25th, Northern Academy hockey team from Monteith were the guests of South Porcupine Continuation School at the arena here and administered a severe drubbing to the home team, getting on the better side of an 8-3 score. This gives the Academicians the round by a score of 16-4. They are a particularly well-coached, clean-playing, aggressive aggregation, a credit to their school and we predict they'll go a long way in the High School section of the N.O.H.A. They next meet Cochrane winners of the Kapuskasing-Cochrane league. The line-up here was:-Monteith-goal, Campbell; defence, Dunsmore and Boisvert; centre, Smith; wings, Clark and Morgan; subs., Allan, Dion, Aho; sub-goalie, Geagar. South Porcupinegoal, Myers; defence, McPhail and H McLean; subs., McIntosh, McCann, Pelkie. Referee-Mr. Ward, of the Northern Academy. In the first period McLean and Cattarello scored for the home team, Dunsmore and Aho for the visitors. Cattarello's score was of the flukey type, a shot from far in the corner of the rink, hitting Campbell's gads and caroming back past the goal line. The second period was just too bad for our lads. Clark scored two goals in quick succession, both the result of nicely combined work with Smith and Morgan. Morgan also made two tallies on his own, and Allan another. McLean got one more for the S.P.C.S. on a pass from Cattarello but by the time the third period arrived it was practically all over but the cheering. The Monteith boys and their friends who accompanied them were entertained later to a supper at Mrs. Martin's and then a dance at the High School hall put on by the Girl's Musical Club and some of their friends.
