Porcupine Still the Greatest Gold Camp

Hollinger Also Maintaining Its Dominating Position. Some Interesting Facts and Figures About Ontario's Gold Production.

ences to the idea that Kirkland Lake arranged for the occasion. The band, gold camp threatened to overtake the with most of its members now on day Porcupine in production and that the shift, will be out in strength. In the Lake Shore bid fair to rival the Hollinger in value of output. With every band on Sunday evening will be Bandsglory to the Kirkland Lake camp and man Stanley Johns, an old-timer of to the Lake Shore the facts do not the band. Bandsman Carl Johns will support the enthusiasts for the Kirk- be heard at his best on the cornet in land Lake camp. Along this line some very interesting facts may be gleaned from the recent report of the Ontario right there with the piccolo. Several Department of Mines on the production of the leading artists of Timmins are of gold in the province.

Last year, for instance, Hollinger profuction was valued at \$10,260,950.00 while the Lake Shore's total value of gold was only \$7.854.444.00.

In 1930 all the mines of Kirkland concert. Lake-Kirkland Gold, Lake Shore, Sylvanite, Teck-Hughes and Wright-Hargreaves—produced a total of \$17,013,873 N.O.F.A. Smoker on pine - Coniaurum, Dome, Hollinger, March, McIntyre, Porcupine United, Vipond and West Dome had an output of \$17,762,016.00.

The Howey produced to the value of \$460,857.00 and the Barry Hollinger's output totalled \$217,836.00.

The total production from all the above mines for the year was \$35,454,-

It is in the total value of production o the end of 1930 that the Hollinger and the Porcupine made Lake Shore and all the Kirkland Lake mines together look like second-raters. Up to the end of last year Hollinger had produced \$159,135,050.00, which is more than double the amount produced by the whole Kirkland Lake camp and over five times the output of the Lake Shore Mine. Nearly half of the gold produced in Ontario to the end of last year came from the Hollinger.

Up to the end of 1930 the gold produced in Ontario is given at \$337,266,-590.00. The Lake Shore's portion of this is \$29,823,663.00; the Teck-Hughes, \$24,400,702.00; the Wright-Hargreaves, \$15,298,622.00; and the other Kirkland Lake mines making up the grand total of \$75,155,980.00

In the Porcupine, the Hollinger leads with a total production of \$159,135,054. Dome is next with \$47,374,321.00. Mc-Intyre is third with \$45,061,196.00. pond is fourth with \$5,730,579.00. The other mines in the Porcupine bring the total for this camp to \$260,839,349.00. It may be also noted that the dividends paid by Porcupine mines is about three times the amount paid by Kirkland Lake mines to the end of 1930.

Enjoyable Time Expected at Annual Smoker in S.O.E. Hall This Week All Trophies to be at This Event.

As was announced in last week's issue of The Advance arrangements are now all completed for the Northern Ontario Football Association smoker to be held in the Sons of England hall, third avenue, on Saturday of this week, March 14th, commencing at 8 p.m.

The secretary of the N.O.F.A., Finchen, wrote all the clubs who had N.O.F.A. trophies, asking them to forward same to him, but up to the time of writing none of these trophies had been returned. It was hoped that window display would have been made of the splendid collection of trophies, but this is now impractical. The clubs holding these trophies, however, are very earnestly requested to have the trophies on hand for the smoker, more especially the Garrett shield and the A. Roberts shield, as presentation of these trophies takes place at this event.

It is expected that specially large attendance will be on hand for the smoker, and the members of the committee are working to give everyone a very enjoyable evening and a first-class entertainment. A buffet lunch will be served during the evening and the talent will be more or less of an other numbers. The smoker will com-

ing will be the presentation of medals to the Cornish Football Club, runnersup for 1929, and medals for the Dome F.C., winners of the local league for 1930, and the A. Roberts medal for good sportsmanship going to Cliff Thomson for 1929 and to McDonnell, of the Mc Intyre team for 1930.

Acton Free Fress:-It is predicted are having television broadcasting equipment installed.

ly before the boys' game.

Classes at Matheson

Course Similar to These at Timmins This Week to be Held at Matheson Beginning Thursday, March

Classes for the training of prospectors, similar to these in progress this week at Timmins, will be held in the court house at Matheson, beginning Thursday, March 18th, and continuing for eight days. These classes are under the auspices of the Ontario Department of Mines. Similar classes have been held for some years past at the centres where they were thought to be the most useful and they have proven of such value that their scope is being extended from year to year. This year the classes are being held at Matheson among the other centres favoured. There are many prospectors and others interested in mining matters in Matheson and district and it is felt that the classes at this centre will prove of special convenience. A few years ago one of the best known of the old-time prospectors from Matheson came to Timmins to attend the prospectors' classes, and after they were over he told The Advance that the time, money and expectors in the Matheson area will not need to spend the extra time or money to go elsewhere for the classes this

At the classes in Matheson during the eight days from March 19th, the programme will follow the same lines as in the classes here, as outlined in The given in elementary chemistry and practical identification of minerals The classes will be under the direction of Dr. E. M. Burwash whose wide know-CORNISH FOOTBALL CLUB ledge and experience should prove of A general meeting of the Cornish special advantage to all attending. In St. Patrick's Dance by on subjects of particular importance to the St. Patrick's dance under the ausmining men and prospectors. These evening lectures will be illustrated by

Wolves of Sudbury I.O.H.A. Champions

Iroquois Falls Eskimos Defeated 4 to 1, Losing the Round 6 to 3 at Sudbury on Monday Night of This Week.

Timmins High School hockey team the clever coaching of Sam Rothschild, has shown its ability to play speedy on Monday night of this week on Sudinto the Northern Ontario Hockey Asthe Kirkland Lake H.S. team would sociation senior championship by defeating the Eskimos of Iroquois Falls with a score of 4 to 1. The game at teams clash. There is every reason Iroquois Falls was a 2-2 tie, so Sudbury won the round to 6 to 3, and with and that the hockey fans will enjoy that round the championship. The Wolves accordingly will represent Norly the fans should be out in full force thern Ontario in the provincial play-Friday evening of this week to lend offs at Toronto. While wishing the their moral support to the local lads Wolves the best of luck, Timmins fans would have liked to have seen the Eskimos go farther as they are a good team. Kirkland Lake High School girls will In this part of the North as a matter also have a game with Timmins High of fact the most popular team to reand Technical School girls, immediate- present the North would have been the South Porcupine team, but they missed Meetings held in the Hollinger Recreathe breaks. Reports from Sudbury tion Hall two evenings a month. Dates To Hold Prospectors | would appear to indicate that the best | will be announced in The Advance. North prefers that the best team should go down from this section of the province it is all right with the fans.

> Sudbury-Delabco, goal; B. Rocque and Tullock, defence; G. Rocque, cen- Meets every First and Third Tuesday tre; Balke and Lafrance, wings; Rain- of the month in the Oddfellows' Hall ville, T. McDougall and Olivier, spares. Ircquois Falls:-Powers, goal; S. Por- Mrs. A. G. Luxton ter and R. Porter, defence; Cybulski, centre; Bennett and Walh, wings;

Roberts, Pender and Smith spares. In the first period Roberts and Pender scored the first goal and the only goal of the period, as well as the only goal of the game for the Falls. The Wolves seemed to lag for a time after this goal, but though the Eskimos worked hard they had no further reward In the second period the Wolves adoptted a more aggressive attitude and the result was the scoring of three goals for Sudbury in that frame with the fourth counter put in during the last verse of the poem of the evening. Both goalies are receiving credit for good work, the Sudbury net-minder having a double share of the laurels. Tullock was the star of the game

defence a decidedly busy time. One of the humorous stories told of the game is that during the intermission between the first and second periods, with the Falls one up, Max Silverman, manager of the Wolves, went round the Sudbury team and touched each player with a rabbit's foot for luck. The luck apparently worked for in the second and third periods the Wolves scored a total of four goals.

Announcement is made this week of pices of the St. John's Ambulance Brigade, the event to be held in the Hollinger Recreation hall, on Tuesday, the opportunity to attend again so enjoyable an event. This year's St. Patrick's dance is going to be even better than last year's, the St. John Ambulance committee making all arrangements for a particularly pleasing event. The event on March 17th will be featured by novelties. There will be a \$5.00 gold piece as a door prize. The usual high standard of refreshments will be served by the ladies Dancing will be from 9 to 3, and the music will be provided by the Club Royal orchestra. The event, like all other events under the same auspices, will be an enjoyable and pleasing one There is also another good reason for attending it. It is for a particularly worthy cause—the St. John Ambulance Brigade, whose many good services to the public can not be appreciated too

MR. AND MRS. SOL. SKY RETURN

Last Sunday Mr. and Mrs. Sol. Sky were welcomed home by Mr. and Mrs Harry Sky, Mr. and Mrs. Barney Sky and Mr. and Mrs. A. Tomkinson and their family. Mr. and Mrs. Sol. Sky left Porcupine seven weeks ago on trip to Florida. Reaching Detroit they decided to motor. There they bought a Studebaker coupe and have driven a total of 4400 miles, their route being Detroit to Florida and by return to Mar. 20. Washington, Philadelphia, New York Mar. 27. and Montreal. The touring couple were Apr. 2. equipped with a moving picture camera Apr. 10. and have succeeded in filming some Apr. 17 remarkable scenes of the trip which Apr. 24 they are arranging to show to their many friends.

London Advertiser-A radio exper- C. H. WHITE, DISTRICT PASSENGER ience Saturday was that of hearing the president of Princeton University

The Sudbury Senior Wolves, under bury ice skated and played themselves

In Monday evening's game the teams lined up as follows:-

Despite the score it is admitted frankly by the Sudbury fans that the Falls played excellent hockey and their combination rush plays were dangerous all evening. In several stretches of the game the Eskimos had the edge on the play and gave Delabco and the Sudbury
