## The Canadian Legion in the Porcupine

By the  
Secretary-Treasurer

This week I will start off with giving the work of the Ontario Service Bureaux for March 1931:—

The month of March, 1931, has brought a new record in successful major pension adjustments as no fewer than 70 were secured involving the payment of approximately \$34,300.00 in Retroactive Pension, while the future has been made secure for disabled comrades, their dependents, widows and orphans. This magnificent achievement indicates the efficiency of the Adjustment Officers, also that the system of operation is very effective. A glance at the classification of the successful adjustments will convince anyone of the wisdom of having fully qualified and experienced Legion Adjustment Officers present such claims.

Gun Shot Wounds, 10; Bronchitis, 9; Arthritis, Myalgia, V.D.H., Flat Feet, and Dependent Pensions, 5 each; Neurasthenia, 4; D.A.H. and T.B., 3 each; Neurosis, Varicose Veins, Duodenal Ulcer, 2 each; Pyorrhea, Nephritis, Hemorrhoids, Fracture Leg, Myocarditis, Peptic Ulcer, Otitis Media, Hernia, Injured Knee and Hallux Valgus, 1 each.

It is desired to state further that pension entitlement was secured for additional disabilities numbering 20 in the above cases. Many of these comrades have two or more disabilities, but although pension has been obtained for these conditions, each individual case is listed as a single adjustment even though the man may be established on pension for four separate disabilities which happened in one case.

Since Jan. 1st, 1931, the Ontario Provincial Adjustment Service has established 172 major pension claims. When it is considered that under the new procedure, only one presentation is possible to the Board of Pension Commissioners, the thoroughness of our preparation and presentation will be apparent. Claims which the B.P.C. are unable to grant are referred to the Pension Tribunal with the possible long delay before a hearing is arranged, and even if the claim is allowed, it is subject to appeal by the Commission Council.

sel to the Pension Appeal Court. Approximately 70% of the favourable decisions of the Pension Tribunal have been appealed and the Pension Appeal Court have rejected two thirds of the claims which were allowed by the Pension Tribunal.

Legion members are therefore urged to avail themselves of the expert advice and assistance of the Service Bureaux. Many branch Secretaries and Pension Officers are already doing this, and their co-operation is a factor in the success achieved. Remember—the Ontario Service Bureaux are linked up with the Dominion Service Bureau of the Legion in Ottawa, under the direct supervision of Com. R. Hale, Dominion Adjustment Officer who has personal contact with the B.P.C. and other adjudicating bodies. Toronto Service Bureau is operated by Com. A. A. Robinson—London Service Bureau by Com. F. Furness, and Windsor Service Bureau by Com. C. H. Strickland.

During March pressure was severe in all Service Bureaux as the following figures will indicate—Interviews, 114; Letters Written, 2458; Documents Copied, 676; Clinical Examinations Arranged, 189. There are 2806 cases receiving attention at the present time. Even where a successful adjustment is not obtained, it will be realized that a well prepared case is ready for consideration of the Pension Tribunal where jurisdiction exists. In many of these cases relief is obtained to cover immediate needs from the Canteen Fund or eligibility to War Veterans Allowance is undertaken. A substantial number of minor adjustments such as Departmental Medical & Dental Treatment have also been obtained following negotiations with the authorities concerned.

Followed by a little note on the good work of Col. Picking which is headed, "A Tribute to Ontario"—Lt.-Col. F. J. Picking, provincial first vice-president and honorary secretary has been in Manitoba and Saskatchewan for the last ten days. He went out there on a mission for the Dominion Command,

with instructions to instal in the provincial headquarters at Winnipeg and Regina the same system as has been established in the provincial office at Toronto. This is a distinct tribute to the Ontario Provincial Command. Those who were present at the Regina convention in November, 1929, will remember, when Ontario was placed in a bad light in comparison with the other provinces. Those who were at the Hamilton convention will remember the chaos which existed at that time. It is therefore highly gratifying to learn that the Ontario Provincial Office and its organization are now being set up as a model for the rest of Canada. It shows the remarkable change which has taken place in the affairs of the Ontario Provincial Command since last August, and members of the Legion in Ontario can be justly proud of the manner in which their affairs have been handled in the last eight months. This change is due to the self-sacrificing work of the honorary secretary, Comrade Picking, ably backed up by the members of the special provincial finance committee, which has been holding many meetings in the last few months, and has been giving wise counsel and guidance in directing the affairs of the provincial command up to the present high standard of efficiency. Every member can now feel proud of the provincial organization, and that should make an added incentive to effort in the membership campaign.

The election of officers for 1931 turned out a good working executive.

The 1st vice-president is Com. T. Parsons, of the Dome Mines. The 2nd vice-president is Comrade Forrester. The executive committee—Comrades Garner, Devine, Bellamy, and Scobell.

While waiting for the ballots to be counted the members had a happy hour. Comrades Nichols, Grant, Paddy Rowe, Bellamy, Curtis, and McCann, along with Comrade T. Johnson, kept the boys in good humour aided by Porcupine Cawfee. Comrade Devine presided at the piano in his usual capable manner.

There was a good attendance at the meeting.

Vimy Night is the next event and that is to-night (Thursday). See the advertisement elsewhere in this issue. The Timmins branch will go over the top and retake Vimy in fine old style.

We had several new members initiated at the general meeting, namely, R. D. Allen, W. T. Montgomery, L. E. Davidson, J. Dobee, R. A. Andrews,

Thomas Wilson, J. J. Desormeau, H. M. Powell, A. D. Walker, and F. Leduc. A few more to the Timmins Branch Canadian Legion membership! We are also having Comrade G. W. Starling transferred from Toronto.

Sunday, May 24th, will be a church parade when Comrade B. Sky will take moving pictures of the parade. Comrade Sky put a little more pep into the branch by suggesting that we go out and get all the ex-soldiers and hand them a form. Comrade Scobell had another good suggestion and that was to have a special meeting and each member grab hold of his man and not leave loose until he had his man at the meeting. Not a bad idea!

Comrade Keates put the suggestion that we had a good night for this work on Vimy Night, so I think all members took application forms to bring their man for Vimy.

As usual I shall be pleased to take in the baw-bees or dues along with the application forms on Vimy Night.

The next general meeting will be Monday, April 20th, and the next executive meet Thursday, April 16th at 7 p.m., sharp, at the president's office.

So, in conclusion, remember that to-night we go over the top with the best of luck at the Oddfellows' hall at 8.30 p.m. sharp on the anniversary of Vimy. —The Secretary-Treasurer.

Miss Coleman spent the week-end visiting opening a branch of the Canadian Bank of Commerce.

Mrs. Wilson Boyce and children are visiting her parents, Mrs. Jos. Tarlo. Miss Kitty Duxfield, who is a student at North Bay Normal School, is spending Easter with her parents.

Mr. H. Hall, who was removed to St. Mary's hospital, is greatly improved. The Easter services in the United Church were well attended. The morning lesson by Mr. Summerell was taken from the 24th chapter of St. Luke. The solo for the morning was "The Resurrection," by Mrs. Calverly. At this service Baby Mary Jane MacKenzie was baptized. The evening subject was "The Living Christ." Mrs. Charlie Roberts sang very sweetly "The Holy City."

The Rev. Bruce Millar will occupy the pulpit next Sunday morning, April the 12th, at Trinity United Church.

Mrs. Douglas Cotcher has predicted fine weather is here to stay, according to the garden, having picked a bouquet of pansies in her garden on Monday. School will re-open Monday, April 13th.

Blairmore (Alberta) Enterprise:—A Scotchman, just back from the Florida golf courses, was struggling up the main street in Blairmore, dragging an alligator. "What are you doing with that alligator?" he was asked. "The son of a gun has my ball," he replied.
