Last Week's Games in Ten-Pin Bowling

Webb, of Timmins, and Arnott, of Schumacher, were the winners at Ten-Pin Matches at the McIntyre Alleys Last Week.

In the ten-pin bowling last week at the McIntyre alleys the teams captained E. R. Webb and C. Arnott, Schumacher, respectively, were the winners. The ten-pin tossers could not register any high scores. Cooke, of the Schumacher team, lost three points to Webb, of Timmins, and Skelly lost three to Arnott. Capt. Webb was high for Timmins with 545 and Capt. Arnott was high for Schumacher with 541. The following were the scores of the games:

Old-Time Barn Dance With Bridge and Whist

The L.O.B.A. are announcing a series of events that should be of special interest and attraction. These events are to take the form of an old-time barn dance, with bridge and whist. The events will be held in the Oddfellows' hall, Timmins, and all who attend may be sure of a happy time. Cards will be from 8 p.m. to 9:30 p.m. sharp, and there will be square and round dancing from 9:30 p.m. on. There will be good prizes, including a lucky door prize. The music and all other features will be up to the best standards and the idea is for all attending to have the best kind of a time.

The first of these events by the L.O.B.A. is scheduled to be held in the L.O.O.F. hall, Timmins, on Tuesday evening, April 21st. was won by J. Fulton with a score of 1262. All playing in the tournament were delighted with it and hence the proposal for another bridge marathon.

ANOTHER'S DEATH REPORTED AT THE ABITIBI CANYON

Word from the North this week tells of still another death at Abitibi Canyon. This time the death was from drowning. A man named Stanislaus Hoidys, Polish by birth, fell into the river while at work for the Dominion Construction Company at Abitibi Canyon, and he was swept away by the river and drowned. So far as known the body has not been recovered from the water. The deceased was a labourer. Little is known of Hoidys, and there are few particulars of the accident in which he met his death. An inquest will be held into the death.

Balance of Games in the Town Bowling

Grant's Team Replaces Nicolson's in the Balance of the Games to be Played in the Town Bowling League.

Herewith is given the balance of the games in the Town Bowling league schedule. All bowlers should clip out this schedule and preserve for reference. The same procedure might well be followed by all bowling fans, even those not concerned as players. In this way they will have added interest in the series.

Bowling this year has been both successful and interesting and a large part of the special interest has been due to the greater attention paid to schedule.

It should be noted that for the balance of the games to be played Grant replaces Nicolson.

The following are the games for the remainder of the schedule:— April 22nd—Brown vs Whitney, alleys 1 and 2; Macpherson vs Grant, alleys 3 and 4; Jacques vs Roberts, alleys 5 and 6.

April 29th—Roberts vs Grant, 1 and 2; Jacques vs Whitney, 3 and 4; Brown vs Macpherson, 5 and 6.

May 6th—Macpherson vs Whitney, 1 and 2; Brown vs Roberts, 3 and 4; Jacques vs Grant, 5 and 6.

Miss Betty MacDonald, of Alexandria, has returned to resume her duties as teacher at Drinkwater Pit. She was accompanied by Master Lucien Florent, who was visiting Mr. and Mrs. T. McLean, Sarsfield, Ont.

N. O. H. A. Trophy Now Held in Sudbury

Has Been Held in Four Different Towns Since First Awarded in 1920. Sudbury was the first Winner of Senior Hockey.

A despatch from Sudbury last week notes that after knocking about the North Country for the past decade the Northern Ontario Hockey Association's senior trophy has at last returned to Sudbury, its first place of residence. The cup was received on Thursday by J. J. Ferry, president of the Sudbury Hockey Club, somewhat battered from its travels but still one of the finest hockey trophies in existence.

It was donated in the spring of 1921 by the municipalities of Sault Ste. Marie, North Bay, Cobalt, New Liskeard, Timmins, Iroquois Falls and Sudbury for annual competition.

A striking feature of this handsome cup is that its composition represents products of the natural resources to be found in Northern Ontario. Gold, silver, iron, nickel is displayed, while on the body a mining scene is engraved on one side and a lumbering scene on the other. Four nuggets, nickel, gold, iron and silver rest on the four top corners of the mahogany base and on the base a hockey scene is portrayed along with a silver plate having the names of the donors engraved thereon. There is also on base space for shields bearing the names of the champions.

A rolling stone may not gather any moss but the trophy has collected a number of silver plates in its travels. The Sudbury Wolves of 1920-21 start the shields off and on this plate are the names: A. McKinnon, R. Green, L. Berthelme, C. Langlois, W. Green, W. Duncan, C. Boucher, G. Duncan. Following this up are the names of the winners in the subsequent seasons and most prominent of these is the Soo Greyhounds. They won the cup three years in succession and one other year.

- The various winners follow: 1920—Sudbury. 1921—Sault Ste. Marie. 1922—Iroquois Falls. 1923—Sault Ste. Marie. 1924—Sault Ste. Marie. 1925—Sault Ste. Marie. 1926—Iroquois Falls. 1927—Porcupine. 1928—Porcupine. 1929—Iroquois Falls. 1930—Iroquois Falls. 1931—Sudbury.

Aerial Prospecting Will be Extended

Prospectors' Airways, Limited, to Carry on Extended Programme of Prospecting Work This Season, Reports State.

Robt. Cockeram, prospector and mining man, of Halleybury, well-known all through the North, and particularly noted as a pioneer in the extended use of the airship as an aid to prospecting, has recently given an interview to the press that is of more than passing interest.

In the interview it is pointed out that notwithstanding the fact that aerial prospecting has not generally been recognized as successful, the Prospectors' Airways, Limited, in the organization and maintenance of which Mr. Cockeram has been a leading figure, is planning to extend its programme throughout the approaching summer, and will carry on as before. Two planes will be employed, to be used chiefly for moving prospectors and scouts in and out of favourable areas and for transporting supplies. As evidence of the comparative success of the Prospectors' Airways operations to date, Mr. Cockeram pointed out that the organization had paid its way so far, and includes among its assets heavy interests in some of the more outstanding metal discoveries of the past few years.

Prospectors' Airways, it will be recalled, were responsible for the discovery of the copper-gold showings at Opemiska Lake which later were examined and diamond drilled by Ventures, Limited, and at present are held under the name of the Ventures Opemiska Mines, Limited. The company also has a promising prospect in Pascalis township, Quebec, where cross trenching has disclosed several lenses of gold ore averaging \$8 per ton across width of approximately 15 feet. Exploration to date has shown the lenses to be short, but diamond drilling is planned for the purpose of getting a picture of the underground layout.

Prospectors' Airways, Limited, was originally organized as a small private company. Recently it has been proposed to extend the share holdings, increasing the capitalization to about 300,000 shares, instead of 350 as at present. Legal steps in this direction are now being taken.

Sudbury Star:—Sudbury is one of the few cities in the province, probably in Canada, whose police force is not only self-supporting, but shows a surplus of revenue over its cost of maintenance. During 1930, the department cost the citizens the sum of \$41,673.26, but there was collected in fines and dog tax the sum of \$43,324.75, leaving a net profit of \$1,651.49.

Scotch Night Band Concert on Sunday

Programme of Musical Numbers Pleases All. Theatre Filled to Capacity for Event. Next Band Concert will be Cornish Night

Every seat in the Goldfields theatre was taken and a number had to be turned away for lack of further room at the band concert on Sunday evening. The Timmins Citizens band, under the leadership of Bandmaster A. Wilford, were in good trim, the following selections receiving well-merited applause:—Hymn; Scottish Marches, "Lass o' Gowrie," "Bonnie Dundee," "Bonnie Scotland," "Wee MacGregor," and the march "Eldorado."

Four members of the Timmins branch No. 88 Canadian Legion Bugle Band delighted the audience with the pipes and drums, the piper being H. McNeill, with Bandsman P. Cherry on the big drum and P. O'Neill and R. O. Allen on the side drums.

Another member of the Canadian Legion, Thos. Huntley, brought down the house with his humorous songs. The dancing of Miss Marion Twaddle to the playing of the pipes by Piper McNeill earned great applause and this gifted little dancer was also well received in a classic dance effectively presented.

Wilson Thompson in a song, followed by a recitation, pleased the large audience.

Mrs. W. Allen's recitation was another number that won special applause.

Mrs. Twaddle, Mr. Geils and Mr. Thompson in a pleasing trio won very hearty approval and applause. The duet by Mrs. Twaddle and Mr. Geils was also a very popular number. Mr. Geils was heard to advantage in the stirring song, "The March of the Cameron Men."

Mrs. Leslie Mason's fine voice in an old Scottish ballad pleased all, while Alex Kincaid's singing of "MacGregor's Gathering" was another feature of the evening. The accompanist for the evening was Thos. Twaddle.

The playing of the National Anthem by the band brought a very successful concert to a close.

The next band concert will be on Sunday, April 26th, and will be "Cornish Night." This will be another opportunity to hear the gifted musicians from Cornwall.

Border Cities Star:—Anyone of means who desires to purchase a luxury automobile can select it from a great variety made in Canada. If this is not suitable to him he is, of course, at liberty to buy a United States or European car, but can have no reasonable ground for complaint if he must pay extra for the privilege of denying the business to the Canadian industry.
