

News From South Porcupine and Dome

Ven. Archdeacon Woodall to be at South Porcupine Church on Sunday Evening. Football and Softball at the Dome.

South Porcupine, June 17th, 1931. Special to The Advance.

On Wednesday evening, June 10th, there was a closely contested game of football at the Dome recreation grounds between the Cornish, of Timmins, and the Dome Football Club. Purdie of Timmins made a very satisfactory referee. The "Jacks" made the first goal with a ball which Taylor centred and Hooper kicked into the net. They were again pressing very closely when the Dome boys by a well-combined rush from the danger zone down the field ended in Doran making the count 1-1. They stayed right there in the Cornish area and only the splendid work of Harris between the nets prevented a

heavier score. For the next goal he was pushed pigskin and all back of the line. Doran made the third goal and Foster a fourth giving the Dome a decided margin in the first half. Hitt got his shoulder injured so was not up to strength for the "Jacks". Soon after the second half was started the "Jacks" got a penalty kick from which Tonkin scored a second goal for the Cornish. The Cornish had bad luck around the Dome net. Three times in succession what looked as though it should have been a counter went past the net. Then Foster kicked in with another for the Dome. Street, also of the Cornish, got his ankle injured. One of the Dome players tripped a Cornish and feeling started to run tensely. Street and Blair were both put off for roughing it a little. Kicking was decidedly strong on both sides but the Dome boys were the faster. Harris in goal for the Cornish showed up splendidly. However Foster caught him off guard when he made a quick turn and with a well-centred kick made it 6-2 for Dome. Cook got past with another that fell

out of the net-guardian's hands and rolled over the line. Whyte made it 8-2 for the Dome and that was all there was to it. The teams lined-up:—Cornish—goal, Harris; backs, Hooper, Tonkin; Hitt, Street and Cooper; forwards, Taylor, Salter, Hooper. Dome—goal, Rowe; backs, Blair, Fidock; Mitchell, Whyte and Robson; forwards, Rudkin, Cooper, Foster, Blair and Doran. Reserves, Jones, Saunders.

The next evening there was a tilt in softball between the Mine and the Mill at the Dome. The teams were:—Mine—catcher, Clark; pitcher, Montgomery; first base, H. Michaelson; second base, Mulvihill; third base, Ray; short-stop, Proulx; fielders, Ostrowsky, Burke and Parsons. Mill—catcher, Longworth; pitcher, Johns; first base, Burns; second base, Mansfield; third, McNabb; short-stop, Miller; fielders, Mason, Lett and D. Parsons. Umpire, Jim Fell. The score was 21-2 for the Mine. In the first innings the Mine was leading 2-0. "Monty" started the second with a home run, but Burke, Mulvihill and Clark all went down at first. The third

saw the score the same, then Michaelson Proulx and Ostrowsky ("Zig") all made the home plate. Mulvihill's good batting let Monty in and himself to second. Burke came home and Clark got a home run, putting the Miners ten to the good. Proulx made the home plate in the next and Ray let Zig and Monty home while he got to third on his own effort. Dick Parsons made the first run for the Mill but his brother, Tom, trotted home again for the Mine. Proulx and Zig also got around the diamond. Lett made a home run for the Mill, the only bit of luck that seemed to come their way. Parsons, Michaelson and Proulx again cantered around the diamond making the score 21-2.

The Women's Auxiliary of the Anglican Church met at the home of Mrs. M. Smith on Monday evening.

Archdeacon Woodall is now back in Canada after his holiday in England. He will take the service in St. Pauls Anglican Church on Sunday evening next and it would be a fitting welcome home if all who were interested in his holiday to his former home would be

there on Sunday evening to welcome him back.

The supper given by the Ladies' Guild of the United Church in the Bank of Toronto building on Saturday evening last was a decided success. The aim when the ladies started giving these teas was to make up a deficit there had been in the salary of a former pastor. This has now been done and in spite of several drawbacks the different bodies of the church are shouldering their responsibilities and the work of each is progressing very favourably.

Four young ladies from the Canadian Sault are on a holiday trip to this part of the North. They have motored to North Bay and expect to reach South Porcupine to-night where they will be the guests of Mr. and Mrs. E. Robinson of the Algoma Air Transport Company. The air-base here continues to be a centre of interest and many are availing themselves of the opportunity of going for a joy-ride in the air, or for fishing or exploration work.

In the police court on Thursday last there were three speeders who paid fines of \$10 and costs; four reckless drivers also paid fines, two at the rate of \$10 and costs, two at the rate of \$25 and costs. One man for having liquor not on his permit paid \$100 and costs. Another also for having liquor not on his permit paid \$500 and costs.

On Monday evening a softball team that was given to us as Millions Dumbbells made up of Dome Mill men played the Engineers. The teams lined-up were:—Mill—C. Mansfield; p. Johns; lb. Burns; 2b. Lett; 3b. J. Brooks; s.s. McNabb; fielders, Mason, Timlin, Parsons. Engineers—C. Fell; p. Rudd; lb. Sullivan; 2b. Michaelson; 3b. McCaffrey; s.s. Cook; fielders, McMurray, Doran, Crozier. When the fans were not umpiring the game, Sutherland acted as umpire. The score was 15-9 for the Engineers. Fell made one run, Rudd two, Sullivan one, McCaffrey one, Cook two, McMurray one, Doran three, and Crozier one. For the Mill, Mansfield came in twice, Johns one, Burns three times, McNabb once, Timlin once, Parsons once, Michaelson, Crozier, Sullivan, Mansfield, Rudd were the home run artists.

PRIZE WINNERS AT MOOSE DANCE FRIDAY LAST WEEK

The dance given in the Moose hall on Friday evening last week under the auspices of the Moose entertainment committee proved a very pleasing and successful event. There was a good crowd and a good time for all attending. The following were the prize winners:—

Mrs. Smith, of Ansonville, drew the lucky number. Watch won by No. 239, L. Bartlette, Schumacher. Ring won by No. 418, W. Gelbert, 185 Spruce street, Timmins. Fob won by No. 289, W. Graves, 8 Laidlaw street, Timmins.

Elsewhere in this issue will be found an up-to-date list of the fire alarm boxes in town. The location of these boxes is useful information to have, as is also the proper method for turning in an alarm in case of need. The Advance has some printed cards giving this information, and these will be available to readers of The Advance while they last.

Appreciation Shown Mr. and Mrs. Murphy

Presentations at Schumacher to Valued Residents of Camp for Many Years. Other Items of News from Schumacher.

Schumacher, June 17th, 1931. Special to The Advance.

Born—At St. Mary's hospital, June 15th, 1931, to Mr. and Mrs. E. Pooley, Third avenue,—a son.

Mr. and Mrs. James Shields left on Saturday for a motor trip in the south. Mrs. Harry Armstrong, of Rouyn, is visiting her sister, Mrs. S. O'Hara.

The many friends of Mrs. H. Foster are pleased to see her out again after her operation at St. Mary's hospital for the removal of her tonsils.

On Wednesday evening the Ladies' Auxiliary held a banquet in the basement of the church in honour of Mrs. G. C. Murphy, who is leaving town. An address was read by Mrs. MacKay touching on the continued assistance and support that Mrs. Murphy had given during her eighteen years as a member and pointing out that our loss will be some one else's gain. Mrs. Oton then presented a silver cake plate to Mrs. Murphy. In replying, Mrs. Murphy said that though she was leaving our midst she would always remember the pleasant times she had had while here, and especially interesting was it that only two charter members were left. The members responded to this with singing, "For She's a Jolly Good Fellow," after which all joined in singing "Auld Lang Syne."

Mr. Bangs returned to Montreal on Tuesday after spending a holiday with his daughter, Mrs. J. Montigney, Third avenue. Jean Chatson, daughter of Mr. and Mrs. J. Chatson, who was operated upon on Sunday for appendicitis at St. Mary's hospital, is doing nicely. Mrs. Fanny, of Cobalt, is visiting Mrs. J. Beasley, Third avenue.

At the Male Voice Choir practice on Sunday, all the members turned out in order to say farewell to Mr. G. C. Murphy, who has been their secretary since they organized and has given very generously of his time. After the speeches, Mr. W. H. Wilson presented Mr. Murphy with a club bag as a token of appreciation from the members. Mr. Murphy made fitting reply that any support and time he had given was a pleasure as the choir had been the means of bringing good singing into the various communities. He urged them to continue the good work. "Auld Lang Syne" was sung at the close of the afternoon.

Miss Jean Montigney had the misfortune to fall during athletic practice on Wednesday and injure her spine, which will keep her confined to her bed for a few weeks.

Miss Molly Dougall, sister of Mrs. W. J. Lampkin, sailed on June 12th for Wishaw, Scotland, where she will spend a three months' holiday.

The Halleyburian last week says:—"Messrs George and James McDonald, of Timmins, were in Halleybury visiting at the home of Mr. and Mrs. O. J. Thorp last week-end, where Mrs. McDonald their mother, is staying with here daughter, Mrs. Thorpe."

Death of Mrs. J. Brydger at Renfrew Recently

Many friends in Timmins and district will learn with deep regret of the recent death at her home in Renfrew of Mrs. John Brydger, who was for some years a well-known and highly esteemed resident of the North. Mr. Brydger was well-known in Timmins years ago being interested in mining properties in this district ad spending much time here. Their son, William Brydger, who was for years one of the stars on the Iroquois Falls hockey team, has made wide circles of friends in town and district who will extend sincere sympathy in the bereavement that has overtaken the family. A recent issue of The Renfrew Mercury makes the following reference to the death of Mrs. Brydger:—"Mrs. John Brydger of Lorne street, Renfrew, whose death occurred on Saturday last, had long been in failing health. She passed away at the age of 72 years, regretted by all who knew her. She was born in Horton township, near Renfrew, a daughter of the late Mr. and Mrs. John Burwell. Following her marriage she and her husband dwelt in Renfrew for many years and the restaurant which they conducted was well and favourably known. They also lived in Eganville. After the discovery of silver in New Ontario Mr. and Mrs. Brydger and family moved to that part of the province, remaining there until the memorable conflagration which wiped out Halleybury, destroying their home and contents. The Brydger family, like others, were forced to seek shelter in the waters of a lake. Except for a winter spent in California Mr. and Mrs. Brydger afterward remained here. With the husband there survive two sons and one daughter, John of Halleybury and William of Iroquois Falls, and one daughter, Elizabeth, who is now Mrs. Charles B. Hayes of Paris, Idaho."

Brilliant Speaker to Review Early History

A decided treat appears to be in store for the people of Timmins and district on Friday evening of this week, both from the standpoint of history, and from the standpoint of oratory, when a lecture 1/2 to be given by W. H. Fox, a well-known brilliant lecturer, who is coming here under the auspices of the Timmins Knights of Columbus. Mr. Fox who was the winner of the Dominion Oratorical Contest in 1928, has a wide fame as a speaker. His subject to-morrow (Friday) evening will be "Huron and Our First Saints," and under this title he will deal with the early history of Canada and the story of its missionary enterprises. The lecture will be held in the basement of the Church of the Nativity. Admission will be free and a hearty invitation is extended to all to attend this event. The lecture will commence at 8 p.m.

A rumour current this week that a boy had been killed, or at least seriously injured on Saturday in an auto accident on the River road had no foundation in fact. It was one of those rumours that arise whenever any accident has occurred, the spread of the story having no further basis than confusion arising from the accident on the previous night.
