 Mr. and Mrs. Otto Spillers and daughters, Marjorie and Beatrice, also Miss Verna Smythe, are on a motor tour to Southern Ontario and other places of interest.
 A very pretty wedding was solemnized on Thursday, June 25th, when Ada youngest daughter of Mr. and Mrs. James Thomas, Downan, St. Just, Cornwall, England, became the bride of Mr. J. J. Nicholls, of Noranda, Quebec, formerly of St. Just, England. The ceremony took place in the United Church, South Porcupine, Rev. L. Hussey officiating. The bride was given in marriage by her brother Mr. William Thomas, Dome Mines, South Porcupine. She was gown in a pale pink dress with veil to match and carried a bouquet of bridal roses and ferns. She wore an opal ring, the gift of the groom. Mrs. William Thomas was matron of honour in a becoming gown of pale mauve and also carried a bouquet of roses and fern. Mr. Wilfred

Thomas, brother of the bride, acted as best man. The wedding reception was held at Dome Mines, the home of her brother. The happy couple left on Friday for Noranda, Quebec, where they will reside.
 On Wednesday last, the South Porcupine Boy Scout troop held a very successful field day. A challenge had been sent to the Timmins and Schumacher troops to compete and a prize of twenty-four Scout neckerchiefs, was put up by the committee for the troop scoring the most points. Timmins responded in great style and sent about twenty boys down for the event. One of the best features of sportsmanship of the day was that of Schumacher, who, though only able to send two boys down, the two made a splendid effort and managed to obtain eleven points in the Senior and eleven in the Junior events. Examinations interfered with some boys coming down for the day. The Girl Guides also were invited and two races were run especially for them. The girls entered into the fun and apparently enjoyed the day as much as the boys. After the races everybody retired to the troop headquarters for supper. After the meal which, needless to say, was heartily appreciated by the boys, the Timmins groups had to go home but the Girl Guides challenged the Scouts to a softball game. The boys had to bat and pitch left-handed and after a hard-fought battle the girls were declared the victors by 20 runs to nineteen. The Scouts wish to thank all those who so kindly helped to make the field day a success, and also wish to voice their appreciation of the fine spirit of sportsmanship the boys from Timmins and Schumacher showed. Points were awarded for each race but as Timmins was unable to send any seniors the senior points were afterwards cancelled. The points awarded were as follows:—
 South Porcupine first with 35, Timmins second with 17, Schumacher third with 11.
 100 yard dash senior—1, Catarello (S.P.); 2, Finkelman (Schumacher); 3, Abramson (S.P.).

 One-half mile—Senior—1, W. Finkelman; 2, M. Smith (S.P.); 3, Blakeman (S.P.).

taking the service. Burial was made in the South Porcupine cemetery. The pall-bearers were Messrs Robert and Alfred Hawse, Messrs Gordon and Reg. Countryman, Mr. Jack Spitz and Mr. Will Andrews. The late Charles Syvret was born in Jersey, of the Channel Islands, fifty-four years ago. He came to Canada in 1900 and to Porcupine camp in 1923. Prior to his illness he had been an employee of the Dome Mines for seven years. He was a genial sociable man, much liked by both young and old. Even through his long illness he always was ready with a pleasant word for friend or neighbour. Many beautiful floral gifts spoke of the sympathy felt for the bereaved family. There were the following floral tributes: Wreaths from Mr. and Mrs. Reddy and family of Toronto, Mr. and Mrs. R. J. Riley and family, of Winnipeg, Mr. and Mrs. Andrews, of Morewood, Ont., and son, Will, of South Porcupine, Mr. and Mrs. W. Countryman and R. and A. Hawse; sprays from Mr. and Mrs. J. McCann, from Mr. and Mrs. J. Costello and Mr. and Mrs. Bethune.
 A break in the pipe of the water system between the town and the Shaw Springs on this (Monday) afternoon caused the cessation of the water supply on one of the hottest afternoons we have had. We always know the water supplied here was good but it never seemed so desirable as this afternoon. "You never miss the water till the well runs dry," was certainly emphasized all over town.
 The fire alarm was sounded on Sunday just a little before one o'clock. Mr. E. Jones had seen smoke issuing from the vestry of St. Joachim's Roman Catholic Church and gave the alarm. In less than two minutes South Porcupine fire department were on the scene and ready to work. It happened just at a time when Engineer Armstrong was down at the pumps and no time was lost before the water was playing on the fire which was all in the vestry end of the church. The edifice was so full of smoke that Capt. D. McLellan and W. Farran of the fire fight-

Another theory is that the extreme heat of the sun shining through the double glass of the windows on that end of the church may have concentrated on something inflammable and thus started it smoldering. There had been a ten o'clock service there on Sunday morning.
