What Is He Worth?
Well, he's worth . . . the absurdity of the question makes you smile . . . You wouldn't part with him for any amount of money . . . He's too precious!
Remember, then, that his strength, his appearance, his success and happiness depend upon his health. And his health depends largely upon you.
Be sure to guard your child against constipation and the evils which result from it. Baby's Own Tablets are a safe and effective laxative. They reduce simple fever, allay colic, relieve cramp, prevent constipation, help to relieve the distress which accompanies the cutting of teeth and generally promote the health and comfort of children.
For your own peace of mind, and for the sake of your child, don't be without Baby's Own Tablets in the house. 25 cents at any druggist's. 161
