

Successful Candidates at H. S. Entrance Examinations

E. Riley and R. Shirreffs, Equal Rank Highest at Timmins Centre. Betty Gallagher, South Porcupine, Ranks Highest in Inspectorate. South Porcupine Pupils Also Third and Fourth Highest. Report Early This Year.

Below will be found the report of the results for the High School entrance examinations in this district, just received this morning. The report is unusually early this year and all concerned will be complimented on this.

The report itself is very pleasing. South Porcupine covered itself with honour, pupils from that excellent school winning first highest and third, fourth and fifth places in the inspectorate. Other centres also did well as will be noted.

District of Cochrane—Timmins Centre Passed With Honours

G. Andruchuk, H. Andruchuk, R. Armbrust, G. Beaudin, J. Brovender, P. Burke, H. Chisholm, M. Cooke, C. Copps, V. Copps, S. Daly, M. Dungey, H. Gauthier, M. Giallonardo, J. Gillen, M. Gulho, C. Kelly, E. Kendall, F. Kideckel, S. Lawley, E. Lawson, M. Lee, I. McDermott, C. Martin, E. Morris, L. Nelson, O. Pearce, H. Pecore, R. Prout, P. Richardson, E. Riley, K. Ryan, J. Saueve, R. Shirreffs, F. Shuster, M. Stachew, J. Stibbard, L. Varteniuk, M. Varteniuk, M. Veinotte, T. Volchuk, D. Zealand.

Passed

J. Arnett, E. Arundell, M. Barnes, M. Beadman, B. Beaven, M. Belanger, A. Bennard, G. Bissonette, E. Bolvert, I. Boisvert, M. Booker, A. Borkoski, L. Boychuk, L. Brown, H. Burton, R. Busiere, J. Canie, D. Cavaney, J. Chantigny, N. Chantigny, L. Chenier, F. Clarke, L. Colton, E. Cooke, W. Craig, E. Cripps, E. Della-Vedova, H. Dolyndchuk, L. Duff, E. Everard, F. Ederly, G. Fairbrother, H. Fournier, D. Frapier, A. Freima, E. Garrow, R. Gauthier, R. Godin, M. Gurevitch, B. Hamelin, A. Kemball, M. Kucheran, R. Lacombe, L. Lainsbury, M. Lake, M. Lamotte, C. Lang, G. Larcher, E. Larivee, V. Lehtinen, L. Lemieux, R. Lucas, R. McChesney, T. McFadden, G. McInnes, R. MacJanet, G. McLean, J. McWhirter, F. Malarchuk, H. Martin, G. Morin, H. Munro, J. Munro, M. Newton, T. Pilon, E. Plaus, A. Randall, A. Ray, K. Regan, D. Richer, L. Riddler, R. Roberts, D. Robertson, L. Rossi, A. Ruest, N. Rutchinski, C. Seguin, M. Sheridan, T. Sub, E. Simmons, H. Siuomi, R. Thachuk, W. Thompson, R. Valenius, J. Wallingford, M. Watkins, V. Watts, S. Weagle, L. Weir, L. Wojciechowska.

Under Regulation II (3)

A. Brazeau, J. Danis, A. Desjardins, W. Kelenchuk, V. Murley, E. Pearce, E. Pineault, Y. Poulin, G. Rondeau, L. St. Onge, P. Stibbard, W. Twaddle, L. Wilson, N. Woollocks.

Under Regulation II (5)

F. Bennett, W. Colborne, E. St. Denis, J. Zabudna.

South Porcupine Centre Passed With Honours

J. Baker, O. Costain, E. Cunningham, P. Cunningham, M. DeRosa, E. Dillon, W. Fera, M. Frumkin, B. Gallagher, O. Gallinger, C. Hortle, E. Luhta, A. MacPhail, C. MacPhail, R. MacPhail, A. McGinn, P. Mercier, A. Michaluk, M. Miller, J. Mitchell, L. Niemi, S. Parkko, V. Rekele, R. Stone, F. St. Paul, N. Train, A. Waanan, M. Wilson.

Passed

W. Bezpalko, J. Bridges, V. Burke, L. Gervais, W. Helmer, M. Landry, M. McCaw, K. Myers, P. O'Shea, J. Rotondo, M. Rotondo, P. White, W. Wilson, S. Wuori.

Under Regulation II (3)

R. Hortie, V. McKay, C. Spitz, N. Zaitz.

Schumacher Centre Passed With Honours

E. Armstrong, C. Baldwin, L. Besley, S. Cummings, J. Dye, H. Gilbert, A. Kulan, S. Laughrin, W. McCrae, G. MacDonald, V. Maki, S. Newlands, R. Nilson, R. Phillips, E. Prest, Z. Sky, R. Sullivan.

Passed

R. Caldwell, R. Caldwell, E. Cousineau, H. Dainton, W. Flowers, J. Gregulski, M. Hologovich, B. Kuly, M. McDonald, J. Mammolite, A. Tario.

Under Regulation II (3)

S. Laing, E. Montigny, M. Ostovich.

Under Regulation II (5)

C. Hamilton.

Connaught Centre Passed With Honours

Ruby Knox.

Passed

Isobel Aitchison. The following are the candidates ranking highest at the respective centres mentioned.

Timmins—E. Riley and R. Shirreffs, equal.

South Porcupine—Betty Gallagher, Schumacher—Sada Newlands, Connaught—Ruby Knox.

The six candidates ranking highest in the inspectorate are:—

1. Betty Gallagher—age 12 years, 8 months, South Porcupine Public School.
2. Rod MacPhail—age 13 years, 8 months—Dome Mines Public School.
3. Richard Stone—age 15 years, 3 months—Dome Mines Public School.
4. Mary Frumkin—age 14 years, 2

New Director

D. LEO DOLAN

Who has been appointed Director of Information and Tourist Travel in New Brunswick, succeeding the late J. Douglas Black, who was the organizer and first director.

Good Programme of Boxing—Wrestling

St. Anthony's Club Present Some Excellent Bouts at Skating Rink on Dominion Day Here.

Brief reference was made last week to the boxing and wrestling programme presented at the Timmins skating rink by St. Anthony's Athletic Club, on Wednesday, July 1st. Weather conditions and holiday time, with many people out of town, and other conditions resulted in a very disappointing attendance at the boxing event in the Timmins skating rink on the evening of the holiday. The full card, as advertised, consisting of wrestling (two bouts) and boxing (five bouts), was given and in spite of the heat the boys gave an excellent exhibition, worthy of much better support.

B. Robillard overcame his opponent in a neat match and a throw of his own invention, after twelve minutes' straight wrestling in a 20-minute bout.

E. Laviolette and Victor Banning gave a clever exhibition of wrestling in the middleweight contest, which resulted in a draw. Twenty minute time limit.

V. Emard gained the decision over young Maurice at 100-lb. fighting weight. A comedy bout worth watching was presented between some of the more serious bouts and created much amusement.

The heavy men, McNulty, of Timmins, and Grant Eaton, of Toronto, stepped up and started off, looking good. An obviously unintentional foul by Eaton terminated the bout in the first round; McNulty being named the winner.

F. Ladouceur and Len Wadsworth swapped punches for three rounds in a snappy bout. Wadsworth was on the winner's end.

Donat Richard, of Timmins, out-boxed and outfought Benny Doherty, of Kirkland Lake, and won easily in this five-round bout. Donat is to meet Roy Hamilton, Ontario champion, at an early date. Donat's backers giving the challenge from the ring.

Sid Burt, of Bristol, England—now a resident of Timmins,—showed the boxing public that he could do as well as advertised, outclassing Frenchy Morris and winning the bout with ease.

There is a hope expressed by many that the St. Anthony's Club will stage another boxing programme under their own auspices in the near future. In such a case it is to be hoped that the public will give much better support and attendance to a boxing card of so much interest and snap.

A wire from Simcoe over the A. A. Amos & Partners' private wire this morning says that Norfolk County remains in the Conservative ranks. Dr. A. C. Burt winning with a majority of 60 votes after a keen battle.

months.—South Porcupine Public School 5. Sada Newlands—aged 12 years, 11 months—Schumacher Public School.

6. Kathleen Hudson—age 14 years, 4 months—Kapuskasung Public School. The certificates of each successful candidate and the statement of marks of each unsuccessful candidate will be forwarded by mail to the candidates concerned.

L. A. MARLIN, Public School Inspector

DEPUTY MINISTER OF LABOUR PAYS VISIT TO THE NORTH

A. W. Crawford, Deputy Minister of Labour for Ontario, arrived in Timmins on Tuesday evening, leaving here the following day. The Deputy Minister is on a tour of the North, visiting all the important centres and particularly those that have a branch of the Employment Service of Ontario. Mr. Crawford, in addition to visiting all the employment offices is also noting labour conditions in all centres visited and forming his own conclusions as to the labour situation generally. He only spent a few hours in Timmins, most of that time being passed with H. C. Garner, in charge of the Timmins office of the Employment Service of Ontario.

District Governor at Kiwanis Monday

Evening Meeting will be Held to Welcome Governor Isaac P. McNabb of Peterborough. It Will Also be Ladies' Night on Monday.

At the weekly luncheon of the Kiwanis Club on Monday of this week the time of the meeting was largely taken up with discussions on business affairs. The speaker for the day disappointed the club, being unable to be present. The one visitor for the day, Mr. Seager of Toronto, was introduced by President J. R. Walker. Mr. Seager is on the staff of the McColl Bros. Limited.

At Monday's meeting special attention was given to the fact that on Monday of next week, July 13th, the Timmins Club will be honoured by a visit from the Governor of the Ontario-Quebec-Maritimes District, Isaac P. McNabb, of Peterborough. It is expected that Rev. J. Douglas Patterson, now rector of All Saints' Cathedral, Peterborough, will accompany the Governor here and be a guest of the Timmins club during his visit here.

It was decided to make the next meeting of the Kiwanis an evening meeting and a ladies' night, in honour of the visit of the Governor. The meeting will be held in the large dining hall at the New Empire and it is expected there will be a large attendance of Kiwanis and their friends to greet the Governor. Governor McNabb is a speaker of unusual ability and interest and his address will be a special treat to all. Members wishing to bring guests are to notify any one of the committee—Carl Eyre, Dr. Honey, W. Rinn and C. G. Keedie—before Saturday of this week. The occasion will be of special interest throughout not only to members of the Kiwanis Club but to their friends.

Labour Battalions Suggested in North

Premier Henry Said to Have New Plan to Find Work for Transients. Word Soon About Trans-Canada Highway Route.

The latest suggestion in the way of handling the unemployment question is a proposal said to have originated with Premier Henry for the organization of labour battalions for Northern Ontario to care for the transients and generally to relieve the situation. Coincident with this announcement is the word that the Ontario Government expects soon to make an announcement in regard to the Trans-Canada highway route. All here recognize the seriousness of the unemployment situation all over this North, and it is felt that unless something is done the situation will be more than serious this winter.

The question is one of so much importance that all will be interested to read the following from The Mail and Empire on Wednesday of this week. The Mail and Empire can be accepted as practically official in such a case, which adds much to the interest. In its reference to the matter, The Mail and Empire on Wednesday of this week says:—

"Organization of labour battalions to take care of the transient unemployed in Ontario will, it is understood, be thoroughly discussed by Hon. George S. Henry, Premier, and Senator Gideon Robertson, Federal Minister of Labour, who are conferring on the unemployment situation in Ottawa this week. Such a scheme has been urged upon the Ontario Government recently by deputations from various centres in the province.

"Should the organization be undertaken, it will be carried out along military lines, it is expected. It is believed a particular field for the battalions would be found in Northern Ontario, in connection with the Trans-Canada highway, construction work in the Temiskaming and Northern Ontario Railway, and forest fire prevention and suppression.

"Premier Henry, who has left for Ottawa, had a conference prior to his departure with Hon. William Finlayson, Minister of Lands and Forests. The chosen route for the Trans-Canada highway in Northern Ontario will, it is believed, be announced within the next week.

"Another relief proposition aired by a deputation from St. Catharines will be taken up by the Premier with Senator Robertson. The deputation suggested organization of municipal campaigns for voluntary subscriptions to relieve funds."

To Be Married Soon

ROYAL ROMANCE They look rather happy, don't they? And they are happy, because they are to be married soon. Princess Ileana of Roumania and her fiancé, Archduke Anton of Hapsburg, photographed at Nettuno, exclusive resort on the Tyrrhenian Sea, a few miles from Rome.

Mountjoy Settlers Meeting on July 18

Meeting Called to Organize a Branch of the Northern Ontario Settlers' Association for Mountjoy.

Settlers all through the North have had a difficult time in making their needs and wishes known and so when a general association of settlers was organized at Kapuskasing last year the various districts have been prompt in the establishment of branches. One of the latest to plan organization is the township of Mountjoy. After many of the settlers had discussed the question it was left in the hands of R. McWhirter to call a meeting and make other arrangements for organization. Accordingly a meeting of all the settlers of Mountjoy has been called for Saturday evening of next week, July 18th, at 7:30 p.m. at P. Boissoneault's place, lot 4, concession 2. President J. Lacasse of the Northern Ontario Settlers' Association has written to Mr. McWhirter to say he will be present to explain the plans and purposes of the Northern Ontario Settlers' Association. A. F. Kenning, M.P.P., it is also hoped will be present as well as some others specially interested in the progress and welfare of the settlers. All settlers in Mountjoy township are cordially invited to attend the meeting as it is hoped to have it fully representative of the people of the township.

Work Commenced on Extension of H. S.

About Twenty Men Busy at Excavation Work. Further Staff of Men will be Added Later. Work to be Completed by Oct. 15.

The Fox Construction Company, of Toronto, who were awarded the contract for the building of the addition to the Timmins High and Technical School building have lost no time in getting the work under way. A carload of material came in last week for the work and more is now arriving. The contractors were on the job here as soon as they were aware that they were the successful tenderers. Work started this week on excavation and preparation for the foundation of the new addition. There are about twenty men now at work but this number will be much increased as the work proceeds. There is a clause in the contract that requires that local labour be used exclusively wherever available, and of course at the present there is plenty of available labour. Bona fide citizens of Timmins are to be employed at the work. The addition will be at the rear of the present building and will be of the same fire-proof type of material. The work will to some extent help out the unemployment situation here as bona fide residents of Timmins will be given the preference. The work will have to be carried through with dispatch as the contract calls for the completion of the addition by Oct. 15th.

FREE VACCINATION AT THE CLINIC AGAINST SMALLPOX

Dr. H. H. Moore will be at the clinic Fourth avenue, Timmins, on Wednesday of next week, July 15th, between two and three o'clock in the afternoon for the purpose of giving free vaccination to children against smallpox. Vaccination provides a safeguard against the danger of contracting smallpox and the clinic is offering this opportunity for protecting children from this disease.

THE TWO J. DALTONS SEE SOME GREAT RING WORK

John Dalton left last week on a holiday trip to the South, and since then has been taking in some historic ring events. At Toronto, where he witnessed the fight in which Primo Carnara, the giant Italian, defeated Renault, the Canadian heavyweight champion, Mr. Dalton was joined by his son, Jack, and the two J. Daltons proceeded to Cleveland, where in the \$3,000,000.00 municipal stadium they saw Scribbling, bleeding, badly punished and thoroughly whipped, counted out some 14 seconds before the final bell in the battle for the heavyweight championship of the world.

Wright-Hargreaves Winners Yesterday

McIntyre Team Allowed Some Errors to Help Kirkland Lake Team to Victory. Locals to Redeem Themelves Next Wednesday.

The Temiskaming Baseball League game yesterday was at Kirkland Lake and the Wright-Hargreaves team came out at the top with a 7 to 6 score. A comedy of errors by the visiting McIntyres and the clever base-stealing by the Wright-Hargreaves were the chief factors making the result. At that it was a good game for the fans and the Wright-Hargreaves team had no easy walk-away! The score shows that the game was a well-contested one, Langdon and Blake were the battery for the McIntyres, while Tennant and Genese did the honours in this respect for the Wright-Hargreaves. There was a big crowd out to see the match, and the weather was about ideal for good ball.

The next game in the senior baseball will be at Timmins grounds on Wednesday next, July 15th, when the McIntyres intend and expect to redeem themselves by a specially good game of ball and a nice win. Ball fans should make a special point of remembering this match on Wednesday next. It should be a game worth seeing.

Two Houses Struck by Lightning Here

No Serious Damage Done, but Occupants Have Narrow Escape. Tuesday Afternoon Sees Bad Electrical Storm.

One of the worst electrical storms of the season visited this section on Tuesday afternoon, the worst fury of the storm being at half-past five o'clock. The power was put out of business for a time, though the service was resumed in less than an hour and a half. Several places were struck by lightning in the district. Two houses in town were damaged by lightning. These two houses were the residence of James Landers, 9 Main avenue, and the house at 12 Commercial avenue, occupied by J. Morin, which is immediately behind the Main street residence. Between the two houses there was a clothes line attached to a high pole. The lightning struck the clothes line and travelled both ways. The lightning hit the rear end of Mr. Landers' house, tearing the sheeting near one of the windows, and entering the back kitchen where it splintered the floor. The family had a narrow escape from injury, and were also fortunate in that fire did not start from the bolt of lightning.

At Mr. Morin's residence at 12 Commercial avenue more damage was done by the lightning. Two windows were broken and the woodwork shattered. Four saucers were broken in a cupboard and a black mark was made across the white-painted woodwork.

In both cases the damage was very slight. A very unusual and remarkable incident again showing the freakishness of lightning is reported as occurring at a house on the corner of Birch street and Seventh avenue. The house is occupied by Finnish people and the family were at supper when the lightning struck. One of the children in the family was eating meat and had a strip of bone in her hand when the lightning struck. The bone turned a bluish colour and remained so. The little girl had her hand and arm paralyzed by the lightning and for hours after the child was not able to use her hand. It was hours before the injured arm had recovered. The youngster is reported now as being fully recovered from the odd experience.

The storm on Tuesday hit here at a particularly undesirable hour. Most people were preparing the evening meal when the power went off. Everybody suffered from the power going off, from the people who only used lights in the electrical line, to those who have all sorts of electrical equipment such as electric stoves, refrigerators, etc. Fortunately the power company was able to locate the exact spot where the trouble occurred and the lightning, and soon the power was on again and everything going along as usual.

Dr. E. A. F. Day and Mrs. Day returned last week from a motor trip to Fort William and other points west.

Conference Recommends the Building of the Two Routes

As Expected the Conference at North Bay Endorses the Route Along the North Shore of Lake Superior and Also a Connecting Road from Hearst, Government to Decide Which to Call Trans-Canada Highway.

Heads Medical Men

DR. ALEX PRIMROSE Of Toronto, who was chosen President-elect of the Canadian Medical Association for 1932 at a meeting of the Council at Vancouver recently.

Noted Swimmers to be at Golden City

Remarkable Features to Big Swim Under Auspices of Goldfield Drug Co. and the Canadian Legion

The annual big swim at Golden City is to be a specially noteworthy event this year. It will be held on August 3rd and in addition to the usual events there will be a number of the famous swimmers of the world present for the occasion. These will include Marvin Nelson, Isador Sponzor, Marguerite Ravoire, Ernst Vierkotter, Keating, Clarence Ross and many others. The big swim this year will be under the joint auspices of the Goldfield Drug Co. and the Timmins branch of the Canadian Legion.

The committee in charge of the Legion Week of Wonders and sports day met on Monday evening of this week to complete final details of the sports day, August 3rd. Previous to commencing business, Col. Scobell introduced Mr. Packer, of the Vi-Tone Company, who is in the North completing an advertising campaign for that company. He told the members present about the training camp of famous swimmers their company operates and also of the visit to this camp of several of the swimmers-in-training. He had completed arrangements with the Goldfield Drug Co. to include these swimmers in the Big Swim at Golden City. Mr. Packer asked the Legion to assist in this event and promised a little present to all attending at Golden City on August 3rd. After a very thorough discussion of the suggestion it was decided to postpone the field sports here on August 3rd to Sept. 16th, and assist with the visit of the swimmers from the Vi-Tone camp.

Some of the world's most famous long-distance swimmers will be among the party, including:—Marvin Nelson, winner of Toronto Marathon last year; Isador Sponzor, runner-up last year and third in 1929; Miss Marguerite Ravoire, winner of 1930 10-mile swim, Toronto Exhibition; Ernst Vierkotter, the famous German swimming champion; A. Keating, another of those who have been in the money in years past; and Clarence Ross, world's short distance champion who will try to lower the 100 yards record at Golden City. There will also be another eight or nine champions with the party, and all will enter the Goldfield Drug Co. Swim on that date. Tags, for which a donation to the relief fund of Timmins branch, Canadian Legion will be asked, will be on sale during the day at Golden City, the sponsors of the visit making this a special request to the public as no other charge can be made. In the evening of Monday, August 3rd, all these swimmers will personally appear at the skating rink, Timmins, and it would be well for all to secure their tickets now. These can be had by securing a donation admission ticket, good for five nights and a chance for some excellent prizes. This is an event well worth attending, if only to see some of the Marathoners in action and a large crowd is expected. Be at Golden City early, first race at 1:00 p.m.

Chief Borland had the cast taken off his injured arm this week and finds the arm recovering splendidly. He is able to move the fingers, arm, etc., and it is evident the arm will be all right again. The arm will be carried in a sling for a time yet, but it will not take long for it to return to normal.

The conference called at North Bay to make a recommendation to the Governments as to the route to be selected for the Trans-Canada highway through the North Land met yesterday (Wednesday), and as expected by all who have noted the preparations for the conference practically a double route was suggested—the route known as the North Shore route and a route to connect with the highway at Hearst. Details of the meeting are not available at the time of going to press, but over the long distance phone from North Bay this morning The Advance was given the following resolution as being passed unanimously by the conference:—

"That this conference make the recommendation to the Government of Ontario that they build the road from Sault Ste. Marie to White River and through to Nipigon and that the road be connected up with Hearst to Hornepayne and White River, and for every mile built between the Sault and White River one mile be built between Hearst and White River; and that we leave it to the Government as to which line of road they call the Trans-Canada highway. Also that we ask for a road from the Trans-Canada highway into Chapeau.

It will be noted by a reading of the resolution that as suggested in The Advance both Sudbury and Sault Ste. Marie in effect have their first-favoured routes endorsed. It will be noted that according to the resolution Chapeau is to be connected with the highway, but as it does not specify where the connection is to be made, and as the naming of the highway route is still left to the Government, it is not difficult to figure out the answer. The representatives of the Northern Ontario Associated Boards of Trade introduced a resolution in effect asking that after a survey of the several proposed routes the Government select the best route for the highway. This resolution of course was superseded by the resolution given above. The conference, of course, as has been stated before, was not representative of the North in any way and so proves nothing. If the Government follows the recommendation of the conference it will be because the Government had already decided to do so, and simply wishes some form of support from the people.

Averaging a Call a Day Here Recently

House Burns Down in Goldale Township, Outside Town, but Nearby Places Saved. Prompt Action Averts Serious Fire at Taylor Hardware.

Timmins fire brigade have been kept busy for some days past, averaging a call a day. Fortunately most of the calls have been given in time so that the firemen's good work has prevented any serious damage. One of such cases was that of the call to the Taylor Hardware on Friday. Some waste outside had taken fire and the flames had gotten in through the window above the back door, setting fire to some tents and paving the way for a serious fire. Another ten minutes would likely have meant a bad fire. As it was the firemen soon had all danger removed with little damage resulting. The fire took place at 12:15.

There was a bad fire in the Goldale townsite Wednesday morning about eleven o'clock, the burning house being outside the town limits. As soon as the brigade was notified of the fire a prompt response was made. The fire had such a grip of the house by this time that it could not be saved, but two nearby houses in serious danger of catching fire were saved through the good work of the Timmins brigade. It was necessary to lay 1,300 feet of hose to fight this fire. The house was owned by J. B. Gastonguay, and occupied by his brother and family. The building was very badly damaged, and there was no insurance carried. The cause of the fire is unknown. There were stories to the effect that there was a mother and baby inside the house after the firemen arrived, but these stories were found to be without basis, all in the house escaping without injury.

This morning at 9:45 the firemen had a call to Deas' bakery, 117 First avenue. Heated pipes passing through a partition caused this fire. The damage done was slight; the firemen only needed the one chemical tank to extinguish the blaze.

Messrs E. J. Myers and "Ruddy" Rutherford were visitors to Timmins on Monday evening. These two former residents here were on their way by canoe route to the new Matachewan gold camp where they intend to open up a drug store in that new gold district.
