Please Take Notice

that the meeting nights of the Timmins Lodge have been changed to the 2nd and last Tuesdays in each month. Next meeting Tuesday, July 14th.

Signed: T. W. Beaven, Secretary

OFFICERS OF THE CANADIAN NEWSPAPERS' ASSOCIATION

A despatch from Regina, Saskatchewan last week says that S. J. Doran, Alameda, Sask., was elected president of the Canadian Weekly Newspapers' Association for the ensuing year, succeeding Malcolm MacBeth. A. W. Marsh, Amherstburg, Ont., is the new vice-president, and E. Roy Sales is re-elected managing-director.

Ontario directors elected are: J. A. MacLaren, Barrie; Lorne Eedy, St. Mary's; D. Williams, Collingwood; Geo. Lake, Timmins; Col. A. G. F. MacDermid, Alexandria; C. V. Chanters, Brampton; Elgin Harris, Burlington; R. Lancaster, M.L.A., Havelock.

TEN YEARS AGO IN TIMMINS

From data in the Porcupine Advance Files.

In 1921 the Temiskaming Firemen's tournament was held at Timmins, the best-looking brigade. Another special feature of the day was the presentation to the town of a handsome Union Jack by the local Daughters of the Empire. Timmins won from South Porcupine, 1 to 0, in junior football. Timmins won from South Porcupine, 10 to 9, in a lively game of girls' baseball. Cochrane won the wagon race, also the reel race, with Schumacher second in each of these events. The ladder race was won by Schumacher, with Cochrane second. In baseball, Cochrane won from Timmins, 9 to 8. There was a large programme of sports and novelties. Timmins won the league football match with Cochrane, 5 to 1. D. Mackie took the approaching and putting contest. Edith Greer and Margaret Cole won first and second prize, respectively, for selling the largest number of tags. In the bandsmen's race J. T. Easton won by a trick that amused the crowd. He was standing ready to start in the race, with his instruments before him, cymbals and drum, but he was off like a pistol shot when the starter's gun was fired—carrying only the cymbals.

Ten years ago, as now, Golden City was a popular summer resort, as shown by The Advance files of 1921. Special accommodations were provided at Golden City for the comfort and convenience of visitors.

There was hot weather here ten years ago. The Advance had several references to this in its issue of July 6th, 1921. One of the items read: "The tea and sale of home cooking, under the auspices of Gold Nugget Rebekahs, announced for Saturday of this week, July 9th, has been cancelled for the present, on account of the extreme hot weather." There were cases of prostration from the extreme heat. It was considered the worst hot spell in the North since settlement began here.

The Advance noted that building permits in Timmins for June, 1921, totalled on estimated cost of \$41,080.00. The biggest item was a store on Third avenue for Feldman Bros., the estimated cost of this building being \$14,000.00. Most of the other buildings were residences and additions and alterations to existing buildings.

The council sitting as a court of revision on the assessment roll ten years

ago heard 33 appeals. Most of the appeals were refused, the assessments made by W. S. Macpherson being confirmed. Some of the cases were adjourned to a later date.

M.W. Bro. F. W. Harcourt, K.C., of Toronto, the Grand Master of the Grand Lodge of Canada in the Province of Ontario, visited a joint assembly of Porcupine and Golden Beaver Lodges, A. F. & A. M., at Timmins on July 5th, 1921. Despite the extremely hot weather there were about 100 of the brethren of the Craft present and the evening was an inspiring and pleasing one. After the work of the Order a banquet was enjoyed downstairs. Golden Beaver Lodge presented the Grand Master with a beautiful sample of gold ore, and a similar gift in the form of a watch charm was presented by Porcupine Lodge. In referring to the address by the Grand Master, The Advance said: "He spoke with inspiring eloquence of the principles of Masonry in adding to good citizenship, brotherliness and a life of higher purpose and happiness." Among the visiting brethren prominent in the Craft at Timmins for the occasion were:—R.W. Bro. Todd, D.D.G.M., of Cobalt; W. Bro. Robinson and W. Bro. Rufford, of Cochrane; R.W. Br. A. J. Young, of North Bay; and representatives from the Iroquois Falls lodge and several other distinguished visitors.

W. Rinn won first and Geo. S. Drew, second, at the Dominion Day golf tournament here in 1921.

Evangelist Emblem, representing the Baptist Home Mission Board, arrived here ten years ago to take up the work laid down on the death of Rev. Ian Cruickshank, who died here while pastor of the Timmins Baptist Church. Evangelist Emblem conducted services here in a big tent south-west in town.

Brigadier McAmmond and Mrs. McAmmond, of North Bay, conducted services at Timmins ten years ago for the Salvation Army. The services were a preliminary to re-establishing the Salvation Army at Timmins.

Ten years ago there were many rumours about bush fires, the weather being so hot and dry. The most of the reports, however, were found to be exaggerated out of all semblance to truth and The Advance had a busy time contradicting some of the rumours. One to the effect that Kapuskasing had been burned out with the loss of many lives was one of the yarns contradicted by The Advance after due enquiry. There were several bad bush fires in progress in the North, but fortunately The Advance was able to report that: no lives had been lost.

Ten years ago the Timmins baseball club gave a dance in the Masonic hall, the event proving an all-round success, despite the hot weather. Colombo's orchestra supplied the music. It will be noted that ten years ago everything seemed to be "despite the hot weather." And was it hot?

The London Life Barometer of Business

(Sixth in a Series)

NEW INSURANCE for Week of June 22-27

\$2,321,265

CANADIANS, last week increased their financial security and that of their families by two million, three hundred thousand dollars of life insurance with The London Life. This figure represents an increase of a quarter million dollars over the weekly average for 1930—a 12 p.c. gain.

A new policyholder was added on the average, every minute of the working day.

The Halleyburian last week has the following in regard to the Northern Ontario Amateur Golf Championship events this year:—

The Northern Ontario Amateur Golf Championship will be played this year on the 9-hole Halleybury course, with an expected entry list of about sixty players. The dates chosen are August 3th, 7th and 8th.

There will be a thirty-six hole qualifying round on Thursday, and the six-teen qualifiers will be started out in match play on Friday morning, which will bring the final on Saturday afternoon.

Last year at Sudbury the title was decided on medal play, with Cliff Olliver, of Iroquois Falls, taking the championship, after a hectic struggle. Former title holders pushed him hard right up to the final few holes.

Some of the aspirants to the title have already been over the local links, and are pleased with the condition of the fairways and greens, the latter being a trifle slow yet, but expected to be in high-class shape for early August when the boys get going.

It is expected that there will be keen competition among local golfers for a chance to play in the Northern Ontario championship event, and a qualifying test is now being prepared.

will likely be joined there later on by his father and mother, Capt. and Mrs. Hutchison, of Timmins. "The hot weather is at least keeping people good, Chief M. Greer maintains. There were no cases for Police Magistrate Atkinson here last week, and the Hotel de Greer is empty of lodgers this week also, though it is the coolest rooming place in town, so cool, indeed, that it is often known as the cooler." "During the hot weather, South Porcupine and Golden City have been favourite places. On Friday, Dominion Day, there were fully a thousand people from all around the camp at Porcupine Lake for the day. Timmins, Schumacher and other points in the district sent its quota of motorists out to enjoy the cooling breezes, the fine scenery, the boating and the bathing at South Porcupine and Golden City." "About three hundred people gathered at the New Empire theatre on Saturday afternoon to hear the story over the wire of the Dempsey-Charpentier prize fight. The telegraphic story, over the special wire from the ringside covered the fight in attractive and complete way. There was considerable disappointment, however, in the fight itself, one or two alarms, weeping when Charpentier was reported as being knocked out in the fourth round. Nearly everybody here hoped for a win for the gallant Frenchman, but at the same time the most of the money was up on Dempsey. This betting feature may have been a sad mistake, for as trade follows the flag, so do the prayers follow the money in a case of this kind, and thus Charpentier got the worst of it."

WORLD'S GREATEST TRAVEL SYSTEM

Further Extension of T. & N. O. Denied

T. & N. O. Line to James Bay Going Ahead. Further Extension Not Considered. Moose Harbour to be the Terminal.

In an interview at North Bay some days ago, emphatic denial was given by Geo. W. Lee, chairman of the Temiskaming and Northern Ontario Railway Commission, to a report that the official opening of the new extension to James Bay was being delayed until next spring because of a possibility of a still further extension of the road to a point 70 miles farther north on the west side of James Bay.

Mr. Lee stated that such a move had not even been discussed by the Commission and there was the best harbor on the Bay at the present suggested terminus at Moose Harbor. The reason for delaying the official opening was the lack of accommodation for the large numbers expected to attend the opening.

Construction work on the extension is up to schedule and steel will be at the new terminus by September 1, Mr. Lee stated. It would take another two months to ballast the road so that passenger trains could be operated and by that time weather conditions might be far from good. During the coming winter terminal buildings will be constructed at Moose Harbor and when the official opening does take place it is expected there will be adequate accommodation for the visitors.

Among the local and personal notes in The Advance ten years ago were the following:—"A big gang of men are at work this week moving the Hollinger spur line, which is being located slightly west of its present location." "According to Toronto despatches Premier Drury will leave on July 9th for a tour of the North Land. This time The Advance suggests that the Premier visit Timmins and Iroquois Falls and see conditions for himself. If the Government could see just what this part of the North has and needs, the attitude might be vastly different." "Bush fires have been causing considerable loss up the river in the past few weeks. One of the fires burned over ten acres of T. J. Lawlor's farm, with a loss of about \$3,000.00. This fire spread to A. Belanger's farm and did damage there. Everybody is hoping for rain and winds that will not fan the fires." "Miss Bertha Charette, teacher at Nushka, is spending the vacation at her home here." "Born—in Mattagami Heights, on Tuesday, July 5th, 1921, to Mr. and Mrs. John Kl'gore,—a son." "Mrs. David Maxwell returned on Thursday last from a visit of several months to her old home in Scotland. Her many friends in the camp gave her very hearty welcome back to the Porcupine." "A good half of the taxes due in Mattagami school section has been collected by Collector W. S. Macpherson. The other half now being overdue will be collected with equal despatch, delinquents also being liable to the five per cent. penalty as well as the costs of other processes for collection." "Word was received last week of the safe arrival in Liverpool of Miss Dorothy Hatton, daughter of Mr. and Mrs. H. Hatton, of town. This bright little twelve-year-old young lady made the trip from Timmins to Liverpool unaccompanied. She had the good luck of the good traveller, however, in having as fellow passengers on the boat acquaintances from Timmins and South Porcupine." "J. Callum left to-day for an extended vacation in the east. Mr. Callum will spend some time in the Laurentian Mountains, returning to Timmins after his holiday. Mr. Callum has been treasurer of the Timmins Football Club here this season and his generous and helpful services to the sport were noted in a resolution of appreciation passed at a recent meeting of the executive that accepted his resignation with sincere regret." "L. Fancy spent the week-end at his home in Cobalt." "Died—At South Porcupine, Ont., on Wednesday, June 29th, 1921, the infant son of Mr. and Mrs. Sheridan Miller." "Miss Isabelle Stirling, of Renfrew, is spending the summer vacation with her father, A. Stirling, Ontario Government Roads superintendent." "A. heading in the Cobalt Nugget on Monday says—New Liskeard Am Cady. It 'ure am. \$50.00 for the N.O.H.A. cup 'Am Cady' all right. Whatever that may mean." "Austin Hutchison arrived safely in Liverpool last Tuesday. He will make his home in England and
